**Quandary** - Dennison G. Rice 2008-07-26

In life you must learn your lessons and pay your dues. When faced with problems that must be solved, you must be ready to do what it takes to find the answer. But when fate has dealt you some strange cards that must be played, there is no choice but to see it through. Absorbed in the routines of daily concerns, a young man searches in old family papers for something to help support his widowed mother. In his great grandfather's belongings he finds a formula for furniture polish. All his attempts to market the formula are blocked by old family quarrels and startling revelations, which leads to a complete upheaval of everything and everyone he thought he knew. These are the unwilling first steps of a

fateful journey that inexorably robs him of his family, his lifestyle, and, ultimately, his very identity. From the past an evil scheme of world domination puts him squarely in the cross hairs of destiny. Hunted and chased everywhere, he must learn why, or die.

*The Fool is Back* - Neil Hutchison 2013-06-19  
The study of human stupidity is not a new science but it certainly makes fascinating reading. An interesting thing about the human race is that if there is a way to screw up, someone will eventually stumble upon it. Enter the fool. By the author of the Pattaya best seller Money Number One and the updated Money Still Number One, this the sequel to A Fool in Paradise, adding a further 32 stories to the colourful tapestry that is Pattaya, Thailand. In the opinion of many people including the author, Pattaya is the most wonderful place on the planet. As with A fool in Paradise, the stories are all true or based on true events. 'A Brief History of Pattaya' takes a lighthearted look at what the

history books don't tell you whereas 'Miss Goodbar' offers advice to foreign men on how to choose, woo and cohabit with their Thai dream girl. 'Boys at Play' is the unofficial, unauthorized and unholy account of one holiday of lifetime. When you take six mischievous Aussie mates, add ten days of unsupervised freedom and put them together in South East Asia's number one party town, you get a true adventure of unbelievable proportions; full of fun, laughter, love, sex and tragedy. Why tragedy? Because none of them could ever speak about it, except amongst themselves. Apart from one photograph, this remains the only record of their tale. So pull up a chair, take your shoes off and relax. For your reading pleasure, The Fool is Back!

**A Healthy Fear of Man** - Aaron Philip Clark  
2018-06-16

Christian, conservative, and facing fiscal bankruptcy, Pharris County is a casualty of the economic downturn and the demise of big tobacco. And it's where Paul Little begins a new life on his deceased grandfather's farm. But his self-imposed exile is short-lived when he meets "Bo", a former Sheriff and his grandfather's old friend, and Gilly Catlett, a precocious girl with a dark secret. Paul's splendid isolation is repeatedly interrupted by Gilly, who begs to fish his pond and has a penchant for conversation. An unlikely friendship forms between them, but when Gilly is discovered strangled and her lifeless body floating in his pond, the Sheriff deems Paul suspect number one. Facing a potential frame, Paul soon learns there is no justice in Pharris County. Rumors of wrongful convictions, corruption among county officials and law enforcement, and racial intolerance that echoes views of the past ensures Paul an uphill

battle. As the Sheriff doggedly pursues Paul as the killer, Paul turns to Bo and an empathetic local named Luisa Ferry for help. Now, the man who longed to be alone must rely on others in the fight to prove his innocence and bring Gilly Catlett's true killer to justice. Praise for A HEALTHY FEAR OF MAN: "They say still waters run deep and Aaron Philip Clark's books are exactly that—a calm surface over a roiling and violent depth. A perfect example of a crime novel being about so much more than crime." —Eric Beetner, author of Rumrunners "T.S. Eliot referred to it as tradition and individual talent, the manner in which new work at once honors, builds upon, and questions what has come before. Chester Himes, Richard Wright, James Baldwin—Aaron Philip Clark has been paying attention." —James Sallis, author of Cypress Grove and Chester Himes: A Life

**Rookie's Regret** - Gina Azzi 2022-09-08  
Lioness. That's the first word that comes to mind when I see the brilliant redhead selling cupcakes at the hockey arena. With the soul of an artist and the spirit of a nomad, Bea Turner is gorgeous, quirky, and refreshing. She's also my teammate's little sister. As the Tennessee Thunderbolts' Rookie, I should steer clear. I'm here to play hockey and provide much-needed financial security for my family. To do that, I need to avoid distractions. Bea doesn't just distract me; she flips my world upside down. One bad joke has me pursuing her. One date and I crave more. Calling her mine? Well, now I'm dreaming of a future. The life of a hockey player — trades, travel, uncertainty — isn't for the heart of a creative. Bea desires adventure and possibility, not early morning skates and strict

exercise regimens. When I'm thrust into a situation at odds with Bea's dream career, I know I can't hold her back. If we're meant to be, we'll make it work. But what if we're not? What if my greatest regret is letting my lioness go?

Goodbye, Earl - Jo-Ann Mapson 2005-01-04

Five challenging years have passed in the lives of the ladies of Bad Girl Creek. Beryl, Nance, Ness, and Phoebe have experienced their share of hardship and heartache but also much love and happiness. Beryl now lives with Earl in Alaska, where the fissures in their relationship have started to spread. But then Earl disappears one wintry night. Nance, on the heels of a string of devastating miscarriages, has been advised to

stop trying for a baby. Phoebe finds herself overwhelmed by her five-year-old daughter, Sally, and an enigmatic Southern charmer named Andrew. And Ness tenderly nurses David Snow as he gradually succumbs to AIDS. The farm's successes have brought profits, but when a nursery opens across the road, the bar is set higher yet again. Life rolls on, though, and in the midst of myriad misfortunes come explosive surprises. The old friends are challenged to reunite once again, to rediscover with fresh eyes the powerful words in Aunt Sadie's journal: Live life to the fullest. Love as often as you can. Regret nothing. Eat hearty. Laugh often. Plant flowers. And don't forget to dance.

Dead Reckoning - Richard Cibrano 2008-10-29

It is 1977, and the newly formed House Select Committee on Assassinations is making headlines. Tom Welles, a successful Pulitzer Prize winning syndicated columnist receives an anonymous letter from an individual alleging firsthand knowledge of the assassination of President Kennedy, with a time and place to meet. Welles is skeptical of the offer, and is prepared to dismiss it as exploitation, but there is a hook; the letter challenges him to follow the trail of a heretofore-unknown Intelligence organization. Out of his league, Welles reaches out to a colleague with the appropriate contacts in Washington. However, in tapping his sources, he unwittingly draws the attention of a renegade Intelligence group operating within the highest level of government. Abruptly drawn into the

epicenter of a complex web extending beyond the Kennedy assassination, Welles soon learns of a daring CIA penetration operation into the Soviet Union, meets the agent charged with ousting the rogue element from the Agency hierarchy, and encounters the men desperate to keep hidden the Cold Wars darkest secret. Ultimately, Welles finds himself in a race against an unseen enemy to locate the one man with the first-hand knowledge capable of toppling this powerful cabal. Based on more than twenty years of research, and supported by thousands of declassified files, Dead Reckoning is an inventive thriller that dares the reader to consider the antagonisms of United States/Soviet Cold War diplomacy as a mutually beneficial play act between the architects of the military industrial complex on both sides of the Iron Curtain.
