Congress 1990

Female Sexual Offenders -
Theresa A. Gannon 2010-10-28
Featuring a collection of essays
by leading experts, *Female
Sexual Offenders: Theory,
Assessment and Treatment* is
the first book to bring together
current research, clinical
assessment, and treatment
techniques of female sexual
offenders into one accessible
volume. Describes the most
recent research data regarding
female sexual offenders,
covering such issues as female-
perpetrated sexual abuse
prevalence and juvenile
offenders Includes an
assessment of the risk of
recidivism, international
treatment initiatives, and a
discussion on the use of the
polygraph with female sexual

offenders Features
practitioner-focused essays
which evaluate current
assessment strategies,
treatment needs, effectiveness,
and processes for female
sexual offenders

**Special Needs Offenders in
Correctional Institutions** -
Lior Gideon 2012-09-14
*Special Needs Offenders in
Correctional Institutions* offers
a unique opportunity to
examine the different
populations behind bars (e.g.
chronically and mentally ill,
homosexual, illegal
immigrants, veterans,
radicalised inmates, etc.), as
well as their needs and the
corresponding impediments for
rehabilitation and
reintegration.

[Sex Crimes and Sex Offenders](#) -
Donna Vandiver 2016-12-08
Sex Crimes and Sex Offenders:

Research and Realities provides an overview of social scientific theory and research on sex crimes and sex offenders. Most other books on the market are focused on a single issue—such as treatment, rape, pedophilia, theory, etc. This book is unique in that it covers the most current theory and research along with individual cases of sex crimes (e.g., Kobe Bryant, Jerry Sandusky, and other case studies), effectively linking theory and research with the realities of sex crimes and sex offenders as well as their victims. Vandiver, Braithwaite, and Stafford are careful to dispel myths and to focus on the heterogeneity of sex crimes and sex offenders, and not on any one issue or population or theory. Instead, they weave a framework using a full range of theoretical concepts and research data to integrate their discussions of crimes, offenders, victims, treatments, and policy implications. The result is a valuable resource for students and early-stage researchers investigating sex

crimes or offenders.

Sex Offender Notification and Registration Act

(SORNA) - United States.

Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security 2009

Grant\$ for Children and Youth - 1994

Censoring Sex Research -

Thomas K Hubbard 2013-08-31

This volume brings into daylight one of the most explosive episodes of censorship and censure of academic scholarship in recent decades, presenting an extended version of Bruce Rind's suppressed essay on sexual relations between male adults and adolescents cross-culturally, accompanied by twelve essays arguing for or against Rind and analysing the controversy.

Dangerous Sex Offenders - 1999

This is a task force report on dangerous sex offenders.

NIJ Program Plan - National Institute of Justice (U.S.) 1993

NIJ Program Plan, 1993 -
National Institute of Justice
(U.S.) 1993

Understanding Child Abuse and Neglect - National Research Council 1993-02-01
The tragedy of child abuse and neglect is in the forefront of public attention. Yet, without a conceptual framework, research in this area has been highly fragmented. Understanding the broad dimensions of this crisis has suffered as a result. This new volume provides a comprehensive, integrated, child-oriented research agenda for the nation. The committee presents an overview of three major areas: Definitions and scope"exploring standardized classifications, analysis of incidence and prevalence trends, and more. Etiology, consequences, treatment, and prevention"analyzing relationships between cause and effect, reviewing prevention research with a unique systems approach, looking at short- and long-term

consequences of abuse, and evaluating interventions. Infrastructure and ethics"including a review of current research efforts, ways to strengthen human resources and research tools, and guidance on sensitive ethical and legal issues. This volume will be useful to organizations involved in research, social service agencies, child advocacy groups, and researchers.

Handbook of Psychology, Forensic Psychology - Irving B. Weiner 2012-10-16
Psychology is of interest to academics from many fields, as well as to the thousands of academic and clinical psychologists and general public who can't help but be interested in learning more about why humans think and behave as they do. This award-winning twelve-volume reference covers every aspect of the ever-fascinating discipline of psychology and represents the most current knowledge in the field. This ten-year revision now covers discoveries based in

neuroscience, clinical psychology's new interest in evidence-based practice and mindfulness, and new findings in social, developmental, and forensic psychology.

Federal Probation - 1995

Treating Youth Who Sexually Abuse - Stephen Lundrigan 2014-01-14

A comprehensive program of treatment for adolescent sex offenders! Covering every phase from assessment to relapse prevention, this valuable book offers specific suggestions and backs them with the latest research as well as years of clinical experience. *Treating Youth Who Sexually Abuse: An Integrated Multicomponent Approach* is a training tool, reference book, and field manual for the use of therapists, administrators, and everyone involved with the assessment, treatment, and placement of sexually abusive youth. Beginning with a broad view of the continuum of programs available and the structure of the service-delivery system that provides

treatment, *Treating Youth Who Sexually Abuse* continues with specifics of program policy and design in both outpatient and inpatient settings. From choice of client to aftercare, the book covers the specifics of pretreatment, various modalities of therapy, inpatient and outpatient programs, and relapse-prevention programs. The foundations of program structure and the specific components (such as family therapy, group therapy, milieu treatment) are integrated to make a powerful, flexible, and above all effective treatment tool. *Treating Youth Who Sexually Abuse* offers practical advice and help for therapists and administrators, including: ready-to-use treatment materials reproducible group curricula sample schedules for full-day treatment and afterschool programs discussions of staff training and administrative concerns information on liability issues ideas for coordinating care with other treatment providers *Treating Youth Who Sexually Abuse: An Integrated*

Multicomponent Approach is an essential training tool for students, a field manual for professionals, and a reference book for everyone interested in sex offence-specific treatment for youth. With case studies, diagnostic criteria, helpful tables and diagrams, listings of organizations in the field and Web addresses, this volume deserves a permanent place on your professional bookshelf. Congressional Record - United States. Congress 1998

Sex, Sexuality, Law, and (In)justice - Henry F. Fradella 2016-02-26
Sex, Sexuality, Law, and (In)Justice covers a wide range of legal issues associated with sexuality, gender, reproduction, and identity. These are critical and sensitive issues that law enforcement and other criminal justice professionals need to understand. The book synthesizes the literature across a wide breadth of perspectives, exposing

students to law, psychology, criminal justice, sociology, philosophy, history, and, where relevant, biology, to critically examine the social control of sex, gender, and sexuality across history. Specific federal and state case law and statutes are integrated throughout the book, but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law. This book will be useful in teaching courses in a range of disciplines—especially criminology and criminal justice, history, political science, sociology, women and gender studies, and law. Retraining Adult Sex Offenders - Fay Honey Knopp 1984

Confessions of a Sex Offender - D.A.Haynes 2014-03

"Confessions of a Sex Offender" chronicles the spiral decline of a man trapped in the arms of pornography. His depravation led him to the most heinous crime of child pornography. Through a prison

Downloaded from
legacy.opendemocracy.net
on 2020-11-08 by guest

sentence and treatment, his life has been renewed. This book reaches out to those who may also be trapped in the web of child pornography and encourages them to seek help for their obsession.

Exploring the Dimensions of Human Sexuality - Greenberg
2016-02-19

Fully revised and updated with the latest data in the field, the Sixth Edition of Exploring the Dimensions of Human Sexuality represents all aspects of human sexuality and explores how it affects personality, development, and

decision making. Using a student-friendly interpersonal approach, the text discusses contemporary concepts as well as controversial topics in a sensitive manner, and covers the physiological, biological, psychological, spiritual, and cultural dimensions of human sexuality. Exploring the Dimensions of Human Sexuality is an essential text for teaching sexuality and presents an integrated view of human sexuality that encourages students to pursue positive decisions, sexual health, and a lifetime of wellness.
