Introduction to Fall (2022 film) - Gilad James, PhD

"Introduction to Fall" is an upcoming drama-comedy film directed by Lowell Dean. The story follows the life of Caleb Lawson, who is a freshman at a prestigious university. He is eager to fit in and impress his peers, particularly his crush, Emily. Struggling to adjust to the new environment, Caleb seeks the help of his eccentric roommate, Lucas. Lucas, who is a free-spirited artist, helps Caleb navigate the unfamiliar terrain and opens up new experiences for him. Meanwhile, Caleb's father, a successful businessman, has different expectations for his son and puts pressure on him to perform well academically. As the semester progresses, Caleb faces the biggest challenge of all when he discovers a family secret that threatens to upend everything he has known about himself. The film stars Keegan Allen as Caleb Lawson and Jake Manley as Lucas. It deals with themes of personal growth, self-discovery, and the pressures of conformity. "Introduction to Fall" promises to be a relatable and heartwarming story about the ups and downs of college life. The film is set to be released in 2022.

Love Letters of Great Men - Ursula Doyle 2008-08-05

From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, *Love Letters of Great Men* collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these *Love Letters of Great*

Men show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

The Boys in the Boat - Daniel James Brown 2021-03-30

The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. Soon to be a major motion picture directed by George Clooney. For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers,

shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

Hatchet Job - Mark Kermode 2014

Your bookshelf is about to get a whole lot sexier. As the highly anticipated Sex and the City 2 hits theaters, Running Press presents the official companion book, available both in paperback and as a deluxe hardcover edition. With style emulated by millions of women, Carrie Bradshaw has become the fashion icon of our day. Nearly half of this book is devoted to showcasing and detailing the wardrobe and accessories worn by the women in the movie. As a complete guide to Sex and the City 2, the book is also filled with exclusive plot details, interviews with cast and crew, and never-before-told stories about the making of the film. The fashions, the friendship, and the fun are all gorgeously illustrated by more than 500 downright fabulous photos of Carrie, Samantha, Miranda, Charlotte, and the rest of the stellar cast. Fans just can't get enough of Sex and the City. This book will be a must-have for the millions who made the show the highest-rated on cable TV; who bought 400 million worth of tickets to the first movie; and who made the book that tied in with that film a New York Times bestseller!

[Sex and the City and Us](#) - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of Seinfeldia offers a fascinating retrospective of the iconic and award-winning television series, Sex and the City, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell

began writing for the New York Observer, she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

[Sex and the City](#) - Amy Sohn 2002-10-01

Television's sauciest and sexiest program is nothing less than a national phenomenon. Now, after four wildly successful and critically acclaimed seasons, the show's winning formula of sex, glamour, humor, and candor is available in a one-of-a-kind, elegant, and uniquely entertaining hardcover book. Sex and The City: Kiss and Tell is the ultimate fan bible, offering a comprehensive behind the scenes guide to NYC and its most fabulous foursome -- the friends and boyfriends, the bar rooms and bedrooms, the infatuations and fashions. Packed with information and photos not available anywhere else, it will fascinate and delight its readers with wholly original material from the show's stars, producers, writers, costume designers, and more. It includes all-access passes to the sets, production offices, and wardrobe closets at the Silvercup studios; an insider's tour of the sets; and a detailed map of the bistros and boutiques where Carrie and friends sip, shop, and seduce. Each of the show's major players are interviewed, offering revealing, intimate biographies and sharing the true life stories that inspire every episode.

An elegant, beautiful edition with an exclusive introduction from Sarah Jessica Parker herself, this book is every bit as intoxicating as the pink Cosmopolitans sipped by Carrie and friends at Manhattan's chicest hot spots.

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?
