Fifty Shades of Grey has made Erotica the genre of the moment and thousands of creative writers will be aspiring to become the next E L James.

This book is for them.

Writer's Guide to Book Editors, Publishers, and Literary Agents, 2003-2004 - Jeff Herman 2002

The Key to Unlocking Your Writing Success This ultimate writer's reference connects you to who's who in the publishing industry. Inside, you'll find the names, addresses, phone numbers, and e-mail and Web addresses for hundreds of top editors and agents, plus essays from industry insiders who reveal the secrets to big-time success. With the most up-to-date information on an industry that's constantly changing, this new edition offers everything you need to get past the slush piles and into the hands of the real players in the publishing field, including how to write attention-grabbing book proposals and thrive off rejection. Now, you hold the keys to getting published.

[Mentors, Muses & Monsters](#) - Elizabeth Benedict 2012-02-01

Thirty writers look back at the the people, events, and books that launched their literary lives.

Danger on the Page - Brian Shawver 2015-04-07

Although fiction writers must concern themselves with "big picture" issues such as plot, theme, and character development, much of the day-to-day work of writing involves finding answers to seemingly minor questions: How should I describe the exterior of a house? How can I construct the voice of a historical narrator with authenticity? How should I depict a physically atypical character? Few books on the

market address the problems and opportunities present in these and other questions, yet they are the ones that most writers grapple with on a daily basis. *Danger on the Page: A Fiction Writer's Guide to Sex, Violence, Dead Narrators, and Other Challenges* identifies and explores some of the more common and intractable situational challenges of fiction writing, with chapters grouped into the general subject areas such as scenes, characters, points of view, and settings. Shawver delves into the pitfalls and opportunities of writing about sex, violence, sports, and love; he examines writing from the perspective of a different race, gender, or species; he interrogates conventional beliefs about the use of brand names, the description of architecture, and the portrayal of nature.

Throughout, he gives dozens of examples from both literary and commercial fiction so readers can borrow (or reject) other writers' techniques and explore the myriad challenges of fiction writing on their own. A lively and witty approach to a diverse range of specific writing issues, Shawver's book will appeal especially to intermediate-level writers seeking to bring their craft to the next level.

Almost - Elizabeth Benedict 2002-06-23

A New York Times Notable Book: "The most engrossing novel I've come across in a long time." —Newsweek Fortysomething Sophy Chase has just begun her new, lighthearted, romantically adventurous life in New York City. But it comes to a screeching halt when she learns that her ex-husband—or technically, her almost-ex-husband, who is also an ex-CIA agent—has been found dead, on the island off of Massachusetts where she left him just months before. Lured back to New England by feelings she thought she'd left behind, Sophy must navigate her grown stepdaughters; a former lover who is now a celebrity lawyer; the mystery of her husband's death—and her own darkest impulses—in a "novel about death, divorce, exes, lovers and surrogate children on and off a snooty East Coast island. . . . Page-turning suspense that doesn't skimp on characterization or intelligence" (Publishers Weekly). "Benedict

captures finely tuned calibrations of feeling. . . . [She] seems to understand humor's real function . . . to get us through the day." —Newsday

Library Journal - 1996

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Comparative Literature - Steven Tötösy de Zepetnek 1998

This book serves several purposes, all very much needed in today's embattled situation of the humanities and the study of literature. First, in Chapter One, the author proposes that the discipline of Comparative Literature is a most advantageous approach for the study of literature and culture as it is a priori a discipline of cross-disciplinarity and of international dimensions. After a "Manifesto" for a New Comparative Literature, he proceeds to offer several related theoretical frameworks as a composite method for the study of literature and culture he designates and explicates as the "systemic and empirical approach." Following the introduction of the proposed New Comparative Literature, the author applies his method to a wide variety of literary and cultural areas of inquiry such as "Literature and Cultural Participation" where he discusses several aspects of reading and readership (Chapter Two), "Comparative Literature as/and Interdisciplinarity" (Chapter Three) where he deals with theory and application for film and literature and medicine and literature, "Cultures, Peripheralities, and Comparative Literature" (Chapter Four) where he proposes a theoretical designation he terms "inbetween peripherality" for the study of East Central European literatures and cultures as well as ethnic minority writing, "Women's Literature and Men Writing about Women"(Chapter Five) where he analyses texts written by women and texts about women written by men in the theoretical context of Ethical Constructivism, "The Study of Translation and Comparative Literature" (Chapter Six) where after a theoretical introduction he presents a new version of Anton Popovic's dictionary for literary translation as a taxonomy for the study of translation, and "The Study of Literature and the

Electronic Age" (Chapter Seven), where he discusses the impact of new technologies on the study of literature and culture. The analyses in their various applications of the proposed New Comparative Literature involve modern and contemporary authors and their works such as Dorothy Richardson, Margit Kaffka, Mircea Cartarescu, Robert Musil, Alfred Döblin, Hermann Hesse, Péter Esterházy, Dezső Kosztolányi, Michael Ondaatje, Endre Kukorelly, Else Seel, and others.

The Beginner's Book of Dreams - Elizabeth Benedict 2013-08-06

This celebrated coming-of-age novel moves from Manhattan during the early days of Mad Men to the swinging, chaotic 1970s: A sensitive girl burdened with her mother's drinking and long string of husbands becomes a special young woman when her best friend's family opens her eyes to art Esme Singer is a resilient girl from Los Angeles, new to Manhattan, who takes better care of her beautiful, alcoholic mother than her mother does of her. A former fashion model and extra in the movies, her mother attracts a series of husbands and boyfriends as Esme watches in fascination and sometimes horror. Esme's father comes and goes, forever riding the wave of the latest get-rich-quick scheme. As Esme becomes a teenager, she turns to her friend Leah's cultured, exotic family for inspiration and solace—especially Leah's father, a well-known photographer who encourages Esme to cultivate her gifts. Might art—and a favorite teacher—become the answer to some of her troubles? The Beginner's Book of Dreams is an insightful, sophisticated, sometimes wickedly funny, always sharp-eyed portrayal of a young woman inventing and discovering her own independent spirit.

Slow Dancing - Elizabeth Benedict 2013-08-06
Finalist for the National Book Award: A sassy, cynical professional woman's notions of love—and its apparent impossibility—are thrown into question by a man who challenges everything she thought she knew Though a talented young immigration lawyer, Lexi Steiner is in trouble. The legal organization where she works in Los Angeles may soon go under. Her habit of engaging in daring flings with charming—and sometimes not-so-charming—men is losing its luster. And her most

intimate relationship of all, the one with her college best friend, Nell, is about to be threatened by two men: Nell's serious new lover, and Lexi's: a divorced investigative reporter who does the unthinkable and falls in love with her. A fast-paced, sexy, and very serious novel about love and ambition, about bicoastal best friends and enduring lovers, *Slow Dancing* is a captivating look at lives and hearts in transition, moving forward one tentative step at a time.

Love's Confusions - C.D.C. REEVE 2009-06-30
Ranging from Plato to writers as diverse as Shakespeare, Proust, Forster, Beckett, Huxley, Lawrence, and Larkin, Reeve brings the vast resources of Western literature and philosophy to bear on the question of love. Looking at love in light of the classical world and Christianity, and in its complex relationship with pornography, violence, sadomasochism, fantasy, sentimentality, and jealousy, Reeve invites us to think more broadly about love, and to find the confusions that inevitably result to be creative rather than disturbing.

Wild Women, Wild Voices - Judy Reeves
2015-03-15

Write to Celebrate, Heal, and Free the Wild Woman Within In her years as a writing coach, Judy Reeves has found twin urges in women: they yearn to reclaim a true nature that resides below the surface of daily life and to give it voice. The longing to express this wild, authentic nature is what informs Reeves's most popular workshop and now this workshop in a book. Here, you will explore the stages that make up your life, from wild child, daughter/sister/mother, and loves and lovers, to creative work, friendships, and how the wise woman encounters death. Both intuitive and practical, *Wild Women, Wild Voices* responds to women's deep need for expression with specific and inspiring activities, exercises, and writing prompts. With true empathy, Reeves invites, instructs, and celebrates the authentic expression — even the howl — of the wild in every woman.

The Everything Guide to Writing Your First Novel - Hallie Ephron 2010-12-16

Guides readers in writing and publishing a book, including creating authentic characters, editing, and finding an agent.

[The Practice of Deceit](#) - Elizabeth Benedict

2005-06-10

This smart psychological thriller about a therapist who marries the wrong woman is “a lot of wicked fun” (Alan Cheuse, NPR's *All Things Considered*). When Eric Lavender meets the attorney Colleen O'Brien Golden, his position as one of Manhattan's chic psychotherapists and most eligible bachelors suddenly loses its appeal. The sexy, stylish Colleen lures him to live with her and her young daughter in the exclusive suburb of Scarsdale. To his amazement, Eric is besotted and soon settles into the unexpected bliss of marriage and domesticity with their new baby and his loving stepdaughter. He even becomes a local hero when the police turn to him for help in resolving a hostage crisis. But Eric's transformation comes to an abrupt halt when the police knock on his door again—this time with handcuffs. He and Colleen are caught up in an explosive conflict of interest involving their clients. When Eric discovers that Colleen has gone to extreme lengths to conceal her secret past, she retaliates with horrendous charges against him. Eric must uncover the truth before his children, his career, and his freedom are taken from him forever. As she did in her bestseller *Almost*, Elizabeth Benedict navigates the turbulent waters of love, law, psychology, and ethics with biting wit and penetrating insight. *The Practice of Deceit* is a razor-sharp novel of marriage—and divorce—gone awry.

Best Contemporary Women's Fiction - Elizabeth Benedict 2010-12-22

Six novels in one volume by today's most outstanding female writers—includes *The Magician's Assistant*, *Those Who Save Us*, and more. From the #1 New York Times-bestselling author of *Commonwealth* and *Bel Canto*, to the multiple award-winning author of *This Must Be the Place*, this collection gathers a half-dozen top-notch literary talents in a treasure trove for fiction lovers. Included: *Almost* by Elizabeth Benedict chronicles the attempt of writer Sophy Chase to come to terms with the death of her almost ex-husband—who may have committed suicide on the New England resort island where she left him just months before. *Those Who Save Us* by Jenna Blum follows Trudy, a professor of German history, as she investigates her mother's past in WWII Germany, combining a passionate,

legacy.opendemocracy.net on
2023-02-17 by guest

doomed love story; a vivid evocation of life during the war; and a poignant mother/daughter drama. *The Hearts of Horses* by Molly Gloss is a heartwarming story of a young woman with the rare talent of "gentling" wild horses, and the unexpected and profound connections between people and animals. *The Last Chinese Chef* by Nicole Mones takes readers inside the hidden world of elite cuisine in modern China, through the story of an American food writer in Beijing who discovers that her late husband may have been leading a double life. *The Vanishing Act of Esme Lennox* by Maggie O'Farrell is a gothic, intricate tale of family secrets, lost lives, and the freedom brought by truth. *The Magician's Assistant* by Ann Patchett tells the story of the death of a secretive magician—and how it sets in motion his partner's journey of self-discovery.

Writer's Yearbook - Aron M. Mathieu 1997

The Joy of Writing Sex - Elizabeth Benedict
2013-08-06

Twelve years after it was first published, *The Joy of Writing Sex* remains the classic writer's resource on creating compelling sex scenes. Elizabeth Benedict covers all the issues, from the first time, to married sex and adultery, to sex in the age of AIDS. Her instruction, supported with examples from the works of today's most respected writers—among them, Dorothy Allison, Russell Banks, Alan Hollinghurst, Joyce Carol Oates, Carol Shields, and John Updike—focuses on crafting believable sex scenes that hinge on freshness of character, dialogue, mood, and plot. In this revised edition, Benedict addresses the latest sexual revolution,

intimacy on the Internet; adds new interviews with Edmund White, Darren Strauss, Stephen McCauley, and other writers; and updates her selections to include examples from the best fiction of the past few years.

Pen in Hand - Ethard Wendel Van Stee
2010-08-02

"The connection which I have shown in this lecture to exist between the energy of the hearts contraction and the length of the muscle fibers, enables us to understand not only the marvelous power of adaptation of the heart to the varying strains of everyday life, but also the condition of this organ in disease, when from overstrain or morbid alterations in its muscles or valves it fails to carry out its functions with efficiency." What a beautiful sentence. It was delivered by the eminent physiologist Ernest H. Starling near the end of his Linacre Lecture given at Cambridge in 1915. When I was a young man editing manuscripts for technical journals, I was appalled by how poorly so many young scientists wrote. As the excerpt from Starling illustrates, scientific reporting was at one time rendered in well crafted prose. So, what happened? Style in scientific writing, as elsewhere, grew so transparent as to disappear altogether. My personal journey put me on a decades long path from technical to creative writing. Good writing is good writing, wherever it is found. My goal is to help you become a sculptor of words as you pursue the art of fiction. Some of what I have gleaned over the years, as heir to an older tradition, I offer to you in this extended essay.
