How to Get Hitched (and Stay Hitched) - Suzanne Venker 2021-08-31

Degree? Check. Career? Yup. Money? In the bank. Marriage? America is single. It's divorced, under committed, and hopelessly out of touch with how to build a relationship that lasts. Women, in particular, are groomed for a life centered on career and on being fiercely independent--as though marriage and family were a nice idea, or a possible accompaniment, to an otherwise satisfying life. But if flying solo is so great, why are online dating sites a billion-dollar industry, replete with clients looking to get hitched? In *How to Get Hitched (and Stay Hitched)*, author and marriage coach Suzanne Venker claims women need a detox from the bogus cultural narratives they've absorbed about men, sex, marriage, work and family. If you're a woman who wants a successful love life (not just a successful professional life), you're going to need a brand new roadmap. And now you have one. Here is just a sampling of the 12 steps: - Get over yourself - Find your feminine - Get a ring, not a roommate - Marry the accountant, not the artist - Know your body A call to arms, *How to Get Hitched (and Stay Hitched)* will ignite a much-needed debate about the misplaced priorities of the modern generation. It is the antidote women need to reject the lies they've been fed by our culture so they can build the happy, balanced lives they crave. "You have massively impacted the way I see and deal with men. Because of you, I started dating with a clear goal in mind (marriage and children) and also with discipline. At 25, this led me to my now boyfriend who soon will be my fiancé, husband, and hopefully father of my children. Thank you from

the bottom of my soul for the enlightening and truthful work that you share with the world!" "The world and my own mother haven't spoken to me about any of this. Schools and the media taught me that career comes first and that I would be happy even without getting married and not having children. I thought what I was feeling wasn't quite normal until I found your work. Thank you sooo much, Suzanne!" - Lily from Australia "I love sharing Suzanne with jaded lonely girlfriends, lol." - Annie

How to Fix a Broken Heart - Guy Winch 2018-02-13
 'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF THE STATE OF AFFAIRS AND MATING IN CAPTIVITY Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr

Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. *How to Fix a Broken Heart* argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function. Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?
