

A Sexual Tour Of The Deep South

A Sexual Tour of the Deep South 20th Anniversary Edition - Rosemary Daniell 1975

Signed by poet. "Rosemary Daniell is an enormously gifted poet, novelist and non-fiction writer, who has created an extraordinary body of work over the last two decades. Her work is risky -- in the best sense of the term. She brings a poet's language to her prose and great energy and daring to her poetry ... I can think of few writers I might recommend more whole-heartedly."--Erica Jong.

Atlanta Magazine - 2006-06

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region.

Sex Wars - Lisa Duggan 2014-01-27

This book is a collection of essays written during the 1980s and 1990s, generated as parts of other, larger activist efforts going on at the time. Read together, the essays trace the progress of the conversations between different activist groups, and between the authors of the pieces, Lisa Duggan and Nan Hunter, creating a bridge between feminists, gay activists, those in politics, and those in the law. Since the 1995 publication of *Sex Wars*, the political landscape has altered significantly. Yet the issues (and essays) are still relevant today. The anniversary edition contains a new chapter dealing with the changes in the law since the book's publication (*Lawrence v. Texas*, for example).

Mother Jones Magazine - 1984-07

Mother Jones is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

Flannery O'Connor - R. Neil Scott 2002

Queering Education in the Deep South - Kamden K. Strunk 2018-04-01

This volume explores education in the Deep South, with a focus on LGBTQ students and educators, and on queer theoretical perspectives in education. The topics in this volume include teaching LGBTQ issues and queer studies in the Deep South, educational policy and practice in the Deep South as related to queer issues, and efforts to introduce queer literature to libraries and queer collections to archives. Authors in this volume examine what realities exist in education in the U.S. South currently, and what possibilities might be imagined in the future.

The New Georgia Encyclopedia Companion to Georgia Literature - Hugh Ruppersburg 2011-08-15

Georgia has played a formative role in the writing of America. Few states have produced a more impressive array of literary figures, among them Conrad Aiken, Erskine Caldwell, James Dickey, Joel Chandler Harris, Carson McCullers, Flannery O'Connor, Jean Toomer, and Alice Walker. This volume contains biographical

and critical discussions of Georgia writers from the nineteenth century to the present as well as other information pertinent to Georgia literature. Organized in alphabetical order by author, the entries discuss each author's life and work, contributions to Georgia history and culture, and relevance to wider currents in regional and national literature. Lists of recommended readings supplement most entries. Especially important Georgia books have their own entries: works of social significance such as Lillian Smith's *Strange Fruit*, international publishing sensations like Margaret Mitchell's *Gone With the Wind*, and crowning artistic achievements including Jean Toomer's *Cane*. The literary culture of the state is also covered, with information on the *Georgia Review* and other journals; the Georgia Center for the Book, which promotes authors and reading; and the Townsend Prize, given in recognition of the year's best fiction. This is an essential volume for readers who want both to celebrate and learn more about Georgia's literary heritage.

Child Abuse in the Deep South - Lee W. Badger 1988

This study of physical and sexual child abuse in the Deep South was designed to determine the incidence of child abuse and neglect in the state of Alabama, to identify the characteristics of confirmed child abuse, and to test the hypothesis that community size would contribute to a unique picture of the surveillance, reporting, and caseworker determination of abuse.

Georgia Voices: Poetry - Hugh Ruppersburg 1992

Georgia Voices Volume 3, Poetry, is the final anthology in a distinctive multivolume set of works by Georgia's most gifted writers. Offering selections from thirty-nine poets, *Georgia Voices Volume 3* presents a variety of literary and cultural traditions. While the poems reflect the places and times of their origins, they also reveal the impact of today's global society in their diverse and contrasting themes. With myriad styles and voices, this work is characteristic of the South's blend of tradition and innovation, elegance and angst. As eclectic as it is representative of Georgia's character and heritage, the volume contains works mainly from the twentieth century. In this collection we encounter some of America's finest poets--Sidney Lanier, Conrad Aiken, James Dickey, Alice Walker, Judson Mitcham, Judith Ortiz Cofer, Rosemary Daniell, Wyatt Prunty, Charlie Smith, Bettie Sellers, Coleman Barks, Stephen Corey, Kathryn Stripling Byer, and many others. Their works of humor, nature, history, discovery, drama, and strength make *Georgia Voices Volume 3, Poetry*, a worthwhile addition to any bookshelf or library.

Queering Public Health and Public Policy in the Deep South - Kamden K. Strunk 2020-05-01

In this volume, authors explore the interconnected issues of public health and public policy as they relate to queer issues in the Deep South. The book begins with a sustained examination of public health, health disparities, and mental health for LGBTQ people in the South. Next, the issues of public policy and public advocacy, including law enforcement, community advocacy and activism, and public life in the Deep South are taken up. Through the chapters in this text, the peculiarities of public health and public policy for LGBTQ people in the Deep South are explored. However, this volume also points to trends, themes, and dynamics at work in the Deep South that are also implicated in the queer experience in other parts of the U.S. The authors of this text push readers to think deeply about these issues. They clearly highlight the systemic nature of oppression of queer people in the South through institutions of medicine, mental health discourses, the criminal justice system, and public life including *Pride* and *Mardi Gras*. Taken together, the authors in this volume call for reform, liberation, and conscientization and queerly envision the future of health and policy in the Deep South.

The American Poet Who Went Home Again - Aberjhani 2008-05-07

The American Poet Who Went Home Again is a book of creative nonfiction that blends memoir, literary journalism, history, and biography to tell the story of one writer's rediscovery of his family, his hometown of

Savannah, Georgia, and himself. It is composed of four sections containing collectively some twenty chapters and three introductory poems for a total of more than 300 memorable pages with guest appearances by several very special authors. This is a work of true literary art filled with reports from the author's personal spiritual journey and profiles of unforgettable men and women.

Evolution Education in the American South - Christopher D. Lynn 2017-03-08

This volume reaches beyond the controversy surrounding the teaching and learning of evolution in the United States, specifically in regard to the culture, politics, and beliefs found in the Southeast. The editors argue that despite a deep history of conflict in the region surrounding evolution, there is a wealth of evolution research taking place—from biodiversity in species to cultural evolution and human development. In fact, scientists, educators, and researchers from around the United States have found their niche in the South, where biodiversity is high, culture runs deep, and the pace is just a little bit slower.

Deep South - Allison Davis 2022-08-03

A classic examination of the lived realities of American racism, now with a new foreword from Pulitzer Prize winner Isabel Wilkerson. First published in 1941, *Deep South* is a landmark work of anthropology, documenting in startling and nuanced detail the everyday realities of American racism. Living undercover in Depression-era Mississippi—not revealing their scholarly project or even their association with one another—groundbreaking Black scholar Allison Davis and his White co-authors, Burleigh and Mary Gardner, delivered an unprecedented examination of how race shaped nearly every aspect of twentieth-century life in the United States. Their analysis notably revealed the importance of caste and class to Black and White worldviews, and they anatomized the many ways those views are constructed, solidified, and reinforced. This reissue of the 1965 abridged edition, with a new foreword from Pulitzer Prize winner Isabel Wilkerson—who acknowledges the book's profound importance to her own work—proves that *Deep South* remains as relevant as ever, a crucial work on the concept of caste and how it continues to inform the myriad varieties of American inequality.

Queering Spirituality and Community in the Deep South - Kamden K. Strunk 2019-04-01

In this volume, authors explore the interconnected issues of spirituality and community as they relate to queer issues in the Deep South. The book begins with explorations of queer spiritualities and LGBTQ people

in religious settings. Next, authors investigate and document the rise of the religious right political movement in the South. Finally, the authors of this text document community life for LGBTQ people in the Deep South, including efforts to create affirming queer spaces inside otherwise hostile locales. Through the chapters in this text, the peculiarities of spirituality and community life for LGBTQ people in the Deep South are explored. However, this volume also points to trends, themes, and dynamics at work in the Deep South that are also implicated in the queer experience in other parts of the U.S. The authors of this text push readers to think deeply about these issues, probe the limits of queer potentialities in Southern religious and community contexts, and clearly point to the interweaving of Christian religiousness, communities of practice, the operation of white supremacist heteropatriarchy in oppression of LGBTQ people, and the possibilities of affirming spiritual and community praxis.

Pornography, Sex Work, and Hate Speech - Karen J. Maschke 1997

Multidisciplinary focus Surveying many disciplines, this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical, political, and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law, political science, history, women's studies, philosophy, and education and represent some of the most interesting writing on the subject. The law in theory and practice Many of the articles bring race, social, and economic factors into their analyses, observing, for example, that black women, poor women, and single mothers are treated by the wielders of the power of the law differently than middle class white women. Other topics covered include the evolution of women's legal status, reproduction rights, sexuality and family issues, equal employment and educational opportunities, domestic violence, pornography and sexual exploitation, hate speech, and feminist legal thought. A valuable research and classroom aid, this series provides in-depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women.
