**Hana's Suitcase** Karen Levine 2002-08-07 New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning

The Million-Dollar Suitcase Alice MacGowan 2022-11-22 The Million-Dollar Suitcase is a mystery novel by Alice MacGowan. MacGowan was an American author of novels and short stories. Excerpt: "I looked at my watch; quarter of ten; a little ahead of my appointment. I ordered a telephone extension brought to this corner table I had reserved at Tait's and got in touch with my office; then with the knowledge that any new kink in the case would be reported immediately to me, I relaxed to watch the early supper crowd arrive: Women in picture hats and bare or half-bare shoulders with rich wraps slipping off them; hum of voices; the clatter of silver and china; waiters beginning to wake up and dart about settling new arrivals. And I wondered idly what sort of party would come to sit around one long table across from me specially decorated with pale tinted flowers."

**Garbage Bag Suitcase** Shenandoah Chefalo 2016-02-02 Garbage Bag Suitcase is the true story of Shenandoah Chefalo's wholly dysfunctional journey through a childhood with neglectful, drug-and alcohol addicted parents. She endured numerous moves in the middle of the night with just minutes to pack, multiple changes in schools, hunger, cruelty, and loneliness. Finally at the age of 13, Shen had had enough. After being abandoned by her mother for months at her grandmother's retirement community, she asked to be put into foster care. Surely she would fare better at a stable home than

living with her mother? It turns out that it was not the storybook ending she had hoped for. With foster parents more interested in the income received by housing a foster child, Shen was once again neglected emotionally. The money she earned working at the local grocery store was taken by her foster parents to "cover her expenses." When a car accident lands her in the hospital with grave injuries and no one came to visit her during her three-week stay, she realizes she is truly all alone in the world. Overcoming her many adversities, Shen became part of the 3% of all foster care children who get into college, and the 1% who graduate. She became a successful businesswoman, got married, and had a daughter. Despite her numerous achievements in life though, she still suffers from the long-term effects of neglect, and the coping skills that she adapted in her childhood are not always productive in her adult life. *Garbage Bag Suitcase* is not only the inspiring and hair-raising story of one woman's journey to overcome her desolate childhood, but it also presents grass-root solutions on how to revamp the broken foster care system.

In his "A Case from the Titanic" author Enrique Dick takes us into a whirlwind of family history, Samuel and Annie Andrew arrive from Whitby, Yorkshire, England, to the vast pampas of Argentina, near the end of the nineteenth century. There Samuel is hired to administer one of the huge ranches of Ambrosio

Olmos, a wealthy farmer in Córdoba. There in those fields without end, the Andrew family grows. Silvano Alfredo, Isabel, Wilfred, Ethel, Hilda, William and Edgar are born and raised. Eventually all of them will have their share of love, adventure and tragedy. Told by Enrique Dick, this book is based entirely on his family's real life events; in the pages about Argentina we learn about life at the "estancia", the pride and joy of Ambrosio Olmos, a colourful figure of Argentina. As the years pass, the Andrew and Olmos families share more than just the relationship between owner and manager. Upon the untimely deaths of both Ambrosio Olmos and Samuel Andrew in 1906, Samuel's son Wilfred, a mere lad of twenty is hired by Olmos' widow, Mrs. Adelia María Harilaos to take over his father's administration of the ranch. Four of the seven brothers travel to England to study and meet their British relatives. Sooner or later most of them will return to their beloved land across the sea. Meantime, Wilfred confronts the maladies of running a huge ranch. Drought, hungry locusts, unruly gauchos and discontented tenants make his life difficult. Silvano, already a sailor navy officer, travels the seven seas aboard legendary Argentine navy ships. In 1911, as part of the Argentine naval legation, Silvano is involved in the construction of two famous battleships, the "Rivadavia" and the "Moreno," built in US Naval yards. While in the US, Silvano meets and falls in love with a winsome millionaire widow, Harriet Fisher. Silvano and Harriet set a date to be married. Jubilant, Silvano invites his brother Edgar, who is studying in Bournemouth, England, to attend the wedding. While in England, Edgar misses Josey, his friend in Argentina. When his brother's request arrives, Edgar has mixed feelings, Josey was about to arrive in England to take up her studies, and he was looking forward to meeting her there and to woo her. He consoles himself with the thought that he will be able to share a few days of joy with Josey before he sails for America. But fate intervened. The White Star Lines ship, the "Olympic", that Edgar is booked on, is stalled by lack of coal due to a strike. His

ticket is transferred and made good for earlier sailing on the "Titanic". Lugging his small suitcase full of books, papers, postcards and family letters, Edgar posts his last letter to Josey explaining that his forced earlier departure on the Titanic will keep them apart. Time passes slowly as the Andrew family learns and accepts Edgar's fate. Eventually Edgar's sister, Ethel also visits their ancestral land and there studies in a young ladies school in Whitby learning to paint, embroider and sew will eventually becoming a confidant of her remaining brothers and a lady on her own right. Throughout the book an omniscient character is the coal of Cardiff, which changes destiny not only when becoming steam to propel the Rivadavia and the Moreno battleships when they travel to Argentina with Silvano aboard the Moreno, but also since the lack of coal for Edgar's intended ship places him aboard the doomed Titanic. For decades Edgar's death haunts the Andrew family until one day Edgar's small suitcase is retrieved from the bottom of the ocean. That day, the mementos of a life and the truth they generate as they are plucked from the submerged Titanic once again shake the feelings and origins of a family. Armed with this extraordinary occurrence and the contents of a suitcase from the Titanic, Enrique Dick embarked on a journey of discovery into his maternal family history. The result is a book that not only uncovers family secrets and historical facts but also opens a window into lives that impacted history as it was being created

**Danse Macabre: Memoir of a Polish Girl at the Time of the Russian Revolution (1914/1924)**

Irene Rochas 2014-08-25 Memoir of a Polish Girl at the Time of the Russian Revolution (1914/1924). Expanded second edition with additional photographs. Irene Rochas was born Aniela Tarnowicz in Warsaw in 1906, the youngest child in a large upper middle-class Polish family. With the outbreak of WW I in 1914, Irene and her family were stranded in Moscow, and with the further outbreak of the Bolshevik Revolution, they were able to return to their homeland only after a delay of four years. Irene's rediscovered narrative -- written when she was fifty years old and set in the form of a novel -- is a remembrance of those eventful years of her childhood in Moscow and Warsaw. In this sense, it is truly a "memoir". Yes, "danse macabre" is the dance of death, the last waltz to which we are all invited. But Irene's "Danse Macabre" -- with its inquisitive and empathetic tone... and its often searing imagery -- is less a rumination on the inevitability of death and more a testament to the vibrancy of life itself.
