

# The Hours After Letters Of Love And Longing In Wars Aftermath

**Comparative Central European Holocaust Studies** - Louise Olga Vasvári 2009

The work presented in the volume in fields of the humanities and social sciences is based on 1) the notion of the existence and the "describability" and analysis of a culture (including, e.g., history, literature, society, the arts, etc.) specific of/to the region designated as Central Europe, 2) the relevance of a field designated as Central European Holocaust studies, and 3) the relevance, in the study of culture, of the "comparative" and "contextual" approach designated as "comparative cultural studies." Papers in the volume are by scholars working in Holocaust Studies in Australia, Germany, Hungary, Israel, Serbia, the United Kingdom, and the US.

**Storm from the East** - Joanna Hathaway 2020-02-11

Part war drama, part romance, *Storm from the East* is the second installment in Joanna Hathaway's epic *Glass Alliance* series. War has begun, and the days of Athan's and Aurelia's secret, summer romance feel a world away. Led by Athan's father, the revolutionary Safire have launched a secret assault upon the last royal kingdom in the South, hoping to depose the king and seize a powerful foothold on the continent. Athan proves a star pilot among their ranks, struggling to justify the violence his family has unleashed as he fights his way to the capital—where, unbeknownst to him, Aurelia has lived since the war's onset. Determined to save the kingdom Athan has been ordered to destroy, she partners with a local journalist to inflame anti-Safire sentiment, all while learning this conflict might be far darker and more complex than she ever imagined. When the two reunite at last, Athan longing to shake the nightmare of combat and Aurelia reeling from the discovery of a long-buried family truth come to light, they'll find the

shadow of war stretches well beyond the battlefield. Each of them longs to rekindle the love they once shared . . . but each has a secret they're desperate to hide. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Holocaust Literature: Lerner to Zychlinsky, index** - S. Lillian Kremer 2003

Review: "This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences. The collection is alphabetically arranged and consists of high-quality biocritical essays on 309 writers who are first-, second-, and third-generation survivors or important thinkers and spokespersons on the Holocaust. An essential literary reference work, this publication is an important addition to the genre and a solid value for public and academic libraries."--"The Top 20 Reference Titles of the Year," *American Libraries*, May 2004

*Joyful Human Rights* - William Paul Simmons 2019-01-24

In popular, legal, and academic discourses, the term "human rights" is now almost always discussed in relation to its opposite: human rights abuses. Syllabi, textbooks, and articles focus largely on victimization and trauma, with scarcely a mention of a positive dimension. Joy, especially, is often discounted and disregarded. William Paul Simmons asserts that there is a time and place—and necessity—in human rights work for being joyful. *Joyful Human Rights* leads us to challenge human rights' foundations afresh. Focusing on joy shifts the way we view victims, perpetrators, activists, and martyrs; and mitigates our propensity to express paternalistic or heroic attitudes toward human rights victims. Victims experience joy—indeed, it is often what sustains them and, in many cases, what best facilitates their recovery from trauma. Instead of

reducing individuals merely to victim status or the tragedies they have experienced, human rights workers can help harmed individuals reclaim their full humanity, which includes positive emotions such as joy. A joy-centered approach provides new insights into foundational human rights issues such as motivations of perpetrators, trauma and survivorship, the work of social movements and activists, philosophical and historical origins of human rights, and the politicization of human rights. Many concepts rarely discussed in the field play important roles here, including social erotics, clowning, dancing, expressive arts therapy, posttraumatic growth, and the Buddhist terms metta (loving kindness) and mudita (sympathetic joy). Joyful Human Rights provides a new framework—one based upon a more comprehensive understanding of human experiences—for theorizing and practicing a more affirmative and robust notion of human rights.

Jewish and Romani Families in the Holocaust and its Aftermath - Eliyana R. Adler 2020-10-16

Diaries, testimonies and memoirs of the Holocaust often include at least as much on the family as on the individual. Victims of the Nazi regime experienced oppression and made decisions embedded within families. Even after the war, sole survivors often described their losses and rebuilt their lives with a distinct focus on family. Yet this perspective is lacking in academic analyses. In this work, scholars from the United States, Israel, and across Europe bring a variety of backgrounds and disciplines to their study of the Holocaust and its aftermath from the family perspective. Drawing on research from Belarus to Great Britain, and examining both Jewish and Romani families, they demonstrate the importance of recognizing how people continued to function within family units—broadly defined—throughout the war and afterward.

84 Charing Cross Road - H el ene Hanff 2013

What started as a request for an out-of-print book evolved into a 20-year friendship between Helene Hanff, a freelance writer living in New York, and Frank Doel, a used-book dealer in London.

**The Soldier's Wife** - Pamela Hart 2015-04-28

If you loved Fiona McIntosh's NIGHTINGALE, you will love this sweeping

historical love story set in Australia during World War One. Newlyweds Ruby and Jimmy Hawkins are sure their love will survive the trauma and tragedy of war. Amid the desperate battles raging in Gallipoli, Jimmy dreams of the future they planned together. In Sydney, Ruby reads his romantic letters full of love and longing. But as weeks slip into months Ruby must forge her own new life. When she takes a job at a city timber merchant's yard, she is thrown into a man's world fraught with complications. And as the lives of those around her begin to shatter, Ruby must change if she is to truly find her way. Is she still the same woman Jimmy fell in love with? Inspired by the true story of the author's own family history, THE SOLDIER'S WIFE is a heart-soaring story of passion, love and loss and learning how to live when all you hold dear is threatened. INCLUDES BONUS CHAPTERS of Pamela's enthralling new novel, THE WAR BRIDE. 'Evokes WWI Sydney to the point where the reader can almost feel the salty wind blowing off the harbour as the troops are shipped out through the Heads' BOOKS+PUBLISHING

**Promise of a New Spring** - Gerda Weissmann Klein 1981

Describes the events of the Jewish Holocaust, comparing it to a forest fire that destroys all forms on life. The survivors are the promise of renewal.

*Michigan Jewish History* - 2001

**Jews, Germans, and Allies** - Atina Grossmann 2009-08-10

In the immediate aftermath of World War II, more than a quarter million Jewish survivors of the Holocaust lived among their defeated persecutors in the chaotic society of Allied-occupied Germany. Jews, Germans, and Allies draws upon the wealth of diary and memoir literature by the people who lived through postwar reconstruction to trace the conflicting ways Jews and Germans defined their own victimization and survival, comprehended the trauma of war and genocide, and struggled to rebuild their lives. In gripping and unforgettable detail, Atina Grossmann describes Berlin in the days following Germany's surrender--the mass rape of German women by the Red Army, the liberated slave laborers and homecoming soldiers, returning political exiles, Jews emerging from

hiding, and ethnic German refugees fleeing the East. She chronicles the hunger, disease, and homelessness, the fraternization with Allied occupiers, and the complexities of navigating a world where the commonplace mingled with the horrific. Grossmann untangles the stories of Jewish survivors inside and outside the displaced-persons camps of the American zone as they built families and reconstructed identities while awaiting emigration to Palestine or the United States. She examines how Germans and Jews interacted and competed for Allied favor, benefits, and victim status, and how they sought to restore normality--in work, in their relationships, and in their everyday encounters. Jews, Germans, and Allies shows how Jews were integral participants in postwar Germany and bridges the divide that still exists today between German history and Jewish studies.

[A Small Hotel](#) - Suanne Laqueur 2021-07-10

A SMALL HOTEL A new novel from Suanne Laqueur, author of *The Fish Tales* *An American Family*. A World War. A First Love. A Small Hotel. It's the summer of 1941. Europe is at war, but New York's Thousand Islands are at the height of the tourist season. Kennet Fiskare, son of a hotel proprietor, is having the summer of a lifetime, having fallen deeply in love with a Swedish-Brazilian guest named Astrid Virtanen. But the affair is cut short and the young lovers permanently parted, first by Astrid's family obligations, then by America's entry into the war. The rigors of military life help dull his heartache, but when Kennet's battalion reaches France, he is thrown into the crucible of front line combat. As his unit crosses Europe, from the Battle of the Bulge in Belgium to Mauthausen concentration camp in Austria, Kennet falls into a different kind of love: the intense camaraderie between soldiers. It's a bond fierce yet fragile, vital yet expendable, here today and gone tomorrow. Sustained by his friendships, Kennet both witnesses and commits the unthinkable atrocities of warfare, altering his view of the world and himself. To the point where a second chance with Astrid in peacetime might be the most terrifying and consequential battle he's ever fought. With her signature blend of soul-stirring prose and emotional complexity, Laqueur takes readers on a journey through events that shape an American family's

weakest moments and finest hours. *A Small Hotel* illuminates the experience of ordinary people thrown into extraordinary circumstances, and their once-in-a-generation camaraderie, courage and resiliency. It's a novel for the world, a heartbreaking, uplifting story of family, love and human endurance.

**All But My Life** - Perfection Learning Corporation 2021-02

[This Is How You Lose the Time War](#) - Amal El-Mohtar 2019-07-16

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked “Burn before reading. Signed, Blue.” So begins an unlikely correspondence between two rival agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they're the best, and they're alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning's what you do in war. Isn't it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.

**Letters from Diaspora** - Arnesa Buljusic-Kustura 2016-01-13

"This book is about the Bosnian immigrants that survived the war and genocide. These stories, although fictionalized, are based of real people, real trauma, and real experiences"--Author's note.

**Contemporary Authors** - 2002

**The Blue Rose** - Gerda Weissmann Klein 1974

Brief text and black and white photographs explain how Jenny is different from other girls and why she needs more love and understanding.

*The Hours After* - Gerda Weissmann Klein 2000-02-19

The love letters of Gerda and Kurt Klein, revealing one of the greatest

love stories ever told. Over fifty years ago, Gerda Weissmann was barely alive at the end of a 350-mile death march that took her from a slave labor camp in Germany to the Czech border. On May 7, 1945, the American military stormed the area, and the first soldier to approach Gerda was Kurt Klein. She guided him to her fellow prisoners who lay sick and dying on the ground, and quoted Goethe: "Noble be man, merciful and good." Perhaps it was her irony, her composure, her evident compassion in the face of tragedy, that struck Kurt Klein. A great love had begun. Forced to separate just weeks after liberation and hours after their engagement, Gerda and Kurt began a correspondence that lasted until their reunion and wedding in Paris a year later. Their poignant letters reflect upon the horrors of war and genocide, but above all, upon the rapture and salvation of true love.

**The Hours After** - Gerda Weissmann Klein 2000

**All But My Life** - Gerda Weissmann Klein 2019-11-19

All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops--including the man who was to become her husband--in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the

camp, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome.

**A History of Jews in Germany Since 1945** - Michael Brenner  
2018-01-25

A comprehensive account of Jewish life in a country that carries the legacy of being at the epicenter of the Holocaust. Originally published in German in 2012, this comprehensive history of Jewish life in postwar Germany provides a systematic account of Jews and Judaism from the Holocaust to the early 21st Century by leading experts of modern German-Jewish history. Beginning in the immediate postwar period with a large concentration of Eastern European Holocaust survivors stranded in Germany, the book follows Jews during the relative quiet period of the 50s and early 60s during which the foundations of new Jewish life were laid. Brenner's volume goes on to address the rise of anti-Israel sentiments after the Six Day War as well as the beginnings of a critical confrontation with Germany's Nazi past in the late 60s and early 70s, noting the relatively small numbers of Jews living in Germany up to the 90s. The contributors argue that these Jews were a powerful symbolic presence in German society and sent a meaningful signal to the rest of the world that Jewish life was possible again in Germany after the Holocaust. "This volume, which illuminates a multi-faceted panorama of Jewish life after 1945, will remain the authoritative reading on the subject for the time to come." —Frankfurter Allgemeine Zeitung "An eminently readable work of history that addresses an important gap in the scholarship and will appeal to specialists and interested lay readers alike." —Reading Religion "Comprehensive, meticulously researched, and beautifully translated." —CHOICE
