From MTV to Mecca - Kristiane Backer 2012
In the early 1990s Kristiane Backer was one of the very first presenters on MTV (Europe). For some years she lived and breathed the international music scene quickly gaining a cult following amongst viewers and becoming a darling of the European press. As she reached the pinnacle of her success she realised that, despite having all she could have wished for, she was never truly satisfied. Something very important was missing. A fateful meeting with Pakistani cricket hero Imran Khan changed her life. He invited her to his country where she encountered a completely different world to the one she knew, the religion and culture of Islam. A few years later (in 1995), after travelling more widely in the Islamic world and knowing that she had discovered her spiritual path, she embraced Islam in a London mosque. In this private memoir Kristiane Backer tells the story of her conversion and explains how faith, despite the many challenges she faced as she turned her life upside down, at last gave her inner peace and the meaning she had sought.

Kurt Weill: The Threepenny Opera - Kurt Weill 1990-07-26

This is a book on the best known of the Weill-Brecht collaborations which explores the extent and significance of the composer's contribution. After a detailed reconstruction of the work's genesis and continued revision over three decades, Stephen Hinton examines the spin-offs on which Weill and Brecht participated: the instrumental suite, the film, the lawsuit, the novel, and the musical and textual revisions of songs. In a survey of the stage history, Hinton pays particular attention to pioneering

productions in Germany and Great Britain. Kim Kowalke provides an exhaustive account of the history of The Threepenny Opera in America, Geoffrey Abbott addresses questions concerning authentic performance practice, and David Drew analyses large-scale motivic relationships in the music. Among the earliest writings on the work reprinted here, those by Theodor W. Adorno, Ernst Bloch and Walter Benjamin appear for the first time in English translation. The book contains numerous illustrations, a discography, and music examples.

Show Music - 1997

Yesterday, Today, Tomorrow - Sophia Loren 2014-11-04

"Film legend Sophia Loren shares vivid memories of work, love, and family"--

Language and Culture on the Margins - Sjaak Kroon 2018-09-17

This collection of thirteen essays examines sociolinguistic phenomena in a wide variety of marginal environments, providing both an overview of globalization on the margins and a foundation for an expanded understanding of the processes of linguistic and cultural changes at work in these settings. Taking an expansive conceptual view of margins, the volume is organized in three parts, looking at examples of marginal spaces in the nation-state, in online environments, and in the peripheries of urban locations, globally to call attention to new and changing discursive genres, patterns, practices, and identities emerging in these spaces as a result of contemporary mobilities, the evolving global economy, and socio-political changes. With previous research previously confined to the study of globalization in urban areas, this volume opens the door for further research on the complex sociolinguistic processes resulting from globalization on the margins, making this an ideal resource for students and scholars in sociolinguistics, globalization and heritage studies, new media, anthropology, and cultural studies.

The New Chinese Astrology - Suzanne White 2008

Lively, accessible and witty, this book applies the art of Chinese astrology to modern life. Whether you are a seasoned expert or just curious about your own or your loved ones' signs, 'The New Chinese Astrology' is designed to help you in your quest for higher understanding.

Leonard Maltin's Family Film Guide - Leonard Maltin 1999

Recognized as one of the leading authorities on American film, Leonard Maltin is also a parent who is aware of the differences between a child's and critic's perspective on films. Each film listed includes its MPAA rating, an explanation of that rating, category, and the author's own rating system of whether or not a film is good, bad, or okay for both older and younger children. Leonard Maltin's film essays bring families together to create movie experiences that both parents and children can enjoy.

The Absolute Sound - 1999*BBC Music Magazine* - 1996**Sondheim on Music** - Mark Eden Horowitz 2019-03-13

In this collection of interviews conducted by Mark Horowitz of the Library of Congress, musical theatre legend Stephen Sondheim discusses the art of musical composition, lyric writing, the collaborative process of musical theater, and how he thinks about his own work. A postlude features a more recent conversation with Sondheim.

The Cassell Dictionary of Slang - Jonathon Green 1998

Contains over 65,000 slang words, definitions, where and when the word originated, and more.

The New Yorker - 2000Routledge International Encyclopedia of Queer Culture - David A. Gerstner 2012-09-10

The Routledge International Encyclopedia of Queer Culture covers gay, lesbian, bisexual, transgender and queer (GLBTQ) life and culture post-1945, with a strong international approach

to the subject. The scope of the work is extremely comprehensive, with entries falling into the broad categories of Dance, Education, Film, Health, Homophobia, the Internet, Literature, Music, Performance, and Politics. Slang is also covered. The international contributors come from a wide array of backgrounds: scholars, journalists, artists, doctors, scientists, lawyers, activists, and an enormous range of ideologies and points of view are represented. Major entries provide in-depth information and consider the intellectual and cultural implications of their subjects in a global context. Information is completely up-to-date, including full coverage and analysis of such current or ongoing issues as same-sex marriage/civil union and the international AIDS epidemic. Additionally, there are important appendices covering international sodomy laws and archival institutions, which will be of great value to researchers. The Encyclopedia is fully cross-referenced and many entries carry a bibliography. Where possible internet references have been given and there is a full index. The combination of its wide scope, determined international coverage and appendices make the Routledge International Encyclopedia of Queer Culture a uniquely ambitious work and an extremely rich source of information. It is a priority addition for all libraries serving scholars and students with an interest in GLBTQ culture, history and politics across the disciplines.

The Ambient Century - Mark J. Prendergast 2000
This publication reveals the drift in 20th-century music from composers to non-musicians, from strict rules to no rules, from the single note to the sample. This drift through technology, Minimalism, the rock era and techno music is earthed by the development of ambient sound, to the author the most important breakthrough of the past 100 years. With the help of electronics, new ideas and consumer music, Ambient music has established itself beyond question as the classical music of the future.
