*The Goodman of Paris (Le Ménagier de Paris)* - Eileen Power 2006

A first-hand view of life in medieval France, as seen through the eyes of an elderly man instructing his young wife. The Goodman of Paris (Le Ménagier de Paris) wrote this book for the instruction of his young wife around 1393. He was a wealthy and learned man, a member of that enlightened haute bourgeoisie upon which the French monarchy was coming to lean with increasing confidence. When he wrote his Treatise he was at least sixty but had recently married a young wife some forty years his junior. It fell to her to make his declining years comfortable, but it was his task to make it easy for her to do so. The first part deals with her religious and moral duties: as well as giving a unique picture of the medieval view of wifely behaviour it is illustrated by a series of stories drawn from the Goodman's extensive reading and personal experience. In the second part he turns from theory to practice and from soul to body, compiling the most exhaustive treatise on household management which has come down to us from the middle ages.

Gardening, hiring of servants, the purchase and preparation of food are all covered, culminating in a detailed and elaborate cookery book. Sadly the author died before he could complete the third section on hawking, games and riddles. This unique glimpse of medieval domestic life presents a worldly, dignified and compelling picture in the words of a man of sensibility and substance. The distinguished historian EILEEN POWER was Professor of Economic History at the University of Cambridge.

*The Fiction of Our Lives* - Sandra M. Levy-Achtemeier 2016-11-10

We are the author of our own lives. We create, re-create, and co-create our stories over the lifetime we have been given in order to make something of ourselves in the process. Blending new findings from brain science and psychology with spiritual and theological insights, Sandra Levy-Achtemeier has written a readable work translating complex scientific and spiritual categories into practical terms that can inform our everyday selves. From our evolutionary roots that equip us to sing meaning into our living, to the cultural menus we now draw from to script new meaning into our days, she has given us an incredible wealth of wisdom to inform the rest of our life journeys. Underneath it all, Levy-Achtemeier makes the case that God's Spirit and call are at the center of our story--from our brain synapses to the historical circumstances that impinge on our lives.

**The Swindoll Study Bible NLT** - Charles R. Swindoll 2017-10-17

Winner of the 2018 Christian Book Award for Bible of the Year. The Swindoll Study Bible offers the best of Chuck Swindoll's wit, charm, pastoral insight, and wise biblical study directly to you as you study God's Word. Chuck's warm, personal style comes across on every page, and his informed, practical insights get straight to the heart of the Bible's message for the world today. Reading each part of this study Bible is like hearing Chuck speak God's Word directly to your heart. It will both encourage readers' faith and draw them deeper into the study of God's Word. In Chuck's own words: "This study Bible was designed with you in mind. As you read the Scriptures, imagine my sitting beside you and sharing personal stories, important insights, and hard-earned lessons that will encourage you to walk more closely with Jesus Christ. You'll discover the who, what, where, when, why, and how of the Bible: Who wrote it and when? What does it mean, and where did its events occur? Why should I trust it? And most importantly, how can I apply it today? "It's that last question more than any other that has fed my passion to publish this Bible. My primary focus in ministry has been teaching biblical insight for living . . . for genuine life change. After all, that's why God has communicated His Word to us--so that we may become like His Son, Jesus Christ, the central figure of this Book." Free app with purchase! App includes all content from The Swindoll Study

Bible and can be used across multiple devices with your Tecarta app account. Available for iOS and Android. (Free app applies to print editions only.)

**Never too Naked** - Bambi Kellermann 2011-10-05

Evita Bezuidenhout might be the most famous white woman in South Africa, but her younger sister Bambi, the blonde Afrikaans girl who married a Nazi and became a stripper in the fleshpots of Europe, has a much juicier story to tell. In her autobiography, assisted by Pieter-Dirk Uys, Bambi traces her journey from the Orange Free State to Europe, South America, the USA and back to a democratic South Africa. On the way she gives haircuts to The Beatles in Hamburg, travels with Hemingway in Spain, and gets surgical tips from Chris Barnard. She also rubs shoulders with Ava Gardner and Marlene Dietrich, sups with Paraguay's dictator General Stroessner, and of course confronts her sister Evita. Peopled with showgirls, divas and film stars, Nazis, assassins and secret agents, *Never too Naked* is an outrageous and hilarious tale.
