**Sex, Sorcery, and Spirit** Jason Miller 2014-11-24 The sexual act is possibly the most potent—and pleasurable—gateway to the primordial and the divine. From the Tantric mysteries of Hinduism and Buddhism and the inner alchemy of Taoism, to the sacrament of the bridal chamber in Christianity—and, of course, the traditions of Western Magic and Witchcraft—sex pervades the highest and most secret teachings all over the world. In *Sex, Sorcery, and Spirit*, Jason Miller draws upon his training in Eastern and Western mystery schools to produce a frank, comprehensive exploration of sexual sorcery and spirituality. In clear language, he will show you how to take your magic to the next level, teaching you: How to use the moment of orgasm as a gateway to the highest levels of spiritual attainment. The use of sexual elixirs in alchemy and practical sorcery. How to work with sexual spirits and gods. The dangers of sex magic and how to

avoid them. A grimoire of sexual spells and rituals. This daring and tantalizing work throws open the doors into the realms of sexual magic that have been hidden behind secret orders and arcane terminology for far too long—until now.

to-follow, step-by-step practical guide takes you from the first principles of Tarot reading through to a powerful and efficacious auto sex ritual based on Tarot cards. In a sense, this is an initiation path that leads to the very doors of Magick. Whether that be black or white Magick, the choice ultimately is yours alone. Sex and Magick are the perfect partners. This practical and easy to follow manual offers a solution to working with sex magic for the modern magician who is working alone and with few magical props other than your favorite Tarot deck. This work is suited to those magicians who are short on time and who needs to change some major aspects of their life. This manual will look at powerful and practical ways to prepare the magical self before performing a sex magical ritual. For centuries practicing magicians have sought to marry these atavistic and powerful human forces together. Usually those who offer teaching on sex rituals have been condescending and patronising to the intelligent and sincere magician. More often access to genuine sex ritual techniques are secretive, impossibly impractical, complex or beyond the expense of the normal working occultist. Perhaps you did have the opportunity to work within a magical order that tantalisingly offers the carrot of sex magick at the end of a series of ever increasingly difficult (and expensive) initiations. You probably sensibly parted ways before your magical energy was drained. Maybe you did meet a lover who shared your passion for the occult but who stopped short at sharing their bed through a sex ritual. The often neglected aspect of cursing those who will not allow you to do your True Will is examined and a solution offered through the sex magic ritual. Finally, the use of the Tarot to contact the dead to ask for advice, either before or after the sex ritual, is examined in this practical and easy to follow manual. Verified buyer 5 star review: "Very concise and to the point. Useful and easy to follow. I have used the tarot before with sex magick rites. This has other ideas which I will use and add to my repertoire of methods and spells using the TAROT."

**Tantrism: Sex Magick for the Soul** Joseph Leal 2018-05-29 Modern spirituality and new age information is filled with distortions, misconceptions, and is leading humanity astray from our individual ascension. The power and connection to the soul has never been so limited and continues to create a world that is predominately living in their minds. We all have the power to become magical. We all have the power to live out our dreams and find a true soulmate. Working with sexual energy in tantric relationships is required to have an energetic impact on the non-physical (astral) planes to create astrally a future we wish to create, rather than face the destiny that the matrix or "time" has in store for us. We entered this world choosing our character knowing how our life would begin and how it will end. Ascension means creating our future astrally before we experience our fixed destiny. This is what magic and our lesson as humans is all about.

**How to Do Sex Magic** Orry Whitehand 2015-06-16 Sex magic is one of the most controversial magical methodologies. It attracts frustrated newcomers to the occult, expecting to have all their lusts fulfilled in steamy orgies. It gives pulpit thumpers something to rant about. It makes for lurid headlines in newspapers with more regard for sales than facts. All of these things just go to show the enormous human fascination with sex. Which is precisely why sexuality and desire can be harnessed for magical ends. Wherever such levels of obsession exist, the magical powerhouse of the subconscious can be readily tapped. That being said, to use such obsessions effectively is quite different in practice than most people would imagine. If you are reading this book hoping to find a world in which your sexual fantasies will be fulfilled, you're going to be disappointed. This book is about using sexuality to power magic, not the other way around. There are

some absolutely excellent manuals on the more advanced techniques of sex magic out there. This book is not one of them. Its purpose is to guide the interested newcomer in a safe and effective way. None of its practices involve unsafe sex or BDSM techniques. All are practised solo or with an existing partner. We will be looking at the following specific areas in this book, which cover both magic for results (the casting of spells) and magic for self-transformation (initiatory magic): The Magic of Desire Sexual Response as an Engine Auto-Erotic Spells Channelling Desire to an Effect Vision Magic Touching the Divine Other Applications Modern Sex Magick Donald Michael Kraig 2003 This is one of the first books to clearly reveal the secrets of Western sex magick without relying on Tantric theory. Her religious system, called the Third Term of the Trinity, considered the Holy Spirit (or Wholesome Spirit) to be feminine and taught the importance of sex for the regeneration of the world and the uplifting of humanity. A complement to her *The Light of Sex*, this book on the hanging mystery initiation details her advanced teachings on the Third Term of the Trinity and the spiritually transformative power of sex and reveals the erotic ritual hanging and other sensory deprivation practices of her

magical group, La confrérie de la Flèche d'Or [The Brotherhood of the Golden Arrow]. These advanced mystical sexual practices were required for initiation into the brotherhood, and, as Naglowska shows, only through the union of the masculine and the feminine can we bring about a reconciliation of the light and dark forces in nature.

**Solitary Sex Magick** Albertus Crowley 2020-08-03 Solitary Sex Magick is an occult manual that teaches the magical practice of sex magick. This manual has been specially written and prepared for the passionate solitary practitioner. Since magical instructions are key to learning, this manual has been modified into an easy-to-read format. Sex magick is a pure magical science and art, and he/she who learns its secrets shall discover real magical power. Learn the foundation of the Craft of Magick and harness the forces of nature through solitary sex. Why practice sex magick in solitary? This is because it is actually hard to find someone to do it with. Take note that you cannot just do it with anybody. You have to understand that in the real practice of sex magick, there will be a merging of energies, as well as a merging of the souls. If you end up practicing this craft with someone who has an impure soul, then you will only be corrupted, and the magic will not work. Sex magick in the purest kind of magick as it originates from a raw instinct of man. As such, you know that the energy that you harness is pure and of divine source. What is more, the energy is not just any other energy, but the energy of life. Humanity would not have continued to exist if the people did not engage in sex. Sex is life and life is energy -- and you can harness and

manipulate this energy in a magical way. Solitary Sex Magick is the key that will open wide a door of magick for you, and this door shall lead to many paths and magical experiences for you to explore and enjoy. After all, the practice of magic ought to be experienced. It is only through personal experience that you can fully understand the meaning of a technique or practice. The same is true in the practice of sex magic (just like any other magical practices) -- you ought to experience it yourself to realize its power. Do not worry; the practice of solitary sex magic is highly pleasurable, so you would not have any problems with it. In fact, you will even be comforted and brought to great heights of pleasures and ecstasy. You will literally feel your body vibrating as it becomes filled with lots of magical energy, similar to the so-called full-body orgasm -- only stronger and purer. Your body shall throb like a heartbeat as it bathes in divine energy. Are you ready to learn the secrets of this art form? If yes, then let me now welcome you into the divine mysteries of sex, where you shall discover raw and potent power that you can harness for the realization of your will. Always with love and with light, blessed be!

In this extensive study of sex magic in the Eastern and Western Mystery traditions, Sarane Alexandrian explains how there is a sex magic connected with every religion, spiritual belief system, and initiatory society. Exploring sexual practices in folk magic, high magic, alchemy, and religion, the author begins with a complete overview of love magic in the Middle Ages, including accounts of the use of potions, powders, spells, and enchantments, and he reveals how these techniques related to the religious practices of the time. He introduces the Taoist sexual alchemy practices of Mantak Chia, the secret tantric practices of the Tibetan bons, sexual shiatsu, and a Vietnamese practice called “mouth moxa.” Examining the sacred sexuality that arose in Western initiatory orders in the late 19th and early 20th centuries, Alexandrian details the development of P. B. Randolph’s white sexual magic and the black sexual magic of Aleister Crowley, as well as explaining the practices of Austin Osman Spare, Julius Evola and the Ur Group, and Maria de Naglowska. He reveals the scientific principles underlying sex magic and how successful results are guaranteed by the influences of the heavenly bodies and the radiant powers of color, number, scents, and physical movements, which intensify the activity of the human bioelectric field. Alexandrian also details the

tantra practices of Margot Anand, the sexual rituals of Wicca, and magical “sex aids,” including talismans and jewels. **SPARKY** Juliette M Engel 2020-03-05 Sparky's story shines the spotlight on crimes against American children that were sanctioned on a national scale by the United States government. At the age of six in 1955, she was sold by her parents to the Sex Magick cult run by the CIA under its illegal program of secret experimentation on mind control called Monarch. By the time she was ten, she'd been purposely split into multiple identities, each one associated with a different age and place as her family moved around the country to avoid Child Protective Services and the police. With each new identity, she forgot the last one. In Imperial Beach, California, inside a tough neighborhood of gangs and brothels abutting the Tijuana Sewer and the Mexican border, she discovered her own courage in the determined persona of a new character, Sparky MacGregor. As she grew older, Sparky's memory faded as she was moved from one location to the next. At the age of seventeen, she escaped from a camp in Big Sur, and left childhood behind. She became a physician, raised a family and moved to Moscow where she founded and ran an underground railroad for child sex trafficking victims from the former USSR. Years later, she returned to Imperial Beach to speak at an international conference on border security. The memory of her lost childhood suddenly returned.

Provides detailed instructions for crafting, purifying, and energizing all the necessary ritual tools. Sex magic is an important component of Celtic spiritual practice. Unlike other ritual practices that look to intermediaries or deities to execute the participants' wishes, druids believe that individuals can directly influence exterior reality by focusing their own internal sexual energy. Sex magic potentizes and projects this energy so that it reaches its full power, allowing the participants to liberate their consciousness from everyday awareness and influence reality at will. Written by a practicing druid with more than forty years in the tradition, Celtic Sex Magic explains the fundamental principles involved in channeling the vast amounts of energy generated during orgasm for the purpose of projecting spells and elevating consciousness. The secrets of this tradition have been passed down orally for generations and are revealed here in print for the first time. This workbook contains authentic, accurate, and fully illustrated instructions for a wide range of sex magic rituals that may be used by couples, groups, and solitary practitioners. The author also provides detailed instructions for crafting the necessary ritual tools and brewing the potions used in these rituals. Celtic Sex Magic offers the keys to unlocking and directing the enormous potential of sexual energy.

Genesis P-Orridge • Details the life of each sex magician, how they came to uncover their occult practice, and, most importantly, how the practice of sex magic affected their lives. Offering a fascinating introduction to the occult practice of sex magic in the Western esoteric tradition, Michael William West explores its history from its reintroduction in the early 19th century via Paschal Beverly Randolph to the practices, influence, and figureheads of the 20th and 21st century such as Anton LaVey, founder of the Church of Satan, and Genesis P-Orridge, founder of Thee Temple ov Psychick Youth. Focusing on 12 influential sex magicians, some well-known and some who have remained in obscurity, West details the life of each sex magician and how the practice of sex magic affected their lives. He explains how most of the figures presented in the book used sex magic as a means rather than an end, utilizing their practice to enhance and enrich their life's work, whether in the arts, sciences, or as a spiritual leader. He examines what is known about Paschal Beverly Randolph, the founding father of modern sex magic, explores the tragic and mystical life of Ida Craddock, and discusses, in depth, iconic figures like Aleister Crowley and Austin Osman Spare, who saw sex magic as a source of artistic power and is now seen as a prophet of the chaos magick movement. Other sex magicians explored deployed magic to drive themselves to the highest echelons of achievement: in literature, William S. Burroughs; in music, Genesis P-Orridge; and in science, Jack Parsons, who openly used magic while making unconventional breakthroughs in rocket science. The author also examines Maria de Naglowska, Julius Evola, Franz Bardon, Marjorie Cameron, and Anton Szandor LaVey. While these sex magicians each followed a different spiritual path and had varying degrees of notoriety and infamy, one common thread emerges from looking at their interesting lives: utilizing magic to know thyself and change your reality is a journey that requires imagination, creativity, and self-awareness to the quest for enlightenment.

*Secrets of Western Sex Magic* U. D. Frater 2001 HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED

Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires. During the sex act, your attention becomes focused into a "laser beam" of concentration. This power of concentrated thought is the foundation of all magical systems. Sex Magic's "secret" is that it's a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals. Male and female energies are often entirely different and it would be folly to deny this; but experience shows that female magicians can be particularly successful in using and developing Sex Magic. Consequently, this book is aimed at both male and female readers unlike more traditional teachings written for men. Of all secret lore, Sex Magic has been reputed through the centuries to be the most dangerous. Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions. If we learn one thing from the shamanic cultures, it is the strong emphasis upon the role of the body in magic. Mind and Body are two facets of the One Thing in which Will, Imagination and Gnostic Trance are the three pillars of success. Contrary to the principles of Eastern Tantra, Western Sex Magic emphasizes the importance of actual orgasm, both male and female. Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become possible, freeing up possible paranormal powers. Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness, as most people do at the moment of ecstasy. *Secrets Western Sex Magic* teaches one of the oldest disciplines of this secret lore. It is a complete system of Sex Magic, in theory and practice - with exercises to develop related abilities for visualization, concentration, breath control, psychic energy arousal and flow along with full instructions on the

projection of sexual energies for healing and manifestation, their use in Sigil Magic and the charging of Amulets & Talismans, Group Ritual, and the assumption of god-forms when working as a priestly couple, and the divine “Chymical Marriage” of ultimate union. This book is also an introduction to the entire field of practical magic, using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and techniques.

**Sex Magic** Frater U.:D.: 2017-08-12 Unleash the primal power and potent magic of mystical sexual practices Harnessing the elemental power of sexuality is one of the oldest and most important disciplines in magic practiced by a wide variety of cultures and magical sects. In Sex Magic, one of the world's most respected magicians shares the rituals and practices of this fascinating secret science. Join Frater U. D. as he explores practical and highly effective rituals for transforming sex into magical success in a way that is courageously free of taboos. This book is a thorough examination of erotic magical power, providing hands-on exercises and exploring how and why the magic works for you.

**The Complete Book of Sex Magic** Leonard R. N. Ashley 2003 This thoroughly researched, profusely illustrated book explains how people in all societies through the ages have used sex magic to improve their love lives and their money luck. Sex magic, when properly invoked, holds a surprisingly strong promise that the practitioner's wishes will be granted.

**Sexual Sorcery** Jason Augustus Newcomb 2005-08-15 In plain, straightforward language, Jason Newcomb, author of 21st Century Mage and The New Hermetics, tackles a subject that many magical texts gloss over or ignore--the practice of sex magick. Sexual Sorcery covers the many aspects of using sex as a sacrament, a ritual, or an expression of divine love. It also provides plenty of practical information helpful to any modern sexual sorcerer. Sexual Sorcery includes preliminaries to

practice, such as how to broach the subject of sex magick with a partner (or how to find a partner), explanations of sexual technique as well as etiquette and energy, and the value of love in any relationship, especially a sexual relationship incorporating magick. From this base, Sexual Sorcery delves into the various techniques, types, and rituals of sex magick--using magick to enhance sex, ecstatic and mystical experiences during sex, and more esoteric techniques of sexual invocation, evocation, and alchemy. Newcomb defines a sorcerer as a solitary magician who is outside any particular faith or group, unbounded by the prohibitions of an order or coven, and able to explore the furthest realms of a subject without restriction. In this case the subject is sex magick, and Sexual Sorcery is the perfect guide for any 21st-century sexual sorcerer. It follows no one particular traditional path, but incorporates what works from other esoteric sexual practices.

**Celtic Plant Magic** Jon G. Hughes 2003-02-10 This is the first working guide to the creation and application of plant-based compounds for magical and healing purposes as well as Celtic Sex rituals based on the Druidic tradition.

**Aleister Crowley in America** Tobias Churton 2017-12-05 An exploration of Crowley's relationship with the United States • Details Crowley's travels, passions, literary and artistic endeavors, sex magick, and psychedelic experimentation • Investigates Crowley's undercover intelligence adventures that actively promoted U.S. involvement in WWI • Includes an abundance of previously unpublished letters and diaries Occultist, magician, poet, painter, and writer Aleister Crowley's three sojourns in America sealed both his notoriety and his lasting influence. Using previously unpublished diaries and letters, Tobias Churton traces Crowley's extensive travels through America and his quest to implant a new magical and spiritual consciousness in the United States, while working to undermine Germany's propaganda campaign to keep the United States out of

World War I. Masterfully recreating turn-of-the-century America in all its startling strangeness, Churton explains how Crowley arrived in New York amid dramatic circumstances in 1900. After other travels, in 1914 Crowley returned to the U.S. and stayed for five years: turbulent years that changed him, the world, and the face of occultism forever. Diving deeply into Crowley's 5-year stay, we meet artists, writers, spies, and government agents as we uncover Crowley's complex work for British and U.S. intelligence agencies. Exploring Crowley's involvement with the birth of the Greenwich Village radical art scene, we discover his relations with writers Sinclair Lewis and Theodore Dreiser and artists John Butler Yeats, Leon Engers Kennedy, and Robert Winthrop Chanler while living and lecturing on now-vanished "Genius Row." We experience his love affairs and share Crowley's hard times in New Orleans and his return to health, magical dynamism, and the most colorful sex life in America. We examine his controversial political stunts, his role in the sinking of the passenger ship Lusitania, his making of the "Elixir of Life" in 1915, his psychedelic experimentation, his prolific literary achievements, and his run-in with Detroit Freemasonry. We also witness Crowley's influence on Scientology founder L. Ron Hubbard and rocket fuel genius Jack Parsons. We learn why J. Edgar Hoover wouldn't let Crowley back in the country and why the FBI raided Crowley's organization in LA. Offering a 20th-century history of the occult movement in the United States, Churton shows how Crowley's U.S. visits laid the groundwork for the establishment of his syncretic "religion" of Thelema and the now flourishing OTO, as well as how Crowley's final wish was to have his ashes scattered in the Hamptons.

*Symbols, Sex, and the Stars* Ernest Busenbark 2018-07-12 Highly recommended by occult researcher Jordan Maxwell. *Symbols, Sex, and the Stars* is the definitive guide to the origins of Moon and Sun worship, Astrology, Sex Symbolism, Mystic Meaning of Numbers, the Cabala, and Many Popular Customs, Myths, Superstitions and Religious Beliefs. Over 300 illustrations, includes over 120 pages of sex symbolism. Jordan Maxwell says "this is a must read book for those who are concerned about pagan influence on the modern day Church."

**Kabbalah and Sex Magic** Marla Segol 2021-06-16 In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. *Kabbalah and Sex Magic* traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models,

attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing conceptions of the human relation to the divine, and even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

Sex and Magick Mandi See 2021-09-22 The power of sacred sex is as alive today as it ever has been. Witches all over the globe are accessing the potency of magick through the divine union of intercourse and through ecstatic self-pleasure. Mandi See's 'Sex & Magick, A Guide for the Modern Witch' teaches the reader how they can approach sex magick safely in the modern day whilst covering the bases of sexuality, gender identity, feminism, and strict consent. Whether you are looking to dip your toe into the realms of sacred pleasure for manifestation or dive headfirst into group sex rituals, Sex & Magick is the book for you. Mandi See writes with elegance and respect, including the voices of many from different LGBTQ+ communities and from different traditions of witchcraft. If you want the knowledge of potent magick using sex as a catalyst to achieve your goals, Mandi See has handed it to you on a silver platter and it is utterly delicious. 'Sex & Magick provides guidance for engaging in safe and ethical sex magick within the context of 21st century modern Pagan witchcraft. This book does not shy away from the practical considerations which arise, presenting these in a candid, down-to-earth manner. Its contents touch upon areas which remain otherwise woefully under-acknowledged in both adolescent sex education and Pagan communities alike! Peppered throughout, readers will find quotations provided by a number of practitioners of sex magick, sharing their personal stories, experiences, and perspectives. These offer tangible, real-life examples of the transformative potential of sex magick from those of different gender identifies

and sexual orientations. Chapter one provides an overview of sexuality and its relationship with magick, from sexual orientation, to historical influences. Chapter two considers the role of arousal and foreplay in building magickal energy. Owing to the intimate nature of sex magick, at least in its corporeal form, practitioners have many important considerations to make, in addition to the usual preparations made prior to magickal workings. Rather than mentioning these at the beginning of the book and leaving them behind, health and ethical considerations feature throughout, although chapter three goes into the most depth in this area, as, "When performing sex magick, the body is not only a temple but also a sacred tool." Chapter four brings together these subjects, exploring the rituals of sex magick and is followed by chapter five, relating these to other concepts and practices within modern Pagan witchcraft. This is concluded with my own contribution of a short article on recreating the ancient bathing rituals of the Aphrodisia and Veneralia.' Olivia Church
