

# Shattered Vows Hope And Healing For Women Who Have Been Sexually Betrayed

**Forgotten Victims of Sex Abusers** - William F. Kraft 2020-03-11

This book honors the courageous sex victims who exposed their abusers.

The spotlight, and rightly so, has been on them and their predators.

William Kraft contends, however, that little attention and help has been given to those who unknowingly knew a sex offender, people such as spouses, family friends, and parishioners--the unintended victims. Kraft gives these forgotten and silent victims a voice. He recognizes, listens, and responds to people who trusted, often admired, and perhaps loved a sex offender--the shocked woman whose husband is found guilty of sexual assault, the stunned parents and disillusioned parishioners of a pedophile priest, the lost man of an unfaithful wife, and the depressed parent of a promiscuous child. Kraft wants us to cease forgetting these victims and offer them help. His proposal is that sex abusers cause severe and lasting harm because their defilement is not only physical but also emotional, social, and most importantly spiritual because abusers violate bonds such as trust, fidelity, and love. Thus, Kraft offers concrete psychological and spiritual ways to achieve effective management and healing.

Real Marriage - Mark Driscoll 2013-01-07

Most marriage books assume the author did it right. Most marriage books barely mention friendship. Most marriage books use "intimacy" as code for "sex." This is not one of those books. In Real Marriage, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your

spouse your best friend - and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a "work spouse"? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, Real Marriage is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this book. And discover how God can use it to change your life. Endorsements: "If you're married or plan to be someday, do yourself a favor and read every page of this book." —DRS. LES & LESLIE PARROTT Founders of RealRelationships.com and authors of Love Talk "Whether engaged, newlywed, or veteran, Real Marriage will serve as an invaluable resource. I highly recommend this book." —ANDY STANLEY author of The Grace of God and Senior Pastor, North Point Community Church "One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not, and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it. That is why I am so thankful that Mark and Grace Driscoll wrote this book. Their approach to marriage, its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather

thrives in it." — PERRY NOBLE Senior Pastor, NewSpring Church "Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages. Taking the unchanging truth of God's word and sprinkling in is the story of God's mercy in their own marriage they have filled every chapter with real helpfulness. This book is powerful, biblical, practical and healing for marriages that hurt. My wife and our adult children read it to great profit." — DR. JAMES MACDONALD Senior Pastor, Harvest Bible Chapel and Bible teacher for Walk in the Word

Why did you do it? The *Torn Asunder* workbook is built around daily twenty-minute homework exercises, initiated by each spouse on alternating days for ten to fifteen weeks. Working with your spouse might be the last thing you want to do right now, but it's essential to your long-term recovery, whether or not your marriage survives. Healing won't be easy. **Clergy Sexual Misconduct** - John Thoburn 2012-07-10

Nearly 10 percent of pastors have adulterous affairs and 15 percent are addicted to Internet pornography. *Clergy Sexual Misconduct* addresses how prevention, education, and treatment interventions can positively impact all levels of the clergy system. Numerous contributing experts share guidance on how individuals, families, congregants, and denominations can achieve recovery and reconciliation through a systemic approach.

*Systemic Sex Therapy* - Katherine M. Hertlein 2015-02-20

This comprehensive textbook, intended for graduate students in couple

and family therapy programs as well as for clinicians of diverse orientations, offers descriptive discussions of sex therapy based on the Intersystem Approach, as developed by Gerald Weeks. The Intersystem Approach considers the biology, psychology, couple dyad, family-of-origin, and larger contextual factors of any sexual disorder or issue. It is grounded in systems theory and represents a new understanding of human sexuality and sexual problems. Appropriate for anyone who wants to progress to a more comprehensive and integrative understanding of sexual dysfunctions, this text will teach the reader how to treat the couple, rather than the individual. Now in a second edition, *Systemic Sex Therapy* presents 12 updated chapters and two new chapters, bringing the material up-to-date with the DSM-5. Each chapter examines the definition and description of a disorder, its etiology, assessment, treatment, research, and future directions. Experts in the field discuss issues ranging from pharmacology, sexual compulsivity, therapy with lesbian and gay couples, to chapters on male and female lack of desire. A standard text in the field, *Systemic Sex Therapy* integrates couple and sex therapy to inform the treatment of sexual problems, and to give beginning and experienced clinicians the abilities and confidence they need to produce viable change in their patients' lives.

**Healing the Wounds of Sexual Addiction** - Mark Laaser 2009-05-26

Hope—real hope—for recovery is within reach. This book goes beyond cliché answers and offers meaningful, spiritual, and practical steps to healing and freedom from sexual addiction—or any addiction. **Sexuality: God's Gift** - Anne Krabill Hershberger 2010-06-17

Big business makes big money selling a phony notion of what we want and need as sexual people. Ads insist that certain products will make us more sexually appealing. But what we really want and need is true intimacy—the knowledge that we matter to another person and are loved for who we are. We all are sexual beings, all of our lives, and relate to each other sexually all the time. God marvelously made us this way. Using the metaphor of sexuality as a good gift from God, this book offers Christian resources for living a sexually healthy and fulfilling life. "Extraordinarily comprehensive, nuanced, and sensitive—even richer than its predecessor. It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality." —James B. Nelson, professor emeritus of Christian ethics, United Theological

Seminary of the Twin Cities "An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity." —The Rev. Debra W. Haffner, executive director, Religious Institute, Westport, Connecticut
