

What Is A Superficial Relationship

All about Romantic Love Dr. Govind Sharma 2021-09-27 Based on what has been said by the greatest psychologists of our time, this book tells the reader what is the concept of romantic love and how to be in a relationship without getting hurt. It is about how to further strengthen a healthy relationship and how to get out of a toxic relationship. The choice that life offers is whether one wants ten superficial, meaningless relationships, or one great relationship that lasts a lifetime. Here are some of the quotes from the book. "A day spent in understanding your partner will pay you much bigger dividends than a year spent around the world trying to find yourself." "You can give ten years of your life to an adorable fool, but you should not waste a minute on a mean scoundrel."

Why Not Waste Time with God? Micheal Evans 2003-09-25 Many of us draw our value from who we know, what we do and what we have. We battle guilt over mistakes we've made, anxiety about the future may hold for us, or fear of disapproval from others and from God. Our time is consumed with a multitude of activities intended to bring approval and acceptance from others. Are you tired of seeking approval in superficial relationships? Do you long to experience the intimacy, joy and freedom that comes from being deeply connected, soul and spirit, with your father God? If so you must prepare yourself to "waste time" with God. By doing this, you will learn to love more compassionately, give of yourself more freely and take yourself less seriously. Furthermore, you will be able to break free from dependence on others for approval. You can stop your pretense and striving for approval, and instead, sitting quietly with your Father God, you can be confident you are significant, accepted and loved.

The Color of Love Vickie Adamson 2005-11 She didn't want to worry, but found, like usual, she couldn't help it. She tried to tell herself it didn't matter anyway. This relationship was only supposed to be temporary, nothing more. She was black; he wasn't. It was an experiment they were both going to learn from and move on. That's how it was supposed to be. That's all it could be. This encounter would only prove their relationship was impossible. But then, somewhere, she'd forgotten the unspoken agreement. Somewhere, she'd started to believe there was nothing wrong with them being together-that there was the possibility they should be together. She'd listened, learned, liked, and finally loved, though she was still reluctant to admit the latter, even to herself. It was too risky. Nevertheless, her feelings were real. Now, they were walking into possibly the greatest threat to their relationship, the looming test of doom behind door number three-her family. She found herself hoping for the leap of faith that would allow them both to survive; that wouldn't allow something as superficial as the color of his skin to both deny and destroy them.

Outrageous and Courageous Fred Bernhard 2014-02-17 Hi. This is a book about making friends and sharing faith. It's also about sock balls, bloodsuckers, an epidemic of loneliness, and the RSVP Bible. It's about not grabbing people by the head, not lying to ourselves as we tell the truth, not being a coward, and not letting the bad stories carry the day. It's about crucifying our excuses. It's about showing hospitality, paying attention, and embracing risk. It's about building real relationships and loving people and sharing Jesus. And it's a little bit about a homeless man named Mona Lisa. Authors Jeremy Ashworth and Fred Bernhard are pastors. Both are nice; neither is famous. Friendship with God (eBook) Trevor Hudson 2015-05-01 Are you open to re-imagining your relationship with God as a friendship? Do you want to be transformed into the person God wants you to be? Friendship with God transforms us. As we learn to trust God as our Divine Friend, it has a transforming effect on our whole lives. It affects how we pray, our relationships with each other and the way we understand our everyday lives. It changes the way we think and feel, what we desire and long for, the way we see each other and how we seek to live our lives in the world. We could say our friendship with God creates the climate in which you and I become the people God wants us to be. In his latest book, *Friendship with God*, Trevor Hudson digs into these two interwoven themes of friendship and personal transformation. He explains that friendship is a helpful analogy for the intimate kind of relationship God wants with us. Put very simply, the gospel invites you and me into friendship with God. When we become friends with Jesus, we are drawn into God's greater dream for the world. This indeed is the purpose of our lives on earth. We are created to become friends of God and to partner with God in making his dream a greater reality in the world around us. Topics that are addressed include: Living Beyond Loneliness God's Passionate Longing for Friendship Getting to Know Our Friend Understanding Prayer as Deepening Friendship Looking Outward Together Exploring Our Friend's Address Book Discerning What Our Friend Wants Us to Do Blessing Others as Our Friend Has Blessed Us Facing Our Fears with Our Friend Asking Our Friend the Hardest Question The creator God who loves us and set the whole universe into existence, and who sustains our lives in the immediacy of each moment, wants our intimate friendship. As you explore this good news you will be encouraged to see your faith and your life in a totally new way.

Working with Offenders who View Online Child Sexual Exploitation Images Lyne Piché 2023-06-27 This comprehensive workbook addresses the use of illegal online sexual images. Focusing specifically on child sexual exploitation materials (CSEM), it offers a clear and professional manual for use with men who use CSEM. Working with clients who access illegal online images is challenging work. CSEM clients have unique characteristics and treatment needs. Designed around practitioner and client needs, each chapter provides a guide for clinicians and a subsequent set of materials for the client. The workbook covers a range of topics such as motivation for change, relationships, thinking patterns, emotions management, sexuality, computer use, Internet safety and future strategies to ensure both client and community safety. Addressing these issues as well as community accountability helps users of CSEM achieve a satisfying life while avoiding future criminal justice involvement. Through this clearly written and structured workbook, clients are given the resources to help manage problematic thoughts and/or illegal sexual behaviour. Offering evidence-based strategies rooted in the authors' clinical experiences, the workbook enables the practitioner and client to work productively together to address the issues that have led to their involvement with illegal sexual images. This book will be helpful to a range of practitioners including forensic and clinical psychologists, as well as those working in correctional settings, such as probation and prison staff, psychiatrists, social workers, counsellors and providers of mental health treatment. It is also designed for anyone who has viewed, or is worried about viewing, sexual images of children.

Bliss Edward Watson 2015-12-10 Many women want to settle down with a great man who'll complement them and give them a happy marriage. Unfortunately, there's no magic wand that makes "she lived happily ever after" a reality. Sometimes, Prince Charming never appears no matter how many frogs are kissed. Sometimes, women find him-but the relationship never progressed or ended before it became permanent. Trying to find the ideal mate is hard-we are surrounded by chaotic information and have been conditioned into certain behaviors and beliefs that are supposed to make us happy-but in practice result in loneliness and superficial relationships. *BLISS: A Guide for Women on Finding and Keeping a Man* reveals the

secrets to acquiring the devotion of a great man. It details the specific actions and attitudes that are the most effective in securing lifelong companionship with the man of your dreams. There are no tricks: it's just a matter of knowing how to put yourself in a situation where a great guy can notice you, imagine themselves being married to you, and knowing their lives would be better with you than without you. This is done by understanding the male psyche and transforming oneself into the type of woman every great man wants for a wife.

Premarital Sex in America Mark Regnerus 2011-01-10 The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.

First Comes Self-Love, Then Comes Marriage Gila Daman 2017-05-08 Gila Daman was twenty-one when her father passed away. Instead of letting herself grieve, she fell into a series of unhealthy, superficial relationships that beat down her already low self-esteem. After years of struggles in life and love, Gila finally learned how to find happiness: by getting to know and love herself. Instead of focusing on physical intimacy, she started confronting her grief and searching for a relationship with herself--one built on honesty and emotional maturity. *First Comes Self-Love, Then Comes Marriage* is a series of funny, frank, and moving essays in which Gila describes her struggle to achieve a positive self-image. Gila's journey is a roadmap for all who feel lost in a series of disappointing relationships, and her battle with low self-esteem is one that all women can relate to. Whether you're just entering the dating world or have been on the front lines for years, you'll find comfort and wisdom in Gila's words. By learning from Gila's mistakes, you'll give yourself a better shot at finding fulfillment from within.

Secrets to Lasting Love Gary Smalley 1999-05 "Smalley believes that couples who want to move from a superficial to an "ultimate," deep level of intimacy and a lasting and loving relationship must master three key skills. First and foremost is honor - respecting your spouse for all of his or her individual qualities as well as differences from you; next is communication - speaking to one another in a way that moves conversations into deeper realms of understanding; and, last, constant renewal - recharging your spouse emotionally, mentally, physically, and spiritually. But it is not easy to recognize and then apply these skills. *Secrets to Lasting Love* shows everyone how to do just that. Once these skills are successfully applied to a relationship, the couple is able to move into what Smalley calls the fifth, or ultimate, level of intimacy."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. His Conscious Perception of the Soul Isaiah A. Tisdale 2020-03-26 This book empowers you to begin removing human conditioning and opening up to consciousness. *His Conscious Perception of the Soul* began as an idea on Isaiah A. Tisdale's journey of spirituality. The hope was to spread consciousness in the world. The intention emerged into a work of therapeutic art, revealing his authentic self. The book showcases wisdom and understanding of awareness by speaking to the soul. It highlights themes of spiritual shifts using the expression of our Divine power: • We can commit ourselves to eliminate conditions, not to recondition our lives, but to live without conditions. • We can understand the transformation between mind and reality by self-therapy. • We can serve our souls by openness to unconditional love in ourselves and the universe. Join his journey and get inspired by the transformation of consciousness and the soul! *His Conscious Perception of the Soul* may be your awakening of awareness for love and compassion of self and the world around you!

Trauma, Autism, and Neurodevelopmental Disorders Jason M. Fogler 2018-11-29 This book examines the diagnostic overlap and frequent confusion between the newly named DSM-5 diagnostic categories of neurodevelopmental disorders (NDDs), which include autism spectrum disorder (ASD), and trauma and stressor related disorders (TSRDs). These conditions are similar in that a) children with developmental disorders are particularly vulnerable to traumatic events and b) all have pervasive effects on the brain and development. Chapters provide a wealth of effective clinical, family, and school-based interventions, developed from established studies and important new findings. In addition, chapters use illustrative case studies to survey assessment challenges in today's healthcare climate and consider alternative routes for improving correct diagnoses, identifying appropriate interventions, and referring proper targeted, evidence-based treatment and services. The book concludes with the editors' recommendations for needs-based service access, including a more widespread use and acceptance of the Research Domain Criteria (RDoC) and the International Classification of Functioning, Disability, and Health (ICF) framework. Topics featured in this book include: The neurobiological contributors to posttraumatic stress disorder (PTSD). Fetal alcohol spectrum disorders (FASDs) and its diagnosis in children with a history of trauma. Interventions for trauma and stressor-related disorders in preschool-aged children. Reactive attachment disorder (RAD) and autism spectrum disorder (ASD) diagnosis and care in a cultural context. Special population consideration in ASD identification and treatment. Challenges associated with the transition to adulthood. Trauma and neurodevelopmental disorders from a public health perspective. Trauma, Autism, and Neurodevelopmental Disorders is a must-have resource for researchers, clinicians and related professionals, and graduate students in developmental psychology, child and adolescent psychiatry, public health, social work, pediatrics, and special education.

ROMANSWERS Carl E. Pickhardt Ph.D. 2001-05-03 **ROMANSWERS** - Practical answers to common questions troubling relationships, romance, and marriage. by Carl Pickhardt Ph.D. In a fast changing, increasingly complex world, committed caring relationships seem harder to maintain than ever before, yet the desire for these unions remains strong, whether in dating, cohabitation, significant partnerships, or marriage. Although about half of marriages end in divorce, more than half divorced people elect to remarry. From answering questions about relationships over the internet for a year

and a half (for Cox Interactive Media/Austin 360), certain abiding concerns kept recurring. Not only did people want answers; they also wanted instruction about the nature of certain problems built into the nature of chosen caring relationships, problems that in many cases won't go away. In response to this desire for help in managing these basic problems, ROMANSWERS was written. Each of the twenty-seven sections in the book is built around a topic of concern that is subjected to four questions, the answers to which provide understandings many people seek. A list of all the sections and questions that are answered follow. ABUSE § "When I give everything to a man, and do everything he wants, why do I end up getting pushed around, demeaned, and cheated on?" § "When my boyfriend loses his temper, cuts me down in anger, later says he's sorry and didn't mean what he said, should I accept his apologies when he keeps doing it again?" § "Why does a man from a loving, healthy, and giving family background keep getting into relationships with women who turn out to be exploitive, even turning abusive when they don't get their way?" § "After two abusive wives, is it just a matter of time before I get over my hurt and general anger at women?" AFFAIRS § "To regain my trust, should my husband be completely honest and describe the sexual details of his affair so we can get through this unhappiness and start moving on?" § "Is it the wife's fault when her husband has an affair, and how does the couple recover the marriage?" § "How am I ever going to get beyond superficial relationships with women after my fiancée, whom I love more than ever, broke off our engagement by having an affair?" § "When your wife comes back from a high school reunion having had a fling (not sexual) with an old flame, what needs to happen to make the marriage okay?" ATTRACTION § "Why would a stunning, dynamic, confident, and high salaried woman put off the kind of men she wants to meet, and attract the kind she doesn't?" § "Although I would never cheat on someone I was involved with and still care about, do you think it's okay to date her best friend now that I've broken up with my ex?" § "When the woman I'm ready to marry says she wants a man who can offer her everything from A to Z, and some un-definable Z is lacking in me, what is missing in my attractiveness to her?" § "What should I do about a man I first met on the internet who, without asking me, is now planning a future for us, a guy it turns out I don't really know, who doesn't really know me?" BREAKING UP § "Since my girlfriend has broken up with me and I don't know why, is it worthwhile my finding out, or is it better to avoid further hurt and just let the relationship go?" § "How do you break up without causing the other person a lot pain, and then go from being romantic to just being good friends?" § "Why is breaking up so hard to do, and why would a man act so angry when he is really feeling hurt?" § "How do I recover my self-respect and remove a man from my life who convinced me I was crazy to doubt his word when he kept lying to me, and who won't let me go now that I've broken off with him?" CHANGE § "Is it okay, once a couple becomes married, to change and take each other for granted, not acting romantic anymore?" § "Is my boyfriend going to continue his disg

Love Brain Jesus Amaya 2012-06 In recent years, couple breakdowns and divorces for mild and superficial reasons have increased. To counter this, it's time to read *Love Brain: Dangerous to Be in Love Only With the Heart and Not With the Brain*. Infidelity, psychological abuse and violence are no longer the most important causes of separation. Incompatibility of character, non-fulfillment of expectations and the disillusionment of seeing her transformed from a princess into a witch and him not transforming from a toad into a prince seem to be the issues. Men and women trying to live out their fantasy with their ideal perfect partner are instead finding disenchantment. The real problem with relationships is not being incompatible or being the ideal couple, but loving without thinking. We are unaware of how men and women should love and be loved. *Love Brain* describes how our brains love and provides alternatives to reduce the misunderstandings that lead to divorce. The book's goals are to identify the main relationship breakdown causes, to understand the male and female brain love function, and to use effective brain-gender love strategies to prevent and reduce marriage conflicts. About the Author: Evelyn Prado, Ph.D., is a high school counselor at Tecnologico de Monterrey. Jesús Amaya, Ph.D., is full professor of education and school counseling at Universidad de Monterrey. The couple has two sons. They have written 18 books about family, marriage, education, study skills and reading fields. They also provide keynotes, training, and consulting for conferences, schools, businesses and organizations in Mexico and United States. Author website: <http://sbpra.com/JesusAmayaandEvelynPrado>

Are you now willing to settle down with your true love? Look no further, for "Soulmate Seeking" is here to direct you towards finding a lasting love you deserve. Do not ever think that there is nothing like true love. True love exists. You just need to find yours by following the tips and strategies in this book. In this groundbreaking book, a famous relationship counselor, Annabelle Barre, digs profoundly into the central ideas of finding real love to build a true friendship and lasting relationship. Through strong bits of knowledge, pragmatic activities, and elevating stories, this enrapturing guide will engage you to set out on a significant excursion looking for genuine romance. "Soulmate Seeking" starts by exposing the legends and misinterpretations that society frequently propagates about love. Some say, "Love is a scam"; "Love is blind"; "Love is wicked"; love is this and that. All through the pages of this book, you will figure out how to perceive the distinction among fratery words and real love, and how to explore the intricacies of current dating. With every chapter, you will find the fundamental characteristics that develop enduring affection, like trust, effective communication, compromise and commitment, respecting each other's feelings, regarding each other's privacies and words, and supporting each other spiritually, emotionally, mentally and financially. Find the mysteries of lasting relationships, as the book offers important guidance on self-revelation and self-improvement. Through thoughtful activities, you will set out on a journey of self-reflection, where you will uncover your own interesting qualities, wants, and desires. Outfitted with this recently discovered mindfulness, you will acquire the certainty to communicate your bona fide self, drawing in accomplices who line up with your actual pitch. You should and must always communicate your desires, feelings to your partner. This is a modern world. Relationships today are not what they used to be 100 years ago. Things have changed. Therefore, you must read the book carefully to understand how to communicate effectively with your partner. "Soulmate Seeking" likewise addresses the injuries and frailties that might obstruct your capacity to track down genuine love. The strong recuperating methods illustrated inside the book will direct you through the excursion of self-mending, permitting you to defeat past heartbreaks and account for a significant heartfelt association. Composed with empathy, intelligence, and a smidgen of humor, this momentous aide offers desire to all who try to track down genuine love. Whether you are single and desires for a significant relationship or as of now seeing someone hoping to develop the affection you share, "Soulmate Seeking" gives the guide to finding, accomplishing, and sustaining the adoration that rises above simple misrepresentation. Leave on an uncommon journey towards real love, as "Soulmate Seeking" shows you the way to a groundbreaking, getting through relationship. Tell your friends or relatives who are also looking for true love about this book. **Marriage Covenant Management: A Metamorphic Experience** James W. Dansby Sr. 2019-01-18 Relationships require people to connect on many compatibility levels. The erroneous belief that "opposites attract" holds true for forming enduring relationships is, in reality, little more than wishful thinking. Attracting opposites, incompatible in a number of areas, often fail to endure the reality of everyday life and commitment. Relationships based solely on the "opposites attract" phenomenon will, predictably, experience painful consequences. Since maintaining a successful relationship is dependent upon compatibility in areas of personality, belief system, friends and family, communication, finance, education, health and nutrition, and need system, attraction toward someone can be more of a burden than a bonus.

The Power of Misfits Anna Lemind 2020-11-10 Are you an introvert or loner who feels painfully different from others and unable to fit into society? Do you often feel misunderstood and alienated from those around you? Do you find yourself opposing conventional beliefs and society's values? Do you feel deeply frustrated and alien to this world, like you don't belong here? You are not alone. For most of my life I was convinced that I was deeply flawed because of my introverted nature and reclusive personality. Only years later would I realize the eye-opening truth that would allow me to accept my introversion and turn it into my greatest asset, guiding me onto the right path and toward inner peace. Trust me, no matter how alone and misunderstood you might feel, you too can find your own unique place in this loud, extroverted world. The path I propose is so much more rewarding than simply fitting in and conforming to social expectations. All it takes is to shift your focus in the right direction, and I'm here to show you how. This book won't turn you into a leader, a people person, the life of the party - it will teach you something much more important: how to be the authentic you and find your place in a world you don't fit in.

Mechanism of Human Relationship Paul M 2016-02-02 This book explores little bit about the various belief systems; superstitions and delusion in the name of religion; deliberate deceits by institutions; willful blindness by devotees; controversial and improbable doctrines in scriptures; a peek view about some of the future technologies which will obliterate many of our belief systems. It discusses about how believers follow religion; how institutions utilize religions; how religion restricts people's urge to know the truth; how that ignorance and indifference is exploited by deceptive leaders and terror maniacs. It demonstrates with examples that many of our economic decisions, political policies, and domestic to international conflicts are all influenced by ideologies and racism. Amidst all these, majority of the people lead a life by maintaining superficial relationships and with skin-deep adherence to religious philosophies and attaching gods as mere peripherals. Though it is the human nature to adapt, adopt, evolve, most of the faithfuls cling to the primitive creeds which were created few millenniums ago. Our thought processes have degraded to the extent that beliefs have eclipsed the truths and the spin doctors ensures that the masses are hostages of this spectrum. What is stopping us from changing? Are we prisoners of our own makings? Should we change? If not what will happen?

Literacy for All Students Rebecca Powell 2011 This text presents the Culturally Responsive Instruction Observation Protocol (CRIOP) – a framework for implementing culturally relevant literacy instruction; discusses key issues within its themes; and provides classroom examples of teachers who are implementing it.

Deeper Dating Ken Page 2014-12-30 With exercises, practical tools, and inspiring stories, Deeper Dating will guide you on a journey to find the love—and personal fulfillment—you long for Lose weight. Be confident. Keep your partner guessing. At the end of the day, this soulless approach to dating doesn't lead to love but to insecurity and desperation. In Deeper Dating, Ken Page presents a new path to love. Out of his decades of work as a psychotherapist and his own personal struggle to find love, Page teaches that the greatest magnet for real love lies in our "Core Gifts"—the places of our deepest sensitivity, longing, and passion. Deeper Dating guides us to discover our own Core Gifts and empowers us to express them with courage, generosity, and discrimination in our dating life. When we do this, something miraculous happens: we begin to attract people who love us for who we are, we become more self-assured and emotionally available, and we lose our taste for relationships that chip away at our self-esteem. Without losing a pound, changing our hairstyle, or buying a single new accessory, we find healthy love moving closer . . . Deeper Dating integrates the best of human intimacy theory with timeless spiritual truths and translates them into a practical, step-by-step process.

Why Not Love Patrice M. Foster 2017-02-23 When hot and handsome Vince Moretti walks into Ashley Santoro's life, she ultimately has to decide whether she will continue to hold onto the bad-girl, biracial routine that has her looking for love in superficial relationships only-or if what she has with this star basketball player is true love. Emotionally neglected and abandoned by her mother and father, the Ashley series details a courageous journey of a young adult fielding her way through alcoholism and overeating into her own discovery of how to love and how to be loved. Accused of soliciting three New York Knicks players at a party in Manhattan, Ashley abandons her promising new relationship with Vince, a partnership that she feels she does not deserve. Caught up in a cycle of self-defeat, will Ashley continue her downward spiral and ultimately sabotage her first true love, as well?

Love Without Limits Nick Vujicic 2014-11-18 It Doesn't Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs, Nick Vujicic created a "ridiculously good life." But after dating disappointments and a failed relationship, he reached his mid-twenties worried that he would never find a woman to love him and share his life. Then Nick met Kanae and everything changed. But even with undeniable chemistry, they would have to navigate twists and turns worthy of a romantic comedy before becoming "one" in marriage. In Love Without Limits Nick and Kanae tell how they improbably found each other, fell in love, and then fought to overcome skepticism from others about their relationship. Filled with practical insights that will benefit any couple, this inspiring book describes a godly courtship and the early years of the Vujicics' marriage and parenting journey. Above all, Love Without Limits is an inspiring reminder that when Christ is at the center of a relationship—even with serious challenges—true love will triumph. *** "Despite my optimism about other parts of life, I decided that love in this world had limits after all. I'd become convinced that no woman would want to marry such an obviously imperfect man as me..." As a boy growing up in Australia, Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life. On the other side of the world, Kanae Miyahara—a girl growing up in Mexico--saw dysfunction sadly separate her family. She wondered if a loving, lasting marriage was even possible. Later, when Nick realized that God had a purpose for him, his life took on new meaning. But after a long-term relationship ended in heartache, would he ever find someone to marry? Kanae experienced relationships based on superficial attraction, but she longed to find a mate with strong character and faith—a man who would be a godly husband and father. When Nick and Kanae met in the most amazing way, they realized that God—the ultimate Matchmaker-- had used even their discouraging and painful experiences to prepare them for each other...for the love of their life.
