British and American School Stories, 1910-1960 - Nancy G. Rosoff
2019-02-25

This book examines school and college fiction for girls in Britain and the United States, written in the first half of the twentieth century, to explore the formation and ideologies of feminine identity. Nancy G. Rosoff and Stephanie Spencer develop a transnational framework that recognizes how both constructed and essential femininities transcend national boundaries. The book discusses the significance and performance of female friendship across time and place, which is central to the development of the genre, and how it functioned as an important means of informal education. Stories by Jessie Graham Flower, Pauline Lester, Alice Ross Colver, Elinor Brent-Dyer, and Dorita Fairlie Bruce are set within their historical context and then used to explore aspects of sociability, authority, responsibility, domesticity, and possibility. The distinctiveness of this book stems from the historical analysis of these sources, which have so far primarily been treated by literary scholars within their national context. Winner of the History of Education Society Anne Bloomfield Prize for the best book on history of education published in English 2017-19

Women's Manga in Asia and Beyond - Fusami Ogi 2019-03-14

Women's Manga in Asia and Beyond offers a variety of perspectives on women's manga and the nature, scope, and significance of the relationship between women and comics/manga, both globally as well as locally. Based on the activities since 2009 of the Women's MANGA Research Project in Asia (WMRPA), the edited volume elucidates social and historical aspects of the Asian wave of manga from ever-broader perspectives of transnationalization and glocalization. With a specific focus on women's direct roles in manga creation, it illustrates how the globalization of manga has united different cultures and identities, focusing on networks of women creators and readerships. Taking an Asian regional approach combined with investigations of non-Asian cultures which have felt manga's impact, the book details manga's shift to a global medium, developing, uniting, and involving increasing numbers of participants worldwide. Unveiling diverse Asian identities and showing ways to unite them, the contributors to this volume recognize the overlaps and unique trends that emerge as a result.

Love Shopping List - Dr Andrew G Yellen 2014-09-06

HOW DO YOU KNOW WHEN YOU ARE IN A GOOD RELATIONSHIP?

Once upon a time 40 years ago, a teenage girl asked this very question in class. A young health education teacher decided to not only answer that question but also provide a method for everyone to compare and score their relationships in their quest for that ideal match. Fast-forward 40 years. That young teacher went on to become Dr. Andrew Yellen noted psychologist and relationship counselor. After using his comparison methods in relationship therapy for decades, it was a natural for that method to be transformed into the LOVE SHOPPING LIST(r) app and now the book which empowers you with the tools to "Unlock The Secret To Your Soulmate ." In addition to Dr. Andrew's easy-to-read narrative, the Love Shopping List book provides insight into relationships from both a female and male perspective in question and answer format. A huge array of actual questions and answers are provided from therapy and from Dr. Andrew's Thursday night Tweet Chats in which any questions asked on love, relationships, dating and sex are answered live such as: Is there such a thing as true love Why do so many relationships fail? What are the things you want to avoid in a relationship? Is there really a difference between male and female language? I think I need an interpreter. Do dating sites really work? Can you love someone but not be in love? How can I make sure I found the perfect relationship? The Love Shopping List book also explains how Dr Andrew's clinical methods built into the app empower individuals to make better decisions in choosing their relationships. The app is a free download (links provided in the book), has a worthwhile premium upgrade and goes hand in hand with the Love Shopping List book. Taken together, they are the ultimate reference guide and tool for anyone who is in a relationship or is seeking that special someone. "Unlock The Secret To Your Soulmate " with Love Shopping List!"

A Girl Like Her - Bishop Bassey Effiong Orok 2012-01-12

Life is all about choices. The ones you get to make and the ones you don't. You can choose the friends you have and the people you want to employ. You can choose your battles but you can't always choose your enemies. You can choose your goals and your dreams although these things don't always choose you. You can choose what you want to eat and where you want to shop. There is however, three choices you can't make. You can't choose who you fall in love with or who falls in love with you. You also can't choose your family. How well do you know your closest friends or people you choose to have in your life? Your lovers? Your own family? The people who claim to be your friends? Even the people you've just met? Would you do to them what they would try to do to you? Would you try to take their boyfriends? Or would you simply talk about them behind their back? There's a token few who are loyal in that world. What will your friends do for you when the chips are down? This is where Lexi lives, right in the middle of her chaotic events. Everything that happens always begins with something she says, knows, or does, often with disastrous results. She sees everything through her purple tinted sunglasses. What will happen when she loses the glasses and starts seeing things for what they really are? In a strangely humorous way, live the ups and downs of her and her friends' romances. Will she choose the nice guy or the bad boy? Will the nice guy become a jerk or will the bad boy become nice? How do people react to situations they aren't used to being in? Welcome to Lexi's world. Her life is sent through a wringer with Church Boy Blaine, her rock star boyfriend Izzy, a famous dad she didn't know she had, and everyone else in her life. People aren't ever what they seem to be. Just look at the chapter titles. That should be enough to want to know more. I would call this tale a twisted dark romance with a keen sense of humor. Something like a warped modern day Romeo and Juliet with all the modern problems. Sorry, no vampires here. Once you start reading you probably won't even miss them. There are plenty of bloodsuckers of a different kind. Careful, you might even learn something. If nothing else, you'll get sucked into these colorful and sometimes unlikable people's lives. It's all about love and hate and the thin line in between. If you're the least bit curious open it to any page and read. You'll want to keep reading to find out what happens. You'll get

addicted, you'll want more. I hope.

The Lifeguard and the Girl Who Could Barely Swim - Genevieve Fernandez 2023-02-09

Many couples are too quick to call it quits in their marriages, causing the divorce rate to be high in today's society. In her book *The*

Lifeguard and the Girl Who Could Barely Swim, Genevieve Fernandez shares the story of her relationship with her husband, Felix. Through their experiences with challenges such as an eight-year-age difference, long-distance dating, having their faith tested, separation during Desert Storm, coping with infertility, and much more, Genevieve hopes couples can find hope and inspiration to fight for their marriages, that they would reconsider divorcing over small or inconsequential issues. You will laugh with them and cry with them as Genevieve takes you through the story of an enduring love story that has lasted over thirty years. Her prayer is that engaged couples would have a plan as they enter marriage and make the Lord the foundation of their relationship so that they can

withstand the trials that will inevitably come their way, that married couples contemplating divorce would reconsider and take a stand to fight for their marriages and strive to make their relationship not only last but flourish. She encourages couples to have a biblical foundation to ground them and to better deal with trials when they come. Genevieve shares some of the insight and lessons she and Felix have learned in all their years together to have a healthy, thriving, and sustaining marriage. It may not be a perfect marriage, but it's good, it's strong, and it's beautiful. Her prayer is that more couples find that same kind of victory in their marriages as well.
