Womb Awakening Azra Bertrand 2017-08-15 Rediscover the lost ancient mystery teachings of the Cosmic Womb • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of the moon and its connection to sacred Womb Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia • Includes access to three guided Womb Awakening audio journeys The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the

chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.

Soul Awakening Barry Martin Snyder 2011-06-01 Has the world ever been more in need of the peace, love, and stillness of the soul? The discord, violence, and destruction that are all too common the world over attest to the soul-forgetting that is epidemic among humanity. As integral aspects of the Divine, we are designed to live in peace, joy, and harmony. But asleep to our true, essential nature, we create dis-ease, limitation, and suffering. Thus, the crises that surround us cannot be fixed out there, for their fundamental cause lies within. Only a radical reorientation of consciousness, a fundamental inner shift from ego to soul, will enable us to find our way through the perfect storm of challenges that lie before us, individually and collectively. For more than two decades, the authors of *Soul Awakening* have facilitated direct experiences of the inner divinity that is our true Self. This book relates the journey that brought them into this capacity, and summarizes all that they have learned about what expedites connecting with and living from the soul. Guided

inner journeys into the soul realm enable readers to directly experience the luminous, loving presence of the true Self, and access its wise counsel and healing power. The simultaneous process of transcending ego and awakening to the soul is humanity's next evolutionary step. As a guide to the journey, Soul Awakening provides potent evolutionary support for all phases of the process. Because it relates actual experiences of awakening -- those of the authors, as well as their clients during soul-awakening sessions -- Soul Awakening contains a living transmission of the energy and consciousness of the essential Self. The stories presented here center around the archetypal passages and initiations in the journey of awakening, along with the consciousness tools the authors used to meet the challenges they faced. Vicariously experiencing these transformational journeys allows readers to "download" the holographic process of awakening and experience it within their own consciousness. The evolutionary stimulation in Soul Awakening is relevant to beginners on the spiritual path as well as those who have deeply explored the spiritual world for decades. Many who have meditated for years have not yet experienced a direct, palpable immersion into their indwelling divinity. Soul Awakening provides guided inductions into the soul realm within, as well as the domain of the vast, multidimensional Self. Utilizing these inner processes over time facilitates the fundamental, all-important shift from identifying with the ego to knowing we are a vast, multidimensional soul. As the inner luminosity of the soul comes forth, we birth the Luminous Self that has lived within us forever, waiting to be rediscovered and embodied. With a Foreword by Kiara Windrider, Soul Awakening is the first book in the Birthing the Luminous Self trilogy. Subsequent volumes to be released during 2011 are entitled Agents of Grace and We Are the Awakening Christ.

Wise-Love Pranada Comtois 2018-03-31 We long for boundless love as we long for home. But how can we find our home our meaning and purpose if we don't know our self? *Wise-Love* is an exploration of the self, or consciousness, guided through the meditative eyes of saints, sages, seers, and mystics. We discover that the self's most charming characteristic -- part of its unchanging nature is that it is a lover, a lover only when ordinary love evolves into wise-love. Pranada, a devoted pilgrim and teacher, illuminates bhakti's wisdom school of heartfulness and shows why mindfulness can never satisfy the self. Joy comes from an awakened heart not a stilled mind. The first part of *Wise-Love* explores the nature of self/consciousness and how we interface in the world with our physical and subtle body (mind, intelligence, and ego). Understanding the distinctions between our real and false selves, we can answer the questions Who am I? What is my purpose? How can I be happy? The second half examines the nature of matter, the world of consciousness, karma, faith, mysticism, the efficacy of sacred sound, the maha-mantra, kirtan, humility, depth compassion, and

how to culture wise-love. Each chapter unfolds with an understanding of matter and consciousness to present a key that unlocks our eternal nature so that we can experience the unbounded joy of the self in our daily lives. When we encounter the self, we're automatically introduced to our Divine Inner Suitor and our loving relationship. Filled with insight and fresh perspectives, Wise-Love offers a map for the journey to our home of eternal affection, where a porch light is always lovingly lit, and a warm embrace from our Divine Other awaits. Secretly nestled in the Upanishads and extolled in the Bhagavad Gita, bhakti yoga shines as the crown jewel on the head of India's timeless wisdom about consciousness and how to live one's meditation. Often over-simplified as devotion, bhakti is the method of experiencing the self and its Essence/Source. This concise, comprehensive handbook exploring the meaning of bhakti's sophisticated philosophy promises to enrich you wherever you are on the spiritual path.

that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all. *Ascending with Both Feet on the Ground* Jeff Brown 2012 Perhaps the first of its kind, 'Ascending with both feet on the Ground' is a collection of author Jeff Browns most inspiring and well-loved Facebook quotes, soul-bytes, excerpts and aphorisms. In Jeffs hands, Facebook status became a kind of spiritual graffiti, a grass roots opportunity to inspire, support and connect with humanity. With a writing style that is unforgettably heartfelt and original, Jeff calls out to our inner knowing and reminds us of the magnificent life that awaits us. This little treasure book is no generic quotes book. It is an impactful, stirring and enlivening piece of art that will keep you company on the journey home. Exhilarating, compassionate, in-sightful, these truth-soundings will help you to excavate your purpose, befriend your confusion, confront your avoidance, ground your spirituality and open your heart. At its core, *Ascending* reflects the grounded spirituality that threads through all of Jeffs writing, one that celebrates 'enrealment' - a way of being that is inclusive and honoring of all that is human. Nothing and no one gets left out on the path home. Everything- feelings, personal identifications, practical challenges, mystical moments, the dust that falls off our awakening hearts-are part of our spirituality. With writing that is simultaneously mystical and practical, this little treasure of a book beautifully reflects the indistinguishable weave between spiritual and emotional life that is becoming deeply important to seekers on the path. Time and again, you can turn to its pages to feel supported in your quest for an authentic and integrated life. And at the back of the book are 3 of his most inspiring blogs, including the profound 'Apologies to the Divine Feminine- from a warrior in transition', now read and loved by hundreds of thousands of people worldwide.

Living in the Heart Drunvalo Melchizedek 2012-04-27 Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the

Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

people as well as small, intimate groups. Now, in *The One Life We're Given*, Nepo's personal stories, questions, and meditations take us on a deep and uplifting journey to know our own hearts and enliven our souls. "In order to fully live the one life we're given," Nepo writes, "we each must affirm how precious this one life is and open ourselves to loving whatever life puts before us. Whether that is suffering, pain, fear or loss, or surprise, beauty, love or wonder, we work to stay in touch with our hearts in order to make sense of our experience. As we learn when to try and when to let go, when to give our all and when to surrender and simply receive, we unfold the moments that reveal meaning and ready us for grace. This is how the heart breaks a path to our soul's work, leading us to our authenticity, and to how we can be useful to others and the world." By illuminating the art of finding and restoring what matters and by exploring the craft of awakening, *The One Life We're Given* affirms our purpose as not just to stay alive but to stay in our aliveness.

Your Soul's Gift Robert Schwartz 2012-04-11 In his groundbreaking first book, Your Soul's Plan, Robert Schwartz brought the idea of pre-birth planning into the mainstream. Now, his brilliant sequel Your Soul's Gift delves even deeper by exploring the pre-birth planning of spiritual awakening, miscarriage and abortion, caregiving, abusive relationships, sexuality, incest, adoption, poverty, suicide, rape, and mental illness. Working with a team of gifted mediums, Schwartz brings forth great love and wisdom from the other side to explain why such experiences are planned and the deep, soul-level healing they can create. Through the stories in Your Soul's Gift you can: - Develop greater self-love as you become aware of the tremendous courage it takes for you to plan a life on Earth and to live the life you planned -Emerge from victim consciousness to know yourself as the powerful creator of your life -Forgive those who have hurt you and create a lasting inner peace - Understand the qualities you came into this lifetime to cultivate and express -See profound purpose in experiences that once appeared to be meaningless suffering -Develop a heartfelt knowing of your infinite worth, beauty, magnificence, and sacredness as an eternal soul.
