The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How

can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Sometimes men see women so difficult to get, the only reason for that is because men have not understood them. Believe me, no woman is too hard to get, no matter how brilliant and beautiful she is, all you have to do is to just know how to play your keys well, they will be the ones to go after you. I have observed that so many guys are single today not because they don't need a girl in their life or they don't want to be in any relationship, but because they don't know how to get a girlfriend. They lack the confidence and words to use in wooing a woman they want. So many things could be the factors depriving some men getting any woman they want. These factors include: Lack of confidence, Lack of words to use, Mode of approach, When to approach her, and lots more. In this book, I have emphasize on those factors. So after reading through, you will then be a professional in getting any woman of your choice.

How to Get a Girlfriend Dating Online - Robert Belland 2011-02-01

The goal of this book is simple: to guide ANY guy through the process of picking out the BEST women to chat with, exactly what to say to them, and how to inspire these women to feel enough attraction and comfort to meet in person.What can YOU do slightly differently than the last 50 guys who tried emailing her that same day?Be different (in a fun way) without seeming desperate, needy, or creepy.This book explains and explores the common mistakes men are making dating online AND explains, step-by-step, EXACTLY what to say in order to stand out and get dates.This book outlines the FOUR FOUNDATIONS of successful (online) dating: Attraction, Rapport, Leading, and Escalation.- ATTRACTION is about tension and her emotional response to you.- RAPPORT is about intimacy and her emotional connection with you.- LEADING is about challenging your fears and taking action while communicating sincerity through your actions.- ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it

goes where ever you want it to go.WHAT YOU'LL DISCOVER IN THIS BOOK: - Exactly to say in your first email so that she's MOST likely to respond to you.- 8 tragic but typical mistakes you should NEVER make when first chatting with her online.- 5 ways she's indicating she's "ready" to meet you (but you might be missing.)- 10 things you SHOULD be doing to make or break your online profile.- 10 detailed examples of men's profiles, and what's good and bad about them.- Learn which types of photos make women click your profile, and which make her run for the hills!- MANY examples of the types of emails other men will be sending her so that YOU can learn how to avoid sounding like "just another creep."- How to be DIRECT in such a way that will invite her to desire you more.- 7 amazing openers that you can use anytime that I've tested and used to meet many amazing women online, and why they work so well.- Etc, etc, etc...Getting the girl online isn't rocket science. It's not black magic. It's not surprising or wierd. BUT it's almost universally misunderstood.What makes a girl reject the last 99 guys but respond to you?It's simple. Being different, being playful, and being attractive. The core teachings of my books.As a matter of fact it's EASIER to be different than the last 99 guys simply because the last 99 guys are all saying the exact same things and all making the exact same mistakes.I wrote this book to help the average guy, like you and me, stand out from the online dating crowd in order to catch the girl we REALLY want, and ultimately deserve.She WANTS you to find her and attract her... now read this book and learn the fastest path to your first date!
