### City of Dreams - Beverly Swerling 2011-05-31

A sweeping epic of two families—one Dutch, one English—from the time when New Amsterdam was a raw and rowdy settlement, to the triumph of the Revolution, when New York became a new nation's city of dreams. In 1661, Lucas Turner, a barber surgeon, and his sister, Sally, an apothecary, stagger off a small wooden ship after eleven weeks at sea. Bound to each other by blood and necessity, they aim to make a fresh start in the rough and rowdy Dutch settlement of

Nieuw Amsterdam; but soon lust, betrayal, and murder will make them mortal enemies. In their struggle to survive in the New World, Lucas and Sally make choices that will burden their descendants with a legacy of secrets and retribution, and create a heritage that sets cousin against cousin, physician against surgeon, and, ultimately, patriot against Tory. In what will be the greatest city in the New World, the fortunes of these two families are inextricably entwined by blood and fire in an unforgettable American saga of pride and ambition, love and hate, and the becoming of the dream that is New York City.

*Tinderbox* - James Andrew Miller 2021-09-14

From the New York Times bestselling author of *Those Guys Have All the Fun* comes the

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-11-14  
by guest

unvarnished, comprehensive, and astonishing history of HBO, told for the first time through the disruptors who led its epic rise to prestige and changed the way we watch television forever. The exclusive story of HBO's key creators, executives, actors, and directors gives readers an unprecedented peek behind the curtain at the founding and triumph of the first "pay-channel" that brought America *The Sopranos*, *Sex and the City*, *The Wire*, *Succession*, and countless groundbreaking, culture-shifting shows. James Andrew Miller collects insider accounts of the humble beginnings, devastating missteps, controversial business decisions, and, of course, backstage drama and celebrity gossip from the set. Since televisions entered Americans' living rooms, the question of whether programming should be "free"—paid for with advertising—has loomed, to the extent that some broadcasters, lobbyists, and fearmongers warned someone would come along and disrupt their Madison

Avenue-championed business model. But who would pay for something that had always been free? Home Box Office dared to ask that question in 1972, opening the doors for other pay-channels and ultimately the streaming platforms that are now the norm. They created different, better content—or at least they convinced viewers that different was better. HBO gave us violent scenes with blood and guts, shows like *Tales from the Crypt* that were actually scary, rom-coms with sex instead of suggestion. We take their big-budget, "prestige" TV for granted now, but their success was far from assured at the outset. HBO's audacity built the viewing culture we have today and permanently transformed the television landscape.

*Killing Monica* - Candace Bushnell 2015-06-23  
In *Killing Monica* Bushnell spoofs and skewers her way through pop culture, celebrity worship, fame and even the meaning of life itself, when a famous writer must resort to faking her own

Downloaded from

death in order to get her life back from her most infamous creation - Monica. With her trademark humour and style, *Killing Monica* is Bushnell's sharpest, funniest book to date. This is Bushnell at her best - full of mordant wit, casual sex and highly conspicuous consumption.

Summer and the City (The Carrie Diaries, Book 2) - Candace Bushnell 2013-04-25

Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

It's No Secret - Carmen Bryan 2007-11-06

The former girlfriend of rap star Nas and mother of his daughter discusses their relationship, her part in his famous feud with rival rapper Jay-Z, and her struggle to maintain independence and find love as a single mother in the projects.

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

*Reading Sex and the City* -

HBO's hit series 'Sex and the City' has a huge international fanbase and has picked up major awards. This highly readable critical celebration of the life and times of Carrie, Miranda, Charlotte and Samantha looks at the series as a

new departure for TV comedy drama.

**Women in Popular Culture [2 volumes] -**

Laura L. Finley 2023-03-24

Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played, both in the spotlight and behind it, throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author

Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the #MeToo movement, and the gender pay gap.

**Wanton Woman -** Anna Flowers 2007-12

Inside: THE BALLAD OF SUE LOGUE by Hal Gibson Sue Logue's involvement in the revenge murder of Davis Timmerman after he killed her husband, Wallace, resulted in her being executed along with her brother-in-law, George, and hit-man Clarence Bagwell. Her nephew, Joe Frank, Junior, who aided Bagwell in the murder, served a life sentence. Sue's insatiable appetite for life included a purported love affair with young Edgefield SC teacher and politician Strom Thurmond, whom she believed would save her. "Ms. Flowers spins a great tale of juicy Southern hospitality, bodacious family feuds, insidious betrayals, and gunslinging, vigilante justice that makes the OK Corral dust-up look like a Sunday

*Downloaded from

afternoon picnic in the park." -Carol Jose, co-author of *Evil Web: A True Story of Cult Abuse and Courage* "In *Wanton Woman Anna Flowers* is at the top of her game in the true crime genre. This case history of murder, which made headlines in the 1940s, has it all, human intrigue, wanton sex, and an ending that will hit the reader with the impact of a bullet. The attention to historical detail, coupled with the skill to tell a compelling, fast-paced story, make *Flowers'* account of murder and mayhem read like a novel." -Maynard Allington, author of critically acclaimed *The Court of Blue Shadows* *The Sun Also Rises* - Ernest Hemingway 1956 Ernest Hemingway was one of the most famous American authors of the 20th century. In *The Sun Also Rises*, a group of American and British expatriates travel to Pamplona, Spain for the running of the bulls

**Celebrity Bromances** - Celia Lam 2022-03-31 This comprehensive work presents a thorough exploration of celebrity 'bromances,'

interrogating how bromances are portrayed in media and consumed by audiences to examine themes of celebrity persona, performativity, and authenticity. The authors examine how the performance of intimate male friendships functions within broadly 'Western' celebrity culture from three primary perspectives: construction of persona; interactions with audiences and fans; and commodification. Case studies from film and television are used to illustrate the argument that, regardless of their authenticity (real or staged), bromances are useful for engaging audiences and creating an extension of entertainment beyond the film the actors originally sought to promote. The first truly interdisciplinary study of its kind, this book will be of great interest to scholars and students of communications, advertising, marketing, Internet studies, media, journalism, cultural studies, and film and television.

*Sex and the City and Us* - Jennifer Keishin Armstrong 2019-05-07

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-11-14  
by guest

The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award-winning television series, *Sex and the City*, in a “bubbly, yet fierce cultural dissection of the groundbreaking show” (Chicago Tribune). This is the story of how a columnist, two gay men, and a writers’ room full of women used their own poignant, hilarious, and humiliating stories to launch a cultural phenomenon. They endured shock, slut-shaming, and a slew of nasty reviews on their way to eventual—if still often begrudging—respect. The show wasn’t perfect, but it revolutionized television for women. When Candace Bushnell began writing for the *New York Observer*, she didn’t think anyone beyond the Upper East Side would care about her adventures among the Hamptons-hopping media elite. But her struggles with singlehood struck a chord. Beverly Hills, 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO. *Carrie*, *Miranda*, *Charlotte*, and *Samantha* launched a

barrage of trends, forever branded the actresses that took on the roles, redefined women’s relationship to sex and elevated the perception of singlehood. Featuring exclusive new interviews with the cast and writers, including star Sarah Jessica Parker, creator Darren Star, executive producer Michael Patrick King, and author Candace Bushnell, “Jennifer Keishin Armstrong brings readers inside the writers’ room and into the scribes’ lives...The writing is fizzy and funny, but she still manages an in-depth look at a show that’s been analyzed for decades, giving readers a retrospective as enjoyable as a \$20 pink cocktail” (The Washington Post). *Sex and the City and Us* is both a critical and nostalgic behind-the-scenes look at a television series that changed the way women see themselves.

**One Heart to Win** - Johanna Lindsey

2013-06-11

In her fiftieth novel, *New York Times* bestselling author Johanna Lindsey takes her readers on a

*Downloaded from*

sensual, romantic adventure through the American West. Some young ladies marry for money and social standing, a few lucky ones marry for love—but Tiffany Warren is marrying to end a feud. Honoring her mother’s promise, Tiffany reluctantly travels west to meet her estranged father and his enemy’s eldest son, rancher Hunter Callahan. Once the Warrens and the Callahans are united by marriage, both clans will stop squabbling over a disputed strip of land. In the chaos of a train robbery Tiffany seizes a golden opportunity: By assuming the identity of her father’s new housekeeper she can live with the father she never knew and assess his true character, as well as that of the neighboring cowboy to whom she is betrothed. But, too late, Tiffany discovers that the rivalry between the Warrens and the Callahans has escalated when the Callahans steal the Warrens’ housekeeper as soon as she steps off the train! Now, Tiffany, who is pretending to be Jennifer Fleming, finds herself living in the enemy camp,

under the same roof as her fiancé. All too soon she learns her intended is a handsome, sweet talking charmer whom she has to fight off because he can’t keep his eyes—or his hands—off Jennifer. After Tiffany’s charade is exposed she refuses to marry Hunter to end the feud. As Hunter goes about claiming his rightful bride-to-be, he knows that although he loves two women—proper, elegant Tiffany as well as spunky, passionate Jennifer—he has only one heart to win.

*Bawdy City* - Katie M. Hemphill 2020-01-02

Centering the experiences of women, this vivid social history examines Baltimore's prostitution trade and its evolution throughout the nineteenth century.

**Staked** - J. F. Lewis 2009-06-30

endeavoring to outmaneuver an alluring witch and a vengeful pack of born-again lycanthropes. Reprint.

[These Violent Delights](#) - Chloe Gong 2020-11-17  
An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of The Last Magician and Serpent & Dove, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette’s first love...and

first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can’t stop this mayhem, then there will be no city left for either to rule.

**Is There Still Sex in the City?** - Candace Bushnell 2019-08-06

Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly-on-the-wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the highs and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* gathers Bushnell’s signature short, sharp, satirical commentaries on the love and dating habits of

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2019-11-14

middle-aged men and women as they continue to navigate the ever-modernizing world of relationships. Throughout, Bushnell documents twenty-first century dating phenomena, such as the “Unintended Cub Situation” in which a sensible older woman suddenly becomes the love interest of a much younger man, the “Mona Lisa” Treatment — a vaginal restorative surgery often recommended to middle-aged women — and what it’s really like to go on Tinder dates as a fifty-something divorcée. Bushnell also updates one of her most celebrated stories from *Sex and the City*, about “Bicycle Boys,” a breed of New York man who is always trying to bring his bike up to women’s apartments. Once an anomaly, Bushnell charts their new ubiquitousness, in addition to where, and how, to do your own man stalking via bicycle (and whether or not it’s worth it).

Feud - Altina L. Waller 2012-12-01

The Hatfield-McCoy feud, the entertaining subject of comic strips, popular songs, movies,

and television, has long been a part of American folklore and legend. Ironically, the extraordinary endurance of the myth that has grown up around the Hatfields and McCoys has obscured the consideration of the feud as a serious historical event. In this study, Altina Waller tells the real story of the Hatfields and McCoys and the Tug Valley of West Virginia and Kentucky, placing the feud in the context of community and regional change in the era of industrialization. Waller argues that the legendary feud was not an outgrowth of an inherently violent mountain culture but rather one manifestation of a contest for social and economic control between local people and outside industrial capitalists -- the Hatfields were defending community autonomy while the McCoys were allied with the forces of industrial capitalism. Profiling the colorful feudists "Devil Anse" Hatfield, "Old Ranel" McCoy, "Bad" Frank Phillips, and the ill-fated lovers Roseanna McCoy and Johnse Hatfield, Waller illustrates how Appalachians both shaped
