'A deliciously hot, sweet debut. This book is an absolute treat.' L. J. SHEN, USA TODAY BESTSELLING AUTHOR '5 stars isn't enough for this laugh out loud, beautifully honest, and sometimes heart-breaking novel' Goodreads reviewer \_\_\_\_\_ He's the best man . . . and that's the problem. Kristen Petersen is perfectly fine. She has friends she'd fight to the death for and the very best dog in the world: Stuntman Mike. But he wants a big family, and Kristen knows children are probably not a part of her future. She's sure he'd be better off with someone else, someone who can give him everything he wants, so Kristen keeps him at arm's length: in the Friend Zone. Friend (With Benefits) Zone - Laura Brown 2017-06-27

I'm ridiculously attracted to my best friend. Today is a bad day. The worst actually. After dealing with the constant manhandling that comes with being a cocktail waitress at a dive bar and surviving a date from hell, I see an eviction notice slapped on the door of my sketchy basement apartment. Great. When my best friend Devon shows up at my door and

uses his stubborn charm (emphasis on stubborn) to get me to move in with him, I give in. We've had about a million sleepovers since we met in the kindergarten Deaf program, but this time it's different because I can't stop thinking about his hard body covering mine, every single night. I know Devon would do anything for me, but I'm afraid what I want to happen will ruin our friendship forever. And the more time we spend together in close quarters, the harder it'll be to resist the spark of attraction I've always felt. But maybe it's possible to have the best of both worlds: keep the one relationship I can't live without and indulge in an attraction I can't deny. I guess the only thing we can do is try...

**The Hot Shot** - Kristen Callihan 2017-04-18

First we were friends. Then we were roommates. Now I want more... What can I say about Chess Copper? The woman is capable of bringing me to my knees. I know this about five minutes after getting naked for her. No one is more surprised than me. The prickly photographer my team hired to shoot our annual charity calendar isn't my usual type. She's defense to my offense, a challenge at every turn. But when I'm with her, all the regrets and darkness goes away. She makes life fun. I want to know Chess, be close to her. Which is a bad idea. Chess is looking for a relationship. I've never given a woman more than one night. But when fate leaves Chess without a home, I step up and offer her mine. We're roommates now. Friends without benefits. But it's getting harder to keep our hands off each other. And the longer we live together the more I realize she's becoming my everything. Trick is... Now that I've made her believe I'm a bad bet, how do I convince her to give this player a true shot at forever?
