PENDERYN MUSIC BOOK PRIZE Art Sex Music is the autobiography of a musician who, as a founding member of the avant-garde group Throbbing Gristle and electronic pioneers Chris & Cosey, has consistently challenged the boundaries of music over the past four decades. It is the account of an artist who, as part of COUM Transmissions, represented Britain at the IXth Biennale de Paris, whose Prostitution show at the ICA in 1976 caused the Conservative MP Nicholas Fairbairn to declare her, COUM and Throbbing Gristle 'Wreckers of Civilisation' . . . shortly before he was arrested for indecent exposure, and whose work continues to be held at the vanguard of contemporary art. And it is the story of her work as a pornographic model and striptease artiste which challenged assumptions about morality, erotica and art. Art Sex Music is the wise, shocking and elegant autobiography of Cosey Fanni Tutti.

Melissa Banczak 2017-02-14

A missing body, a reluctant adventurer, an arch nemesis, and a greyhound with a thing for bad guys. June's got a pretty easy job as the personal assistant to her twin brother, star of the number one nature show on TV. Then he's accused of murder. Which sucks. Networks tend to fire first and ask questions later. And June doesn't want to lose her cushy assistant job. Or, you know, see her twin end up in jail. When she stumbles onto a clue, she's forced to turn to the one person who can prove her brother's innocence: her arch nemesis. Just one problem. Somebody wants that guy dead. Now, she's caught in a race against time as they navigate creepy crawlies, gangsters with a grudge, and deranged super fans. Can she get the evidence back in time to clear her brother's name? If she fails, it's the end of his career. And probably her life. Ride shotgun in this fast paced

**The Complete Man of Wax Series** - Robert Swartwood  
The entire four-book series in the best-selling Man of Wax series: Legion, Man of Wax, The Inner Circle, End Game. Nearly 1,600 pages of page-turning suspense! "Man of Wax grabs you by the throat in the first chapter and never lets go. A suspense-filled thrill ride with plenty of shocks along the way. Read it!" —F. Paul Wilson, New York Times bestselling author of the Repairman Jack novels LEGION A message courier pushed into the path of a train. A young woman commits a terrible act of violence. A family man puts a gun to his head. John Smith suspects these aren't random events — someone engineered them. But who — or what? And why is John Smith their next

target? MAN OF WAX Ben Anderson goes to bed Sunday night, lying next to his wife in the comfort and safety of their Pennsylvania family home, to wake up the next day in a rundown motel in California — alone. He doesn't know how he got there, he doesn't know where his family is, and written in dried blood on the bathroom door are the words LET THE GAME BEGIN. Soon Ben is contacted by Simon. Simon knows all there is to know about Ben, more than he cares to remember himself. If Ben wants to save himself and his family, he will have to do everything Simon says. As the game begins — with stakes much higher than either man can imagine — no one knows where it will lead or how it will end. Only one thing is for certain: this time the game will change everything. THE INNER CIRCLE Two years ago Ben Anderson woke up in a rundown motel, three thousand miles from home, his family missing, and the words LET THE GAME BEGIN written in blood on the back of the

bathroom door. Now, with his past life gone, Ben has become a soldier in Carver Ellison's army against Caesar. But when a mission goes wrong and one of their team members is murdered, it's the last cryptic word spoken that will lead Ben and the team one step closer to the Inner Circle — a step that may bring them salvation ... or get them all killed. END GAME

Two years ago Ben Anderson woke up in a rundown motel, three thousand miles from home, his family missing, and the words LET THE GAME BEGIN written in blood on the back of the bathroom door. Two years ago, everything changed. Not just for Ben and his family, who he believed was lost forever, but for those who had orchestrated the whole ordeal and who had stuck Ben in a game he was never supposed to win. Ben vowed he would never play the game again. But now, after learning a startling truth, Ben has no choice but to once again play the game. He wakes up in a rundown motel — a very familiar rundown motel — with

the words LET THE GAME CONTINUE on the back of the bathroom door. Caesar and his people are expecting a good show. And Ben's about to give them one. Because every game must end, and Ben will be the one to end this game ... or die trying.

**Requiem for Innocence** - BV Lawson 2015-10-19

A mysterious attack on a young girl. No motives, no suspects. Just one determined detective who will stop at nothing to uncover the truth. Crime consultant Scott Drayco is in the middle of a thorny case in Washington, D.C. involving murder victims who were all wheelchair-bound. Then, out of the blue, he gets a worried call from a friend on Virginia's Eastern Shore about an attack on an innocent disabled girl. Working once again with Sheriff Sailor and Deputy Nelia Tyler, Drayco discovers almost everyone believes the girl's attack was an accident. But he begins to suspect otherwise when he crosses paths with a badly disfigured man and the man's enigmatic Goth son, as

well as one of the smoothest and most dangerous figures Drayco has encountered in his career. Meanwhile, his conflicted feelings toward the soon-to-be-divorced town councilman's wife, Darcie Squier, continue to simmer under the surface and threaten to undermine his focus and cloud his judgement. But he's well aware he needs to keep his faculties razor-sharp if he's to solve the riddle of whether the cases in D.C. and the Eastern Shore are linked - or is he dealing with not one monster, but two? Praise for BV Lawson's Scott Drayco Mystery/Thriller Series: "Worth putting on your reading list." - The Library Journal "Lawson's protagonist is greatly compelling." - Publishers Weekly Booklife Prize "Lawson uses the gothic features of the abandoned Opera House to great effect, creating an atmospheric background for the crimes and the solving of them, all of it accompanied with music that's almost like another character. The pace never sagged and it kept me

enthralled." - Long and Short Reviews "Lawson's book was so good, I read it twice from beginning to end...The citizens of Cape Unity are as diverse and multi-layered as any person living in the large cities, and Lawson portrayed them splendidly." - Reader's Favorite Reviews "The storyline here is nicely structured, and creatively ties together two murder mysteries, which occurred decades apart. The small town setting is ideal, the lead character engaging, and the supporting cast interesting and diverse. Overall, a solid start to this series." - Omnimystery News "A nice tight mystery in a realistic setting. Totally enjoyable." - Terrie Farley Moran, national bestselling author of the Read 'Em and Eat Mystery Series For readers who enjoy brainy private detectives, thrillers, traditional mysteries, and police procedurals.

And why is John Smith their next target? PRAISE FOR LEGION AND ROBERT SWARTWOOD

"Legion is an excellent thriller that does what most thrillers set out to do. Keep the readers hooked with a fast paced story, sprinkled heavily with jaw-dropping twists that end on a

climax, which will leave the readers wanting more."

—Fantasy Book Critic "Robert Swartwood is the next F. Paul Wilson — if F. Paul Wilson's DNA was spliced with Michael Marshall Smith. If you haven't yet read Swartwood, you're missing out." —Brian Keene "Robert Swartwood is a sharp writer, his prose lean and mean as a razor blade. He notches up the tension from chapter to chapter like a master storyteller, keeping you reading long into the night." —The Man Eating Bookworm
