Handicap Never! I Will Love You Forever - Sharon Kurtz Hammel 2012-11

Collie, born deaf mute, through her handicap becomes a blessing and useful tool to help others. In her struggle to fit in, she finds sorrow, happiness, and unconditional love. Collie becomes a sign-language teacher and meets Isaiah in one of her classes. He is from the Old Order Amish culture, living in Shippshewana, Indiana. He is losing his hearing and wants to teach his family to sign for better communication. The Amish people have a simple piety. "A desire to be faithful to God." Collie and Isaiah's story continues on with many directional changes. My prayer as you read this story is that God will use it to help you understand that any form of handicap and being different, whether in dress, culture, or physical handicap, is a struggle for many people. For He Himself has said. "I will never leave you or forsake you." KJV "The book shows an intimacy of Amish life that is rare, a story that made me laugh out loud, shed a tear, and turn page after page. Easy to love." -Mark Schuyler, production reviews, Paramount Pictures

I'll Love You Forever - Paula Altenburg 2015-05-18

I'll Love You Forever Lovers reunited. Nobody promised love would be easy. Singer/songwriter Danielle Jackson, a bright star in the Canadian music industry, appears to have it all—until a tragic accident takes it away. With contract obligations to fulfill and deadlines looming, she really needs the friendship and support of the one person she could always rely on. Unfortunately, he's also the person who's hurt her the most. Single dad and small town farmer Christian Hunter used to believe if you love someone you should let them go and trust they'll return, but ten years is a long time. When Danni comes home to recover from the car crash in which her fiancé and fellow band mate was killed, he knows he should leave well enough alone. He's done with comforting broken-hearted women. These days, he's saving his love for his young son. Sometimes love, however, deserves a second chance.

You've witnessed the power that obsession has over people. People will do anything for someone they are obsessed with. Fans will travel across the world to see a celebrity they are obsessed with. A person obsessed with you, is a person under your control. Scarlett Kennedy uncovers the real causes of obsession, how to take advantage of it, the common types of people in the world, and how you can make them obsessed with you. Because not one size fits all. Scarlett also creates personality profiles for her targets and documents what has worked and what hasn't worked. As well as the dangers of holding all the power in your hands.
