This cute book especially for girls features colourful characters from Fisher Price's Laugh, Smile & Learn range. It even comes complete with a reward chart and stickers. Using the potty is fun!

What Girls Are Good For - David Blixt 2023-11-17

★★★★ - "David Blixt pens a heroine for the ages in "What Girls Are Good For," which follows the extraordinary career of pioneer newspaperwoman Nellie Bly. A pint-sized dynamo who refuses to stay in the kitchen, Nellie fights tooth and nail to make a name for herself as a journalist, battling complacent men, corrupt institutions, and her own demons along the way. This real-life Lois Lane had me cheering aloud as

I turned the pages - simply a delight!" — Kate Quinn, NY Times

Bestselling author of *The Alice Network* and *The Rose Code* "A well-crafted and thoughtful work of historical fiction." — Kirkus Reviews From Bestselling Author David Blixt: Nellie Bly has the story of a lifetime — if she can she survive to tell it! Step into the thrilling world of investigative journalism! This captivating novel takes you back in time to the 19th century, where pioneering undercover reporter Nellie Bly shatters barriers and defies expectations. Enraged by an article entitled 'What Girls Are Good For', Elizabeth Cochrane pens an angry letter to the *Pittsburgh Dispatch*, never imagining a Victorian newspaper would hire a woman reporter. Taking the name Nellie Bly, she struggles against the male-dominated industry, reporting stories no one else will tell — the stories of downtrodden women. Chased out of Mexico for revealing government corruption, her romantic advances rejected by a married colleague, Bly earns the chance to break into New York's *Newspaper Row* if she can nab a major scoop — life inside a madhouse. Feigning madness, she dupes the court into committing her to the Insane Asylum on Blackwell's Island. But matters on the Island are far worse than she ever dreamed. Stripped, drugged, beaten, she must endure a week of terror, reliving the darkest days of her childhood, in order to escape and tell the world her story. Only, at the end of the week, no rescue comes, and she fears she may be trapped forever... Based on the real-life events of Nellie Bly's life and reporting, *What Girls Are Good For* is a tale of rage, determination, and triumph — all in the frame of a tiny Pennsylvania spitfire who refused to let the world change her, and changed the world instead. Praise for *What Girls Are Good For*: ★★★★★ — "With rich imagination and meticulous research, David Blixt has brought the hectic, exciting world of nineteenth-century journalism vividly to life. His Nellie Bly is determined, independent, crafty, irresistible -- a heroine any reader would be delighted to get to know." — Matthew Goodman, *New York Times* bestselling author of *Eighty Days* ★★★★★ — "Dramatic, engrossing, and spirited, *What Girls Are Good For* takes the reader straight to the heart of an unsung American hero--a feminist icon whose voice rings loud and true. This is a must-read for anyone who loves an underdog and celebrates justice; the perfect accompaniment for our present times." — Olivia Hawker, international bestselling author of *The Ragged Edge of Night* ★★★★★ — "Author David Blixt delivers a great story about Nellie before she exposes the horrors she endured during her stay at the asylum on Blackwell Island. The portrayal of Nellie Bly in *What Girls Are Good For* is astonishing and doesn't give you the fake twists and turns and add-ons that a lot of historical fiction does. The characters are likable and I feel that Blixt did a wonderful job of capturing Nellie's voice and personality in his words. I would love to read more of his work. Without a doubt, the best book I have read this month!" — Readers' Favorite 5-Star Review

From Daughter to Woman - Kim McCabe 2018-07-18

'A refreshingly healthy take on social media and particularly good on body image' Lorraine Candy, *Sunday Times* The teen years are tough - for teens and for parents. Many parents dread the moodiness, dishonesty, preference of friends over family, exam stress, and the push

for greater independence. Mothers have a pivotal role to play; this is a guidebook for parents and mothers of girls in particular as they navigate the rocky teenage landscape with their daughters aged 8 to 18. It aims to help them embrace the potential of their child's teenage years by marking this time of growing maturity for girls and celebrating it with them. We celebrate birth, marriage and death, but this important life-transition from child to young adult is nowadays rarely acknowledged within an appropriate community. With mental health issues in young people on the rise, and social media, reality television and smartphone culture serving to exacerbate these problems, it is no surprise that parents are looking for help in raising their daughters through these tricky years. From Daughter to Woman is the indispensable guide to doing just that.

The Good Girls - Teresa Mummert 2015-04-06

My life was meticulously planned and I refused to deviate from that path. While my peers were partying, I prepared for the future. Then a tragic event destroyed everything and I learned that while I was looking ahead, I forgot to live in the moment. Starting over seemed impossible until I met Cara McCarthy, who lived every day like it was her last. She opened my eyes to a world of chaos and disorder. I loved every minute of it. She was also dating Tristan Adams, one of the most gorgeous men I'd ever seen. The three of us became inseparable. Our parents were oblivious and soon lines became blurred, feelings began to grow, and someone's heart was going to get broken. I hoped it wasn't mine.

The Boy's Body Book - Kelli Dunham 2013-10-15

You have questions! We have answers to everything you need to know for growing up you! Growing up isn't as easy as it looks. With changing emotions, friends, expectations, and bodies, some days it can seem like life is one big roller coaster ride. The Boy's Body Book is here to help with expert advice, common sense tips, fast facts, and answers to all questions a boy might have. Topics include: From hair care to athlete's foot, a head to toe guide to what's happening with your changing body Basketball football, soccer, chess: How you can excel no matter what you like to do Your guide to the care and keeping of parents, teachers, brothers, and sisters How to keep your friends and your morals, and what to do if peer pressure starts to be come an issue

Boys and Girls Learn Differently! - Philip Carter 2002-02-28

At last, we have the scientific evidence that documents the manybiological gender differences that influence learning. Forinstance, girls talk sooner, develop better vocabularies, readbetter, and have better fine motor skills. Boys, on the other hand,have better auditory memory, are better at three-dimensionalreasoning, are more prone to explore, and achieve greater abstractdesign ability after puberty. In this profoundly significant book, author Michael Guriansynthesizes the current knowledge and clearly demonstrates how thisdistinction in hard-wiring and socialized gender differencesaffects how boys and girls learn. Gurian presents a new way toeducate our children based on brain science, neurologicaldevelopment, and chemical and hormonal disparities. The innovationspresented in this book were applied in the classroom and provensuccessful, with dramatic improvements in test scores, during atwo-year study that Gurian and his colleagues conducted in sixMissouri school districts.

Just Like a Girl - Sue Sharpe 1976

The Pocket Daring Book for Girls - Andrea J. Buchanan 2008-10-28

Revisit old favorites and discover even more facts and stories. The perfect pocket book for any girl on a quest for knowledge. Includes New Chapters + the Best Wisdom & Wonder from The Daring Book for Girls **Local Girls** - Alice Hoffman 2000

Told from Gretel Samuelson's sly and knowing perspective, Local Girls charts her progress as she navigates from childhood to the brink of womanhood, picking her way though the tragedies and absurdities of everyday life in a family which is rocked by divorce and disaster, bad judgement and fierce attachments. Her father has left them, her chain-smoking mother, Franny, is falling apart and refuses to learn the simple lessons of life, her perfect brother has fatal flaws, and even her best friend Jill - blonde, enviable and beautiful - is moving too fast into the unfathomable world of women.

Dress Up Mix and Match for Girls - Jupiter Kids 2016-01-23

Little girls will love this activity book because it's all about fashion and art. Fashion builds your child's confidence. It helps her find her individuality through chic designs. You can play around with tops and bottoms. You can mix and match, and experiment with different styles. Make sure you check out with a copy of this book today!

Girls Who Code - Reshma Saujani 2017-08-24

NEW YORK TIMES BESTSELLER! Crack the code to your future dreams Since 2012, the organization Girls Who Code has been leading the charge to get girls interested in technology and coding. Now its founder, Reshma Saujani, wants to inspire you to be a girl who codes! Bursting with dynamic artwork, down-to-earth explanations of coding principles, and real-life stories of girls and women working at places like Pixar and NASA, this graphically animated book shows what a huge role computer science plays in our lives and how much fun it can be. No matter your interest—sports, the arts, baking, student government, social justice—coding can help you do what you love and make your dreams come true. Whether you're a girl who's never coded before, a girl who codes, or a parent raising one, this entertaining book, printed in bold two-color and featuring art on every page, will have you itching to create your own apps, games, and robots to make the world a better place. **How to Make Friends and Be Popular - Girls Only!** - Katrina Kahler 2015-12-16

Are you shy? Do you find it difficult to make and keep new friends? Lots of kids have this problem and this book will teach you how to improve your confidence so that you know how to approach potential new friends. You'll also learn what to do (and what NOT to do) to keep those friends. This book also gives you advice on how to be more popular and what it takes to be a good leader. A perfect book for tween girls who are trying to establish their place in their social world.

EBOOK: Being Boys; Being Girls: Learning Masculinities and Femininities - Carrie Paechter 2007-07-16

What is it like being a boy or a girl? How do boys and girls learn to be men and women? How do families, schools and children's peer groups influence the ways in which children think of themselves as male and female? Being Boys, Being Girls explores how boys and girls learn what it is to be male and female. Drawing on a wide range of studies from around the world, the book examines how masculinities and femininities are developed and understood by children and young people in families, in schools, and through interaction with their peers. One of the key concepts underlying this book is that our identities are constructed and performed in particular ways which help us to understand who we are and how we fit in with the world. This means that these identities are constantly changing according to where we are, what we are doing, and whom we are with. Who we are, and what we think about ourselves, only makes sense in relation to what is going on around us. The author provides a clear explanation of the underpinning idea that children's understandings of gender are developed and constructed in local communities of masculinity and femininity practice. She brings together research on children and their construction and understanding of gender across the 0-18 age range and includes explicit suggestions for strategies and interventions. This book is essential reading for students and academics in childhood, education and gender studies and for those with an interest in gender development and the construction of masculinities and femininities.

What Girls Are Made Of - Elana K. Arnold 2017-04-01

A 2017 National Book Award for Young People's Literature Finalist When Nina Faye was fourteen, her mother told her there was no such thing as unconditional love. Nina believed her. Now she'll do anything for the boy she loves, to prove she's worthy of him. But when he breaks up with her, Nina is lost. What is she if not a girlfriend? What is she made of? Broken-hearted, Nina tries to figure out what the conditions of love are. "Finally, finally, a book that is fully girl, with all of the gore and grace of growing up female exposed." —Carrie Mesrobian, author of the William C. Morris finalist, *Sex & Violence*

ABC for Me: ABC What Can She Be? - Sugar Snap Studio 2022-01-04

ABC What Can She Be? presents a world of possibilities—from astronaut to zoologist and everything in between—for all little girls with big dreams. Not even the sky is the limit with this fun approach to learning the alphabet! This book from Walter Foster Jr. encourages young girls by presenting a colorful variety of choices for their future careers. Talented illustrator Jessie Ford artfully pairs the letters of the alphabet with vibrant, eye-catching illustrations that paint an inspiring picture for budding trailblazers everywhere. Representing all kinds of girls, ABC What Can She Be? depicts girls with different colors, sizes, shapes, and abilities in both traditional and nontraditional occupations. ABC What Can She Be? explores 26 different career paths, including engineer, writer, neurosurgeon, software engineer, and pilot. Each page introduces a letter of the alphabet with bright artwork and highlights a career that is fun, challenging, and makes a big impact in its own way. These 26 careers are just some of the things she can be! A boldly illustrated, fun family read, ABC What Can She Be? is a great way for parents to

introduce their small children to the bright futures before them. Girls can dream big and do anything! The ABC for Me series presents a world of possibilities from A to Z and everything in between! For all little kids with big dreams, the endearing illustrations and mindful concepts in this series pair each letter of the alphabet with words that promote big dreams, inclusion, acceptance, healthy living, and other key concepts important to emotional well-being. Other books in this series include: ABC What Can He Be? (2019) ABC What Can I Be? (2020) ABC Let's Celebrate You & Me (2021) ABC Everyday Heroes Like Me (2021)

Girls with Sharp Sticks - Suzanne Young 2020-02-18

"Enough plot twists to give a reader whiplash." —Cosmopolitan From New York Times bestselling author Suzanne Young comes the start of a thrilling, subversive new series about a girls-only boarding school with a

terrifying secret and the friends who will stop at nothing to protect each other. Some of the prettiest flowers have the sharpest thorns. The Girls of Innovations Academy are beautiful and well-behaved—it says so on their report cards. Under the watchful gaze of their Guardian, they receive a well-rounded education that promises to make them better. Obedient girls, free from arrogance or defiance. Free from troublesome opinions or individual interests. But the girls' carefully controlled existence may not be quite as it appears. As Mena and her friends uncover the dark secrets of what's actually happening there—and who they really are—the girls of Innovations Academy will learn to fight back. Bringing the trademark plot twists and high-octane drama that made The Program a bestselling and award-winning series, Suzanne Young launches a new series that confronts some of today's most pressing ethical questions.
