*The Film Appreciation Book - Jim Piper 2014-11-18*

This is a book for cinephiles, pure and simple. Author and filmmaker, Jim Piper, shares his vast knowledge of film and analyzes the most striking components of the best movies ever made. From directing to cinematography, from editing and music to symbolism and plot development, The Film

Appreciation Book covers hundreds of the greatest works in cinema, combining history, technical knowledge, and the art of enjoyment to explain why some movies have become the most treasured and entertaining works ever available to the public, and why these movies continue to amaze viewers after decades of notoriety. Read about such

classic cinematic masterpieces as Citizen Kane, Gandhi, Midnight Cowboy, Easy Rider, True Grit, Gone With the Wind, and The Wizard of Oz, as well as more recent accomplishments in feature films, such as Requiem for a Dream, Munich, The King's Speech, and The Hurt Locker. Piper breaks down his analysis for you and points out aspects of production that movie-lovers (even the devoted ones) would never recognize on their own. This book will endlessly fascinate, and by the time you get to the last chapter, you're ready to start all over again. In-depth analysis and thoughtful and wide-ranging film choices from every period of cinema history will ensure that you never tire of this reading companion to film. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design,

writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

*Sleep with Me* - Joanna Briscoe  
2012-05-10

Adapted into a major ITV series by Andrew Davies: an exquisitely dark emotional thriller about marriage, desire and sexual obsession 'The next Single White Female or Damage' Glamour 'Arresting and haunting' Sunday Telegraph 'I was gripped by Briscoe's creepy tale of sexual obsession' Marie Claire 'Will keep you up at night' Erica Wagner, The Times 'Dark, modern, sexy stuff' Mail on Sunday Richard and Lelia's child is conceived in a moment of giggling chaos as they dress for a Christmas party. They

on 2020-12-24 by guest

arrive rudely late and still glowing, and barely register a slight, drab woman in the hall. Sylvie. As their baby grows, so does the presence of Sylvie - she seems to be nowhere, yet everywhere, harmless yet sinister. Richard is seduced by her subtle, inexplicable charm, while Lelia, struggling with Richard's sudden ambivalence towards their baby, finds that she is haunted by painful memories. And Sylvie remains as invisible as she wants to be - that is the source of her power. Beware of mice ... 'Seductive, scary and frighteningly readable' Julie Myerson 'Horribly, grippingly pleasurable ... A classic summer page-turner' Observer 'A beautifully written and emotionally candid novel which also happens to be a page-turner' Jonathan Coe, Guardian 'Works in much the same way as an obsession ... you wish to escape, but have already become addicted' Daily Telegraph 'Be warned: there's no putting it away afterwards. It gets right under your skin' Guardian 'One of those books

that you find yourself thinking about even when you are not reading it' The Times

**Moan** - Emma Koenig  
2018-05-22

Imagine you could give an essay entitled "How to Make Me Come" to a past, present or future sex partner, free of judgment or repercussion. What would you want them to know? In this book inspired by Emma Koenig's wildly popular website, a diverse collective of women do just that. Emma Koenig was inspired to answer this question after a truly frustrating sexual experience with a partner. As she says, "THE SIMPLEST VERSION OF THIS STORY DEVOID OF ALL IDENTIFYING DETAILS: He thought I had an orgasm. I hadn't." She knew she couldn't be the only woman to have been mystified by an experience such as this, and so her Tumblr, How to Make Me Come, was born as a safe space for women to talk honestly and openly. The website touched a major chord. It received tons of press and garnered over a million page views in a month.

on 2020-12-24 by guest

And now, a broad range of the best of these anonymous essays have been collected into MOAN. The ways through which women achieve sexual pleasure are often ignored, devalued, or misunderstood. MOAN tackles the ideas surrounding the sometimes elusive orgasm head on. Here is a look into the spectrum of desire. Of frustration. Of experiences that have left an impact. From the hilarious to the tragic, from the intellectual to the erotic, these essays will leave you feeling inspired and excited to embark on your own journey of sexual exploration and empower women to do what most of the time is hardest for us: asking for what we want and don't in the bedroom and beyond. What people are saying about it: "Prioritizing women's pleasure is a critical part of our liberation. Not only is MOAN an intimate, educational and funny collection about orgasm and desire but it pushes the cultural conversation forward."--RASHIDA JONES, actress, writer, producer

"Koenig's book is exactly what we need to break the absurd, toxic silence around female sexual pleasure."--PEGGY ORENSTEIN, bestselling author of *Girls & Sex* and *Cinderella Ate My Daughter*

**Message In A Bottle -**  
Nicholas Sparks 2011-04-07  
In a moment of desolation on a windswept beach, Garrett bottles his words of undying love for a lost woman, and throws them to the sea. My dearest Catherine, I miss you my darling, as I always do, but today is particularly hard because the ocean has been singing to me, and the song is that of our life together . . . But the bottle is picked up by Theresa, a mother with a shattered past, who feels unaccountably drawn to this lonely man. Who are this couple? What is their story? Beginning a search that will take her to a sunlit coastal town and an unexpected confrontation, it is a tale that resonates with everlasting love and the enduring promise of redemption.

**Responding to Call of Duty -**

*Downloaded from*  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
*on 2020-12-24 by guest*

Nate Garrelts 2017-10-12  
Call of Duty is one of the most culturally significant video game franchises of the 21st century. Since the first game was released for PC in 2003, the first-person shooter has sold over 250 million copies across a range of platforms, along with merchandise ranging from toys and comic books to a special edition Jeep Wrangler. Top players can compete for millions in prize money in tournaments sanctioned by the Call of Duty World League. While the gaming community has reported on and debated each development, Call of Duty has received little scholarly attention. This collection of new essays examines the ideologically charged campaign mode of major franchise releases, with a special focus on militarism, realism and gender.

**The Chronology of Water** - Lidia Yuknavitch 2019-03-07  
From the debris of her troubled early life, Lidia Yuknavitch weaves an astonishing tale of survival. It is a life that

navigates, and transcends, abuse, addiction, self-destruction and the crushing loss of a stillborn child. A kind of memoir that is also a paean to the pursuit of beauty, self-expression, desire - for men and women - and the exhilaration of swimming, *The Chronology of Water* lays a life bare.

**Murder in the Bayou** - Ethan Brown 2019-09-17

Soon to be a Showtime documentary, *Murder in the Bayou* is a New York Times bestselling chronicle of a high-stakes investigation into the murders of eight women in a troubled Southern parish that is “part murder case, part corruption exposé, and part Louisiana noir” (New York magazine). Between 2005 and 2009, the bodies of eight women were discovered in Jennings, Louisiana, a bayou town of 10,000 in the Jefferson Davis parish. The women came to be known as the Jeff Davis 8, and local law enforcement officials were quick to pursue a serial killer theory, stirring a wave of panic across Jennings’

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2020-12-24 by guest*

class-divided neighborhoods. The Jeff Davis 8 had been among society's most vulnerable—impoverished, abused, and mired with mental illness. They engaged in sex work as a means of survival. And their underworld activity frequently occurred at a decrepit motel called the Boudreaux Inn. As the cases went unsolved, the community began to look inward. Rumors of police corruption and evidence tampering, of collusion between street and shield, cast the serial killer theory into doubt. But what was really going on in the humid rooms of the Boudreaux Inn? Why were crimes going unsolved and police officers being indicted? What had the eight women known? And could anything be done to stop the bloodshed? Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to posit what happened during each woman's final hours delivering a true

crime tale that is “mesmerizing” (Rolling Stone) and “explosive” (Huffington Post). “Brown is a man on a mission...he gives the victims more respectful attention than they probably got in real life” (The New York Times). “A must-read for true-crime fans” (Publishers Weekly, starred review), with a new afterword, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost.

[sex, lies and videotape](#) - Steven Soderbergh 2011-06-02

Like Michael Powell's *Peeping Tom*, Steven Soderbergh's *sex, lies and videotape* presents us with a protagonist who can only connect with others through the lens of a camera. Graham is an enigmatic young man who returns to Baton Rouge from a long road trip, mildly irritating his old lawyer friend John and wholly intriguing John's housebound wife Ann. John is conducting a sneaky and entirely sexual

affair with Ann's sister Cynthia. For her part, Ann has lost interest in sex, yet Graham's obscurely charming eccentricity stirs something inside her - until she learns that he is functionally impotent and can manage arousal only with the help of a video camera and an agreeably loose-lipped female. Nevertheless, it's the dragging into the open of Graham's dirty little secret that causes all of these characters to confront their own veiled deceits and hypocrisies. sex, lies and videotape won the Palme d'Or at the 1989 Cannes Film Festival, affirming the arrival of a distinctive new talent and signalling the start of a movement among young independent American film-makers opposed to the values and formats of the Hollywood system. Soderbergh's script is an unerringly elegant, witty and literate study of contemporary perversity. [A Poisoned Land \(Book 1: Faith, Lies and Blue Eyes\)](#) - Craig Roberts 2015-08-16 View the trailer: <https://www.youtube.com/watch?v=TAXpZyyDkgI>

"IF SCI-FI & FANTASY HAD A BADLY BEHAVED LOVE CHILD, THIS WOULD BE IT." - Chris Podhola "THIS IS ONE FOR FANS OF GAME OF THRONES & THE BOOKS OF JOE ABERCROMBIE." - Xpo North Nearly a thousand years after the catastrophic Great Poison and the destruction of Nahar, the magisters speak of a new looming threat to the Known World. After the loss of his father, a boy of sixteen now sits upon the desert-throne of Last Kingdom. Queen Londenia tries to guide the juvenile King Romarus in a dark journey with what seems little light at its end. They must survive massacre, bondage and the land itself-while contending with their own improper desires. To the north, on the Mother's Island, the pious Owin, one of the young brothers, devoutly follows the old Mister's teachings. Disobedience means facing the unending suffering of the abyss, but a life of serving the Mother leads to eternal carnal-ecstasy with the lost

goddesses. Well, that's what the Mister says anyway... Science fiction, told in a fantasy style. A coming of age tale full of sex, wrong doings, blind faith & lies.

**The Giver** - Lois Lowry 2014  
Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

**Authorship as Promotional Discourse in the Screen Industries** - Leora Hadas  
2020-04-30

This book discusses the use of authorship discourses and author figures in the promotion and marketing of media content, dealing with the U.S. mainstream media, including franchise film, network television, and triple-A video games. The research takes a unique approach studying ideas of authorship in promotion, diverging from extant approaches looking at

the text, production, or reception. Conceptualizing authorship within the logic of media branding, the book studies the construction of ideas around creativity and the creative person in marketing and publicity content where media industries communicate with audiences. A cross-media approach allows the book to take a broad look and make comparisons across the increasingly integrated media industries. The book will be of great relevance to academics in the fields of film, television, and media studies, including postgraduate students, conducting teaching and research around authorship, media industries, and media promotion.

**Normal People** - Sally Rooney  
2019-04-16  
NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of Conversations with Friends, “a master of the literary page-

turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another,

straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can’t. Praise for *Normal People* “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes]

some of the best dialogue I've read."—The New Yorker  
*a Heaven is for Real Deluxe Edition* - Todd Burpo  
2011-10-31

#1 New York Times bestseller with more than 11 million copies sold! When 4-year-old Colton Burpo emerges from life-saving surgery with remarkable stories of his visit to heaven, his family doesn't know what to believe. *Heaven is For Real* details what Colton saw and his family's journey towards accepting their young son had visited the afterlife. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." Colton told his parents he left his body during an emergency surgery—and proved that claim by describing exactly what his parents were doing in another part of the hospital during his operation. He talked of visiting heaven and described events that happened before he was born and how he spoke with family members he'd never met. Colton also astonished his

parents with descriptions and obscure details about heaven that matched the Bible exactly, even though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton recounts his visit to heaven, describing: Meeting long-departed family members Jesus, the angels, how "really, really big" God is, and how much God loves us How Jesus called Todd, Colton's father, to be a pastor The Battle of Armageddon Retold by his father, but using Colton's uniquely simple words, *Heaven Is for Real* offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." *Heaven Is for Real* will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Praise for *Heaven is for Real*: "A beautifully written glimpse into heaven that will encourage those who doubt and thrill those who believe." —Ron Hall, coauthor of *Same Kind of Different as Me*  
[My Amish Story](#) - Rebecca

Borntrager Graber 2017-09-01  
My Amish Story is the story of the last few years of Amish life for the Graber family in the 1990s. It's about the hurdles of breaking the barriers of centuries, of family circles being broken with no goodbyes, of heartbreak and estrangement, and of the transitions and adjustments to a new way of living. But it is also, and more so, a story of leaving the old and embracing the new, of walking in the blessing of freedom from bondage, and of leaving behind the fear of tomorrow. It is the story of a family living, loving, and laughing their way along the journey of life.

Grit - Angela Duckworth

2016-05-05

UNLOCK THE KEY TO SUCCESS In this must-read for anyone seeking to succeed, pioneering psychologist Angela Duckworth takes us on an eye-opening journey to discover the true qualities that lead to outstanding achievement. Winningly personal, insightful and powerful, Grit is a book about what goes through your

head when you fall down, and how that - not talent or luck - makes all the difference.

'Impressively fresh and original' Susan Cain

**Irreversible Damage** - Abigail

Shrier 2020-06-30

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE

TIMES AND THE SUNDAY

TIMES "Irreversible Damage . .

. has caused a storm. Abigail

Shrier, a Wall Street Journal

writer, does something simple

yet devastating: she rigorously

lays out the facts." —Janice

Turner, The Times of London

Until just a few years ago,

gender dysphoria—severe

discomfort in one's biological

sex—was vanishingly rare. It

was typically found in less than

.01 percent of the population,

emerged in early childhood,

and afflicted males almost

exclusively. But today whole

groups of female friends in

colleges, high schools, and

even middle schools across the

country are coming out as

“transgender.” These are girls

who had never experienced any

discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.”

Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She

offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

**A Vow So Bold and Deadly** -  
Brigid Kemmerer 2021-01-26

\_\_\_\_\_ The third book in the New York Times bestselling Cursebreaker series: a contemporary feminist fantasy perfect for fans of Sarah J Maas. \_\_\_\_\_  
KINGDOMS WILL CLASH. CHOOSE YOUR SIDE. Grey has been revealed as the rightful prince of Emberfall. But the kingdom is crumbling fast, torn between his claim and that of the reigning Prince Rhen and Princess Harper. Newly crowned as Queen of the enemy kingdom Syhl Shallow, Lia Mara struggles to rule with a gentler hand than her mother. But as Grey moves closer to claiming the crown of Emberfall, both Harper and Lia Mara are forced to question

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2020-12-24 by guest

where they stand - and how far they can follow the dictates of their hearts. Brigid Kemmerer's heart-pounding saga comes to a thrilling climax, as two kingdoms come closer and closer to conflict - and an old enemy resurfaces who could destroy them all. For more fantasy romance, don't miss Brigid Kemmerer's heart-stopping Defy the Night series. *Both Ways Is the Only Way I Want It* - Maile Meloy  
2010-03-04

In *The Hidden Ways*, Alistair Moffat traverses the lost paths of Scotland - its Roman roads tramped by armies, its warpaths and pilgrim routes, drove roads and rail roads, turnpikes and sea-roads - in a bid to understand how our history has left its mark upon our landscape. As he retraces the forgotten paths that shaped and were shaped by the lives of the now forgotten people who trod them, Moffat charts a powerful, surprising and moving history of Scotland. *To All the Boys I've Loved Before* - Jenny Han 2018-07-10  
*To All the Boys I've Loved*

Before is now a major motion picture streaming on Netflix! Lara Jean's love life gets complicated in this New York Times bestselling "lovely, lighthearted romance" (School Library Journal) from the bestselling author of *The Summer I Turned Pretty* series. What if all the crushes you ever had found out how you felt about them...all at once? Sixteen-year-old Lara Jean Song keeps her love letters in a hatbox her mother gave her. They aren't love letters that anyone else wrote for her; these are ones she's written. One for every boy she's ever loved—five in all. When she writes, she pours out her heart and soul and says all the things she would never say in real life, because her letters are for her eyes only. Until the day her secret letters are mailed, and suddenly, Lara Jean's love life goes from imaginary to out of control.

---

the diva of the soap opera world, known for her role as Ruby Stargazer on television's most popular soap opera, "The Rich and the Ruthless." After fifteen years, three returns from the dead, two failed pregnancies, one alien abduction, and overcoming retrograde amnesia, Calysta still hasn't managed to snag the biggest award in daytime drama: the Sudsy. Now is supposed to be her moment. But Calysta's

onscreen/offscreen rival Emmy Abernathy wins the award for the fourth time. The drama begins when journalist Mitch Morelli asks Calysta for a quote after the award show and her true feelings for her costar slip out. Ripped from the headlines of Soap Opera Digest and straight off of the television screen, Secrets of a Soap Opera Diva will give readers plenty to talk about as they try to guess where the real world ends and Rowell's imagination begins.
