[The Complete Works of Robert E. Howard](#) - Robert E. Howard 2022-03-31

Robert Erving Howard is well known for his character Conan the Barbarian and is regarded as the father of the sword and sorcery subgenre. Howard remains a highly read author, with his best works still reprinted, and is one of the best-selling fantasy writers of all time. Howard's distinctive literary style relies on a combination of existentialism, poetic lyricism, violence, grimness, humour, burlesque, and a degree of hardboiled realism.

Two sisters. One wish. Unimaginable consequences. Not all fairytales are for children. Antoinette and Jacqueline have little in common beyond a mutual antipathy for their paranoid, domineering mother, a bond which has united them since childhood. In the aftermath of a savage betrayal, Antoinette lands on her sister's doorstep bearing a suitcase and a broken heart. But Jacqueline, the ambitious would-be manager of a trendy Melbourne art gallery, has her own problems – chasing down a delinquent painter in the sweltering heat of a Brisbane summer. Abandoned, armed with a bottle of vodka and her own grief-spun desires, Antoinette weaves a dark and desperate magic that can never, ever be undone. Their lives swiftly unravelling, the two sisters find themselves drawn into a tangle of lies, manipulations and the most terrible of family secrets. The Aurealis and Australian Shadows award-winning novel by the author of Madigan Mine and Caution: Contains Small Parts. Reviews “Perfections sings from the page. It is dark, compelling and monstrously beautiful.” Alison Goodman, New York Times bestselling author of Eon and Eona. “Kirstyn McDermott’s prose is darkly magical, insidious and insistent. Once her words get under your skin, they are there to stay.” Angela Slatter, British Fantasy Award-winning author of Sourdough and Other Stories. “Perfections is a sharp, creepy and deeply discomfiting novel full of awkward truths and raw emotions.” Tansy Rayner Roberts, author of the Creature Court Trilogy and Love and Romanpunk. "McDermott has expertly weaved character, psychology, and dialogue to create a creepy, suspenseful story that will slip under your skin." Aurealis magazine

One Single Thought - Robin Carretti

[Insatiable Kitten](#) - Sarah JD 2022-05-16

I am Kitten. Watch me play! They call me Kitten. I'm their plaything, and I love it. I thrive on it. I need it. Why? It's like an itch I can't quite scratch. A craving that doesn't take away the hunger. A compulsion that I can't control. It's all-consuming in every way. I thought I'd come to terms with how my future looked. Meaningless sex. Lots and lots of meaningless sex. Bodies writhing, skin slapping, moans filling the air. It's who I am, and I don't allow myself to think too much about how I'll never have a normal relationship. I'll never be able to commit 100% to one person. When a ghost from my past sends me spiralling, any sort of control over my ailment is lost, and I find myself walking the dark path of self-destruction. No one knows the depravity of my past. If they did, they wouldn't want anything to do with me. As I try to rein in my demons, I find myself in a compromising position that reveals one of my secrets to the Casanova of my school. If that isn't bad enough, my ex has his sights set on me again, a playful friend steps over the line with me, and another brooding mate is seething with anger at me. Rightfully so, since all four of them are best mates, and shit is going to hit the fan if my ex finds out what's been going on behind his back. Throw in a sex club run by predators posing as high-class citizens, a contract that I signed when I was way too young to understand the fine print, and a man who is fifteen years older than me, which has me bratting it up all over the place, and my existence is on a path to fuckery. How the hell do I get myself in these situations? And how in the hell am I going to get myself out this time? CONTENT WARNING I'm Rhys

George. Welcome to my dark and depraved world. Out of the goodness of my black heart, I thought I'd give you a heads up. A warning if you will. What you are about to read contains extreme, filthy, descriptive, no holding back sm%t. If you love what you read, then girl! We should be friends! You are my people! Because I'm feeling generous, I'd like to warn you of some other things in my world that could be triggering to some readers, so please read the full warning here, so you can be prepared!! I promise my warnings are worth it!! <https://sarahjaneduncan.com/my-books/the-insatiable-series/content-warning-for-the-insatiable-series/> Do you still want to read my story? I hope so! It's epic! Will it make you cry? Maybe. Will it make you laugh? Absolutely. Will it make you all hot and bothered? Duh! Of course! Will it make you feel like throwing your book or e-reader? Yes, but please don't do that! I promise the angst is worth it in the end!! So, are you still with me? Yes? FAN-F%CKING-TASTIC! Let's do this!!

After the Wedding - Courtney Milan 2018-04-24

The only thing more inconvenient than Camilla's marriage at gunpoint is falling in love with her unwilling groom... Adrian Hunter, the son of a duke's daughter and a black abolitionist, is determined to do whatever his family needs—even posing as a valet to gather information. But his mission spirals out of control when he's accused of dastardly intentions and is forced to marry a woman he's barely had time to flirt with. Camilla Worth has always dreamed of getting married, but a marriage where a pistol substitutes for “I do” is not the relationship she hoped for. Her unwilling groom insists they need to seek an annulment, and she's not cruel enough to ruin a man's life just because she yearns for one person to care about her. As Camilla and Adrian work to prove their marriage wasn't consensual, they become first allies, then friends. But the

closer they grow, the more Camilla's heart aches. If they consummate the marriage, he'll be stuck with her forever. The only way to show that she cares is to make sure he can walk away for good... After the Wedding is the second full-length book in the Worth Saga. It is preceded by Once upon a Marquess, the first full-length book. The series books stand alone, but those who wish to read in order may want to start there. Also available in the series are Her Every Wish, a side-novella, and The Pursuit Of..., which is something of a prequel.

Shut Up and Kiss Me - Madeline Sheehan 2015-06-08

She ran from her past. After relocating from a small town in Tennessee, Mila has been living in New York City for a year and a half, more than happy to be lost in the crowd. Living vicariously through her best friend and roommate, Nikki, Mila spends her days waitressing and her evenings at home. Then, one night, after getting exclusive tickets to a nightclub downtown, Nikki is able to convince Mila to let loose for once. He's running from his future. Having lived a privileged life, William is used to getting what he wants and who he wants. Now, though, in his thirties, he's bored, and seeking more from his life than mindless sex, and even worse-mindless women. Spotting Mila from across the club, he senses right away that she's different from what he's used to, an observation that proves true. One night together will change everything for both of them. Pasts and futures will collide, secrets will be revealed, and the results will transform both their lives forever.

Brilliant! - Kim Collier 2004

Chronicling the explosive career of a twentieth-century genius, Brilliant! is a story about the beginning of our technological age embodied in a man whose ideas, dreams and passions were too big for his own time. Visually stunning, the play has many comic, surreal and dramatic moments told in the inimitable style that has made the Electric Company a Canadian treasure. In February 1882, Tesla discovered the rotating magnetic field, a fundamental principle in physics and the basis of nearly all devices that use alternating current. His greatest achievement is the polyphase alternating current system, which today lights the entire globe. His alternating current induction motor is considered one of the ten greatest discoveries of all time. Among his other discoveries are the fluorescent light, the laser beam, wireless communications, wireless transmission of electrical energy, remote control, robotics, and vertical take-off aircraft. He is the father of radio and television, and registered over seven hundred patents worldwide. His vision included exploration of solar energy and the power of the sea. He foresaw interplanetary communications and satellites. Brilliant! explores the enigma of a man who had a vision of bettering the world for humanity, yet whose relationships with others were strained; whose inventions literally outshone his those of his mentor (and later, his rival) Thomas Edison, yet whose name lingers far below Edison's in history books; whose unconventional approach to problems made him a pioneer in many fields and earned millions of dollars for others, yet whose ultimately tragic life ended penniless. Who was Brilliant!

I'm in Love with the Villainess: She's so Cheeky for a Commoner (Light Novel) Vol. 1 - Inori 2023-01-12

Claire François has it all: beauty, brains, and the blood of nobility. As the daughter of a high-ranking noble, she takes her status and the according responsibilities with utmost seriousness--even as the king threatens to undermine his realm's stability with his visions of "meritocracy." Claire is nevertheless prepared to take this societal change in stride, until one of the new commoner students at her elite academy, Rae Taylor, turns her life upside down. Everything about Rae confounds Claire, from her behavior to her intellect to her bizarre fixation on Claire herself. Little does she realize just how much Rae will change her world, and how much she'll change Rae in turn.

75+ Ralph Waldo Emerson Collection. Illustrated - Ralph Waldo Emerson 2022-03-31

Ralph Waldo Emerson was an American essayist, lecturer, philosopher, abolitionist, and poet who led the transcendentalist movement of the mid-19th century. He was a prescient critic of the countervailing pressures of society, and his ideology was disseminated through dozens of published essays and more than 1,500 public lectures. Emerson gradually moved away from the religious and social beliefs of his contemporaries, formulating and expressing the philosophy of transcendentalism in his 1836 essay "Nature". The Case of the Careless Kitten - Erle Stanley Gardner 2019-03-05

The lawyer who inspired the HBO series unravels a mystery surrounding a back-from-the-dead banker in "one of the best of the Perry Mason tales" (The New York Times). Helen Kendal's woes begin when she receives a phone call from her vanished uncle Franklin, long presumed dead, who urges her to contact criminal defense attorney Perry Mason; soon after, she finds herself the main suspect in the murder of an

unfamiliar man. Her kitten has just survived a poisoning attempt, as has her aunt Matilda, the woman who always maintained that Franklin was alive. Lucky that Helen took her uncle's advice—Mason immediately takes her as a client. But while it's clear that the occurrences are connected, and that their connection will prove her innocence, the links are too obscure to be recognized even by the attorney's brilliantly deductive mind. Risking disbarment for his unorthodox methods, he endeavors to outwit the police and solve the puzzle himself, enlisting the help of his secretary Della Street, his private eye Paul Drake, and the unlikely but invaluable aid of a careless but very clever kitten in the process. The Case of the Careless Kitten is one

of the most acclaimed cases in the iconic Perry Mason series, which need not be read in any particular order, from Edgar Award winner Erle Stanley Gardner. "This vintage case shows America's lawyer taking on a delightfully unexpected role. There's strong supporting work by the eponymous kitten, to boot." —Kirkus Reviews "Races along at breakneck speed . . . eccentric characters, complex motives, and—as always—a delicately nuanced presentation of the special relationship between Perry and his faithful secretary." —Publishers Weekly
