**Crazy Girl** - B. N. Toler 2017-09-07

Romance author Hannah Bircham had made it. She was living the dream; a successful writing career, a loving husband, and dream home. Life couldn't get better. But it could get worse. And it did. The dream ended. And life as she knew it took a turn into Destitute City, party of one. Divorced, lost, and worst of all, a neurotic anxiety-ridden mess, Hannah's focus and admirations disappeared. Feeling down on her luck, Hannah lost her mojo, her gift of writing. How did one write about love when they'd stopped believing in it? Hannah could either make up the perfect muse, or make it her mission to meet him. She just needed a little push. With encouragement from her best friend, Hannah decided to join a dating app, convinced she wouldn't find Mr. Forever, but maybe, at the very least, she'd find her inspiration. A muse. Enter Wren Marnier. The complicated, sexy alpha veteran with his trunk of accomplishments and adventures walked, talked, and looked as if he'd just stepped out of a sultry romance novel. He was every woman's fantasy and at the same time, the man one knew they should stay away from. Filled with equal parts fear and

fascination, Hannah threw caution to the wind, but what she experienced terrified her like never before. Still, she forged forward. But with all the wonder of Wren also came a reality Hannah didn't know how to handle. She told herself he was merely work, but the truth was she was falling for him. And that couldn't happen. But walking away from him wasn't possible either, when he was her muse. With her future on the line, she had to decide: As she entered the next chapter in her life, did she delve deeper with Wren in hopes of saving her career, or run in hopes of saving her heart?

**Women Are Crazy, Men Are Stupid** - Howard J Morris 2009-09-15

THE REVEALiNG, RiP-ROARiNGLY FUNNY GUIDE TO MAKiNG EVERY RELATIOnSHiP SMARTER, SANER, AND HAPPiER. Since the dawn of time, when the first smitten caveboy tried to woo the object of his affections by shoving her into the mud, men have demonstrated that when it comes to women, they are profoundly stupid. And when it comes to men, women -- no matter how intelligent or mature -- are completely crazy. Based on this simple yet groundbreaking insight, comedy writers and real-life couple Howard J. Morris and Jenny Lee have devised a relationship guide that is refreshingly honest, completely hilarious, and surprisingly practical. Using their own crazy/stupid romance as an example of these forces in action, they set out to explain why women ask questions that they absolutely do not want answered -- and why men persist in answering them. What are men really thinking -- or crucially, not thinking? Why do women view even the most mundane events through an emotional prism? Why do guys suck at being romantic? And why does every conversation with a woman lead back to whether or not she's fat? Using wit, hard-earned wisdom, and a highly entertaining he said/she said format, the authors explore the surprising method to his dumbness and the valid reasons behind her insanity, while providing real solutions to perennial relationship problems. By teaching men how and why they're stupid around women and showing women how to "control the crazy" for everybody's sake, Women Are Crazy, Men Are Stupid helps couples to reach the place where giving isn't giving in, needing isn't needy, and where the sexes can break the dysfunctional patterns and find a way to live lovingly, happily ever after.

**Girl Gone Mad** - Avery Bishop 2020-09

They say everything is fun and games until someone gets hurt. Well, someone did--and now the game has changed... Emily Bennett works as a therapist in Pennsylvania, helping children overcome their troubled pasts--even as she struggles to forget her own. Once upon a time, Emily was part of a middle school clique called the Harpies--six popular girls who bullied the new girl to her breaking point. The Harpies took a blood oath: never tell a soul what they did to Grace Farmer. Now, fourteen years later, it seems karma has caught up to them when one member of that vicious circle commits suicide. But when a second Harpy is discovered dead shortly after, also from apparent suicide, the deaths start to look suspicious. And when Emily starts seeing a woman who looks a lot like Grace Farmer lurking in the shadows, she's forced to wonder: Is Grace back for revenge? Or is Emily's guilt driving her mad? Sticks and stones may break your bones, but the Harpies are about to find out just how much words can hurt you.

Girls Gone Wise in a World Gone Wild - Mary A. Kassian 2010-04-01

Inundated by popular culture, many women have lost their bearings and no longer trust the internal compass that intuitively affirms those things that are good, true, and noble about womanhood. As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7. By using 20 points of contrast, she helps readers discern wild from wise, saucy from biblically savvy, and more. Girls Gone Wise in a World Gone Wild will captivate, convict, and challenge women to become decreasingly worldly and increasingly godly, and it will equip them with truth for that journey. Includes questions for personal reflection at the end of each chapter

My Journey to Girl Gone Healthy - Marissa Leonessa 2022-11-21

My Journey to Girl Gone Healthy Marissa Leonessa Named as 1 of 8 Winners in over 60,000 Coaches who have led a life of impact by positively affecting lives in their communities sharing their mission. Who Is Girl Gone Healthy? Almost two years ago, I took a leap of faith and decided to write myself a different story... to bet on myself. I needed to get my health in order not only for me, but my sister's girls I am now a maternal guardian for. On top of that, as the sole provider in my home, I was constantly chasing investments and side hustles to give myself the financial cushion I so desperately felt I needed to be comfortable. I was no stranger to working 2aEUR"3 side gigs in addition to a fullaEUR"time career in healthcare, 'cause, hey, there's no stronger vibe than the girl determined to rise vibe. I took a small step and started with focusing on my own health journey, and when I experienced the results I had it felt natural to want to share it with everyone in my sphere.. That's when the opportunity of coaching knocked on my door, and I gave up the other gigs to narrow my focus on helping others. Since then, I have helped hundreds of people have the same success by following a simple program and by being open to being coachable. Then came the RIPPLE EFFECT...many of my clients wanted to help others, too, and I now find myself as the CEO of Girl Gone Healthy, LLC, with a total of 50 coaches sharing my mission! Never in a million years did I think I could run a successful business, speaking on a stage sharing my success with hundreds of other coaches, leading trainings and power hours, and most importantly, teaching clients healthy habits to employ each and every day. I have completed the trilogy I longed for...healthy body, healthy mind, and healthy finances beyond my wildest imagination, but I'm just getting started as there are SO MANY MORE I want to share the gift of health with AND healthy finances. If you want a healthy body, healthy mind AND healthy finances, but don't know how to get there, I have the vehicle to help you reach them!

As a therapist, she prides herself on making reasonable, conservative choices, even if a bit boring, and as part of the Big Sister Program, she has little time for anything more in her life. Blake Carter is a player. He never gets bored of conquering women, and with his sexy good looks and successful lifestyle, he has no trouble finding willing participants. When his friend and business partner dies in a tragic accident, he suddenly, desperately, wants to change his ways. The problem is, he doesn't know how to stop doing what he does best. When Blake walks into Danica's office, the attraction between them is white hot, but Danica isn't the type to give into the heat and risk her career. Danica's desire sets her on a path of self-discovery, where she begins to question every decision she's ever made. Just this once, Danica wants to indulge in the pleasures of life she's been so willingly ignoring, but with her Little Sister in turmoil and her biological sister's promiscuousness weighing heavily on her heart, she isn't sure it's the right time to set her desires free. --- In *SISTERS IN BLOOM*: Kaylie Snow has always been the fun, flirty, pretty sister. Now her burgeoning baby bump, hormone-infused emotions, and faltering singing career are sending her

into an unexpected identity crisis. Watching her older sister, Danica, glide through a major career change and a new relationship with the grace of a ballerina, Kaylie's insecurities rise to the forefront—and her relationship with fiancé Chaz Crew is caught in the crossfire. Chaz Crew has everything he's ever wanted: a lovely fiancée, a baby on the way, and soon, the film festival he owns will host its biggest event ever. When he's called away to woo the festival's largest sponsor—and the lover he's never admitted to having—secrets from his past turn his new life upside down. With her baby shower around the corner and her fiancé's big event looming, the pressure is on for Kaylie to pull herself together—and for Chaz to right his wrongs. In a few short weeks, the couple who had it all figured out will learn things about life and love that may change their minds—and their hearts. --- In *SISTERS IN WHITE*: Danica and Kaylie Snow are about to celebrate the biggest day of their lives—their double wedding—on an island in the Bahamas. But no wedding is complete without a little family drama. The two sisters aren't ready to face the father they haven't seen since he divorced their mother and moved away to marry his mistress, and live with Lacy, the half sister they've never met. While Danica has exchanged letters and phone calls with Lacy, Kaylie has fervently tried to pretend she doesn't exist. Lacy is sweet, fun, and nearly a mirror image of Kaylie. To make matters worse, not only is Lacy looking forward to meeting her sisters, but she idolizes them, too. As the countdown to the wedding date ticks on, their parents are playing a devious game of revenge, and there's a storm brewing over the island, threatening to cancel their perfect wedding.
