[Frat Hell](#) S. M. Shade 2018-07-25 *Frat Hell*. That's how the whole neighborhood refers to the apartment where I live with three other college students. It's a bit judgmental, considering the neighborhood we live in is more like a zoo than an apartment complex, but not inaccurate. If you put that many young guys together, things are bound to be interesting. I still maintain that the giant water guns filled with poison ivy water were not my idea. January Dixon. She's the girl I've lusted after for years. A smart mouth and sharp tongue surrounded by soft beauty and a body I'd give up an organ just to touch. An important organ, like a kidney, not one of those lame ones like a gallbladder. It's a tricky situation since she lives right down the street, and dating a neighbor generally isn't a good idea. But this is *Violent Circle*, where normal may as well be a dirty word. Thanks to an impromptu fashion show where I tossed all self-respect aside and strutted my stuff in full bondage gear in front of our small town, she now owes me a date. And I plan to collect.

Captured in Ink Carrie Ann Ryan 2020-12-16 Julia and Ronin know their relationship is solid. They've been through hell and back, but their love has stayed true through it all. When Ronin's ex, Kincaid, comes back to town, however, the two realize what they might be missing. Kincaid didn't mean to leave Ronin behind all those years ago. When tragedy struck not once, but twice, bringing

with it the heat of horror, he couldn't face the past he'd left behind. Now, he's back and doesn't know how he fits in with the seemingly perfect couple—especially not when their families will apparently stop at nothing to keep them apart.

Ink Enduring Carrie Ann Ryan 2020-10-19 The Montgomery Ink series continues with a forbidden love between three friends and a past that they can't escape. Jake Gallagher knew from the moment he saw Maya that she was the one for him—it had the same breath-taking intensity as when he'd first set eyes on Border. Only life never turns out the way one plans, and now he's falling for someone else...or at least he thinks he is. Maya Montgomery never should have looked past the friendship she already had. Now, she can't stop thinking about Jake and what he means to her. When a mysterious stranger from Jake's past shows up at their door, she's forced to admit that if she doesn't take the risk of a lifetime, she'll regret it for the rest of her days. Border Gentry walked away without a second glance once because of what could happen if he let go, but now he's back and ready to see what he's missed. He's been on the road a long time and has seen things no man should ever see, yet once he rediscovers the broody Jake and meets the inked and fierce Maya, they're like a balm to his soul, and he realizes what path his future should take. When someone from the outside wants to stand in their way, it's not only their hearts on the line...but also their lives.

Everly S. M. Shade 2015-09-11 The first time I met Mason Reed, we were standing naked in a bank, surrounded by guns. That should have been a warning. An MMA champion, trainer, and philanthropist, but not a man who gives up easily, Mason is trouble dipped in ink and covered in muscle. Growing up in foster care, I'm well aware that relationships are temporary, and I do my best to avoid them. After a sheet-clenching one-night stand, I'm happy to move on, but Mason pursues me relentlessly. Sweet, caring, protective, and at times, a bossy control freak, this persistent man has climbed inside my heart, and I can't seem to shake him. After saving me from a life-threatening situation, he's also won something much harder to obtain. My trust. But does he deserve it? Is his true face the one he shows the world? Or is his charitable, loving manner only a thin veneer? This book contains sexual situations and is intended for ages 18 and older.

Scarlet Toys S. M. Shade 2017-11-11 Living on Violet Circle, a place that's less of a neighborhood and more of an insane asylum poured into the street, I thought I was prepared for anything. After you've seen a woman strip down at the laundry room to wash the clothes she's wearing, then saunter across the street naked, you've seen it all, right? How naïve I was. After the factory closed, leaving me and a good portion of the town unemployed, I took a job managing Scarlet Toys. I knew it wouldn't be a typical work environment, selling adult toys in a town more uptight than a constipated nun, but some things you just never see coming. Like the protesters covered in poison ivy, screaming about smut peddlers. Or a dancing dinosaur named Fappy. Or the allure of the man standing in the center of all the chaos. Wyatt Lawson, a six-foot, four-inch heap of muscle with a quick smile, ignited my interest in more than the available manager position. Like the missionary one. Or the rodeo. Maybe the side rider. What can I say? I'm an overachiever. Let's just hope he doesn't scare easily.

Forever Ink Carrie Ann Ryan 2015-03-24 To Callie Masters, there's nothing like a man with silver at his temples. When a silver fox walks into her booth, she nearly falls to her knees in appreciation. He's suave with a hard edge, a wolf in a power suit. Her job is to work on the ink on his back, not daydream about something far more tantalizing. Morgan McAllister knows he shouldn't want the woman at his side, and not only because of the age difference. They come from different worlds, and he refuses to bring such a pure soul into the cutting edge of his circle. Yet the fire between them cannot be doused, and one longing look sends them into each other's arms. Misunderstandings and cutting betrayals are only the start of what stands in their way, and if they aren't careful, they'll lose everything before they even had a chance to truly begin. ~~~~~ Read what others are saying about New York Times bestselling author, Carrie Ann Ryan: "Count on Carrie Ann Ryan for emotional, sexy, character-driven stories that capture your heart!" - Carly Phillips, NY Times bestselling author "Carrie Ann Ryan's romances are my newest addiction! Feast of Sparks Sierra Simone 2019-08-01 I'm an outcast and a loner, named for death itself. Fate wasn't supposed to have plans for me. But then she came back—the girl I once kissed in a thorn-covered chapel in the woods. She came back, and I could no more resist her than I could pry out my own heart. And by some trick of fate, she wants me as much as I want her. The only problem? She also wants the man who owns Thornchapel, Auden Guest. And so do I. Eight years ago, I did something to Auden, something terrible. He hurt me back the only way he knew how, and so here we are: our hatred seasoned with pain and my loneliness seasoned with longing. The only thing we can agree on is Proserpina Markham, and she wants us to find a way to be together—all three of us. If Auden wants to earn her as his submissive, then he has to earn me as well. But with the discovery of bones behind the altar and the carnal revel of Beltane fast approaching, it's becoming clear that Thornchapel's secrets are much deeper and older than any of us could have ever guessed. And no matter how bright and merry a feast of sparks may be, it's always followed by ashes. And darkness.

Worth It S. M. Shade 2017 What's the recipe to the ultimate disaster week? Three unruly friends. A wedding we shouldn't have been invited to. Two unexpected romances. A scoop of sexy. And a double scoop of chaos. Lydia is a good girl who is above revenge. Good thing she has us. No one cheats on

our best friend and rides off into the sunset with his new bride. What was supposed to happen? Unleash hell like two badasses. It was a simple plan, but we failed to anticipate a few things. A rogue prosthetic, an accidental exorcism, and dominatrix strippers willing to take things way too far, just to name a few. What actually happened? As usual, nothing went as planned, especially when two sexy distractions popped into the mix. We were there to avenge our friend, not to get entangled with two cocky, arrogant men, who don't like to hear the word no. I was sure we could resist. I mean, it was only a week, right? What could happen in a week? Not intrigued enough? There's totally a duck in this story. Ah yeah. Now we have your undivided attention. Enjoy our chaos. #WorthIt
