

Poems About Trust In A Relationship

Tangerine: Or, How I Learned to Trust the Process Joey Groves 2021-02 "It was a project I've always wanted to do, but I never had the courage or found the time to attempt it... But when we were locked down at the start of the year, I started to go through all of my journals I've written in for the past five years and found so much material. So I started to compile all of the good ones, sent some off to magazines and kept some for myself. That's how it started." Adolescence is a painfully awkward, angsty and confusing period in our lives. This is a time where most of us fall in love for the first time, question our place in the universe and figure out who we want to be. Underpinned by a love of music, language and philosophy, Joey Groves' sensational debut explores the journey through adolescence; sharing his intimate relationship with anxiety and the small triumphs of growth and change. Written between the ages of fifteen and twenty, *TANGERINE: OR, HOW I LEARNED TO TRUST THE PROCESS* is a collection of poetry and prose about exuberant love, despair and growing pains.

Soul Song Trudy Nutter 2019-03-08 The journey through life has many ups and downs, but for a soul passionately in love, that love colors every experience with vibrancy and flashes of real joy. Soul Song represents the expressions of that joy and love from the heart of one woman whose journey has been shaped by faith in the One who braved death itself for her sake. This compilation of Christian poetry traces her experiences from adolescence forward, exploring the character of the God she loves and learning to walk every day in trust. Through the common struggles we all share and the devastating loss of a young adult child from brain cancer, she bares the growth and dynamics of that relationship in verse. Though the poems may or may not rhyme and differ in subject or rhythm scheme, they all point to a love that outlives life itself and gives foundation to the very fabric of existence. Dive into a life lived beneath the shadow of larger wings and see how that relationship changes everything! Could this be the love you are looking for? The author and her husband of thirty-nine years currently live in Florida. They both grew up, met, and married in Texas. Besides the son they lost at age twenty-one, they have a grown and married daughter who lives near them. The whole family attends a Bible-based community church together.

relate to. There are many questions that people ask about love. Here are some of those questions. When am I going to find "The One"? Is the person that I'm with "The One"? Are we going to work out? How does this person feel about me? What does this person think about me? This book addresses many love situations. It will answer some of the questions that people want answered. Most people have gone through some type of experience involving love. Some people get lucky and find the right person for them and they spend the rest of their lives with that person. Other people are not so lucky and they go through different experiences from falling in love to heartbreak. And after the heartbreak, the famous questions arise, "Will We Reconnect?" or "Should I Just Move on?". "Love Poems: Are You The One?" addresses those different experiences and cycles that people go through. This book is divided into five chapters; Dreaming of Love, Falling in Love, The Relationship, Heartbreak and Reconnect or Move on. Each chapter has a word of insight about the topic at the beginning of the chapter. Following the insight will be a collection of poems about the topic of the chapter. You will find the poems very enjoyable but insightful at the same time. Enjoy the experience and begin your journey through "Love Poems: Are You The One?".

Poems of Faith for Daily Living Veda Duff Tohline 2007-08 The poems found between the covers of this book, furnish insight into the way God's Spirit permeates every facet of life. Too often we humans take things for granted, seeing only the worldly view and depending too much on our own wisdom. Personal wisdom is of great importance, but an attitude of complete self dependency robs us of the real riches attainable through the insight of faith. As you ponder the truths expressed here, you will begin to see, more than ever before, how very involved God is in every aspect of your life and you will feel a closeness to his spirit that has eluded you in the past. He cares about you

personally, and has planned the universe to fulfill your every need. Let these poems open your mind to new and real possibilities. Your life will be stimulated and enriched as a result. *****
AUTHOR BIO Veda Tohline has found writing poetry an excellent way of putting her faith into words and sharing it with others. She feels it is a spiritual gift which has helped her examine her own understanding of and relationship to God. This method of putting her convictions into word form began when, as a beginning school teacher, she was isolated from family and long-time friends and living in a small town one hundred miles from home and familiar surroundings. Gradually her gift evolved and became a method of communicating regularly with friends across the country. As her gift has become known, she has been asked to write celebrations of engagements, weddings, births, and even encouragement to share with incarcerated lawbreakers. Often she has no idea how to proceed, but once she applies her thoughts and asks God's guidance, even she is surprised by the outcome.

I Pray Because I Can't Do Life Alone Clay Cantrell 2021-08-06 This collection of poems had taken ten years to compile. Clay began to feel compelled to express the feelings and thoughts he was having, and that expression seemed to come naturally through poetry. These poems include conversations he's had with his Lord and Savior, feelings of love for people who have been in his life, feelings of insecurity and depression, battles with addiction, and struggles with demons that he believes come in many ways into people's lives to destroy any relationship they may be having or developing with the Savior. There are poems of how amazing the plan that God has orchestrated is as well as questions on why things happen the way they do. Some of these poems come from deep inside him. Some are introspective, and some are a little more on the lighter side. They're arranged in alphabetical order because there is really no other way to group them. As Clay said, it is a random

collection of thoughts, feelings, and questions he's had as he developed his relationship with God and worked to learn how to deal with life. Clay's hope is that whoever reads this book can find something they can relate to and something that helps them to understand that people don't have to be perfect. They can ask God the tough questions. People need to realize that He already knows what they think, so they should just discuss whatever is on their minds with Him. That's what a relationship is, and that's what God wants with His people. Clay has no idea if he will write another book. This is God's plan, and he is just thankful that He has allowed him to be part of it. If He chooses to continue to use Clay in this way, he will humbly obey.

Whispers From My Soul Alin Cristian Neagu 2021-03-09 This book is about me and my journey, it is about you and all of us and I am making this statement simply because I strongly believe that even though we are different beings and we have our uniqueness, we do function by the same universal laws- we have feelings and thoughts, we have triggers that make us act/ react in a certain way, we have principles and patterns that shape our behavior and personality. We are all actors, writers, singers, painters, etc. sending a collective message out there in our way resonating with those alike and the best lessons are coming to us when and from where it hurts the most.

Donna Fargo In this exquisitely tender collection of love poems, Grammy Award-winning singer and songwriter Donna Fargo shares her most personal thoughts on love, relationships, and the special person in her life. Her words, written especially for the one true love of her life, speak of gratitude for the blessed gift of love she has been given and of the enduring happiness it brings to her life. They speak of devotion: of honoring each other's dreams and supporting each other in times of need. Recognizing that unhappy moments and difficult times occur in every relationship, her poetry speaks to the importance of trust, understanding, and forgiveness, and of learning to accept the ups, downs, and all the times in between. The Seeds of Change Galen Keith Thomas 2017-11-01 "The Seeds of Change" is a collection of inspired poems that help bring to life several of the key lessons taught within God's word, the Holy Bible. These poems combined with short lessons based on key verses of scripture illustrate some of the primary elements these lessons of verse are trying to convey. So often, people are interested to learn more about how the Bible relates to their personal lives and experiences, but they really do not know where to begin or how to go about it. "Th e Seeds of Change" can help show them just how to achieve that relationship. Th e poems package these teaching in what some might consider a more

palatable and relatable form, while the passages from scripture illustrate just how the Bible relates to our everyday lives. By first sharing the message in language familiar to most readers, then exposing the reader to that same concept within the scriptures the reader begins to understand just how God intended the Bible to be used in our everyday lives. In that sense, the poems and scripture combine together to create the lessons of verse that plant God's seeds of change into the mind of the reader. And as any follower of our Lord and savior Jesus the Christ knows, when these seeds are planted within good ground, they will not return void. For He is the way, the truth, and the life, and no one will reach the father except by him.

Let Me Express My Feelings Freddie Moore 2017-08-30 Growing up, I have always had a desire to write poetry. It has become my greatest passion; there is nothing that compasses to expressing your true feelings of the heart. I give God all the glory for my ability to do so. These poems are about being open and honest when expressing your feelings for the one that you love without any hesitations, and if your feelings are real, there shouldnt be. Love is a real emotion that should not be toyed with. After you read this book, read it again; let it enter your mind and soul. Love is a powerful thing, there is a lot that I could say, but I would like for you to read it for yourself, and your feelings and emotions will automatically enhance because I feel it too.

I Still Love You Parthivi Gautam 2020-09-03 How pleasant it feels when somebody calls us their lifeline. This all seems very pleasing at one phase but as soon as the relationship grows, the naked reality of the dual nature of our loving partner gets disclosed. Sometimes it is easy to just forget whatever crap that took place in the past, but after getting so close to somebody that you know their aroma, it is quite difficult to erase their memories from the floor of heart. Breakups are not just the end of a relationship but it also shatters the soul, the feeling of getting betrayed and cheated also cannot force the past memories to make their way out from the heart. Instead of cigarettes and shots, sometimes poetry does its best in easing the guilt of broken relationship. The rain shatters the rainbow sometimes, so do relationships—they fade in the colours of life but not memories.

It becomes a profound witness to the possibility of the same relationship happening for the reader.

God Is Love G.G. Lynn 2008-10-21 *God is Love* is a book of poetry about God and our lives and relationships with each other. Each of these poems was inspired by God's messages to the author GG Lynn and contains questions and ideas about the feelings of God toward mankind. Initially GG believed that these were inspired messages for her to learn from and share with her family and friends. But, as she shared the poems, it became evident that they were definitely meant to be shared with the world. This book is a "must add" to your personal library, so you can join the journey and experience the joy of contemplating these inspired words and your own relationship with God. It makes a wonderful gift to those who know they are on a journey with God, to those who need direction on their journey and for anyone who has questions about their relationship with God.

popular topics that people either discuss or think about discussing on a regular basis. This book reminds us that regardless of the issues that keep us steadfast or distracted from our goals, we still have a responsibility to communicate our thoughts to each other. The Conversations We Have reminds us of this simple fact by sharing some short stories and poems. The debate about the application of effective communication has long been a topic of discussion concerning its importance to conversations. Although the beliefs may vary, conversations are a very important part of our existence. If we cannot communicate our thoughts to our friends, family, and colleagues, we are lost. This book was not written to confuse anyone. The sole purpose is sharing the author's own ideas and experiences and those that other individuals have shared with him. Through this exchange, he reiterates the fact that people are different and have distinct reasons for, and methods of, communicating. There should be no barriers that limit our ability to share ideas and to learn through the conversations that we have with each other.

My God in Whom I Trust Sandra Abrahamson 2019-09-27 There are times in life when your faith may be tested sorely, when your relationship with God feels like it may crumble. When you suddenly lose a loved one, it can tear at the ragged edges of your faith. Here, when it is finally about to rip, is where you must make a decision: give up on God or cling to Him and allow yourself to heal through faith. Sandra Abrahamson found herself thrown headlong into this predicament. Her one and only son Chris passed away in a fatal car accident, and within seven years of her son's death, her husband passed away to whom she was married fifty-seven years. But as she was struggling with these heartfelt losses, she didn't turn away from the Lord. Rather, in her mourning and loneliness, she cried out to God and He spoke to her, instructing her to write. Through her obedience, the Lord inspired her to write a poem. And, in turn, that poem blossomed into a book; thus, My God In Whom I Trust was born. Within its pages, you will find testimony on the love the Lord has for us. Sandra shares with us how God provided her with His strong care and His wisdom through one of the hardest times she could ever imagine. She also hopes that by sharing her experiences, you will be able to find comfort and God during your own struggles. The Lord is wonderful, and you can discover why and how by diving in. Sandra Abrahamson does not have faith in "religion" but has faith in God. Through her faith, she has discovered she has a personal relationship with God and His Son, Jesus Christ. She prays that through her words in My God In Whom I Trust, the Holy Spirit will reach out to you.

Lyrical Love Lines of Yours and Mine Roger Smith 2009-10-23 "Lyrical Love Lines..." is a book of love poetry written from a whole different prospective and much better style than the typical "Roses are red, violets are blue" type poems that maybe you've heard and read. It's chapters are categorized into three aspects: Love, Problems and Passion to either help inspire healthier relationships, aide in decreasing dismay or animosity if things go wrong in the relationship or perhaps increase the desire and intimate emotions for your particular partner. Every reader may not be able to relate to every single poem in the book but should be able to find some poems that fits their relationship, respectively. Also, since everyone's emotions might not be as strong for their partner as some of the poems displayed in the books writings or they might not be able to relate to the entire poem, readers are encouraged to be creative and ad lib parts of the poems to their liking, as long as it is not done with the intention to plagiarize or have self-claim. For instance, since the author of the poetry is of the male gender, the poems was written from a male-to-female prospective but females are free to ad lib and change parts of the poetry to fit their gender. Therefore, explains the latter part of the title "...Of Yours And Mine" because the author hopes that this book will benefit the readers as much as it has benefited him in points of some of his relationships. Although this book would make an excellent Valentine's Day gift, nevertheless, it is a book that could be enjoyed all year long.

June 18, 1977. He was killed on Valentine's Day but not discovered until the next day. The baby that was given up for adoption was my son whom I had searched for 35 years. We were reunited last year when he was able to make more progress with the system than I could. We have a beautiful relationship and I have a daughter-in-law and three more grandchildren. The abusive relationship that I was in came from the man I was married to and fathered two boys. He wasn't bad till the boys were born. I couldn't take anymore when he started to attack the boys and we left. The cover of the book reminds me of my mom and dad. Moms' name was Rose and dad liked to watch the birds in the yard. Hence, the flowers and the birds. They have since passed. So you see, each poem has a special memory for me. I put a lot of feeling in my poems. I just feel so honored to be able to express these feelings in poetic form. I hope the readers will take these to heart and feel the moment. Some of them can also give them advice. If you are in a bad relationship and it also involves children, then they need to get out before something really drastic happens. We have enough violence in this world today. People need to think about what they are doing and who they are doing it to.

Stratford-Upon-Avon, has been transformed into a theme park of staggering commercialism, and the New Globe, in its second season, is already a far bigger business than the old Globe could ever have hoped to be. If popular culture cannot do without Shakespeare, continually reinventing him and reimagining his drama and his life, neither can the critical and scholarly world, for which Shakespeare has, for more than two centuries, served as the central text for analysis and explication, the foundation of the western literary canon and the measure of literary excellence. The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks, movies and television. Indeed, it is part of the continuing reinvention of Shakespeare. The essays are drawn for the most part from work done in the past three decades, though a few essential, enabling essays from an earlier period have been included. They not only chart the directions taken by Shakespeare studies in the recent past, but they serve to indicate the enormous and continuing vitality of the enterprise, and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally.

Love Isn't Always Easy Susan Polis Schutz 1983 There has been a lot said and written about the joy of love, but love has its difficulties, too. Even in the happiest relationships problems can arise. This is a collection of poems about the aspects of love which are often buried inside of us. Love is never easy - but the rewards are worth it. There is no substitute for love and we're all lucky if we find a true love in our lives.

Love Letters to God Yvonne Annette' Stroud 2021-04-12 Relationships require nurturing in order to be strong. No relationship requires more nurturing than our relationship with God. God doesn't need to spend time with us to get to know us. After all, he is the all-seeing, all-knowing, ever-present God. However, we need to spend quality time with God to get to know him. In getting to know God, we are strengthened, encouraged, and empowered. Within the pages of this book, you will find a journey that creates time for you to spend with God. Daily reads and tasks are perfect for everyone, even the busy. The love letters have been strategically ordered by God and sectioned into three parts. While they are my personal words to God, read them as though they were coming from you. Embrace the message in each letter. In addition, you will be asked to honestly reflect on your life in ways you might never have reflected. Be true to yourself. More importantly, be true to God. Finally, each poem has a day set aside for you to meditate on God's Word and listen to what God is saying to you personally. While reading straight through the book is tempting, it is recommended you take each step one day at a time. God has designed this journey to be thirty-six days for a reason. Just as he took his time creating the earth in all its beauty, God wants this time spent with him to establish a

beauty he has designed especially for you. All you have to do is open your heart to God as you travel. Quote from the book: "No one does more for us than God. Even when we forget about God, he doesn't forget about us."

Freedom Love Kelly Armstrong 2011-11-02 Poetry can be a medicine that heals and sustains. Everyone had their own way of surviving. Some people escape from circumstances in their lives by drinking, doing drugs, falling into depression, and many other things, not knowing that there is a healthier way out and most importantly, seeing hope, peace and light at the end! I survived with everyday life problems by reading and writing poetry. Poetry is a form of expression. Poetry can touch your heart and soul forever making a change in your life for the better. Allowing you to forget about your past failures and hurts and motivating you to move forward into the future with much success and happiness. Its something about poetry that frees the spirit; the words in a poem seem to take wings that can fly in and out of our spirits that only the eye of the spirit and the ear of the heart can define. It is often said that poetry travels straight to ones heart. We all hurt at times, from failed relationships, the death of a loved one, sickness, addiction or whatever. But know that God sees you and all you are going through and He is working on your behalf whether you see it or not. Just trust in God for He has all the answers. My reason for writing *Freedom Love* is to help heal hurting people through my poetry. Letting them know that I understand what they are feeling and what they are going through, but also letting them know that you can overcome the obstacles in your life, filled with peace, love, happiness, success, direction, and answers. Then you will be able to move forward with fulfilling your dreams and future goals, trusting and having faith in God.
