We Should All Be Mirandas - Chelsea Fairless 2019

"A snarky lifestyle guide inspired by the most underrated character on Sex and the City, from the creators of the Instagram sensation @everyoufitonSATC"--

Summer and the City (The Carrie Diaries, Book 2) - Candace Bushnell 2013-04-25

Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

Plaza Suite - Neil Simon 1969

A portrait of three couples successively occupying a suite at the Plaza. A suburban couple take the suite while their house is being painted and it turns out to be the one in which they honeymooned 23 (or was it 24?) years before and was yesterday the anniversary, or is it today? This tale of marriage in tatters is followed by the exploits of a Hollywood producer who, after three marriages, is looking for fresh fields. He calls a childhood sweetheart, now a suburban housewife, for a little sexual diversion. Over the years she has idolized him from afar and is now more than the match he bargained for. The last couple is a mother and father fighting about the best way to get their daughter out of the bathroom and down to the ballroom where guests await her or as Mother yells, "I want you to come out of that bathroom and get married!"--Publisher's description.

Teardrop - Lauren Kate 2014-06-19

Seventeen-year-old Eureka's life is taking on dark undercurrents that don't make sense . . . Her mother killed in a freak accident. Her best friend, Brooks, behaving like a stranger. And Ander. The boy with eyes like the ocean who is everywhere she goes. Uncovering her mother's legacy "a stone, a locket and an ancient tale of romance and heartbreak" Eureka begins to question everything she thought she knew. Only one thing is certain: everything she loves can be washed away.

Face This - Shelley Goodstein 2011-02-04

Sex and the City and Us - Jennifer Keishin Armstrong 2019-05-07

The bestselling author of Seinfeldia offers a fascinating retrospective of the iconic and award-winning television series, Sex and the City, in a "bubbly, yet fierce cultural dissection of the groundbreaking show" (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers' room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn't perfect, but it revolutionized television for women. When Candace Bushnell began writing for the New York Observer, she didn't think anyone

beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. Carrie, Miranda, Charlotte, and Samantha launched a barrage of trends, forever branded the actresses that took on the roles, redefined women's relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, "Jennifer Keishin Armstrong brings readers inside the writers' room and into the scribes' lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that's been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail" (The Washington Post). Sex and the City and Us is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

Sex and the City - Nicole Evelina 2022-11-15

"The television show Sex and the City changed how a generation of women relate to themselves, their friends, and their men. Now, through a careful examination of the characters and the issues the show confronted—from sexuality and feminism to friendship and motherhood—this book reveals how the series impacted viewers from the 1990s to today"--

The 21st Century Superhero - Richard J. Gray II 2011-09-07

Superhero films are one of the most enduring genres of cinema, and their popularity is only increasing in the 21st century. These ten critical essays explore the phenomenon through the lenses of numerous academic disciplines, and cover topics such as the role of globalization in the formation of superhero narratives, the shifting nature of masculinity and femininity in the superhero world and the state of the genre today. Of particular interest is the way these narratives, however fantastic, abstract, futuristic or simplistic, resonate with specific events in the world and function as starting points for discussion of contemporary sociopolitical conflicts.

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

No One Likes a Fart - Zoë Foster Blake 2017-11-13

Fart is excited! He's desperate to make friends and have fun. But no one likes a fart. Not even a fart with a heart. Too smelly. Too embarrassing. Too gross. This enhanced ebook edition of No One Likes A Fart is narrated by the author, Zoë Foster Blake, with supporting voices from Hamish Blake (AKA Tooty McFluffson). Zoë has written lots of grown-up

books, none of which mention a single fart. She is the mother of two little people and a cat with a permanently cranky face. She wants it known that despite writing this book, she still doesn't like farts, even if her husband and son refuse to acknowledge or respect this.

Is There Still Sex in the City? - Candace Bushnell 2019-08-06

Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly-on-the-wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the highs and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* gathers Bushnell's signature short, sharp, satirical commentaries on the love and dating habits of middle-aged men and women as they continue to navigate the ever-modernizing world of relationships. Throughout, Bushnell documents twenty-first century dating phenomena, such as the "Unintended Cub Situation" in which a sensible older woman suddenly becomes the love interest of a much younger man, the "Mona Lisa" Treatment — a vaginal restorative surgery often recommended to middle-aged women — and what it's really like to go on Tinder dates as a fifty-something divorcée. Bushnell also updates one of her most celebrated stories from *Sex and the City*, about "Bicycle Boys," a breed of New York man who is always trying to bring his bike up to women's apartments. Once an anomaly, Bushnell charts their new ubiquitousness, in addition to where, and how, to do your own man stalking via bicycle (and whether or not it's worth it).

American Cinema of the 2000s - Timothy Corrigan 2012-04-15

The decade from 2000 to 2009 is framed, at one end, by the traumatic catastrophe of the 9/11 attacks on the World Trade Center and, at the other, by the election of the first African American president of the United States. In between, the United States and the world witnessed the rapid expansion of new media and the Internet, such natural disasters as Hurricane Katrina, political uprisings around the world, and a massive meltdown of world economies. Amid these crises and revolutions, American films responded in multiple ways, sometimes directly reflecting these turbulent times, and sometimes indirectly couching history in traditional genres and stories. In *American Cinema of the 2000s*, essays from ten top film scholars examine such popular series as the groundbreaking *Matrix* films and the gripping adventures of former CIA covert operative Jason Bourne; new, offbeat films like *Juno*; and the resurgence of documentaries like Michael Moore's *Fahrenheit 9/11*. Each essay demonstrates the complex ways in which American culture and American cinema are bound together in subtle and challenging ways.

City of Glass - Cassandra Clare 2010-08-03

Clary, who is still seeking a cure for her mother's enchantment, travels to the City of Glass, the capital of the forbidden country of the secretive Shadowhunters, where she uncovers important truths about her family's past.

Just Like a Movie Level 1 - Sue Leather 2000-06

Brad and Gina go to the movies every weekend but they have no money. Then he has an idea and thinks that real life can be just like the movies and that is when things go wrong.

Anatomy: A Love Story - Dana Schwartz 2022-01-18

INSTANT #1 NEW YORK TIMES BESTSELLER *INSTANT #1 INDIE BESTSELLER* *INSTANT USA TODAY BESTSELLER* *A REESE'S YA BOOK CLUB PICK* "Schwartz's magical novel is at once gripping and tender, and the intricate plot is engrossing as the reader tries to solve the mystery. She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review)

Dana Schwartz's *Anatomy: A Love Story* is a gothic tale full of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Curren is a resurrection man who's just trying to survive in a city where it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books—she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years

ago, is back with a vengeance. Nobody important cares—until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

The Pocket Lawyer for Filmmakers - Thomas A. Crowell, Esq.

2022-08-30

This no-nonsense reference helps independent filmmakers recognize and solve the critical legal issues they might face throughout the course of making a film. Author Thomas A. Crowell, TV producer turned entertainment lawyer, will help you to understand and negotiate crucial production contracts, handle actors and their agents, and navigate the perils of copyright infringement and other lawsuits. Updated throughout to address important changes to the law, and incorporating discussion of online distribution, crowd funding, social media marketing, and international productions, this expanded third edition will provide you with the skills to: Protect the copyright to your work. Finance your film and watch out for common financing traps. Understand how tax credits and other incentives are used in film financing. Work with other screenwriters, and protect your script ideas. Adapt a book or comic into a screenplay. Know how to spot the difference between copyright infringement and fair use. Hire crew members, actors, and post-production staff. Draft a production services agreement or a license to use someone else's work. License music for soundtracks. Negotiate a distribution agreement or understand how to distribute your film alone. Learn how to best position your film for Netflix. Make money from YouTube. And much more! Written for accessibility and ease of reference, this book is a vital resource for any student or independent filmmaker wanting their films to be successful and free of legal disasters.

I'm Glad My Mom Died - Jennette McCurdy 2022-08-09

* #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL

BESTSELLER * MORE THAN 2 MILLION COPIES SOLD! A

heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Sex and the City - Amy Sohn 2004-02-23

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

Das Reboot - Raphael Honigstein 2015-09-03

'Football is a simple game; 22 men chase a ball for 90 minutes and at the end, the Germans always win' Gary Lineker Packed with exclusive interviews with key protagonists, Raphael Honigstein's book lifts the lid on the secrets of German football's success. 13th July 2014, World Cup Final, the last ten minutes of extra time. Germany forward Mario Götze, receiving a floated pass from his international teammate André Schürrle, jumps slightly to meet the ball and cushion it with his chest. Landing on his left foot, he takes a step with his right, swivels, and in one fluid motion, without the ball touching the ground, volleys it past the onrushing Argentine goalkeeper into the far corner of the net. The goal wins Germany the World Cup for the first time in almost twenty-five years. In *Das Reboot*, journalist and television pundit Raphael Honigstein charts the return of German football - how did German football transform

itself from its efficient, but unappealing and defensively minded traditions to the free-flowing, attacking football that was on display during the last World Cup? The answer takes him from California to

Stuttgart, from Munich to the Maracan, via Dortmund and Durban. 'German football boasts not only the World Cup, but superb writers...A fine account of how Germany reclaimed hegemony' Guardian
