Finding Perfect Love In Imperfect Relationships

Perfect Love, Imperfect Relationships - John Welwood
2005-12-27

While most of us have moments of loving freely and openly, it is often hard to sustain this where it matters most—in our intimate relationships. Why if love is so great and powerful are human relationships so challenging and difficult? If love is the source of happiness and joy, why is it so hard to open to it fully and let it govern our lives? In this book, John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives. *Perfect Love, Imperfect Relationships* begins by showing how all our relational

problems arise out of a universal, core wounding around love that affects not only our personal relationships but the quality of life in our world as a whole. This wounding shows up as a pervasive mood of unlove—a deep sense that we are not intrinsically lovable just as we are. And this shuts down our capacity to trust, so that even though we may hunger for love, we have difficulty opening to it and letting it circulate freely through us. This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace our humanness and appreciate the imperfections of our relationships as trail-markers along the path to great love. It

sets forth a process for releasing deep-seated grievances we hold against others for not loving us better and against ourselves for not being better loved. And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves. Written with penetrating realism and a fresh, lyrical style that honors the subtlety and richness of our relationship to love itself, this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world. *Yoga Journal* - 2001-09

No Less Than Greatness - Mary Manin Morrissey 2001

Audiences of every religious tradition respond to Mary Manin Morrissey's powerful message that "we already have what it takes" to create what we most desire in the world: a fulfilling partnership, a better marriage, closeness with children, parents, and friends. Learning how to ask for and listen to divine guidance gives us access to the love that is always there for us. Through dozens of compelling, vividly told stories, Mary shows how

No Less Than Greatness Finding Perfect Love In Imperfect Relationships

ordinary, struggling relationships are transformed when we learn to follow seven basic spiritual principles. A new wife breaks through the hostility of her reluctant stepson. A young woman who has been rejected too many times learns to love again. A teenage boy turns away from anger to find his life's goal. An aging mother and her daughter heal a lifetime of hurt. Each chapter ends with simple but profound practices that will enable readers to discover the creative partnership that God offers every one of us, and to put the teachings into action in their day-to-day lives.

Love for Imperfect Things -

Haemin Sunim 2019-01-24

A beautiful guide for learning to love ourselves, from the author of the internationally bestselling *The Things You Can See Only When You Slow Down*. No one is perfect. But that doesn't stop us from imagining ourselves smarter, funnier, richer, or thinner, and how much happier we would then be. *Love for Imperfect Things*, by the bestselling Korean monk, Haemin Sunim, shows how the path to happiness and peace of mind includes not only strong relationships with others, but also letting go of worries about ourselves.

Packed with his typical spiritual wisdom, Sunim teaches us to embrace our flaws rather than trying to

overcome them, and demonstrates that love has very little to do with perfection. With chapters on self-compassion, relationships, empathy, courage, family, healing, our true nature, and acceptance, as well as beautiful full-colour illustrations, *Love for Imperfect Things* is a much-needed guide for learning to love ourselves - imperfections and all.

'Universal truths, beautifully expressed, lovingly illustrated .

. . . this is a book to keep close at hand' - Mark Williams, co-author of *'Mindfulness: Finding Peace in a Frantic World'*, on *'The Things You Can See'* 'A remarkable gift, a compendium of practical wisdom. As a minister, counselor, and teacher, Mary Manin Morrissey has inspired tens of thousands of people to reach higher in life than they ever believed possible. Her message is revolutionary: God has

No Less Than Greatness Finding Perfect Love In Imperfect Relationships

designed each one of us for greatness. And her warmth, candor, and conviction bring this message alive in the heart and mind of everyone who hears her. As children we instinctively know that we are destined to live great lives. As adults we recognize that our true greatness is expressed in our relationships: in deep, fulfilling partnership, vibrant marriage, abiding closeness with children, parents, and friends. Yet fostering such bonds--even with those we cherish most--can be one of the greatest challenges we will ever face. In *No Less Than Greatness* Mary affirms that love is our birthright--and learning to love well is life's greatest lesson. She shows that we are not alone in our search. When we learn to ask for and listen to divine guidance, we access a different kind of wisdom, a new kind of hope. Beginning with her own surprising story, Mary shows how ordinary, struggling, or even estranged relationships are a curriculum for learning love, and how our

relationships--and we ourselves--can be transformed. Within these pages Mary provides a step-by-step guide to the spiritual principles that bring love into our lives. Her powerful affirmations, meditations, and exercises are designed to help you: • reveal your true self — your most precious gift to others • consciously design the relationships you most want • open yourself to partnering with God • discover the power of unreasonable giving • achieve intimacy by speaking from your heart • heal the hurt in difficult relationships • awaken your love through simple daily acts Let Mary Manin Morrissey show you that you already have what it takes to create what you desire most--and how, with God's help, even imperfect relationships can lead to perfect love. From the Trade Paperback edition. [Toward a Psychology of Awakening](#) - John Welwood 2002-02-12 How can we connect the spiritual realizations of Buddhism with the

psychological insights of the West? In *Toward a Psychology of Awakening* John Welwood addresses this question with comprehensiveness and depth. Along the way he shows how meditative awareness can help us develop more dynamic and vital relationships and how psychotherapy can help us embody spiritual realization more fully in everyday life. Welwood's psychology of awakening brings together the three major dimensions of human experience: personal, interpersonal, and suprapersonal, in one overall framework of understanding and practice.

Building Your Field of

Dreams - Mary Manin

Morrissey 2009-10-14

Building Your Field of Dreams is both a compelling personal story and a practical and inspiring guide for anyone who has ever hoped for a better life. Mary Morrissey's own dreams were nearly shattered at age 16, when pregnancy forced her into a reluctant marriage that nevertheless became the crucible for remarkable lessons

in faith. As she was tested by the near-death of one of her children, by life-threatening kidney disease, and by years of struggling to make ends meet, she clung to her determination to be a minister. Now, with powerful examples from many dream-builders she has known, she shows how anyone can identify their deepest desires, build a partnership with God, confront obstacles and failure, and overcome the mental blocks that keep us from our potential. It's a great message, compellingly delivered by a great teacher. From the Trade Paperback edition.

Learning From Divorce -

Christie Coates 2003-11-10

Learning from Divorce, by Christine A. Coates and E. Robert LaCrosse, is a practical book that will help you rid yourself of negative feelings of guilt and worry and replace them with positive feelings of growth and hope. *Learning from Divorce* will show you how to confront your fears and flaws, motivate you to move forward toward change, develop realistic hopes about succeeding with future relationships, and turn your failures into victories! In this groundbreaking book the authors explain that divorce can be viewed as a developmental process, a period of transformation and growth. They help the reader understand why the divorce happened in the first place—how unrealistic expectations of a permanent honeymoon or a partner who would satisfy their infantile needs and solve all their childhood problems have so often led to immature and self-centered behavior. In place of this attitude, *Learning from Divorce* provides the reader

No Less Than Greatness Finding Perfect Love In Imperfect Relationships

with a more realistic view of marriage as a long-term commitment requiring loyalty, compromise, devotion, perseverance, and selflessness. This book shows that the rewards of love and family

exceed most any other joy or aspiration in one's life and will help you.
