Compquest - Jay Lurie 2001

You're not a dummy but maybe you don't know that much about computers. This book is essential reading for a computer novice. It is presented in an easy incremental manner, there are lots of Windows tips for a beginner and intermediate computer user alike, and it is chock full of illustrations. Another virtue of this book is that it is intended to teach a person to use a computer that knows absolutely nothing about one. The average intermediate user will learn some things if they read the book as well. Therefore, it will appeal to a very wide audience from ages 9 to 90.

[A Long Way from Clearwater](#) - Dale McMillan 2010-12-17

"In 1924, George and Ike Simmons lived just three hundred yards apart physically, but economically, socially, and racially they were separated by a vast chasm of racial prejudice. George is from a wealthy, former plantation family. Ike is the son of the domestic help at the big house. Can their families overcome racial barriers to develop lifelong friendships? Family tragedy, courage, faith, honor and a servants heart in both men leaves an interesting trail. Marrying the right women turns out to be a very important key."
