Ever feel like the Ugly Girl? Rosie Avalon doesn't know what to make of the bounty hunter who barreled into her life and turned everything on its head. When he lifts her concealment, Rosie goes from having a face that makes people cringe, to being suddenly beautiful. Bastien promises she'll be safe when he takes her to a world teeming with Fae, Retifs, Brownies and the like, but with a target on her back and too many broken parts in this new magical world, Rosie isn't sure a safe place exists under her evil mother's rule. Now with everyone trying to use her for gifts she never knew she had, Rosie wonders if life was better back when she was the ugly girl. "Ugly Girl" is book one of an 11-part fantasy romance series.

Mia is a happy child with loving parents. Her father even calls her "his beautiful girl." When it's time for the first day of

school, Mia is thrilled to make new friends, but her heart breaks when the other children are mean to her, making fun of the way she looks. Mia is so hurt that she runs and cries in the bathroom. She doesn't tell her parents about the bullies at her school. Instead, she makes a plan. She will wear new clothes and try different hairstyles. Mia will be mean like the bullies, and then, they'll like her! Her plan works, but Mia quickly learns that even if she has changed on the outside, she's still sweet and loving on the inside. What does Mia do? She helps new students and students being bullied and becomes a friend to the friendless. Her bravery makes Mia a hero. Ugly Girl is the inspiring story of one child who triumphs over bullying by celebrating her uniqueness, respecting others, and being who God wants her to be—not who others expect.

Faite Books 1-3 Bundle - Mary E. Twomey 2021-09-04
Running toward danger is about to become Rosie's full-time job. When a grizzled

stranger crashes into her life and lifts the concealment that has marred her face since childhood, Rosie Avalon leaves everything she knows behind. Pulled into a realm teeming with magical creatures, Rosie must navigate this new, broken world while avoiding capture by the evil queen, who knows there's more to Rosie than meets the eye. Bastien is an Untouchable, feared and shunned by all but a handful of elite warriors. His realm has been ravaged by the evil queen's reign, but he will stop at nothing to save the land he loves, even if it means pushing Rosie past her breaking point. Thrust into a quest that threatens to destroy her family, Rosie's path is clear: she must sacrifice all she holds dear to save a world on the brink of collapse, and hope she doesn't lose herself along the way. This is books 1-3 in a 14-part fantasy romance series written by USA Today Bestselling Author Mary E. Twomey. Download now to start this heart-pounding adventure!

Perry and Baby Girl are best friends, though you wouldn't know it if you met them. Their friendship is woven from the threads of never-ending dares

and power struggles, their loyalty fierce but incredibly fraught. They spend their nights sneaking out of their trailers, stealing cars for joyrides, and doing all they can to appear hard to the outside world. With all their energy focused on deceiving themselves and the people around them, they don't know that real danger lurks: Jamey, an alleged high school student from a nearby town, has been pinning after Perry from behind the computer screen in his mother's trailer for some time now, following Perry and Baby Girl's every move—on Facebook, via instant messaging and text, and, unbeknownst to the girls, in person. When Perry and Baby Girl finally agree to meet Jamey face-to-face, they quickly realize he's far from the shy high school boy they thought he was, and they'll do whatever is necessary to protect themselves. Lindsay Hunter's stories have been called "mesmerizing. . . visceral . . . exquisite" (Chicago Tribune), and in Ugly Girls she calls on

Confessions of an Ugly Girl - Alice Wasser 2015-06-24

Millie Glockenfeld will never fall in love. She will never get engaged. She will never get married. She will never live in a house with a white picket fence and 2.4 children. And all for one very simple reason: She is ugly. Fortunately, one thing Millie has learned over the years is that she doesn't need a man. She's got a good job, a loyal best friend, and a crazy but lovable cat lady who lives downstairs from her. What more does a girl need in life? But then one day Millie meets Sam Webber. He is adorably handsome and absolutely perfect (well, almost). And Sam thinks that Millie is beautiful. Now there's a chance that Millie might get the happy ending she's always secretly wanted... if only she can learn to look in the mirror and see what Sam sees.

The Adventures of an Ugly

Girl - Elizabeth Burgoyne

Corbett 2022-01-11

The Adventures of an Ugly Girl (1893) is a novel by Elizabeth Burgoyne Corbett. While she is mostly remembered today for New Amazonia, a feminist utopian novel which depicts the emergence of an advanced society of women in the not-so-distant future, Corbett was also a pioneering romance and detective novelist. While little is known about Corbett, her surviving novels and stories suggest she was a passionate campaigner for women's suffrage in an era of conservative politics and traditional values. "Why, what does it matter how your hair is dressed, or what sort of a gown you put on? You may just as well spare your pains, for unfortunately nothing that you can do seems to mitigate your ugliness. I'm sure I cannot think where you get it." Dora Courtenay is moments away from meeting her new stepmother, but can't find anything proper to wear for the occasion. Despite her sister

Belle's constant bullying, she finds the confidence to get herself dressed and, with her brother Jerry's encouragement, goes downstairs to finish preparing the dining room for their guest. As her father and his new bride wait in the next room, Dora, unaware of their presence, makes a crude joke about Lady Elizabeth, only to discover that her insult, however innocent, was overheard. Despite this blunder, the two start off on even ground, leading Dora to believe that she could grow to admire her new stepmother. Soon, however, her step grandfather the Earl of Greatlands makes a surprising request: he would like to marry her, making Dora a Countess. With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Burgoyne Corbett's *The Adventures of an Ugly Girl* is a classic of Victorian romance literature reimagined for modern readers.

Big Mouth & Ugly Girl - Joyce Carol Oates 2009-10-13

Big Mouth No I did not. I did not, I did not. I did not say those things, and I did not plan those things. Won't It anyone believe me? Ugly Girl All right, Ugly Girl made a mistake. I'd told my mom what I'd heard in the cafeteria, and she'd told Dad. Evidently. I'd thought for sure they would want me to speak up for the truth.

In a faraway kingdom, a queen gives birth to a baby girl, the ugliest child ever known on this earth. The girl has skin as white as the bloated bellies of worms drowned after a spring rain. her skin. In a neighboring kingdom, another homely girl dreams of attending the royal ball and dancing with the prince. But girls who look like her don't wear beautiful dresses and kiss handsome princes. You may think this is where the girl's fairy godmother comes into the picture. But fairies are drawn to beauty. Ugly girls have to make their own magic. This short story is 3000 words long. It is also available in *Not Your Heroine*, a fantasy short story collection.

Ugly Girl - Holly Day
2015-10-27

Like a bomb that only goes off slowly over the course of decades, *Ugly Girl* by Holly Day is a litany of the damages done to self and others caught within the blast radius, the faceless ones who set the charge but are somehow never fully held accountable for it. It is no sudden explosion, but one that takes years to notice; as she says in *Unwinding*: I know time has passed because my reflection has been replaced by the face of a stranger. The

speaker in the poems is never the one "they" think she is, or the one they want her to be. Despite this disconnection, there is an undaunted strength that bursts through the layers of subjugation: There are only so many people I can be for you and I have to be myself now. - From "This isn't love" *Ugly Girl* is a must read for woman and man alike; it's honesty and willingness to engage the reader with its perceptiveness and inclusivity will relate to all on a human level.

world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the

collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
