*The Company He Keeps* -

Nicholas L. Syrett 2009-03-01

Tracing the full history of traditionally white college fraternities in America from their days in antebellum all-male schools to the sprawling modern-day college campus, Nicholas Syrett reveals how

fraternity brothers have defined masculinity over the course of their 180-year history. Based on extensive research at twelve different schools and analyzing at least twenty national fraternities, *The Company He Keeps* explores many factors--such as class, religiosity, race, sexuality, athleticism, intelligence, and recklessness--that have contributed to particular versions of fraternal masculinity at different times. Syrett demonstrates the ways that fraternity brothers' masculinity has had consequences for other students on campus as well, emphasizing the exclusion of different groups of classmates and the sexual exploitation of female college students.

2019-07

I just wanted to see you. Before the end. A taut psychological thriller about obsession, fame and betrayal, for fans of Black Mirror. Cat is in love. Always the sensible one, she can't believe that she's actually dating, not to mention dating a star. But the fandom can't know. They would eat her alive. And first at the buffet would definitely be her best friend, Evie. Amy uses Heartstream, a social media app that allows others to feel your emotions. She broadcasted every moment of her mother's degenerative illness, and her grief following her death. It's the realest, rawest reality TV imaginable. But on the day of Amy's mother's funeral, Amy finds a strange woman in her kitchen. She's rigged herself and the house with explosives - and she's been waiting to talk to Amy for a long time. Who is she? A crazed fan? What does she want? Amy and Cat are about to discover how far true

obsession can go.

**I Am Charlotte Simmons** -

Tom Wolfe 2010-08-31

A scandalous exploration of elite undergraduate life from the author of *The Bonfire of the Vanities* Dupont University: the Olympian halls of learning housing the cream of America's youth, the roseate Gothic spires and manicured lawns suffused with tradition... or so it appears to beautiful, brilliant Charlotte Simmons, a sheltered freshman from Sparta, North Carolina, who has come here on a full scholarship. But Charlotte soon learns that for the upper-crust coeds of Dupont, sex, status, and kegs trump academic achievement every time. As Charlotte encounters Dupont's elite, she gains a new, revelatory sense of her own power, that of her difference and of her very innocence. But little does she realise that she will act as a catalyst in all of their lives. 'A firecracker of a novel... A pyrotechnic delight just as dazzling as *The Bonfire of the Vanities*' - Sunday Express

**Sex Crimes and Paraphilia** -

Eric W. Hickey 2006

This book covers an array of sex crimes, sex offenders, and their victims. It provides an in-depth examination of the role fantasy and paraphilia play in the production of sex offending. While many paraphilia may not be considered criminal, others can be viewed as preparatory behavior that become foundational for violent sex crimes.

### **Pledging Tau Geta Delta - The Complete Bundle -**

Farleven 2018-11-27

The unexpected can sometimes be amazing... Tau Geta Delta, now that was the fraternity for me. Sure, I'd been down on the whole frat thing when I started college life, but at a tech school with three guys for every girl, I'd started to come around. Taus had the best parties, and seemed to attract the hottest women. They even had better than average job placement after graduating, what wasn't to like about that. They did

have a reputation for having the hardest initiation, only about half the pledges made it through and joined up. That wasn't about to dissuade me, though. I was up for the challenge. Or at least I thought I was. I expected a little hazing, but I didn't expect to get turned into a girl! To get through the week, I had would have to live as an elfin brunette with nice curves and discover all the pleasures of being a coed. It sounded crazy until I bumped into Tom and found out that I was swimming in womanly needs that he was more than happy to help me enjoy. Now all that's left is telling the story of my crazy sexy adventure! This bundle contains all 7 parts of the story  
Part 1 - Dressing Up  
Part 2 - Private Education  
Part 3 - Student Seduction  
Part 4 - Friendly Benefits  
Part 5 - Playing Girly  
Part 6 - Public Exposure  
Part 7 - Boxers or Lace ( Transgender erotica, gender swap, gender bending, sex change)

Pledged - Alexandra Robbins  
2011-05-24

Alexandra Robbins wanted to find out if the stereotypes about sorority girls were actually true, so she spent a year with a group of girls in a typical sorority. The sordid behavior of sorority girls exceeded her worst expectations -- drugs, psychological abuse, extreme promiscuity, racism, violence, and rampant eating disorders are just a few of the problems. But even more surprising was the fact that these abuses were inflicted and endured by intelligent, successful, and attractive women. Why is the desire to belong to a sorority so powerful that women are willing to engage in this type of behavior -- especially when the women involved are supposed to be considered 'sisters'? What definition of sisterhood do many women embrace? Pledged combines a sharp-eyed narrative with extensive reporting and the fly-on-the-wall voyeurism of reality shows to provide the answer.

**The Damned and the Beautiful** - Paula S. Fass 1979  
Explores the changes that

occurred as young people of the 1920s broke with nineteenth-century traditions, and assesses the impact of those changes on American life, then and now.

Confessions of an Ivy League Frat Boy - Andrew Lohse  
2014-08-26

An account of sordidness and redemption by the Dartmouth fraternity member whose Rolling Stone profile blew the whistle on the frat's inhumane hazing practices. Always trust the brotherhood. Always protect your pledge brothers. What happens in the house stays in the house. Before attending Dartmouth, the worst thing Andrew Lohse had ever done was skip school to attend a John McCain rally. Growing up in suburban New Jersey, he was the typical American honor student: straight-As, on the lacrosse team, president of the Model U.N. He dreamed of following in his grandfather's footsteps and graduating from the Ivy League. When he arrived at Dartmouth, however, he found not the prestigious college of years past, but a

wasteland of privilege and moral entropy. And when he rushed Sigma Alpha Epsilon, the fraternity that inspired the rival house in Animal House, Lohse's once-perfect life, as well as his goals, began to crumble around him. Lured by free booze and friendly brothers, Andrew pledged Sigma Alpha Epsilon, and soon his life became a dangerous cycle of binge drinking and public humiliation. From chugging vinegar to swimming in a pool of human waste, Lohse's pledge class endured cruelty and psychological coercion in the hopes of obtaining a bid. Although Andrew succeeded in joining the fraternity, the pattern of abuse continued—except over time, he became the abuser. Told by a contemporary Holden Caulfield, this is a shocking exposé of America's most exclusive institutions and a cautionary tale for modern times.

**Murder in the Rue St. Ann -**

Greg Herren 2012-03-01

**Fraternity Gang Rape -** Peggy Reeves Sanday 2007-03

A classic. Fraternity Gang Rape is a fascinating analysis of how all-male groups such as fraternities or athletic teams may create a rape culture where behavior occurs that few individuals acting alone would perpetrate. The new Introduction and Afterword shed light on how this pernicious problem continues today, insightfully illuminating the complicity of society in the failure of accountability for acquaintance rape."--Mary P. Koss, co-editor of No Safe Haven: Male Violence Against Women at Home, at Work, and in the Community Praise for the

First Edition" A powerful and important book.--Contemporary Psychology" Full of insights .... an important contribution .... written in accessible prose and ideal for course use.--Women's Review of Books. "Powerfully moving and analytically provocative... If the college or university at which AJS readers teach has a fraternity or sorority system, this book will be useful in understanding the way those organizations not only construct the gender relations between women and men on campus but also provide a map of male domination that members can take with them for the rest of their lives."--Michael S. Kimmel, American Journal of Sociology. "Sanday draws a chilling picture of fraternity society, its debasement of women and the way it creates a looking-glass world in which gang rape can be considered normal behavior and the pressure of group-think it powerful. "--The Philadelphia Inquirer. "An important book Ýthat" should be read by everyone in higher education -

faculty, administrators, and students."--Contemporary Sociology. "Very accessible... Sanday's book explores the vulnerability of college women, and of young men seeking to prove their manhood. I read it on vacation. My daughter has just turned 12. I told her I wanted her to read

**The American Fraternity** -  
Cynthia Robinson 2018

"The American Fraternity is a photobook that provides an intimate and provocative look at Greek culture on college campuses by combining contemporary photographs with scanned pages from a wax-stained 60 year old ritual manual. This book will shed new light on the peculiarities of the fraternal orders which count seventy-five percent of modern U.S. presidents, senators, justices, and executives among their members. These mysterious campus organizations are filled with arcane oaths and ceremonies and this book attempts to capture within its pages some of this dark

power"--Publisher's website,  
January 23, 2019.
