Great Sex - Michael Castleman 2008-04-01

Do you want to be a great lover and enjoy consistently great sex? Would you like reliable erections that

don't wilt in the middle of lovemaking? Would you like superb ejaculatory control? Would you like your penis to be as large as it possibly can be? Do you want women to sing your sexual praises? All these sexual

benefits can be yours if you read *Great Sex* and take its message to heart. Author Michael Castleman is the nation's top journalist specializing in men's sexuality. He has been a sex educator, counselor, and writer for 30 years, including 5 years as the expert who answered the sex questions submitted to the *Playboy* Advisor. Written with the help of an advisory board that includes some of the nation's leading sex therapists, *Great Sex* is certain to help you overcome your sex problems; become a better, more confident lover; and enjoy the sex of your dreams. Castleman's message is surprisingly simple: Stop imitating the rushed, all-genital sex you see in pornography. Instead, cultivate the opposite: leisurely, playful, total-body, massage-based lovemaking that includes the genitals, of course, but is not focused on them. Sex inspired by pornography is a major reason why men think their penises are too small and why they have erection and ejaculatory problems. With wit, wisdom, and down-to-earth sympathy for men, Castleman discusses his own penis--like yours, it's a little too small--and his own struggles with balky erections, rapid ejaculation, and not expressing orgasm at all. Then, based on state-of-the-art sex therapy techniques, leading sexology texts, and almost 400 medical journal articles, he reveals how to overcome these issues and enjoy a satisfying and exciting sex life. What's more, the sexual style Castleman advocates is the way most women prefer to make love. Take Castleman's advice and you'll benefit by having a lover who is more arousable, responsive, enthusiastic, and complimentary. In other words, when you embrace sensual, creative, whole-body lovemaking, everybody wins. You have fewer sex problems. The woman you love gets what she wants in bed. And you both enjoy sex that's hotter, more erotic, and more fulfilling.

What Men Want in Bed - Bettina Arndt 2012-01-01

Across the world, the story is the same. Sex scandal. Media frenzy. Another prominent man caught with his pants down. So why do men take such risks for sex? Sex therapist Bettina Arndt's new book is all about why sex matters so much to men. More than 150 men kept diaries for her, talking about what it is like to live with that constant sparking sexual energy and relentless, uncontrollable, all-consuming. Their painfully honest, confronting, often hilarious stories explain their quest for sexual adventure, their secret delights, the thrill of giving pleasure, why some men turn to pornography and men's delight in the Viagra revolution. With every second man over fifty dealing with erection problems, Bettina offers advice on the wondrous new treatments giving men a new lease of sexual life. Her diarists reveal what it is like to pop little blue pills, or inject their best friend, or face impotence after prostate cancer treatments, or use treatments with a reluctant partner. *What Men Want: In Bed* lifts the lid on men's longings, frustrations, their fears and their intense joy in making love.

Deep Inside: Extreme Erotic Fantasies - Polly Frost 2007-05-29

Ten tantalizing tales from a talented voice in erotic fiction, each with a twist. Whether it's enchanted sex toys, alien enticements, or Viagra addicts, these stories explore the outer limits of eroticism. A dominatrix with a discipline problem. A nervous virgin tempted by an unearthly sacrifice. Lust-crazed Viagra addicts. A seductive serial killer. A sexual psychic who can foresee other people's erotic adventures. And a street cop hooked on alien ecstasy... The sensual men and women in this sizzling collection are all in search of the ultimate sexual high. No plain vanilla sex here; driven by insatiable desires, they push their bodies and souls to the limits, exploring the outer reaches of eroticism. From arcane sexual rituals to the heights of Hollywood decadence, *Deep Inside: Extreme Erotic Fantasies* breaks every taboo as it takes you inside the throbbing flesh and twisted urges of the kinky, the depraved, and the supernatural. Turn down the lights and enter a new realm of exotic and forbidden pleasures. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Poem Is You - Stephanie Burt 2016-09-12

The variety of contemporary American poetry leaves many readers overwhelmed. The critic, scholar, and poet Stephen Burt sets out to help. Beginning in the early 1980s, where critical consensus ends, he presents 60 poems, each with an original essay explaining how the poem works, why it matters, and how it speaks to other parts of art and culture.

Advertising and Violence - Nora J. Rifon 2014-12-18

Advertising and Violence identifies and analyzes the important issues related to violence in advertising and its overall effects on society. The book is based on a widely cited special issue of the *Journal of Advertising* and includes eight new chapters that expand the book's coverage. The objective of the book is to compile a

compendium of current thinking, perspectives, theoretical viewpoints, and research relevant to the violence and advertising interface. The chapter authors, all notable experts in the field, take a multidisciplinary approach that incorporates perspectives from disciplines other than marketing in order to provide a broad-based view of how advertising and violence coalesce and the policy implications of this juxtaposition.

Viagra Sex and Romance - Elizabeth Myles 1998-09

This very explicit -- and very charming -- collection of true tales of romantic passion, eroticism, and rekindled love is highly inspirational. Viagra -- being used by women and men -- is ushering in a new age of sexual enlightenment and fulfillment for both sexes. Is it for you? You'll read about a new type of second honeymoon, tango trios, new places and ways to find ecstasy, double headers, and many other sexy secrets.

Sex After . . . - Iris Krasnow 2014-02-06

The bestselling author of *The Secret Lives of Wives* offers a refreshingly straightforward guide to enjoying a long, satisfying sex life. Women of the baby boomer generation know and trust Iris Krasnow as a writer who speaks candidly to the issues that concern them most. In the months following the publication of her most recent book, *The Secret Lives of Wives*, Krasnow addressed thousands of women, and she discovered that two subjects dominated her audiences' conversations: sex and change. Whether women are worried about marriage and divorce or illness and death, they're all asking: "How do I handle the shifts in my sexuality caused by these events?" *Sex After . . .* holds the answers to everything from regaining sexual confidence after childbirth and breast cancer to navigating the dating scene in senior communities. As with all of Krasnow's books since her *New York Times* bestseller *Surrendering to Marriage*, the narrative is driven by real women's stories: raw, intimate, and, most importantly, true. Prescriptive, emancipating, and insightful, *Sex After . . .* addresses a range of circumstances, including what happens: When you or your spouse doesn't want sex anymore After cancer, amputation, PTSD, or another illness maims the body If you come out of the closet at middle age When your marriage is damaged by adultery If you're dating again after twenty-five years with the same sexual partner When your husband is addicted to Viagra Filled with edgy and honest stories of carnal challenge and triumph from women of all backgrounds and life stages, *Sex After . . .* is Krasnow's signature take on Everything You Ever Wanted to Know About Sex but Were Afraid to Ask—during all of life's passages. Krasnow is a media and lecture tour favorite, and readers—whether in the heat of an initial can't-eat-can't-sleep attraction or rounding the corner to their sixtieth anniversary—will applaud her eye-opening perspectives on the one issue that can change lives for better or worse like nothing else.

The Proof of the Honey - Salwa Al Neimi 2009-04-28

A bestseller throughout the Arab world, this novel about female pleasure and personal liberty "unwinds sinuously as a veiled dancer" (Booklist). A Syrian scholar working in Paris is invited to contribute to a conference on the subject of classic erotic literature in Arabic. The invitation provides occasion for her to evoke memories from her own life, to exult in her personal liberty, her lovers, her desires, and to revisit moments of shared intimacy with other women as they discuss life, love, and sexual exploits. Far more than an erotic novel, *The Proof of the Honey* is a surprising and illuminating voyage into the history of Arabic literature. Borrowing inspiration from *The Thousand and One Nights*, it weaves erudite asides into the fabric of the protagonist's story and the stories of her lovers. This is a stirring novel about the place afforded sex in modern Arabic society and its relationship to a long, rich tradition, from "the most audacious among contemporary Arab novelists" (Al Jazeera). "Delivers sensationally beautiful erotic

moments, revealing a skillful, enticing voice.” —Publishers Weekly “Riveting . . . blends folktales, memories of her youth, and gleanings from ancient erotica.” —Booklist

Spanish Women Authors of Serial Crime Fiction - Inmaculada Pertusa-Seva 2020-09-23

With its focus on recent detective series featuring female investigators, this collection analyzes the authors' treatment of current social, political and economic problems in Spain and beyond, in addition to exploring interrelations between gender, globalization, the environment and technology. The contributions here reveal the varied ways in which the use of a series allows for a deeper consideration of such issues, in addition to permitting the more extensive development of the protagonist investigator and her reactions to, and methods of, dealing with personal and professional challenges of the twenty-first century. In these stories, the authors employ strategies that break with long-standing conventions, developing crime fiction in unexpected ways, incorporating elements of science fiction, the supernatural, and the historical novel, as well as varied geographical settings (small towns, provincial cities, and rural communities) beyond the urban environment, all of which contributes to the reinvigoration of the genre.

Handbook of the Sociology of Gender - Barbara J. Risman 2018-06-05

This handbook provides a comprehensive view of the field of the sociology of gender. It presents the most important theories about gender and methods used to study gender, as well as extensive coverage of the latest research on gender in the most important areas of social life, including gendered bodies, sexuality, carework, paid labor, social movements, incarceration, migration, gendered violence, and others. Building from previous publications this handbook includes a vast array of chapters from leading researchers in the sociological study of gender. It synthesizes the diverse field of gender scholarship into a cohesive theoretical framework, gender structure theory, in order to position the specific contributions of each author/chapter as part of a complex and multidimensional gender structure. Through this organization of the handbook, readers do not only gain tremendous insight from each chapter, but they also attain a broader understanding of the way multiple gendered processes are interrelated and mutually constitutive. While the specific focus of the handbook is on gender, the chapters included in the volume also give significant attention to the interrelation of race, class, and other systems of stratification as they intersect and implicate gendered processes.
