Sweating the Small Stuff -

David Whitman 2008

This book tells the story of six secondary schools that have succeeded in eliminating or dramatically shrinking the achievement gap between whites and disadvantaged black and Hispanic students. It recounts the stories of the University Park Campus School (UPCS) in Worcester, the

American Indian Public Charter School in Oakland, Amistad Academy in New Haven, the Cristo Rey Jesuit High School in Chicago, the KIPP Academy in the Bronx, and the SEED school in Washington, D.C.

The British National Bibliography - Arthur James Wells 2006

[A Queer History of Fashion -](#)

*Downloaded from
legacy.opendemocracy.net
on 2018-12-16 by guest*

Valerie Steele 2013
From Christian Dior to Yves Saint Laurent and Alexander McQueen, many of the greatest fashion designers of the past century have been gay. This provocative book looks at the history of fashion through a queer lens, examining high fashion as a site of gay cultural production and exploring the aesthetic sensibilities and unconventional dress of LGBTQ people to demonstrate the centrality of gay culture to the creation of modern fashion.

Sphinx - Anne Garreta
2015-04-21

A landmark literary event: the first novel by a female member of Oulipo in English, a sexy genderless love story.

Queer Representation, Visibility, and Race in American Film and Television - Melanie Kohnen 2015-11-06

This book traces the uneven history of queer media visibility through crucial turning points including the Hollywood Production Code era, the AIDS crisis of the 1980s, the so-called explosion of gay visibility on television during the 1990s,

and the re-imagining of queer representations on TV after the events of 9/11. Kohnen intervenes in previous academic and popular accounts that paint the increase in queer visibility over the past four decades as a largely progressive development. She examines how and why a limited and limiting concept of queer visibility structured around white gay and lesbian characters in committed relationships has become the embodiment of progressive LGBT media representations. She also investigates queer visibility across film, TV, and print media, and highlights previously unexplored connections, such as the lingering traces of classical Hollywood cinema's queer tropes in the X-Men franchise. Across all chapters, narratives and arguments emerge that demonstrate how queer visibility shapes and reflects not only media representations, but the real and imagined geographies, histories, and people of the American nation.

Apartheid - Edgar H. Brookes

Downloaded from
legacy.opendemocracy.net
on 2018-12-16 by guest

2022-10-05

Originally published in 1968, this volume traces the history and growth of Apartheid in South Africa. The acts which enforced Apartheid - the Group Areas Act, Population and Registration Act are given in full. The book also includes documents which reflected reaction to these measures: Parliamentary debates, newspaper reports and policy statements by the leading political parties and religious denominations. The documents are headed by a full historical and analytical introduction.

Lesbian Sex Positions - Shanna Katz 2014-02-25

Spice up the bedroom with over 100 fun, sexy positions to try out as well as helpful tips and tricks for keeping things hot and exciting every night of the week. Few things spice up a couple's sex life faster and easier than a new position. Opening the pages of *Lesbian Sex Positions* is like pouring fuel on a fire for any lesbian couple, or any two women who want to get it on together. From sensual to steamy, these

innovative and sexy positions take lovemaking to the next level. Each participant discovers ways to be closer and more intimate with her lover as they explore both classic positions and erotic acrobatics, including: • The Cat's Meow • That's a Wrap • Blinded by Delight • And more! *Lesbian Sex Positions* emphasizes the fun, adventure, and enjoyment of two partners probing for previously untapped pleasures. Complete with detailed information and step-by-step instructions, and illustrated with gorgeous erotic photos, this book makes it easy for couples to discover new heights of passion. This book is for you to do with what you wish. Read it cover to cover, or hone in on the areas that interest you the most. Enjoy it, put it to good use, and relish your sexual explorations as you continue to grow as a sexual being!

The Revised Fundamentals of Caregiving - Jonathan Evison 2015-08-25

For Ben Benjamin, all has been lost—his wife, his family, his

Downloaded from
legacy.opendemocracy.net
on 2018-12-16 by guest

home, his livelihood. Hoping to find a new direction, he has enrolled in a night class called the Fundamentals of Caregiving. There he learns the basics of the art of inserting catheters while avoiding liability, and he is instructed about professionalism and how to keep an emotional distance between client and provider. But when Ben is assigned his first client—a tyrannical nineteen-year-old boy named Trevor who is in the advanced stages of Duchenne muscular dystrophy—he soon discovers that the endless service checklists have done nothing to prepare him for the reality of caring for a fiercely stubborn, sexually frustrated teenager who has an ax to grind with the whole world. Over time, the relationship between Ben and Trev, which had begun with mutual misgivings, evolves into a close friendship, and the traditional boundaries between patient and caregiver begin to blur. The bond between them strengthens while they're on a road trip to visit Trev's ailing father—a journey diverted by a

series of bizarre must-see roadside attractions that propels them into an impulsive adventure disrupted by one birth, two arrests, a freakish dust storm, and a six-hundred-mile cat-and-mouse pursuit by a mysterious brown Buick Skylark. By the end of that journey, Trev has had his first taste of love, and Ben has found a new reason to love life. Bursting with energy and filled with moments of absolute beauty, this big-hearted and inspired novel ponders life's terrible surprises as well as the heart's uncanny capacity to mend.

The New Walt Whitman Studies - Matt Cohen
2019-11-21

Highlights the latest currents in Whitman scholarship and demonstrates how Whitman's work transforms discussions in literary studies.

Bone Confetti - Muriel Leung
2016

Poetry. Asian American Studies. In BONE CONFETTI, there are two types of survivors at the end of the world--lovers and ghosts who die, are

Downloaded from
legacy.opendemocracy.net
on 2018-12-16 by guest

revived, and die again. Each death and resurrection carves its way into the landscape of a wrecked city where skies are flocked by molten birds and trees grow in shades of ash. The same confetti floats between funeral and parade, wedding and hell. When all that is left is the terrible residue of memory, lovers and ghosts try their best to make do. They scale the horizon, collecting debris wherever they go in the attempt to fashion a new sense of humanity. BONE CONFETTI houses something else: an activity of mourning. The book does this in place of the other things it could have done. Or housed. It struck the bone of my own heart. It made the words into a bell. And the bell made me stop what I was doing, just as certain events or thoughts or scenes do, and orient to that unexpected, powerful sound. Leung is this kind of writer, whose book makes you want to come up with a new language to describe what a book could be, could feel like, to read. I am grateful for the chance to

encounter her work at this time, in this part of the real year.--Bhanu Kapil
Five Women Wearing the Same Dress - Alan Ball 1993
THE STORY: During an ostentatious wedding reception at a Knoxville, Tennessee, estate, five reluctant, identically clad bridesmaids hide out in an upstairs bedroom, each with her own reason to avoid the proceedings below. They are Frances, a painful
Same Sex in the City - Lauren Blitzer 2012-12-11
At last lesbian culture is becoming more visible in the mainstream media. From *The O.C.* to *The L Word*, gay women (and the occasional bi-curious straight girl) are portrayed coming to terms with their sexuality and embracing it. But the journey from sexual curiosity to finally coming out can be confusing without proper guidance and empowering role models. Lauren Blitzer and Lauren Levin know first-hand the challenges that lesbian women face in our society, and SAME

SEX IN THE CITY is their uplifting and at times irreverent response. The Laurens are both prominent figures in the New York lesbian community, though their stories are very different. Here they relate their own experiences and those of the women they interview, as well as offer serious advice, alluring anecdotes, and a positive attitude for girls who know they're gay - and those who are wondering about their sexuality but are not yet sure whether their Prince Charming is really a Cinderella. Part confessional, part informational, SAME SEX IN THE CITY covers the gamut of lesbian life from dating to heartbreak, from hooking up with straight chicks to being out at work. It's the book that millions of women have been searching for - a step-by-step guide that will help every woman come to terms with and celebrate her sexuality, whatever it may be.

The Advocate - 2006

The Case for Marriage - Linda

Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single

Downloaded from
legacy.opendemocracy.net
on 2018-12-16 by guest

or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal

What's Good? - Daniel Levin
Becker 2022

A love letter to the verbal artistry of hip-hop, *What's Good* is a work of passionate lyrical analysis.

Honey Mine - Camille Roy
2021-06-29

This visceral, thrilling collection of stories by prescient lesbian writer Camille Roy explores what it takes to survive as a young sex and gender outlaw in the heart of America.

Girl Meets Boy - Ali Smith
2021-06-30

From the astonishingly talented writer of *The Accidental and Hotel World* comes Ali Smith's brilliant retelling of Ovid's gender-bending myth of Iphis and Ianthe, as seen through the eyes of two Scottish sisters. *Girl Meets Boy* is about girls and boys, girls and girls, love and transformation, and the absurdity of consumerism, as well as a story of reversals and revelations that is as sharply witty as it is lyrical. Funny, fresh, poetic, and political, *Girl*

Meets Boy is a myth of metamorphosis for a world made in Madison Avenues image, and the funniest addition to the Myths series from Canongate since Margaret Atwoods The Penelopiad.

Sex & Rage - Eve Babitz
2018-07-05

It is the 1970s in LA, and Jacaranda Leven - child of sun and surf - is swept into the dazzling cultural milieu of the beautiful people. Floating on a cloud of drink, drugs and men, she finds herself adrift, before her talent for writing, and a determined literary agent, set her on a course for New York and a new life. Sex & Rage is a recently re-discovered classic from author Eve Babitz, herself a muse to many an artist, writer and musician in the 1970s. A semi-autobiographical novel, it charts the highs and lows of a life lived at the limits,

and transports the reader to a sunnier, dreamier, more reckless time and place.

New York - 2006-06

The Braid - Lauren Levin 2016
Poetry. Women's Studies.
Parenting. THE BRAID is a fever dream of pregnancy and early parenting in the era of the police state. Meditative and urgent, it interrogates the idealized portrait of mother and child to wind up somewhere much messier. A love poem shot through with ambivalence; a sustained fuck you to Ronald Reagan and his legacy; a moment of feminist possibility on the far side of collapse. "I eat crumbs out of the baby's neck / I'm glad there are no great poems by women / I'm glad there are no great poems by Jews / I'm glad there are no great poems about motherhood / I'm glad no great poems have ever been written."
