[Sex, Teens, and Everything in Between](#) - Shafia Zaloom 2019-09-03

The only book you need to start a conversation with your kids about sexual harassment, consent, #metoo, and more. Many American teens are steeped in a culture that sends unsettling messages about sex, through everything from politics to music to the normalization of porn. In today's environment, it's crucial that teens be able to ask hard questions about how to take care of themselves, make decisions that reflect their values, and stay safe. In *Sex, Teens, and Everything in Between*, veteran teen sex educator and mother of three Shafia Zaloom helps you discuss a wide variety of sex-related topics with your teens, including: How to get and give consent What it means to have "good" sex How to help prevent sexual harassment and assault How to stay safe in difficult situations The legal consequences of sexual harassment and assault, and what to do if a teen experiences assault or is accused of it Stories from survivors of sexual assault Approachable, engaging, and with real-life scenarios and discussion questions in every chapter, *Sex, Teens, and Everything in Between* is a must-have resource that gives parents and educators the tools they need to have meaningful conversations with teens about what sex can and should be.

Teen Pregnancy and Parenting - Keri Weed 2014-08-01

Whether glamorised or stigmatised, teenage parenthood is all too often used to stand for a host of social problems, and empirical research results ignored. Identifying core controversies surrounding teen pregnancy and parenting, this book resolves misperceptions using findings from large-scale, longitudinal, and qualitative research studies from the US and other Western countries. Summarising the evidence and integrating it with a systems perspective, the authors explore ten prevalent myths about teenage parents, including: Teen pregnancy is associated with other behavior problems. Children of teen parents will experience cognitive delay, adjustment problems, and will themselves become teen parents. Better outcomes are achieved when teen mothers live with their own mothers. Teen pregnancy costs tax payers lots of money. Abstinence education is the best way to prevent teen pregnancy. Teen Pregnancy and Parenting ends by highlighting the prevention and intervention implications for families, practitioners, and policymakers. It will be of interest to academics and advanced students from a range of disciplines and professions including psychology, public policy, nursing, social work and sociology.

Talking with Teens about Sexuality - Beth EdD Robinson 2021-02-16

When Dr. Robinson asked her freshman psychology students what today's parents need to know about teens and sex, they said parents do

not have a realistic view of the world their children live in. A healthy sexual identity requires more than just a list of what not to do. In today's culture of sexual identity confusion, ubiquitous pornography, and #MeToo, teenagers need to know how to protect themselves as well as how to treat others. Talking with Teens about Sexuality will help you understand your teen's world and give you effective strategies in the midst of cultural pressures. Drs. Robinson and Scott provide scientifically reliable and biblically based information about gender fluidity, types of intimacy, online dangers, setting boundaries, and much more. Along the way, the book provides useful conversation starters and insightful guidance. Don't let fear keep you from engaging in vital conversations. Learn how to talk to your teen with knowledge and confidence, guiding them toward a sexually healthy future.
