How to Pick Up Women - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful women once and for all, then scroll up and Order Now!

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things

that turned my life around for the better. I hope it does the same for you.

Night Game: How to Pick Up Women in the Club and Bar - Ricky Ford 2013-05-14

How would you like to be able to go up to a beautiful woman on a night out in a club or bar and pick her up? Get her number, kiss her; and perhaps take her home? Ricky Ford has years of experience in picking up women, especially in night game and would like to share his tips and tricks with all aspiring Pick Up Artists (PUAs) This book concentrates on what 95% of wannabe PUAs are doing wrong in the club and bar and shows you how to approach, connect with and ultimately attract the kind of desirable, high-value women you want in your life. Forget going out and leaving things to chance in night game. Ford explains how you can build attraction in the club and bar and how you too can become a PUA! Example extract: The good thing about night game is that some girls in the club are simply drunk and horny and just looking for sex. They are very easily persuaded and a pickup artist can escalate quickly and you can take them home very easily. You just need to be proactive and confident in your pick up and say something like 'Come on let's get out of here' or 'Let's go and get some fresh air' and literally walk them out of the club. More girls are like this than you think. I've boned a girl in a club toilet before. Had sex with one behind a bin in a city centre as well as having a sex act performed on me in a park on the way home, down an alley and whilst sat on a sofa in a bar. This is the kind of fun you can be having with this type of girl.

Understanding and Addressing Adult Sexual Attraction to Children - Sarah D. Goode 2009-07-07

Paedophiles exist and we must develop ways of living with this fact whilst ensuring that children are kept safe. This ground-breaking book demystifies the field of adult sexual attraction to children, countering the emotionality surrounding the topic of paedophilia in the popular media by careful presentation of research data and interview material. Addressing how we can work together to reduce sexual offending in this population, this text bridges the gulf in understanding between those who want to protect children and those who feel sexual attraction to children - and recognises that they are sometimes the same people. Sarah D. Goode provides an overview of the topic by defining the term 'paedophile' and discussing how many adults there may be in the general population who find themselves sexually attracted to children. She looks at how the Internet has acted as an enabler, with an explosion of child pornography and 'pro-paedophile' websites. Drawing on data from a sample of fifty-six self-defined paedophiles living in the community, she explores themes including self-identity, the place of fantasy and the forms of support available to paedophiles. Her research highlights the scale of debate within the 'online paedophile community' about issues such as the morality of sexual contact with children and encouragement to maintain a law-abiding lifestyle. Throughout, she draws careful distinctions between sexual attraction to children and sexual contact with children. The book concludes with a valuable discussion on how adult sexual contact harms children and examples of a range of initiatives which work to protect children and prevent offending. Suitable for all professionals who work with children or sexual offenders, this book gives clear guidance on what one needs to know and do to ensure children are kept safe. It will also be of interest to students studying child protection, paedophilia and child sexual abuse within other social science disciplines.

The Easiest Way to Meet and Pick Up Girls-Ever!! - Dusty White
2006-07-27

As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight-without having to spend any money. Anyone can do this. You will approach women any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.
