The Cumulative Book Index - 1981

A world list of books in the English language.

The Mating Game - John Gribbin 2003

Resources in Education - 1998

Human Evolution - H. James Birx 1988

Censoring Sex Research - Thomas K Hubbard 2016-06-16

This volume sheds light on one of the most explosive episodes of censure of academic scholarship in recent decades. Bruce Rind, a former psychology professor at Temple University, investigated sexual relations between male adults and adolescents through history and across cultures, from highly institutionalized relationships in Ancient Greece and Rome, to 33 contemporary cultures including the USA, and among various species. His conclusions that these relations, when consensual, are not always negative was radical, but based in his research findings. Even before publication of an invited article on the topic, he was subjected to intensive attacks, censured, and censored. This book presents a substantially extended version of Rind's original, unpublished article, plus 12 scholarly responses to his work that argue for or against Rind's conclusions or offer useful context on his work. For anyone interested in sex research and the academic freedom issues surrounding it, whether supportive of or vehemently opposed to Rind's ideas, this book is a must-read.

Dr Tatiana's Sex Advice to All Creation - Olivia Judson 2014-04-30

If you have ever wondered why women always bite your head off or why one guy gets all the girls, if you have ever pondered why some men bring you balloons while others leave you their genitals, then Dr Tatiana's Sex Advice to All Creation is the book for you. It explains all this and much more. It discloses the best time to have a sex change, how to have a virgin birth, when to seduce your sisters or eat your lover. Quirky and brilliant, it takes as its starting point all creatures great and small worried about their bizarre sex lives, and the letters they write to the wise Dr Tatiana, the only agony aunt in all creation with a prodigious knowledge of both natural history and evolutionary biology.

Library Journal - 1980

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Female Psychology - Carole Dilling 1985

Comprehensive compilation of references to recent and historical books and journal articles about female development. "Designed to integrate new perspectives ... into the previously generalized and largely masculine perspectives of existing literature." Classified arrangement organized into sixty categories. Appendix contains list of sources and other bibliographies. Author index.

The New Men's Studies - Eugene R. August 1994

Contains some 1000 annotated entries that describe books about men. Coverage includes men's awareness, health, rights, heterosexuality and

homosexuality, patriarchy and minority males. Each entry describes the book's content and, where appropriate, its political stance.

The Publishers' Trade List Annual - 1983

The Ashgate Research Companion to Monsters and the Monstrous - Asa Simon Mittman 2012

The field of monster studies has grown significantly over the past few years and this companion provides a comprehensive guide to the study of monsters and the monstrous from historical, regional and thematic perspectives. The collection reflects the truly multi-disciplinary nature of monster studies, bringing in scholars from literature, art history, religious studies, history, classics, and cultural and media studies. The companion will offer scholars and graduate students the first comprehensive and authoritative review of this emergent field.

Men's Studies - Eugene R. August 1985

Books included in this bibliography focus on males and exhibit some of the following criteria: awareness of male gender role; awareness of other works in men's and women's studies; transcends stereotypes; contribute insight into the universal experience of being male; explore issues of important to males such as men's rights or vasectomy.

Paperbound Books in Print - 1991

Sociology of Marriage and the Family - Randall Collins 1991

This sociological analysis of the system of marriage and family focuses on the family as an institution in society. It uniquely encompasses many facets of society, and students are able to learn about family seen through a cultural and historical perspective. The book sets a high conceptual standard, but uses informal writing and minimal jargon. It presents the perspectives of critical and questioning academics (feminists, progressives, anti-racists, independent-thinkers, cross-disciplinary types, etc.) within a scholarly, well-researched text. It addresses a host of real world issues and practical concerns.

The Science of Effective Mentorship in STEMM - National Academies of Sciences, Engineering, and Medicine 2020-01-24
Mentorship is a catalyst capable of unleashing one's potential for discovery, curiosity, and participation in STEMM and subsequently improving the training environment in which that STEMM potential is fostered. Mentoring relationships provide developmental spaces in which students' STEMM skills are honed and pathways into STEMM fields can be discovered. Because mentorship can be so influential in shaping the future STEMM workforce, its occurrence should not be left to chance or idiosyncratic implementation. There is a gap between what we know about effective mentoring and how it is practiced in higher education. The Science of Effective Mentorship in STEMM studies mentoring programs and practices at the undergraduate and graduate levels. It explores the importance of mentorship, the science of mentoring relationships, mentorship of underrepresented students in STEMM, mentorship structures and behaviors, and institutional cultures that support mentorship. This report and its complementary interactive guide present insights on effective programs and practices that can be adopted and adapted by institutions, departments, and individual faculty members.

Same-Sex Marriage - Donald Cantor 2006-04-28

Examines the issues surrounding the fight for legal acknowledgement of same-sex marriages, exploring how society and the courts view homosexuality and same-sex marriages, the civil benefits denied to same-sex couples, and the laws related sexual behavior.
