DeGregory has also built a worldwide fan base not just among readers of the Times but among journalists and narrative writers of all stripes, who seek out her advice on how to find, report, and write compelling true narratives. This volume collects for the first time twenty-four of her best stories, each accompanied by behind-the-scenes notes about how she convinced that person to speak to her, got that memorable quote, built that evocative scene. The book's unique format makes it both an anthology for readers who love her stories and a guide to craft for those who want to write their own. Scary Things Are Now Funny - Amie Williamson 2014-09-25

Annabelle loves stories about witches and goblins and monsters. She loves them, that is, in the daytime. At bedtime those same stories creep back into her imagination and Annabelle is too afraid to sleep. One night her mother has a special idea. Maybe the things that make Annabelle feel scared can make her laugh instead? "It's rare to find a children's book that appeals to all ages, but this one gets our whole family laughing. Amie Williamson brilliantly addresses a universal challenge: the creepy things that are so amusing during the day can leave our kids feeling frightened at night. This lovable book is an excellent parenting tool for teaching children to conquer their own fears in an easy and delightful way. I don't know which is more fun: reading this book with my children, or the imaginative conversations afterwards." -Shari Shallard, mother of Stella 9, Harrison 6, Henry 2

**The Whispers of the Streets** - J. Earl Loving 2003

But we loved that old ROOSEVELT & when he signed that Order 8802 a whole bunch of us got in the service. But you see I didn't trust them too much, & there was a lot of money to be made with all the work

that the war caused. I just met this old girl that came up here from New Orleans, because, well, I thought that she was dirt poor & came up to make some money & find a husband. She was the prettiest thing that we ever seen around here, & we started courting almost as soon as she got off the bus ( he chuckled to himself). "Her name was Antoinette. She had the softest light real near white skin that I had ever seen even on white folks, long Black shining hair, and a very pretty smile, you see. She loved to laugh, a&nd I did as much as I could to make her laugh. If she wanted a clown, I sure damned was going to be one. She always spoke in a near whisper in that half French way that they speak down there in the French Quarter down there, & sometimes we didn't know what the hell she was talking about. But she was so damned pretty that I really didn't care since she was my girl. Hell, after a couple of weeks of being together, she started talking that talk to me & whatever she was saying sounded so good to me that I was agreeing all over myself! "She got so excited that we didn't go to see the show like we was suppose to & spent the night together. We made good music that night, if you know what I mean? That was the summer of forty-three, and I was so happy that I didn't know what to do with myself. The next morning she told me that she had to send her Mama a telegram to let her know that we was coming down so she could meet me & show me off to her family. "That's when I realized that the woman was talking about marriage! Well, I tell you that I was scared to death, because I never thought about marrying her or anybody else at the time, you see! But she was such a pretty thing that I said to myself "BOY, AS UGLY AS YOU ARE, YOU AIN'T GOING TO DO MUCH BETTER."

A delightful, HILARIOUS book.' Goodreads Reviewer, 5 stars Cat's life has hit a brick wall. Since her ex ditched her without ceremony five years ago she's quit stand-up comedy, landed in a steady but dull job, and lives in a tiny flat with roommates she knows only as The One Who Eats All My Food and The One Who Has Really Loud Sex. So when she bumps into old friend Harvey and sparks fly, Cat is surprised - and horrified, because Harvey is her ex's brother, and so absolutely, 100% off-limits romantically. **Happily Never After** - Emma Robinson 2018-07-10

She closed her eyes. Think with your head. Your heart can't be trusted. Life is not a fairytale... Single mum Rory doesn't believe in love. She's got far too many real problems to deal with. She's just bought a tumbledown house. Her mother is generally behaving like a wicked witch, insisting on calling her Aurora, and generally interfering in her (admittedly pitiful lack of) love life. And her 16-year-old daughter has finally grown out of Disney princesses and discovered dating... But Rory's adamant that she doesn't need saving. In fact, the only thing she's wishing on a star for is a bit of practical help. However, when she meets a builder whose name is John Prince and who seems to be in the habit of rescuing her (right down to finding her lost shoe one evening) she might have to face a truth as uncomfortable as hobbling home barefoot - that maybe there's something enchanted in the air. Her mother, daughter and friends are convinced her prince has come, but Rory just wishes everyone could let it go. Especially when she hears a story that makes her question whether he is really the hero everyone thinks he is... A hilarious, romantic love story about mothers, daughters and how on earth to find Prince Charming, for fans of Sophie Kinsella, Marian Keyes and Cecelia Ahern.
