Women's Sexual Experience - Martha Kirkpatrick 2012-12-06

This book, like its companion volume, *Women's Sexual Development*, is a potpourri of ideas, not campaign literature to promote a particular point of view. The editor agrees with some of her authors and strongly disagrees with others. The "facts" are few, the questions many. The intent of both books is to evoke questions, delay convictions, invite controversy, and plead for opening minds. The examination and explanation of women's sexual experience has long been the province of men. The "is" and the "oughts" have been hopelessly confused by the investigators' (or exhorters') biases and limited experience, as well as by the use of the male sexual experience as the model for all human sexual experience. Women, at long last, are talking not only to each other, in personal journals and letters, but also in the more formal worlds of academic and scientific publications. The papers in this book come from many sources. Some are academic; some are experiential, journalistic, or personal. Several emphasize the lack of adequate research and data but address an issue that is just appearing on the surface of contemporary controversy and concern. Many topics and sources of information are missing.

Ebony - 1976-06

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

SPIN - 1998-07

From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Ebony - 2005-11

Yankee Go Home (& Take Me With U) -

George McKay 2016-10-06

We can do little to escape the experience of the United States of America through many media: TV, pop music, youth culture, Hollywood, fast food. How do these traces and images affect us? Do we internalize them, want to be American? Do we (can we?) resist them? Is our desire for them a symptom of European pop culture's crisis? From black face minstrelsy, rap music and fiction to McDonald's, rock festivals and Star Trek, the cultural conception of America is critically unpacked by contributors from Europe, Israel and the USA. McKay rounds off the picture by offering a comprehensive introduction that explains theoretical approaches to Americanization from the thesis of Yankee cultural imperialism to America as site of liberation or fantasy.

Atta Girl! - Alexandra Powe-Allred 2003

Profiles of several female athletes, focusing on their relationships with each other and their families.

Special Agent Scully - Malcolm Butt 1997

Since it premiered three years ago, "The X-Files" has achieved astronomical success, with more than 15 million viewers tuning in to each episode. This highly illustrated biography of Gillian Anderson tells the real-life story of the woman behind FBI Special Agent Dana Scully. in color.

Over the Top and Back - Tom Jones 2015-10-08

Discover the remarkably honest and captivating story of one of the world's greatest ever singing talents, Sir Tom Jones 'Brilliantly told' SUNDAY TIMES 'A terrific, star-studded journey' DAILY EXPRESS _____ 'For a lot of years, I've answered a lot of questions, but have never told my story before . . .' In a business where dreams are often short-lived, Sir Tom Jones has maintained his sensational career across six decades. But how did a boy from a Welsh coal-mining family attain success across the globe

Downloaded from
legacy.opendemocracy.net on 2022-04-28

over the course of decades? In this, his first ever autobiography, Tom revisits his past and tells the tale of his journey from wartime Pontypridd to LA and beyond. He reveals the stories behind the ups and downs of his fascinating and remarkable life, from the early heydays to the subsequent fallow years to his later period of artistic renaissance. It's the story nobody else knows or understands, told by the man who lived it, and written the only way he knows how: simply and from the heart. Raw, honest, funny and powerful, this is a memoir like no other from one of the world's greatest ever singing talents.

_____ 'Packed with the kind of showbiz tales you don't get any more' Daily Express 'Hugely enjoyable' Daily Mail 'A book that gets to Jones's core' Daily Mirror 'This lively, thoughtful and entertaining account does justice to a remarkable life and career' Sunday Express 'A brilliant read full of charm' Woman & Home

Disco Divas - Sherrie A. Inness 2003-01-13
The 1970s tend to be allocated a slender role in American cultural and social history. The essays in *Disco Divas* reveal that the 1970s, far from being an era of cultural stasis, were a time of great social change, particularly for women.

Would You Rather... ? Overstuffed - Justin Heimberg 2008-10

The comic phenomenon known as the 'Would You Rather...' series finds its ultimate expression in this enormous compilation of deranged dilemmas -- more than 1,500 in nearly 500 pages! -- accompanied by zany illustrations, games, and comedic riffs. Authors Justin Heimberg and David Gomberg draw on everything from movies and music to food and drink in this collection that's perfect for groups, parties, or the lone reader who wants a good laugh.

Wallowing in Sex - Elana Levine 2007-01-09
DIVA cultural history of sexual content in television shows and TV advertising during the 1970s./div

Heartthrobs - Carol Dyhouse 2017

From dreams of Prince Charming or dashing military heroes, to the lure of dark strangers and

vampire lovers; from rock stars and rebels to soulmates, dependable family types, or simply good companions, female fantasies about men tell us a great deal about the history of women.
Selves, Symbols, and Sexualities - Thomas S. Weinberg 2014-03-06

Offering an anthology of original articles on sexuality from a sociological perspective, *Selves, Symbols, and Sexualities: An Interactionist Anthology* focuses on the diverse and multi-layered meanings of sexuality, sexual behaviors and sexual identities. Thomas S. Weinberg and Staci Newmahr bring you essays that explore sexuality as a social process. As a whole, the book takes the perspective that what each of us understands to be sexual is constructed through everyday social processes and interaction, situated in particular spaces and moments, identified through our social-sexual presentations, and symbolized through language, objects and practices. The book is organized around these four distinct but interrelated processes, and augmented by personal narratives around relevant issues. The authors' goals for the book are to engage students in the sociological enterprise by providing interesting and insightful entries that emphasize the importance of meaning-making in human sexuality, and to provide them with conceptual tools to understand human sexuality in a complex and quickly changing sexual landscape.

Ebony - 1999-12

Anger in the Air - Joyce A. Hunter 2016-04-15

The new realities of airline travel came into full focus after the September 11 terrorist attacks. These horrific events escalated air rage incidents by 400%, but more importantly they put the entire airline industry under the spotlight. In subsequent years, the general public began to voice frustrations with the industry in very dramatic ways, a marked shift in consumer behavior from that of before 9/11. The International Transport Workers Federation responded with a call to action to bring about major changes to raise the airline industry to a level of service quality sufficient to meet the

needs of 21st Century passengers. The quality of services that airline customers expect and the propensity toward air rage needs to be understood. Undoubtedly, some passengers are prone to air rage by factors in no way related to customer service. However, a better understanding of the customer's perception of service and airlines' offerings is one way of addressing the air rage crisis, combating the contributing factors long before they conspire to provoke a damaging incidence. *Anger in the Air: Combating the Air Rage Phenomenon* provides airlines with valuable input to help them better meet the service expectations of their customers and avoid instances of air rage on their flights. What do today's customers need and expect? What do airline customers perceive as the quality of services and how can the gap be closed between expectations and perceptions? The book addresses these key issues in five stages: 1.

Ebony - 2005-11

The Drop Dead Funny '70s - Dan Lalande
2023-08-17

This work offers a critical examination of 130 commercially-released film comedies of the 1970s. It considers the socio-political circumstances of each year of the decade, then critiques each film released that year with a focus on its effect on the film industry and the art of big screen comedy, as well as the emergence of talents whose work influenced (or was influenced by) the zeitgeist of the decade. Covering popular titles like *M*A*S*H*, *Blazing Saddles*, *American Graffiti*, *The Bad News Bears*, *Smokey and the Bandit* and many more, it argues that the 1970s may rightly be considered the last golden age of film comedy.
