**What a Difference a Mom Makes** Dr. Kevin Leman 2012-09-01 Every mom wants the best for her son. She wants him to succeed in life, to be a man of character, to find a good woman, to be a great dad. But sometimes boys are hard for moms to understand. Sometimes they're strange, annoying, and downright disgusting! Yet always they need a mother who is engaged and interested in them, because a mom is the most important person in a boy's life. In *What a Difference a Mom Makes*, New York Times bestselling author Dr. Kevin Leman uses his wit and wisdom to show Mom how to lay the groundwork that will allow her son to grow into a good man. Armed with Dr. Leman's expert advice and insight, Mom will gain an understanding of her boy at every stage, from that very first diaper change to the moment he leaves for college. Dr. Leman shows how to discipline a boy, how to command respect, how to let him fight his own battles, how to understand his sexuality, and how to weather the changes in the mother-son relationship as he grows up. Most of all, Leman shows Mom how to lighten up and have some fun along the way with that boy who will always have her heart.

*Sons and Lovers* D. H. Lawrence 2011-03-01 Widely regarded as D.H. Lawrence's masterpiece, *Sons and Lovers* is a sprawling, multi-generational look at family relationships, class dynamics, and the intimate ties with others that pull young adults toward independence. This largely autobiographical novel made Lawrence's reputation as a writer -- it's a must read for fans of classic literary fiction.

*Shit My Dad Says* Justin Halpern 2011 The international bestseller and Twitter sensation: a brilliant new comic voice, and a 100% real father-son relationship that lies somewhere between *Curb Your Enthusiasm* and *The Wonder Years*... "At 28 years old, I found myself living at home, with my 73-year-old father. As a child, my father never minced words, and when I screwed up, he had a way of cutting right through the bullshit and pointing out exactly why I was being an idiot. When I moved back in I was still, for the most part, an idiot. But this time, I was smart enough to write down all the things he said to me..." Meet Justin Halpern and his dad. Almost 1.5 million people follow Mr Halpern's philosophical musings every day on Twitter, and in this book, his son weaves a brilliantly funny, touching coming-of-age memoir around the best of his sayings. What emerges is a chaotic, hilarious, true portrait of a father and son relationship from a major new comic voice. As Justin says at one point, his dad is 'like Socrates, but angrier, and with worse hair'; and this is the sort of shit he says... "You know, sometimes it's nice having you around. But now ain't one of those times. Now gimme the remote, we're not watching this bullshit." "Happy Birthday, I didn't get you a present... Oh, mom got you one? Well, that's from me then, too - unless it's shitty."

*Born A Crime* Trevor Noah 2016-11-17 WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show* with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.

Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. What a Son Needs from His Mom Cheri Fuller 2013-03-15 Ever Feel Like Your Son Is From a Different Planet? Don't worry, Mom. There's a good reason why your son perplexes you. He's the OPPOSITE sex! Boys really do think, communicate, and process the world differently than girls. But no matter your son's age, he needs you, and he needs you in not-so-apparent ways. Drawing from her own experiences, as well as those from moms and sons from around the country, Cheri Fuller shares what makes boys and young men tick and how to become a more welcome influence at every stage in their lives. She answers all the top questions, including: "How can I help my son (and me!) deal with his emotions in a healthy way?" "School is such a struggle. How can I help him?" "Our personalities are SO different. How can we get on the same page?" "My son hardly says a thing. What can I do?" "What are the best ways to instill good values?" "How can I encourage a lasting faith in God?" With page after page of use-it-today advice and encouraging stories, this book will help you steer your son toward becoming a caring, confident young man. Includes Reflection Questions for Personal or Group Use Great for understanding grandsons, too! "Some mother-son relationships seem to add credence to the adage that 'men are from Mars, women are from Venus.' Even mothers who have a close bond with their sons may think they harbor a complete stranger when their male offspring reach puberty. Fuller is a speaker and author, as well as mother of three (two boys and a girl) and grandmother of six. She lists specific activities that all sons need from their mothers, such as encouragement, communication, prayer, and confidence-building. She adds questions at each chapter's end to 'ponder, journal or discuss,' lending the book to both individual and group study. Recommended for the parenting section of any church library." --Church Libraries

*Women, Television and Everyday Life in Korea* Youna Kim 2012-07-26 Fusing audience research and ethnography, the book presents a compelling account of women's changing lives and identities in relation to the impact of the most popular media culture in everyday life: television. Within the historically-specific social conditions of Korean modernity, Youna Kim analyzes how Korean women of varying age and class group cope with the new

environment of changing economical structure and social relations. The book argues that television is an important resource for women, stimulating them to research their own lives and identities. Youna Kim reveals Korean women as creative, energetic and critical audiences in their responses to evolving modernity and the impact of the West. Based on original empirical research, the book explores the hopes, aspirations, frustrations and dilemmas of Korean women as they try to cope with life beyond traditional grounds. Going beyond the traditional Anglo-American view of media and culture, this text will appeal to students and scholars of both Korean area studies and media and communications studies.

Marshalling the evidence from both New Testament and nonbiblical texts, Peter Balla offers fresh insight into the first Christian families.

*Book of Mother* Kit Kelen 2022-01-10 *Book of Mother* is an exploration of mother/son relationship and of language and consciousness (as these are entered and left). This book is an intimate encounter with dementia as lived experience. Words are an important way into the world and when we begin to lose them we find ourselves with fewer tools and fewer familiar signs to go by. Phrases lost and tip-of-the-tongue half-forgettings - loose threads like these belong to the everyday business of knowing who we are. They are also the nuts and bolts of Kit Kelen's poetry. 'This beautifully sustained poetic sequence is a virtuoso work. With his characteristic wit and generosity, Kit Kelen slips lightly between the surreal syntax and loss of meaning of dementia, the broken words of grief and charmed reminiscences of childhood. Heartachingly honest, and always linguistically surprising, a book of mother is like a magic pudding. The slices of its world that are lost are vividly returned as the book ponders the importance of remembering and being remembered, moving between present and past, dream and memory, to become both a profoundly moving celebration of his mother's life, and the life she has given him.' - Jean Kent 'What happens when the first Other in your life, a being whose existence is so embedded in the deep reaches of your consciousness, begins to lose her own memories, and is eventually erased from this embodied world? How can a son capture such a kaleidoscope of meaning? Kit Kelen takes light and refracts it on the page in this beautiful and loving meditation.' - Beth Spencer 'There is great vulnerability, beauty and strength in Kit Kelen's a book of mother. What Kelen leaves in the spaces between, in 'the words under the words', is where 'the light shines through' in this intense, teary, sweet and cheeky act of deep longing and remembrance. Although he writes that "there really isn't an order of things", the power of this book dwells in the structures of forgetting and remembering, in writing that commits to the puzzling quality and the heartbreaking texture of memory in ways both sustained and fleeting.' - Greg McLaren

All My Sons Arthur Miller 1974 THE STORY: During the war Joe Keller and Steve Deever ran a machine shop which made airplane parts. Deever was sent to prison because the firm turned out defective parts, causing the deaths of many men. Keller went free and made a lot of money. The Mean Mothers Peg Streep 2009-10-13 Drawn from research and the real-life experiences of adult daughters, *Mean Mothers* illuminates one of the last cultural taboos: what happens when a woman does not or cannot love her own daughter. Peg Streep, co-author of the highly acclaimed *Girl in the Mirror*, has subtitled this important, eye-opening exploration of the darker side of maternal behavior, "Overcoming the Legacy of Hurt." There are no

psychopathic child abusers in Mean Mothers. Instead, this essential volume focuses on the more subtle forms of psychological damage inflicted by mothers on their unappreciated daughters—and offers help and support to those women who were forced to suffer a parent's cruelty and neglect.

**The Book of Mothers' Wisdom** Laurel B. Hoffman 2004 Following The Book of Father's Wisdom comes The Book of Mother's Wisdom; a loving and memorable book in which mothers throughout history give sage and advice to their children - and yours. Among the 100 inspirational voices is Margaret Thatcher's, Princess Diana's, Jane Austen's and Eleanor Roosevelt's, filling this book with Mother Wit on character, faith, happiness and love. These mother's stories and anecdotes instruct, admonish and congratulate their children, warmly illustrating unconditional love and the intimate and unique relationship between mother and child.

When He's Married to Mom Kenneth M. Adams 2007-03-26 When a Woman Is in an Emotional Tug-of-War for Her Man's Heart Why can't he commit? Many women find themselves asking this question when in love with a man who won't get married, won't stop womanizing, or refuses to give up his sex addictions. Often this kind of man is bound by an unhealthy attachment to his mother. This phenomenon is called "mother-son enmeshment." In When He's Married to Mom, clinical psychologist and renowned intimacy expert Dr. Kenneth M. Adams goes beyond the stereotypes of momma's boys and meddling mothers to explain how mother-son enmeshment affects everyone: the mother, the son, and the woman who loves him. In his twenty-five years of practice, Dr. Adams has successfully treated hundreds of enmeshed men and shares their stories in this informative guide. He provides proven methods to make things better, including: -- Guidelines to help women create fulfilling relationships with mother-enmeshed men -- Tools to help mother-enmeshed men have healthy and successful dating experiences leading to serious relationships and marriage -- Strategies to help parents avoid enmeshing their children When He's Married to Mom provides practical and compassionate advice to the women who are involved with mother-enmeshed men, to the mothers who wish to set them free, and to the men themselves.

**Male Poets and the Agon of the Mother** Hannah Baker Saltmarsh 2019-04-23 A thoughtful exploration of male poets' contributions to the literature of motherhood In the late 1950s the notion of a "mother poem" emerged during a confessional literary movement that freed poets to use personal, psychosexual material about intimate topics such as parents, childhood, failed marriages, children, infidelity, and mental illness. In Male Poets and the Agon of the Mother, Hannah Baker Saltmarsh argues that male poets have contributed to what we think of as the literature of motherhood—that confessional and postconfessional modes have been formative in the way male poets have grappled with the stories of their mothers and how those stories reflect on the writers and their artistic identities. Through careful readings of formative elegies and homages written by male poets of this time, Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history, myth, and literature. A foreword is provided by Jo Gill, professor of twentieth-century and American literature in the Department of English and associate dean for education at the University of Exeter.

**When You and Your Mother Can't Be Friends** Victoria Secunda 2009-11-04 "A book of great value for every daughter and every mother; useful for sons, too."—Benjamin Spock, M.D. From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't "good enough"—and to stop blaming them. Among the issues to be covered: • To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation • To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the "bad mommy," in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them • To conjugate what I call the "Bad Mommy Taboo"—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters • To describe the evolution of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance • To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter • To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity • To illustrate the responsive behavior—and survival mechanisms —of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector • To show how to redefine the mother-daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad • Finally, to demonstrate that a redefined relationship with one's mother—adult to adult—frees you from the past, whether that redefinition ultimately results in real friendship, affectionate truce, or divorce.

Untamed Glennon Doyle 2020-03-12 'This book will shake your brain and make your soul scream. I am so ready for myself after reading this book!' Adele 'Untamed will liberate women - emotionally, spiritually, and physically. It is phenomenal.' Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* Who were you before the world told you who to be? Part inspiration, part memoir, *Untamed* explores the joy and peace we discover when we stop striving to meet the expectations of the world, and instead dare to listen to and trust in the voice deep inside us. From the beloved New York Times bestselling author, speaker and activist Glennon Doyle. \*\*\*\*\* For many years, Glennon Doyle denied her discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There. She. Is. At first, Glennon assumed these words came to her from on high but soon she realised they had come to her from within. This was the voice she had buried beneath decades of numbing addictions and social conditioning. Glennon decided to let go of the world's expectations of her and reclaim her true untamed self. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanising wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is also the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honour our anger and heartbreak, and unleash our truest, wildest instincts. *Untamed* shows us how to be brave. And, as Glennon insists, 'The braver we are, the luckier we get.'

**Mom and Me and Mom** Maya Angelou 2013-03-26 'In the first decade of the twentieth century, it was not a good time to be born black, or woman, in America.' So begins this stunning portrait of Vivian Baxter Johnson: the first black woman officer in the Merchant Marines, purveyor of a gambling business and rooming house, and mother to Maya Angelou, beloved and bestselling author *I KNOW WHY THE CAGED BIRD SINGS*. 'A brilliant writer, a fierce friend and a truly phenomenal woman' BARACK OBAMA Anyone who's read the classic, *I Know Why the Caged Bird Sings*, knows Maya Angelou was raised by her paternal grandmother in Stamps, Arkansas. In *Mom & Me & Mom*, Angelou details what brought her mother to send her away and unearths the well of emotions Angelou experienced long afterward as a result. While Angelou's six autobiographies tell of her out in the

world, influencing and learning from statesmen and cultural icons, Mom & Me & Mom shares the intimate, emotional story about her own family. 'She moved through the world with unshakeable calm, confidence and a fierce grace . . . She will always be the rainbow in my clouds' OPRAH WINFREY 'She was important in so many ways. She launched African American women writing in the United States. She was generous to a fault. She had nineteen talents - used ten. And was a real original. There is no duplicate' TONI MORRISON

**Essays in Honour of Boris Berić's Sixty-Fifth Birthday** Gabrijela Buljan 2020-07-29 Written as a Festschrift honouring a beloved professor, colleague, and friend, this volume comprises a collection of essays offering a wide array of contemporary approaches to literature, linguistics, and applied linguistics. It covers a variety of topics, ranging from medieval to contemporary literature and language, and explores genres as diverse as fantasy, dystopia, drama, poetry, and film, addressing issues such as post- and transhumanism, age, gender, identity, family, metonymy, and narrative discourse. The diversity of themes and methodologies here makes the collection a widely applicable resource in the academic discussion of literature, language, and culture, both as a significant contribution to different philological fields and a useful educational tool for anyone teaching or studying English, Anglophone literature, British, American, and German studies, English as a Second Language, linguistics, cognitive linguistics, and applied linguistics, or conducting research in these fields.

**Men and Mothers** Hendrika C. Freud 2018-03-08 Not all men vie with their fathers for the love of their mothers. In some families the mother becomes the central figure for her son - the father is excluded (or excludes himself) and does not come between mother and son. The main thesis of this book - using clinical vignettes and quotes from the work of Marcel Proust to illustrate the author's points - is that in these cases fantasies of matricide replace patricide. Men develop their male gender identity by being permitted to separate from their mother early on, but when a man does not resolve his infantile tie to his mother he risks remaining in a passive and/or dependent position towards her. Over-identification with the mother might ensue, hampering masculine development. Mothers who seek emotional support by binding their sons too closely can become seductive towards them. The child is inclined to try to satisfy the emotional needs of his mother, and he fears rejection if he asserts his independence instead of complying.
