Math with Bad Drawings - Ben Orlin 2018-09-18
 A hilarious reeducation in mathematics—full of joy, jokes, and stick figures—that sheds light on the countless practical and wonderful ways that math structures and shapes our world. In Math With Bad Drawings, Ben Orlin reveals to us what math actually is; its myriad uses, its strange symbols, and the wild leaps of logic and faith that define the usually impenetrable work of the mathematician. Truth and knowledge come in multiple forms: colorful drawings, encouraging jokes, and the stories and insights of an empathetic teacher who believes that math should belong to everyone. Orlin shows us how to think like a mathematician by teaching us a brand-new game of tic-tac-toe, how to

understand an economic crises by rolling a pair of dice, and the mathematical headache that ensues when attempting to build a spherical Death Star. Every discussion in the book is illustrated with Orlin's trademark "bad drawings," which convey his message and insights with perfect pitch and clarity. With 24 chapters covering topics from the electoral college to human genetics to the reasons not to trust statistics, Math with Bad Drawings is a life-changing book for the math-estranged and math-enamored alike.

Tinder Nightmares - Unspirational 2017-01-21

 Tinder Nightmares is a hilarious look at some of the most epic fails of the often racy, always ridiculous, “romantic” exchanges on Tinder. Tinder Nightmares is organized by theme, with chapters such as Bad English, Broetry, Strange Requests, Sneak Attacks, and more. This book explores everything from pickup lines to breakups, and all the moments that come in between. It’s the perfect gift for anyone who has ever suffered through online dating. Praise for the Tinder Nightmares Instagram account “Taking submissions from womankind worldwide, the account posts the funniest and most tragic lines, which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror, and weepy at our complete loss of faith in humanity.” —Cosmopolitan
 “So, for anyone who has ever had a nightmarish experience on Tinder, Tinder Nightmares is here to remind you that you’re not alone. Because when life gives you innocuously bizarre Tinder messages, make jokes.” —HuffPost

The Enchantress of Florence - Salman Rushdie 2008-09-04

Discover this magnificent magical novel from the Booker-prize winning author of *Midnight's Children*. When a young European traveller arrives at Sikri, the court of Mughal Emperor Akbar, the tale he spins brings the whole imperial capital to the brink of obsession. He calls himself 'Mogor dell'Amore', the Mughal of Love, and claims to be the son of a lost princess, whose name and very existence has been erased from the country's history: Qara Köz, or 'Lady Black Eyes'. Lady Black Eyes is a fabled beauty believed to possess great powers of enchantment and sorcery. After a series of abductions by besotted warlords, she finds herself carried to Machiavellian Florence. In her attempts to command her own destiny in a world ruled by men, Lady Black Eyes brings together the two great cities of sensual Florence and hedonistic Sikri, so far apart and yet so alike, and two worlds become dangerously entwined. 'Vintage Rushdie...reminds us, in case we may have forgotten, that he can tell a story ...better than anyone else in the language' Sunday Telegraph

arguments and assumptions have changed remarkably. The story is told through a wide variety of sources, including oral histories, interviews, memoirs, and even pulp novels; the result is a fascinating window onto the never-ending battle for the teenage soul."--from publisher's description.

4% Famous - Deborah Schoeneman 2006-05-09

Which loose-lipped gal about town has been caught canoodling with a randy restaurateur? Sources say the new "legs" of the Examiner's gossip column has been helping him bury his long-simmering scandal even though it's been eating away at her conscience. Which grizzly tabloid guy better watch his way with the ladies? We hear he got more than a hangover from a boozy night out with a mattress (model/actress) that may cost him his burgeoning relationship with a precocious Park Avenue princess. Which Wall Street mogul is about to be busted for fuzzy math on his taxes? Luckily, his ink-stained son is digging up a diversion to take down a blowhard billionaire instead. In the novel *4% Famous*, Kate Simon, Tim Mack, and Blake Bradley negotiate the ruthless underworld of Manhattan while working for the city's top gossip columns. Friends, lovers, and frenemies may come and go as quickly as the fame quotient of the celebrities they cover, but the young columnists must figure out for themselves what—and who—is worth protecting as they try to avoid becoming fodder for Manhattan's boldfaced games. Sexy, exciting, and addictively readable, *4% Famous* is an intimate fictional tale of a bizarre industry full of characters and secrets that are as seductive and dark as New York City itself.

heart race. But when his voice pops up on Kerri's headset--while she's in mid-tailspin--she's in no mood for his charms. "The type of book that keeps you up late into the night, *In the Fast Lane* is utterly addictive and completely satisfying. Kulti - Mariana Zapata 2022-11

When the man you worshipped as a kid becomes your coach, it's supposed to be the greatest thing in the world. Keywords: supposed to. It didn't take a week for twenty-seven-year-old Sal Casillas to wonder what she'd seen in the international soccer icon-why she'd ever had his posters on her wall, or ever envisioned marrying him and having super-playing soccer babies. Sal had long ago gotten over the worst non-break-up in the history of imaginary relationships with a man that hadn't known she'd existed. So she isn't prepared for this version of Reiner Kulti who shows up to her team's season: a quiet, reclusive shadow of the explosive, passionate man he'd once been. Nothing could have prepared her for the man she got to know. Or the murderous urges he brought out in her. This was going to be the longest season of her life.
