 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

[The Gift of the Magi \(Illustrated\)](#) - O. Henry 2022-04-27  
 "The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. **Dead Woman Crossing** - J.R. Adler 2020-09-23  
 'Brilliant - oh my word you can book after book after book but every so often a gem will emerge and this is one of them.... Totally blown away with how good the storyline is... and that conclusion, never saw it coming!' Goodreads Reviewer, [REDACTED] She threw open the door, running to the crib. When she looked inside, she gasped. The world around her went silent. Inside, there was nothing but a small stuffed elephant. Where was her baby? When young, single mother Hannah is found murdered by the banks of a twisting Oklahoma creek, her one-year-old daughter sleeping in a stroller near her body, the small town of Dead Woman Crossing reels in horror. Detective Kimberley King, recently relocated from New York to Oklahoma, with her young daughter Jessica, can't ignore the similarity of Hannah's death to the case of Katie James, the woman that the town of Dead Woman Crossing is named after. Katie

was murdered in front of her small daughter in 1905, on the banks of the same creek, and it seems that someone is drawing inspiration from the crime. Could this killer be a copycat? But as she interviews suspects, Kimberley is met with blank faces and closed lips. In a small town, people won't talk and when she pursues a promising lead, her own family turn their back on her. Kimberley isn't afraid to ask questions, but when she receives a threatening note, she realises that, as a single mother to a young daughter, she might be putting herself dangerously in the killer's sights ... A gripping, atmospheric crime thriller inspired by true events, about a town on the edge of collapse and a murder that shakes the community. Dead Woman Crossing is perfect for fans of Rachel Caine, Lisa Regan and Jane Harper. Readers are loving Dead Woman Crossing: 'This book is simply excellent through and through. The lead character of Kimberley King is destined to become one of the great characters in the genre... the dialogue is punchy and begs you to just go for one more chapter, and the atmosphere is phenomenal. I truly felt like I was in the town where it was all taking place, the wind brushing my face as I hear the wheat stalks sway. J.R. Adler is a dynamite talent and the first book in this series was a grad slam so I am beyond excited to see where this series goes. If you like thrillers then... scratch that... if you like reading then you owe it to yourself to pick this up. It is one hell of an amazing ride' Goodreads Reviewer, [REDACTED] 'I was captivated from the beginning... I could hardly put the book down ...Loved it. 5 stars.' B is for Book Review, [REDACTED] 'Really enjoyed this book, can't wait for the next one in the series. It was unputdownable I read it in one sitting. It was tense and full of action that kept me entertained and engaged in the story. I had my suspicions but I was wrong, love that when you don't expect the bad guy or the ending. Very good book and I highly recommend!' Bonnie's Book Talk 'Very gripping... how this story comes together is just brilliant and Kimberley is so sassy can't wait for book 2 once you start you won't want to stop' Goodreads Reviewer, [REDACTED] 'The end is completely unexpected, and I can't wait to read the next book.' Goodreads Reviewer, [REDACTED] 'This book will grab you from its first pages! King is a lead character that women can relate to... It's a great book and looking forward to seeing more of King and Walker in this series!' Goodreads Reviewer, [REDACTED] 'I was drawn in from the very first page and was totally engrossed until the very surprising ending! I cannot wait for the next one to come out!' Goodreads Reviewer 'You have to read this if you are a fan of well-written suspense that leaves you breathlessly turning the pages. Dead Woman Crossing by J.R. Adler exceeded my expectations, and I can't wait for what this author writes next.' Goodreads Reviewer 'A compelling read with some interesting characterisations and it certainly left me wanting to read more about Kimberley, Sam and Dead Woman Crossing.' **More Like Brothers** - Raymond Lombard

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's

wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
