Spectacular Sex Moves She'll Never Forget Sonia Borg 2011-09-01 "Sssssttt! Hot, engaging, fun, and oh-so creative. You'll need a cooler to douse your mind (and maybe more) after reading this book. Very naughty, with clever sex moves, explicit talk, spot-on factoids, and spicy tips, this is the perfect remedy for today's dilemma of the sexless relationship." - Patti Britton, Ph.D., MPH, AASECT past president, board-certified clinical sexologist, certified master sex coach, author of *The Art of Sex Coaching*, sex educator, and co-founder of www.SexCoachU.com Hot sex moves that will take her over the edge! Many sex books and magazines promise techniques to "satisfy" a woman in bed. However, satisfactory sex won't get a woman biting the pillowcases in ecstasy. Spectacular sex requires great technique, red-hot seduction, and moves designed to hit all of her orgasmic hot spots. The techniques in this book are specifically designed to hit multiple female pleasure zones and hot spots simultaneously. - *The Clitty-Cat*: Have her meowing with pleasure with a position uniquely designed for maximum clitoral stimulation. - *The Backyard Bonk*: The great outdoors...a trampoline...and assisted deep penetration that will rock (and bounce) her world. - *The Bucking Bronco*: Be her favorite urban cowboy using this lusty thrusting position. - *Go Green*: It's never too hot for steamy sex when you're using a sprinkler...and wheelbarrow position that gives rear-entry a new angle. While other sex books give a la carte tips and instruction, *Spectacular Sex Moves She'll Never Forget* offers incredible scenarios with step-by-step instructions for helping her achieve orgasm. You'll always know what to do next, and with each move you'll find an erotic variation for every mood, from torrid to tender. Unlike other sex books, which might give a new twist on a tired classic, each experience in this ultimate sex guide is completely unique with never-before-seen moves. You'll learn how to take any experience from manual stimulation to oral to intercourse to a whole new mind-blowing level of pleasure. Sexy photography and detailed illustrations show you exactly how to perform each move like a pro. With *Spectacular Sex Moves She'll Never Forget*, you'll give her the most unforgettable sex of her life.

A Brief History of Oral Sex David DePierre 2017-06-26 The ancient Greeks and Romans considered it degrading to both parties yet depicted it prolifically in art and literature. The Early Christian Church called it "the worst evil," punishable by seven years of penance and fasting (murder was one year). Nearly all of the 13 original American colonies had laws against it--except Georgia. A Victorian handbook for young brides advised how to "dampen his desire to kiss in forbidden territory." Attitudes about oral sex have varied through the centuries and across cultures--a death sentence in some nations, a religious practice in others. This book explores its history as well as its impact on world events.

The New Male Sexuality Bernie Zilbergeld 2013-02-27 *The New Male Sexuality* addresses the most urgent questions of men today--and of the women who love them. Bernie Zilbergeld reports findings from his twenty years as a psychologist specializing in human sexuality, as well as those of other experts in the field, and shares his own and his clients' experiences. The result is the most comprehensive guide ever to enhancing desire and arousal, focusing on pleasure rather than performance, and keeping sex exciting and fulfilling. Clear, comprehensive, witty, and refreshingly realistic, *The New Male Sexuality* is destined to be a classic.

Great Orgasms Bob Schwartz, Ph.D. 2011-08-09 Previously published as part of *The One-Hour Orgasm™*, Leah Schwartz, Ph.D., and Bob Schwartz, Ph.D.'s *Great Orgasms* demonstrates, with pictures and words, how you can master the famous "Venus Butterfly"™ technique (for him and for her), immediately improve your intimate experiences, and enjoy ever-expanding levels of pleasure in your sex life.

Art of Oral Sex Ian Denchasy 2007-11 There is no right or wrong way to have an orgasm. While some people might just think that oral sex is an extension, or precursor to intercourse, it really is an erotic art -- and therefore must have an artistic flair! *The Art of Going Down* will explore

techniques that will give you the confidence and skills you need to become a master in the precise art of cunnilingus or fellatio. The book will explore the often misunderstood topics of the male and female genitalia, and explain why the female orgasm is a much more complicated affair than the male orgasm. The Art of Going Down will discuss topics such as oral sex props, positions, how to discuss it with your partner, as well as tips, sidebars, and testimonials from both men and women. It will also include 30 full-color photos, shot on location to imbue the book with an erotic and contemporary angle. Some people consider oral sex even more intimate than intercourse -- so the mastery of this art is essential!

The Complete Idiot's Guide to Tantric Sex Judith Kuriensky 2004 In this updated, fully illustrated second edition, the author uncovers every aspect of this ancient practice, and introduces the principles, techniques, and rituals of Tantra.

Between the Covers Jilly Cooper 2020-10-29 'No one else can make me laugh and cry quite like Jilly Cooper.' Gill Sims 'Jilly Cooper's non-fiction is just as entertaining as her novels.' Pandora Sykes _____ 'One truth I have learnt, as middle age enmeshes me like Virginia creeper, is that I shall never change-because my capacity for self-improvement is absolutely nil.' Jilly Cooper's observations from her days as a much-loved newspaper columnist cover everything to do with sex, socialising and survival - from marriage, friendship and the minutiae of family life, to the tedium of going to visit people for the weekend, the stress of hosting dinner parties and the descent of middle age. Entertaining and full of heart, this classic collection of journalism from the legendary author explores the highs and lows of everyday life with wit, wisdom and warmth. The Poetry of Sex Sophie Hannah 2014-01-30 *The Poetry of Sex* - a raucous, highly enjoyable anthology by acclaimed poet Sophie Hannah 'We've been at it all summer, from the Canadian border to the edge of Mexico . . .' It's hard to imagine a more fruitful subject for poets than sex, in all its glorious manifestations: from desire and hope, through disappointment and confusion, to conclusion and consequence. And little has changed over the centuries, as Sophie Hannah's anthology vividly demonstrates, from Catullus pleading with Lesbos to Walt Whitman singing the body electric. Moods and attitudes may vary but the drive persists as does the desire to write about it. Sophie Hannah's selection ranges from ancient Rome to modern New York, from gay to straight, but her principle has been to go low on the sugar and high on the excitement. It is essential reading for poetry lovers and romantics everywhere. Sophie Hannah has published five collections of poetry. Her fifth *Pessimism for Beginners* was shortlisted for the T.S. Eliot Award in 2007. Her *Selected Poems* is published by Penguin (revised edition, 2013). She is also the writer of bestselling psychological crime fiction, most recently *The Carrier*. Her novels have been translated into 24 languages. Born in Manchester, she now lives in Cambridge with her husband and children, and is a Fellow Commoner of Lucy Cavendish College.

The Embodiment of American Culture Heinz Tschachler 2003 American culture has literally become fixated on the body at the same time that the body has emerged as a key term within critical and cultural theory. Contributions thus address the body as a site of the cultural construction of various identities, which are themselves enacted, negotiated, or subverted through bodily practices. Contributions come from literary and cultural studies, film and media studies, history and sociology, and women studies, and are representative of many theoretical positions, hermeneutic, historical, structuralist, feminist, postmodernist. They deal with representations and discursifications of the body in a broad array of texts, in literature, the visual arts, theater, the performing arts, film and mass media, science and technology, as well as in various cultural practices.

The Noble Art of Seducing Women - My Foolproof Guide to Pulling Any Woman You Want Kezia Noble 2012-02-23 Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up

artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

The Art of Going Down Elizabeth Cramer 2015-03-08 It's a common myth that women don't enjoy oral sex as much as men do. The truth is, most women love their partners "going down" on them. In fact, some women prefer oral sex to traditional sex with penetration. If you have no idea of how to perform cunnilingus correctly, you will be missing out a big part of fun & excitement you and she can have together. "The Art of Going Down" was written to inspire the reader to explore the possibilities that oral sex for women can offer to any relationship (well, any relationship that involves at least one woman!). It addresses numerous issues, including how to perform cunnilingus as well as tips for the woman receiving oral attention. We will cover the importance of not only being able to perform or enjoy, but also how to communicate your concerns and desires regarding the act of oral stimulation. We will also discuss the difference in attitudes between men and women when it comes to cunnilingus, as well as the portrayal of this intimate act in popular culture. Most of all, "The Art of Going Down" will help you enjoy what can be a mind blowing experience! Whether you are a seasoned vet at giving or getting, or a brand new explorer in this realm, this guide can serve to enhance your sex life in ways that are not merely limited to oral sex.

Gender and Sexuality in the Middle Ages Martha A. Brozyna 2005-03-21 Perceptions about gender and sexuality have shaped the lives of men and women in every known culture and in every period of history. To study these perceptions one must delve into the underlying religious, social, philosophical and scientific influences. Understanding gender and sexuality during the Middle Ages requires an examination of the ideas, laws and institutions of the time—for example, the regulations of the Christian church, the anatomical studies of the medieval medical community, the chronicles of the time and the social criticism found in medieval literature. This reader brings such documents from throughout the medieval world into one collection. Representing a diverse range of ethnic, geographic and religious backgrounds, documents of the late Roman, Germanic, Anglo-Norman, Mediterranean, Byzantine, Slavic, Jewish and Islamic identities are all included. The book's chapters are organized according to nine areas—the Bible; Christian thought; chronicles; law; biology, medicine and science; literature; witchcraft and heresy; Judaism; and Islam—allowing for comparative examination of different societies and periods of the Middle Ages.

Just F*ck Me! - What Women Want Men to Know about Taking Control in the Bedroom - Revised Edition W/ Censored Cover Eve Kingsley 2013-07
THIS IS A NEWLY UPDATED VERSION OF THE UNDERGROUND CLASSIC! "You're the Man... Act Like One!" Look, I know you're not a mind

reader, so I'm going to be blunt... The majority of women like to be fucked. And I mean really fucked. Yes, the media has lied to you. Sure, there are some women who want to lie on their backs, look into your eyes, and gently rock back and forth, but most of us want you to channel the power of the Sun through your penis and give us a good, solid pounding. Act like you want it, for God's sake! In this book, I'm going to lay out exactly what the majority of women want and show you exactly how to give it to them. I've got a section just for you and one for your female partner, so you can feel 100% comfortable letting loose on her vagina in the way she's secretly craving. Some of the topics we'll cover... The Alpha Male - It's more than just being an ex-fratboy douchebag, who thinks he's still on the high school football team. I'll clue you in. Dirty Talk - Trust me, she wants it. If she didn't, she'd fuck a mime. Speaking of, did you know Marcel Marceau was divorced three times? Enough said. Role Playing - How she really feels about pretending to be the babysitter, a whore, and a student looking for a little "extra credit." I'll take you through her top Alpha Male fantasies...including one so controversial, I can't even mention it here. The Art of Being Assertive - Sack up and take control! What to do...and what not to do. Sexual Communication - Both you and your partner have needs and good communication, both verbal and non-verbal, is crucial when it comes to getting them on the table. I'll show you how to communicate "Alpha Male Style." You'll learn what to say...and how to say it. Now that I've got you all hyped up and extremely aware of the need to please your woman, let's make that happen! What are you waiting for? Buy the book already! Eve Kingsley is a feminist writer based in San Francisco. She teaches couples how to push the boundaries of their sexual relationships to create new levels of honesty, intimacy, and trust.

My Broken Vagina Fran Bushe 2021-05-11 Imagine if every time you tried to have sex, all you experienced was pain. Extreme pain. Everyone's told you that it's supposed to hurt the first time, but surely this feeling of excruciating agony can't be normal. This is an experienced shared by almost half of all women at some point during their lives. My Broken Vagina is one woman's quest to fix her sex life, but it's the story of millions of women

everywhere. During her journey towards building a better relationship with her genitals, Fran been given many pieces of advice. Doctors have advised her to 'have a glass of wine to loosen up'; male friends have suggested she simply hasn't 'tried' the right penis yet; partners inevitably felt it was a reflection of their sexual prowess. But none of that was helpful. Eventually, Fran was told that her symptoms; difficulty orgasming, pain during sex, and general dissatisfaction with the whole thing, came under the umbrella diagnosis of 'Female Sexual Dysfunction' (the sexiest of all the dysfunctions). And so began the process of figuring out how she felt about the term FSD, and finally having a label, if an imperfect one, that made her feel like she wasn't, for once, being gaslit by her own vagina.

Wired for Love Stan Tatkin 2012-01-02 "What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

Love and Choice Lucy Fry 2022-02-10 What, in your relationships, have you chosen? What would you choose, if you felt able? In *Love and Choice*, therapist and journalist Lucy Fry explains why relationships should start with these simple questions. Most of us are brought up with a blueprint for our most important and intimate relationships. It comes from family, the media, or even the government's tax policies, and the message is simple:

The (gold) standard for a romantic relationship is one that is heterosexual, between two people, and monogamous. Lucy invites us to examine this blueprint consciously, accept that it may not be for everyone, and consider something outside the ordinary. By offering us a window into a life built on choice, and a radical approach, Lucy helps us explore what we really want, and what our relationship needs. With care, wit and candour, Fry blends insightful psychological and philosophical ideas with case studies drawn from interviews with experts, real people, and experiences in her own life. Love and Choice gives readers everything they need to choose what, who, and how to love.

The Publishers Weekly 2007

Everything You Always Wanted to Know About Anal Sex Phillip Williams SR. 2016-01-30 In Christ's love and patience, EYAWTKAAS, after revealing why, corrects and instructs some of the "best" people on the planet (because Jesus has somewhat against them). EYAWTKAAS uncovers by far the largest and most hypocritical cover-up in the history of the Christianity. Far surpassing Sodom and Gomorrah for wickedness is proved and so is the fact that much of the light of the world is in darkness. Because of God's love for marriage/family, He is "pulling the covers." Don't be afraid/embarrassed to go with the author to higher heights in your Savior as he lists the reasons why this "touchy" subject is so hushed up under the steeples, why it persists, why many believers (not all) won't address it and why it must be addressed. Finally there are questions for discussion to help you confront this issue and help to get you in His image.
