A Gentleman's Wager [No Place Like Home 1] - Stormy Glenn

[Siren Publishing: The Stormy Glenn ManLove Collection: Erotic Alternative Cowboy Menage a Trois Romance, M/M, HEA] A gentleman's wager never seemed so risky...or so worth it...Steven Stewart had been invited to a weekend-long, Western-themed party along with his brother. There was just one stipulation: Steven had to go dressed as Ms. Stella. Considering he was gay, it was going to be pretty hard to catch a cowboy if everyone thought he was a girl. Chase Montgomery was obsessed both with his lover of three years and with Steven Stewart, a man he had only seen in a picture. The weekend theme party he was throwing was the perfect time to introduce both to the fantasies in Chase's mind. Now, if he could only get his lover to agree. Warner James was someone who refused to give up control. While that attitude served him well in the business world, it was hard on his love life. He never dreamed his lover was thinking of bringing someone else into their relationship...until he met Steven. Warner might even be interested in a bit more than just a weekend fling...if he can get both men to understand he was the one in control. ** A Siren Erotic Romance Stormy Glenn is a Siren-exclusive author.

Friends with Benefits - Liz Durano 2018-11-18

He's the boy next door and my brother's best friend, the one I could be my geeky self with all the time. But when I wake up in his bed the morning after his company party, there are two things I suddenly can't ignore: 1) Campbell Murphy is all grown up in more ways than one, and 2) I no longer want to just be his best friend's sister. But is a fling worth sacrificing a lifetime of trust between our families? Or is it worth a shot at something that had always been there all along? Each book in A Different Kind of Love series can be read on its own with NO cliffhanger and a guaranteed HEA. Some are angsty and emotional while some are fun, lighthearted, and set during the holiday season... like this one!

Weekend Fling - Claire Kingsley 2019-02-16

It's just a fling. Or is it? Juliet Blake shows up at my bar, dejected after her surprise girls' weekend goes bad. So I do the usual--mix her a drink and listen to her troubles. I'm a spontaneous guy, so I offer to help--spend the rest of the weekend with her so she's not alone on her birthday. I don't expect her to end up in my bed, but when she does, it's mind-blowing. And after a smoking hot weekend together, I realize I could use a little more Juliet in my life. See her again? Sure. But it's still just a fling. I

And Finn is all kinds of hot. Spending the weekend with him is impulsive--so unlike me. But throwing off my planner tendencies feels amazing--as does Finn. I'm not supposed to fall for him. He doesn't believe in forever. But as our weekend fling turns into a whirlwind romance, my heart will never be the same. Weekend Fling was previously titled Could Be Forever

Public Discourses of Gay Men - Paul Baker 2006-02

Queer linguistics has only recently developed as an area of study; however academic interest in this field is rapidly increasing. Despite its

growing appeal, many books on 'gay language' focus on private conversation and small communities. As such, Public Discourses of Gay Men represents an important corrective, by investigating a variety of sources in the public domain. A broad range of material, including tabloid newspaper articles, political debates on homosexual law and erotic narratives are used in order to analyse the language surrounding homosexuality. Bringing together queer linguistics and corpus linguistics the text investigate how gay male identities are constructed in the public domain.

Highland Fling - Scarlet Blackwell 2023-06-16
He's one wildcat who needs to be tamed... "The only moment you haven't hated my guts the whole time we've been here, is when you had your tongue down my throat." "I hated you then too, I promise. Next time your tongue comes anywhere near mine, I'll bite it off." Dexter Summerfield - B*stard. Washed-up American TV star adrift in the UK. So self-obsessed he should be on a reality show. And straight. Very, very straight. Kade Macbeth - Philanthropist. Scottish cameraman. As reclusive as the wildcat he stalks. Out and proud. Dexter Summerfield is given one last lifeline by his boss at Channel 7 after a string of negative publicity stories. Front a nature documentary in search of the elusive Scottish wildcat. Arriving in the Highlands in a blaze of self-righteous anger, he collides with an immovable object in the form of his cameraman, Kade Macbeth. Kade's been in the business a long time and won't take any bull from the notorious bad boy of British TV. They clash bitterly from the start - opposites in every way - until a pivotal moment. Dexter saves Kade's life. Suddenly, Dexter lets his guard down for the first time in his life and Kade

glimpses the real man beneath the hard exterior. As the time ticks down until they return to opposite ends of the country, things become confusing alone in the wilderness. Kade couldn't be attracted to a man as unsuitable as Dexter, could he? And Dexter, who knows he's not worthy of a second look from a man as fine as Kade, begins to question everything he thought he was so sure of... "What I think is that no one has ever kissed you before like you should be kissed. And I'm about to change that." Possible Spoilers: Themes: enemies to lovers, forced proximity, bi awakening, love at first sight, angst, hurt/comfort Genre: Dark, gritty contemporary romance Warning: The story contains an anti-hero that is no Prince Charming. If flawed, real characters upset you, then do not read. Contains violence and homophobia. Strong language and sexual scenes. Casual British/American xenophobia.
