

Male Sex Therapist Near Me

What Men Want in Bed -

Bettina Arndt 2012-01-01

Across the world, the story is the same. Sex scandal. Media frenzy. Another prominent man caught with his pants down. So why do men take such risks for sex? Sex therapist Bettina Arndt's new book is all about why sex matters so much to men. More than 150 men kept diaries for her, talking about what it is like to live with that constant sparking sexual energy and dash; relentless, uncontrollable, all-consuming. Their painfully honest, confronting, often hilarious stories explain their quest for sexual adventure, their secret delights, the thrill of giving pleasure, why some men turn to pornography and men's delight in the Viagra revolution. With every second man over fifty dealing with erection problems, Bettina offers advice on the wondrous

new treatments giving men a new lease of sexual life. Her diarists reveal what it is like to pop little blue pills, or inject their best friend, or face impotence after prostate cancer treatments, or use treatments with a reluctant partner. What Men Want: In Bed lifts the lid on men's longings, frustrations, their fears and their intense joy in making love.

[Principles and Practice of Sex Therapy](#) - Kathryn S. K. Hall
2020-06-03

This widely used clinical reference and text--now significantly updated with 75% new material reflecting therapeutic advances, diagnostic changes, and increased coverage of sexual minority groups--comprehensively addresses sexual problems and their treatment. Prominent contributors interweave theory,

research, and clinical considerations. Detailed case examples illustrate the process of assessment and intervention with individuals and couples across the lifespan, with attention to gender-related, cultural, and health concerns. The volume features an integrative introduction and conclusion, plus an instructive editorial commentary at the beginning of each chapter. New to This Edition *Many new authors and extensively revised chapters. *Coverage of advances in sexual medicine, ICD-11 diagnostic changes, and other timely topics. *Chapters on sexual aversion, female sexual arousal disorder, and out-of-control sexual behavior. *Chapters on the transition to parenthood and the treatment of sexual concerns in the BDSM community and adult transgender clients. *Chapters on additional medical issues: cancer and spinal cord injury. [Sexual Dysfunction in Men](#) - David L Rowland 2012-01-01 "By far the best professional book ever published about understanding, assessing, and

treating male sexual dysfunction." Sexual dysfunctions in men, such as erectile dysfunction, ejaculatory disorders, and low sexual desire, are typically sources of significant distress for men. This book, being published with the companion volume *Sexual Dysfunction in Women*, provides general therapists with practical, yet succinct evidence-based guidance on the diagnosis and treatment of the most common male sexual disorders encountered in clinical practice. It assumes that mental health professionals and other clinicians without expertise in the field of sex therapy have much to offer these men by combining a multidisciplinary understanding of issues surrounding sexual problems with their general clinical knowledge and expertise. With tables and marginal notes to assist orientation, the book is designed for quick and easy reference while at the same time providing more in-depth understanding for those

Downloaded from
legacy.opendemocracy.net
on 2023-05-02 by guest

desiring it. The book can serve as a go-to guide for professional clinicians in their daily work and is an ideal educational resource for students and for practice-oriented continuing education. Recent Praise: "Simply put, this is by far the best professional book ever published about understanding, assessing, and treating male sexual dysfunction. David Rowland examines the biopsychosocial model of sexual function and dysfunction and applies a multi-dimensional, complex approach to understanding and changing male sexual dysfunction. This book makes a major contribution to the field and should be on the bookshelf of every psychologist, physician, and couple therapist treating men individually or in couple therapy." Barry McCarthy, Professor of Psychology, American University, Washington DC; certified marriage and sex therapist; coauthor of *Men's Sexual Health and Sexual Awareness* (5th ed.) "David

Rowland's text is an important addition to the literature and belongs in every therapist's library. It is especially valuable because it is designed to help the generalist deal with sexual problems and is written clearly with a practical emphasis." Robert Taylor Segraves, MD, PhD, Professor of Psychiatry emeritus, Case Western Reserve University, Cleveland, OH; Editor of *Journal of Sex and Marital Therapy* "Written for both professionals and the general population, David Rowland's work provides a comprehensive, scholarly review of men's sexual problems and up-to-date treatments. He concisely examines physiological and psychological causes and provides the theoretical underpinnings necessary for accurate diagnosis and treatment. This compact volume is a valuable source of useful information succinctly covering an all-too-often ignored area of human function and interaction." Diane Morrissette, PhD, Psychotherapist specializing in

sex and relationship counseling, Palo Alto, CA "The interdisciplinary expertise of Dr. David Rowland makes this comprehensive book on sexual dysfunction in men an essential read for any professional. The excellent descriptions of assessment and treatment will prove enlightening to medical health providers as well as anyone in the mental health field. The inclusion of the empirical evidence of varying treatments will help clinicians focus on the most efficacious approach. Sex Dysfunction in Men is a welcomed addition to evidence-based practice." Lin Myers, Professor of Psychology, California State University, Stanislaus, researcher, educator, clinician in the field of sexology for over 25 years, full member of the International Academy of Sex Research, and a member of SSTAR, and ASSECT

New Directions in Sex Therapy
- Peggy J. Kleinplatz
2013-05-13
New Directions in Sex Therapy: Innovations and Alternatives focuses on cutting-edge

therapy paradigms as alternatives to conventional sex therapy and expands the definition of the field. Replete with helpful clinical illustrations to demonstrate these new approaches in action, this book is intended for anyone who deals with sexual issues and concerns in therapy, clinicians of every kind, in addition to sex therapists.

The Etherized Wife - Leslie Margolin 2021

"The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender. The book makes the argument that in sex therapy, like other domains of life in which men set the standard of normality, women have been judged normal to the degree they match men's expectations. What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality. To support these claims, Leslie Margolin maps a series of case studies drawn from the discipline's own

legacy.opendemocracy.net
on 2023-05-02 by guest

literature-the articles and books that have been, and continue to be treated as exemplars of the discipline's collective consciousness. Through examination of case studies which focus on discrepancies in sexual desire, where the man wants more sex and the woman less, the book shows how therapists have favoured the man's side. The *Etherized Wife* shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal, natural, healthy sexuality"--

Sex and Sexuality - Glyn Hudson-Allez 2005-06-24

This book bridges the gap between the counsellor and the specialist sex therapist, by providing answers to questions raised by patients or clients about sex, gender and sexuality. It covers physiological information about genitalia, variations on sexuality, the differences between men and women in genital sexual arousal and sexual dysfunctions, an understanding of

developmental sexuality and information as to whether the sex discussed is normal or pathological. By having a clearer understanding of usual sexual practices, counsellors can be readily equipped to reassure their clients, or refer to an appropriate person for specialist referral. Topics covered include physiological difficulties like erectile problems, ejaculatory difficulties, vaginismus and dyspareunia, and loss of sexual desire; gender problems including cross-dressing, transsexualism and intersex; and psychological problems include sexual addiction, fetishism and unusual sexual practices. These are discussed in the context of individual clients and in couple dynamics, and provide a comprehensive reference for the non-specialist mental health professional.

human sexuality, male, marital, men, psychotherapy, Sandra Leiblum, sex therapy, sexual health, sexual medicine, treatments, women Description The leading clinical reference and text in the field, originally developed by Sandra Leiblum, this volume addresses the full range of sexual problems and concerns that lead men, women, and couples to seek help. Prominent experts describe cutting-edge assessment and treatment approaches that integrate psychological, interpersonal, and medical interventions. Detailed case examples illustrate how the therapeutic strategies are implemented and shed light on the factors that influence outcomes. The book is grounded in current knowledge about sexuality and sexual functioning across the lifespan. Tightly edited, it features an integrative introduction and conclusion plus a brief editorial commentary at the beginning of each chapter."--

Sex Happens - Arlen Keith
Leight 2013

When gay men start dating, the Sex Happens. All the other relationship stuff hits the fan later. If you've picked up this book, it's later. And if that stuff is starting to get in the way of your relationship (and the sex), it's time to get to work. (Don't worry-- this work won't be easy, but it could be fun.) Do you see yourself in one of these situations? -- Coupled, but dissatisfied with your sexual connection -- Coupled, with difficulty communicating -- Coupled, in conflict -- Coupled, but looking for new ways to create intimacy and connect physically -- Coupled, looking for an exclusive or open sexual relationship contract -- Coupled, but unsure about staying in your relationship -- Single, hoping for a way to sidestep some of the pitfalls of long-term relationships Sex Happens is a book for any gay man at a turning point in his relationship life. Think of it as months of working with a clinical sex therapist, but without having to pay for the weekly sessions.

Same-Sex Couples - Jerry
Bigner 2014-01-14

Use new knowledge of the LGBT culture to ably counsel same-sex couples! *Relationship Therapy with Same-Sex Couples* provides psychologists, therapists, social workers, and counselors with an overview of the array of treatment issues they may face when working with couples from the LGBT community. This book highlights the experiences of therapists who have encountered concerns particular to LGBT clients—especially those in intimate relationships. This intriguing resource covers clinical issues, sex therapy, special situations, and training issues for helping therapists successfully counsel same-sex couples. *Relationship Therapy with Same-Sex Couples* explores the therapist's role in working through universal issues in couples therapy—such as communication problems, infidelity, and decision-making—with a focus on how therapy should differ for same-sex couples. This important

guide also identifies which problems are unique to couples as an aspect of their sexual orientation, including gender role socialization and societal oppression. With this book, you will be able provide appropriate therapy without over- or under-attributing a couple's problems to their LGBT status. This book shows how experienced therapists have developed methods for working with: gay and lesbian parents heterosexual spouses and ex-spouses couples in HIV serodiscordant relationships "lesbian bed death" couple and family dynamics supporting transgender and sexual reassignment issues and more! *Relationship Therapy with Same-Sex Couples* contains several features for you to utilize in your own practice, including the Sexual Orientation Matrix for Supervision (SOMS) to assist supervisors and trainers in preparing supervisees to work with lesbian, gay, and bisexual clients. The book also offers guidelines for heterosexual therapists who plan to work

The Sex Diaries - Bettina Arndt 2009-03-01

In *The Sex Diaries* Australia's best known sex therapist, Bettina Arndt, uncovers the night-time drama being played out in bedrooms everywhere—the creeping hand and feigning of sleep, the staying up late in the hope that he will doze off. It is one of the great inconvenient truths of relationships that after the first blissful years together, most men want more sex than their female partners. Bettina Arndt recruited ninety-eight couples to keep diaries, revealing their intimate negotiations over sex. Who feels like having sex? Who doesn't? And how do couples cope if one person wants it more than the other? She draws on her thirty-five years of professional experience to provide a provocative analysis

that challenges our basic assumptions about sex. With her characteristic humour and insight, Bettina Arndt proposes a new approach to how couples can enjoy regular sex—and sustain loving relationships.

Contemporary Male Sexuality - Barry McCarthy 2020-12-29

This accessible guide confronts myths and pressures surrounding men and sex, promoting a positive and healthy model of male sexuality that replaces traditional expectations. The chapters in this book engage with cultural assumptions about male sexuality, from harmful early messaging, to the importance of enjoying intimacy, pleasure, and eroticism over the age of 60. The authors challenge the effects of toxic masculinity and traditional gendered roles in sex, celebrating sexual diversity, confronting double standards, and empowering men and couples to develop an equitable sexual bond. Case studies and psychosexual skill exercises are integrated throughout to make each concept personal and concrete,

Downloaded from
legacy.opendemocracy.net
on 2023-05-02 by guest

and incorporate the Good Enough Sex (GES) model to promote an authentic sexual self throughout the lifespan. With a focus on mutual consent and pleasure, Contemporary Male Sexuality offers a new model of male sexuality that helps men and couples achieve a satisfying, secure, and sexual bond, replacing damaging expectations with healthy sexual values.

The Wiley Handbook of Sex Therapy - Zoë D. Peterson
2017-04-24

The Wiley Handbook of Sex Therapy is a comprehensive and empirically-based review of the latest theory and practice in the psychotherapeutic treatment of sexual problems across client populations. Structured in four sections covering specific sexual dysfunctions, theoretical approaches to sex therapy; working with client diversity; and future directions in sex therapy. Advocates a holistic approach to sex therapy with a focus on using a range of psychotherapeutic theories and techniques rather than only the

most popular behavioral strategies. Includes case studies which highlight the broad spectrum of diverse conditions that clients can experience and which sex therapists can therefore encounter in the consulting room. Includes contributions by more than 60 experts from a wide range of disciplines.
New Directions in Sex Therapy
- Peggy J. Kleinplatz
2012-04-27

Winner of the 2013 AASECT Professional Book Award! *New Directions in Sex Therapy: Innovations and Alternatives* focuses on cutting-edge, therapy paradigms as alternatives to conventional clinical strategies. With each passing year, the treatment of sexual problems seems to emphasize more medical and pharmacological interventions. There is correspondingly less interest in the experiences of the individuals or couples involved. This book expands the definition of our field. Part I highlights the major problems and criticisms facing sex therapy and furnishes a

Downloaded from
legacy.opendemocracy.net
on 2023-05-02 by guest

rationale for new directions. Included in this new edition are critiques of "sexual addiction" nomenclature, the neglect of the ethical dimension in sex therapy, and there is a call to expand our vision of what sex therapy can attain. Part II demonstrates new approaches to dealing with traditional sex therapy concerns, including lack of desire and erectile dysfunction as well as innovative goals, such as integrating sexual medicine with sex therapy, using client feedback to customize therapy for the particular individual/couple's best interests, promoting relationship growth in working with transgender clients, and transcending sexual function/dysfunction to optimize erotic intimacy in long-term couples. This 2nd edition of *New Directions in Sex Therapy: Innovations and Alternatives* is replete with helpful new clinical illustrations across the spectrum of theoretical orientations (e.g., systemic, narrative, Experiential, CBT) to

demonstrate these approaches in action. This book is intended for anyone who deals with sexual issues and concerns in therapy—clinicians of every kind, novices and advanced practitioners—rather than only those who define themselves as sex therapists.

The Men on My Couch -

Brandy Engler 2012-12-31

WHAT MEN WANT. WHAT MEN FEEL. WHAT WOMEN NEED TO KNOW. When Dr.

Brandy Engler opened her sex therapy practice for women in Manhattan, she got a big surprise. Most of the calls were from men. They wanted to talk about womanizing, porn addiction, impotence, prostitutes—and most of all, love. Her patients were everyday guys from all walks of life. Among them were David, the Wall Street hotshot and compulsive womanizer; Charles, an introvert who kept pushing away the fiancée he thought was too beautiful for him; Paul, the self-made man who visited massage parlors despite his sexy wife; and the men's group whose stark

*Downloaded from
legacy.opendemocracy.net
on 2023-05-02 by guest*

revelations about male anger and their search for the right woman will open your eyes. In *The Men on My Couch*, Dr. Engler allows readers inside those private sessions to witness her exciting and evocative encounters with what men desire and fear. Dr. Engler tells her own story, too. At first her patients' revelations are painful and disconcerting, especially against the backdrop of her own difficult love affair. Yet Dr. Engler lets readers experience how she evolves both professionally and personally, from chagrin to compassion, and reconciles her idealized notions of love and sex with the unexpected and raw truths she hears in the office. *The Men on My Couch* is unlike books you've read before. There are no tired facile conclusions or pejorative generalizations. Here are fresh insights into modern sexual maladies, gleaned from real people having real struggles and experiencing real epiphanies—in the real world. This book will change how both women and men think about

love, sex, and desire.

Engaging Men in Couples Therapy - David Shepard
2012-03-15

This book will help practitioners overcome one of the leading challenges in couples therapy: working effectively with the male partner. Men have unique needs and psychological issues that many clinicians may not recognize or know how to address. This volume presents chapters by the leading practitioners associated with current therapeutic models, including Emotionally Focused Couple Therapy, Imago Relationship Therapy, Integrated Behavioral Couple Therapy, and more. Using in-depth case examples, they demonstrate how their approaches can be adapted to be "male-sensitive" and respond to the ambivalence so many men experience about couples work. Special topics are also addressed, including infidelity, cultural diversity, working with veterans, and fathering issues. This book will enrich therapists' work with

Downloaded from
legacy.opendemocracy.net
on 2023-05-02 by guest

couples, making treatment a welcoming experience for both partners and the treatment process more gratifying for the therapist.

Stop Premature Ejaculation and Learn to Control Male

Orgasm - Dan Junot 2013-10

Most sufferers of premature ejaculation do not realize that they can do something to overcome this condition—cure it—almost 100% of the time. That's right! In the privacy of your own home, you can learn to control orgasm and ejaculation by using this specially designed program, created by Dan Junot, Licensed Professional Counselor (Ret.), founder & former director and sex therapist for The Center for Sexual Success, in the Greater New Orleans, Louisiana area. This illustrated, easy-to-read manual is an 8 step, physical exercise program that builds tolerance to stimulation by desensitizing the frenulum of the penis by gradually increasing the difficulty level of the exercises. Progress is measurable, results are permanent, & no present

partner is necessary to begin. The program employs unique & innovative methods that are unlike those found in any other available programs. Graduates of our program can have active sex, in any position, without ejaculating, for at least 15 clock minutes...many can last even longer! There's nothing "mystical" about it...The MEN who use our program get REAL RESULTS! Since this programs clinical trials 14 years ago, hundreds—perhaps thousands—of men have successfully used this book to completely overcome premature ejaculation. You can too! This 8th printing represents a completely revised & updated 14th anniversary edition, brought back into availability due to an overwhelming demand by men seeking a known, successful remedy, as experienced by countless others: readers of GNC magazine & shoppers on Amazon.com.

Undressing the American

America have suffered from sexual dysfunction, so it stands to reason that many women have encountered a man with a sexual problem. In this revolutionary book, sex therapist Margolies takes readers into the mind of the dysfunctional male and explains how the problem may have started and offers tips for dealing with the problem.

Systemic Sex Therapy -

Katherine M. Hertlein

2015-02-20

This comprehensive textbook, intended for graduate students in couple and family therapy programs as well as for clinicians of diverse orientations, offers descriptive discussions of sex therapy based on the Intersystem Approach, as developed by Gerald Weeks. The Intersystem Approach considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. It is grounded in systems theory and represents a new understanding of human sexuality and sexual problems.

Appropriate for anyone who wants to progress to a more comprehensive and integrative understanding of sexual dysfunctions, this text will teach the reader how to treat the couple, rather than the individual. Now in a second edition, *Systemic Sex Therapy* presents 12 updated chapters and two new chapters, bringing the material up-to-date with the DSM-5. Each chapter examines the definition and description of a disorder, its etiology, assessment, treatment, research, and future directions. Experts in the field discuss issues ranging from pharmacology, sexual compulsivity, therapy with lesbian and gay couples, to chapters on male and female lack of desire. A standard text in the field, *Systemic Sex Therapy* integrates couple and sex therapy to inform the treatment of sexual problems, and to give beginning and experienced clinicians the abilities and confidence they need to produce viable change in their patients' lives.

Modern Sexuality - Michael

*Downloaded from
legacy.opendemocracy.net
on 2023-05-02 by guest*

Aaron 2016-10-17

Human sexuality today stands at the crossroads between biological diversity and social conformity, and a battle between the two rages in the media, in social institutions, and in our daily lives. As a sex therapist, Michael Aaron witnesses this struggle each and every day as it plays out on his therapy couch. *Modern Sexuality: The Truth about Sex and Relationships* examines how biology and society collide head-on in the realm of human sexuality. Here, Aaron carefully and convincingly debunks some of the most commonly held beliefs about sexuality - that it is learned and can be changed; that "abnormal" sexual behavior is pathological; that

healthy sexuality involves intimacy; that intimacy is the same to everyone; and that sexuality must have a clearly defined purpose. Using groundbreaking brain-imaging studies and cutting-edge psychological insights, *Modern Sexuality* presents the overwhelming case for sexual diversity including orientation, non-traditional relationships, and even specific fantasies and kinks. In a world where sexual "outsiders" battle for acceptance, this work helps to explore the variety of sexual expressions from a normative standpoint, helping readers to understand that their own desires and those of others can happily exist on the same continuum.
