The Virgin and the Beast - Stasia Black
2017-08-22

They say good things come to those who wait.
Bullsh*%! My whole life has been about waiting.
Playing it safe. Be the good girl, don't color
outside the lines. Put in the hard work trying to
prove myself to Dad, then to my college
professors, then to my boss at New World
Media. Just waiting for the day when it will all
pay off. And right when it was all starting to--I
finally had the house, the job, I was even

thinking about getting a cat--boom!--my life
explodes and suddenly now I'm here and-- "All
done," the doctor interrupts my thoughts, pulling
off her gloves with a loud snap. Even from the
bed where I'm lying, my legs spread like the
Thanksgiving turkey, I can hear the impatient
growl of the man standing in the doorway. If you
can even call him a man. More like a beast out of
a friggin' fairytale. "Well?" Her pronouncement
echoes throughout the room while the speculum
is still inside me. "She's a virgin."

~~Head Above Water - Ce Ricci 2021-09-16~~
That's the thing about hearts- Like waves, they break too. Grief. I've never battled with the raw, debilitating pain that comes with it. Then a twist of fate hits me out of nowhere, and I can barely keep from drowning. It's like weights tied to my ankles in the middle of a raging ocean. I'm helpless, with no way to swim back to the surface. But fate is crueler still, bringing my stepbrother back for the first time in years. Cannon never wanted this family. Especially me. Still, he's always been my greatest desire. And my biggest weakness. He's unattainable. Straight, engaged, and with a seemingly perfect life on the other side of the country. It's something I'd do well to remember, yet when he stays, it's so easy to forget. In finding solace together, we mend what once was broken. This loss bonds us. Changes us. He's become more than a brother or a lover. He's my anchor. So how am I supposed to keep my head above water when I'll eventually lose him too? *Head Above

began when my father proposed to another man in a shocking moment that rocked my family to its core.... Now I'm on a quest for revenge against my father. That means hitting him where it hurts—the new fiancé and the son he thinks so much of. Alister Sommers. Alis is a bleached blond perfectionist thorn in my side who's used to everything going his way. Until then, I vow to make his life a living hell. Maybe Dad will regret his terrible mistakes. Maybe he won't. I know I won't regret wrecking their lives like they did mine. I'll give up everything, even my girlfriend and football, if it means I get a chance for retribution. It's reckless and risky, but I don't have much to lose. The havoc I wreak might ease some of the pain Dad caused my mother. I'm willing to give it a shot. What starts as a family feud will become a war...one I plan on winning

no matter the cost. There's only one small problem. I may have underestimated my opponent.

Sexism in America - Barbara J. Berg 2009
"The news in 2008 was that women had taken huge strides forward. Feminists' decades-long struggle finally seemed to be paying off, not only in boardrooms, classrooms, and kitchens but also at the very top-in presidential politics. But

what is the truth behind the headlines? In Sexism in America: Alive, Well, and Ruining Our Future, renowned feminist author Barbara J. Berg debunks the many myths about how far women have come and the pervasive belief that ours is a post-feminist society. Combining authoritative research and compelling storytelling, Berg traces the assault on women's status from the 1950s-when Newsweek declared "for the American girl, books and babies don't mix"-to the present, exploring the deception about women's progress and contextualizing our current situation. All women are hurt by a society lauding their attributes in speeches while scorning them in public policy and popular culture, and the legacy of the women's movement is being short-circuited in every aspect of their lives. Passionate, extensively documented, humorous, and persuasive, Sexism in America is simultaneously enlightening, frightening, and revitalizing. Berg, an ardent optimist, helps women understand where they

Armentrout 2021-10-19

#1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling Flesh and Fire series—set in the beloved Blood and Ash world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a

slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.
