[Queen Crow](#) - J Bree 2021-08-25

It was never supposed to be like this. My darkest secret has just been sent to the one person I was desperate to hide it from and now it's too late to take it back. The damage has been done. With Atticus' life in the balance and three new members about to be sworn in to the Twelve, the stakes have never been higher. Having my family back should be the greatest blessing but instead, it's just made things more complicated. We're building a new empire in the Bay, one that is stronger than any that came before it. Loyalties are being tested and reputations forged on the streets of the country's most notorious city. But one thing is for sure. We might not all make it through, but so begins my reign.

Overcoming School Refusal - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the autism spectrum with school refusal

[All Hail](#) - J Bree 2021-01-10

The death of my serial killer father was supposed to free me. After the horrors of high school, my family has reluctantly left me behind to heal from my trauma on my own terms. Since my kidnapping, I no longer know the girl who stares back at me in the mirror. The love of my life is avoiding me, desperate to keep me safe, and the man who should hate me won't stop coming to my rescue. I've always known what I wanted but now I'm not so sure. The criminal underworld of Mounts Bay never sleeps and with new players on the board there's all new threats and the stakes have never been higher. One thing is for sure; I would rather die on my feet than live on my knees.

[Beautifully Loyal](#) - Nicole Edwards 2015-09-22

Sometimes love isn't enough... Sometimes you're required to be beautifully loyal. If you think you know her... You're wrong. If you think you know her family... Wrong again. If you think you know her story... You don't. Ashlynn Adorite is no stranger to the cruel and unusual world she was born into. In fact, she accepts it, understands it, embraces it. However, in her world, falling in love isn't simply a choice. It causes problems, changes lives, disrupts business. Sex, pleasure, carnal desires ... those things Ashlynn understands. Love ... not so much. Her world is turned upside down when she starts to feel something for not just one man, but two. The question is, can she have all that she desires, or will loyalty to her family interfere.

Fake - Tate James 2020-08-19

Madison Kate is a new adult/college age dark romance with enemies to lovers/hate to love themes. This is a reverse harem series, meaning the leading lady has several love interests and she doesn't have to choose between them for her happily ever after. If this isn't your cup of tea, then this isn't the series for you. ♥ FAKE is book 3 of 4 in the MADISON KATE series. The blurb below will contain spoilers for previous books, and I urge you not to read it until you've finished both HATE and LIAR. ♦♦♦ "You'll always be mine." The latest taunt from my stalker reminded me I was nothing more than a possession to my father, to the Reapers, to Archer D'Ath. Even to Kody and Steele. Princess Danvers-the prize. His wife. Archer D'Ath's wife. I hated them. They lied to me. Over and over again. I knew they lied and I hated myself for letting it happen. For

believing in the fake relationships I had wanted so desperately to be real. Fake. It was all fucking fake. My stalker isn't letting me go. None of them are. Archer and his boys think they control me. My stalker wants to possess me. I'm not an idiot, I know my newest allies are using me, too. That's fine. I'll use all of them. I'll use them to take back what's mine. My life. My freedom. My name. No one owns Madison Kate Danvers.

[Winter of the Wolf](#) - Cherise Sinclair 2012-11-01

Erotic paranormal menage romance After years in foster care, Breanne Gallagher has the stable life she's always wanted, living with her foster-sister, working as a chef, enjoying her comfortable routines. Then one devastating night, a hellish creature invades her apartment and shatters her fragile existence. Shifting between monster and man, it slaughters her foster sister and assaults Bree. Alone, wounded, her beloved home tainted by gruesome memories, Bree flees to a tiny wilderness town, following her only clue to her past. Shapeshifting warriors, Zeb and Shay move from one pack to another, hunting the hellhounds which prey on their kind. Assigned to Cold Creek, they take over management of a decrepit fishing lodge for their "human" cover. Their first renter is a pretty human female who trembles at the sight of them-yet stands her ground. Furious at the hurt they see in her eyes, the protective nomads are drawn into helping her. Although no shapeshifter is ever attracted to a human, her scent is oddly compelling, and her ferocious determination to conquer her fears ignites longings neither loner ever expected to face. Bree is healing, learning to shoot the biggest pistol she can find, and overcoming her fears, especially of the two deadly, disconcertingly attractive hunters. Her life is getting back on track...until she tries to save a little girl from a hellhound and discovers that everything she knows about herself is false.

[The Man I Can't Have](#) - Shanora Williams 2019-04-26

It started as as a simple search for a landscape designer...I wanted a beautiful backyard for my new home and my neighbors suggested I look into Ward Landscaping & Design. The owner had no pictures of himself on his website, just a portfolio of nice outdoor sitting areas, pools, and vibrant gardens that I'd always dreamed of having. Of course I hired him. I expected to meet an average guy, but Mr. Marcel Ward is far from your average man. He's handsome, and well-built, and his smile-though a rare trait-is truly infectious. He's every woman's dream-a handsome, older man who doesn't mind getting down and dirty to create something beautiful all because of his passion for it. Unfortunately that lucky woman can't be me. Although Mr. Ward tests my limits, quickens my breath, and makes my heart skip a beat when he's around, I've made a promise to devote myself to my husband. So why am I falling for a man I know I can't have?

[Misadventures with a Professor](#) - Sierra Simone 2018-11-06

"Sierra Simone is a master at....word play and fills the pages with one girls adventure with an older more experienced man." ~Beyond the Covers Book Blog Zandy Lynch never planned on going to grad school a virgin. So when her professor father finds her a job abroad as a research assistant the summer before she starts her master's program, she sees her chance. She's got one night in London to lose her V-card to a Mr. Darcy lookalike before she has to join some ancient professor in the country. Oliver Graeme is not looking forward to having some American co-ed hovering around while he's trying to work, but he owes her father the favor, and besides, his office is an untidy mess of uncatalogued research. He needs the help. Still, he decides to take the edge off his frustration while visiting a colleague in London, and winds up having the sexiest, sweetest night of his life with a stranger, who vanishes in the morning without a trace... To Zandy's shock when she arrives at Professor Graeme's house a day later, the door isn't opened by a fussy old scholar, but by the wild, passionate man she met in London. Cold and reserved by day, Oliver is ferociously greedy with her at night, and it's not long before Zandy finds herself falling for both versions of him—the aloof professor and the generous, rough lover. The trouble is that summer only lasts so long, and Zandy already has a plane ticket waiting to take her home... *Misadventures* is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance. The stories are scandalous, refreshing, and, of course,

incredibly sexy. They're the perfect bedside read, a 'quick blush' for the reader who loves a page-turning romance.

Liar - Tate James 2024-02-20

"Liar, liar, pants on fire." The words scrawled on the back of my newest stalker mail make my blood run cold. I have no idea if the lie is one I know I'm telling...or one that I don't. Since arriving back to Shadow Grove, I've been stalked, tormented, chased, and almost killed. I've been lied to, repeatedly, by the boys I was finally growing to trust-and more. Liar. That word haunts all four of us, but it haunts me the most. Someone knows more about my life than I do. Someone is taunting me with answers and teasing me with secrets. Am I desperate enough to fall for more deception? To fall deeper into this tangle of danger and heat? One thing is for sure: Archer and his boys made a huge mistake when they decided to keep me from the truth. They thought they could play me, but they're about to learn that they've met their match. No one stabs Madison Kate in the back and gets away with it.

Don't Cheat Me - Jackie May 2018-06-12

One month after Nora's violent induction to the dangerous supernatural side of Detroit, she's finally settling into her new life as the underworld's token human. All she wants to do is mind her own business, enjoy her new friends, and stay safe. But that's easier said than done when she's such an enigma to everyone around her. Thanks to her unique psychic abilities, she's garnered a reputation for being mysterious and powerful. When the alpha of a local werewolf pack asks her to help him figure out who is stealing from him, she can't say no, even though getting involved in pack business could have deadly repercussions. While tangled up in a heap of werewolf troubles, Nora can't quite shake her old vampire problem, either. Henry is practically stalking her, Parker is breaking down the walls around her heart, and Nora's blatant fear of the blood-sucking monsters is a delicious temptation for the natural predators. Nora's succubus friend, Cecile, believes throwing her a "coming out" party into underworld society is the best way to solve all of her problems. Nora disagrees. If the vampires and werewolves don't kill her, Cecile's party planning definitely will. * This is book 2 in the Nora Jacobs series and should be read after book 1. It is a slow burn reverse harem series.

Beyond Jealousy - Kit Rocha 2014-03-17

She's been looking for the perfect man. She found two. When Rachel Riley sacrificed a life in Eden to protect the O'Kanes, she earned her place in the powerful Sector Four gang. But the former crime princess is tired of being everyone's sweet little sister. It's time for her to get wild, to embrace her fantasies as only an O'Kane can—with a delicious exiled soldier and the gang's wickedly sinful tattoo artist. A saint... Lorenzo Cruz is a warrior, taught by his commanding officers in Eden that involvement equals distraction. Emotion is a liability, and desire a sin. In Sector Four, he finds decadence, shameless sex—and his own dark urges. No battle strategy prepared him for how Rachel makes his heart race...or the way his rival for her affections sets his blood on fire. ...and a sinner. Ace Santana has a dirty reputation and a mind to match, especially where his new lovers are concerned. He's eager to help Cruz embrace his dominant side, and to explore the lines between pleasure and pain with Rachel. But corrupting them quickly becomes an obsession, a need he can't deny—and a love he never imagined. Three hearts on the line means a hundred ways their ménage a trois could go wrong. After all, even O'Kanes do forever two-by-two. One of them could be the missing piece that makes them all whole...or a temporary diversion destined for a broken heart.

The Guy from Glamour - Skylar M. Cates 2014

A Work in The Guy Series Anthony Carrino loves his big, gregarious Italian-American family, even if his sisters are interfering, and his dad, the local sheriff, knows everything going on in town. He's happy as a middle school guidance counselor. Despite helping kids and their parents fix their problems, Anthony can't manage to get his own love life right. If only everyone would stop calling him the "nice" guy. Dean Pierce doesn't do relationships. A tough-minded military man, he is dedicated to his job as a Night Stalker, flying Chinook helicopters and not speaking much to anybody. He certainly doesn't want to deal with a mess of emotions. But when tragedy strikes, Dean finds his hands full with his troubled niece, her irresistible guidance counselor, and a meddlesome family, which includes a rather large puppy.

Twelve Years A Slave, Illustrated Edition - Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Tonight With Donny Stixx - Philip Ridley 2017-01-17

It's at times like this I'm inspired by The Stupendous Santini. He toured the mid-West during the 1930s, entertaining farmers affected by the Dust Bowl. No one would have remembered him were it not for the fact that during his most famous trick - sword swallowing - he accidentally punctured a lung and died on the spot. He became a legend. Donny has committed an act that shocked everyone. Tabloids called him The Most Hated Boy Alive. But Donny doesn't want forgiveness. All Donny wants is . . . his own television show. Written by internationally acclaimed writer Philip Ridley, Tonight With Donny Stixx is the companion piece to Ridley's 2013 Fringe First-winner Dark Vanilla Jungle, and received its premiere at the Soho Theatre, London, on 27 July 2015 before premiering at the Edinburgh Festival Fringe.

A Lick of Frost - Laurell K. Hamilton 2008

Fantasy-roman.

The Fire - May Archer 2019-07-19

JAMIE Parker Hoffstraeder is gorgeous, cocky, and totally irrational. He also broke my heart when he left town eleven years, four months, and twenty-eight days ago. Not that I'm counting. I don't mind admitting it: I was young. I got burned. I learned my lesson. But the guy swaggers back into O'Leary like he owns the damn place and suddenly I'm expected to welcome him to my town - to my life - like nothing's changed? Yeah, that I mind. It's only a matter of time until he's gone again. And there's no way I'll give him a chance to take another piece of me when he goes. PARKER Jameson Burke is the most arrogant, infuriating human on the planet. He's also taller, broader, and impossibly hotter than he was before I left town. But, whatever. It's fine. I can handle it. Coming back to O'Leary was supposed to be like coming home. I hadn't realized that there's no statute of limitations on how long your first love and former best friend is allowed to hate your guts, or how much bad luck can befall a person in a short time. But, I can handle that, too... or at least pretend to. When Jamie and I are thrown together in a blizzard, though, everything changes in the space of one single, scorching night. Suddenly, I'm dreaming of a future I can't have, and he's stuck in a past he can't let go. It feels like we're playing with fire... And this time I'm the one who's gonna burn.

Hannaford Prep - J Bree 2020-10-24

The most exclusive school in the entire country, Hannaford Preparatory Academy, has offered me a full-ride scholarship and a chance to escape the dangerous streets of Mounts Bay. The only problem is, no scholarship student has ever made it through freshman year. None of the rich kids understand the need for survival that runs through my veins, the throne I've fought and killed to sit on, and there are more deranged killers stalking me than I can keep count of. They think they can break me. They're wrong. No one touches the Wolf.

Kate - Tate James 2024-03-19

"I never miss." Riot Night changed my life. Coming back to Shadow Grove turned it on its head. I've been hunted, stabbed, stalked, tormented, and used. Hate fueled me, lies tore me apart, and in the end, everything I thought I knew turned out to be fake. Except... Riot Night also brought Archer, Kody, and Steele back into my life. No matter how much I've fought my feelings for them, no matter how much I've hated them or how many of their deceptions I've uncovered--I want them in my life. I want to fight for them. All three of them. No one owns me. No one is taking them away. This is my life, damn it, and these guys are mine to keep. If a war is what it takes, then a war is what our enemies will get.

Sissy Dreams: From Boyfriend to Girlfriend - Paul Zante

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.
