

How To Get A Straight Girl To Kiss You

Sex Tips for Straight Women From a Gay Man - Dan Anderson 2012-08-10

Witty sex guide which will appeal to watchers of *Sex and the City* and *Will and Grace*. A huge word-of-mouth success in the States.

Sleepwalking - Cara Malone 2017-03-31

How many times have you walked past your soul mate before you noticed her? College senior Leah McAllister is quickly approaching a new chapter of her life, and she's not ready for any of the things that come after graduation. The job market is grim, adult responsibility looms, and when her job writing for the school paper sends her to interview the magnetic Morgan, she even begins questioning her sexuality. Morgan Park, a few years older and more worldly than Leah, seems to have it all - or at least she did, until her girlfriend started showing signs of bipolar disorder just as they decided to start a family together. Now her life is unraveling before her eyes and she just needs something - or someone - to hold onto. Life in a small town has been weaving Leah and Morgan slowly together, but their worlds collide in one intense meeting that leaves them each with a decision to make - follow their hearts to each other, or go their separate ways and keep sleepwalking through life. This 15,000-word novella is the prequel to Cara Malone's debut novel, *Awakened*.

Shaken Worlds - Gemma Johns 2021-09-20

Melissa's world was shaken when her three children were taken by Child Services. A few suburbs away, a couple were excitedly preparing to become foster parents. Zara and Renee have been busily preparing their home and their lives to become mothers. Despite their preparation, their world is shaken by the arrival of their children. Their first placement, three siblings needing a loving home turn the couple into an instant family. But while the couple are rejoicing their new roles, Melissa is spiralling into depression she fears she'll never get out of. As Zara learns more about the children's background, she is touched by Melissa's story. In contrast, Renee has grown to become a

fiercely protective stay-at-home-mother determined to do everything for the children, with no regard to their birth mother. As Zara's motivations for foster care shift, the couple find themselves battling with questions such as "Why are we doing this?", "What is the right thing to do?" and whether their relationship is as secure as they first expected. Could the very thing they thought might bring them even closer together actually tear them apart? Narrated by three voices—the birth mother, Melissa, and the two foster carers, Renee and Zara, *Shaken Worlds* is a novel about what it means to be a mother and the way three women view their role for the same three children.

Girls Next Door - Sandy Lowe 2017-06-20

Sometimes the most intriguing girls are right next door—BFFs, ex-girlfriends, new girls in town, party girls, study mates, teammates, and sexy strangers. All it takes is a night out, the right moment, or an accidental kiss to discover what's been there all along—the perfect girl for a love that lasts a lifetime. Best-selling romance authors tell it from the heart—sexy, romantic stories of falling for the girls next door.

The Melody of Light - M.L. Rice 2014-11-01

Siblings Riley and Aidan Gordon are survivors. Together, they survived an abusive childhood, and when a fiery accident incinerates all they have—except for each other—they survive that, too. The tragedy leaves them with burdens and pain beyond their years, but it also sets them free to forge their own paths. Aidan's road to happiness seems smooth and carefree. But Riley continues to struggle, her only saving grace being a passion for music that helps soothe her damaged soul. As their paths diverge and college looms, Riley will have to depend less on Aidan and more on herself. Fear of failure drives her, but will finding love derail her single-minded determination to succeed, or will it open the door to the family she's always wanted?

Not That I'd Kiss a Girl - Lil O'Brien 2020-07-02

'Not That I'd Kiss a Girl triumphantly joins the

select few New Zealand examples of the autobiographical coming-out genre.

Compulsively readable and very much aware of the world, O'Brien's memoir is suspenseful and engaging.' David Herkt, New Zealand Herald. A heartbreaking and hilarious true story of coming out as gay in New Zealand. 'Not That I'd Kiss a Girl' is truly, deeply, hilarious. Lil dismisses the one out girl in her uni hall when she hears 'that she'd bragged about having a double dildo. What an attention-seeker, I'd thought. Even though I couldn't stop wondering what a double dildo was'. The humour is self-deprecating, open, and necessary. There's a lot of pain in this memoir. But even in the darkest places, O'Brien still manages to find the light. 'When it comes to her sexuality, her relationships, and her failings within those, O'Brien is admirably frank. She beautifully renders experiences that many authors would find difficult, if not impossible, to delve into. Even better is her ability to recount what it's like to come to terms, as fully as one can, with one's own place in the world.' Ruby Porter, Academy of New Zealand Literature 'An absorbing, funny, bittersweet read ... it gives straight New Zealanders a keyhole window in the reality of LGBT life in this country.' Feby Idrus, The Otago Daily Times Lil O'Brien accidentally outed herself to her parents at the age of nineteen when they overheard her talking to a friend about liking girls. Half an hour later she found herself on the side of the road, with instructions to come back and pick up her suitcase the next day. What follows is a heartbreaking yet hugely funny story of a young Kiwi girl - the deputy head girl from a posh private school - coming to grips with her sexuality in the face of stark disapproval from her parents. Bit by bit, Lil finds the inner strength to pull herself into an entirely new world. Along the way she's called out for looking too straight in a gay bar, tries to break in to the lesbian in-crowd and figures out how to send her internet lover back to America. She falls in lust over a knotted soccer shoelace, explores how the hell to have sex with a girl and dates four women at once - unsuccessfully. Lil's story is an insightful and honest look at how you figure out whether you're gay, bi or whatever - and deal with what comes next. It's an essential read for anyone who's had to fight for who they are and

what they believe in.

A Fairytale of Possibilities - Kiki Archer

2017-05-24

Wedding planner Lauren Hilliard weaves fairytales out of possibilities. It's her business and she's good at it. Her brides love her for making their dreams come true but she's not managed to make the magic happen for herself - yet. Trouble is, Lauren's in love with her best friend and has been for eleven hopeless years. Years in which she's secretly imagined the fairytale of possibilities if she had the courage to speak... which she hasn't. So she doesn't. And she won't. But what if the feelings are mutual? Cue the latest magical rom-com from best-selling, award-winning author, Kiki Archer.

One Small Step - MA Binfield 2019-12-10

Where love is concerned, the smallest steps are often the hardest to take—especially when you've guarded your heart as carefully as Iris Miller has. Still bruised from a relationship that crashed and burned, and all the meaningless hookups that followed, Iris has given up on love and buttoned her feelings up tight. But when Cameron Hansen joins Iris's law firm and her soccer team, and even starts hanging out in her favorite bookstore, everything gets turned upside down. Beautiful, open, and forward, Cam is impossible to ignore, and Iris is surprised to find herself intrigued. Cam's straight, happily engaged, and simply looking for a friend—or so it seems. London's bitterly cold winter makes winning their soccer championship almost as difficult as keeping their feelings in check, being honest with each other, and trying not to fall in love. Iris and Cam are about to discover the meaning of taking chances and following your heart, even if it means getting hurt.

[Internet Lesbian and Gay Television Series, 1996-2014](#) - Vincent Terrace 2015-05-28

Created around the world and available only on the Web, internet "television" series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996-2014,

Downloaded from

by guest

giving casts, credits, story lines, episode descriptions, websites, dates and commentary. A complete index lists program titles and headings for gay, lesbian, bi-sexual, transgender and drag queen shows.

The Old Bridge - William J. Locke 2022-08-01
DigiCat Publishing presents to you this special edition of "The Old Bridge" by William J. Locke. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

My Only Real Friend is the Easter Bunny at the Mall - Christina Bagni 2023-04-07
When Mo's therapist suggested she get an after-school job to help with her depression, she didn't expect to end up as the photographer at the Easter Bunny photo set. She also didn't expect to befriend Billy, the man in the bunny suit—an extremely tattooed ex-gangster (probably). Mo's therapist also didn't lay out the risks. Like how Mo's shoplifting habit might make things difficult with her mall cop dad. Or how the cute changing room attendant at Pandora's Box might reveal to the world that Mo's queer before she's ready. Or how it all might end with Mo getting arrested. Well, whatever her therapist expected, Mo's about to tell her the truth...for maybe the first time. Because after it all blows up, she's all Mo's got—besides her only real friend, the Easter Bunny at the mall.

Searching for Forever - Emily Smith 2014-09-01
Dr. Natalie Jenner's life is going exactly according to plan. She has the house, the family, and the perfect job. On paper, she has it all. But when she meets Charlie Thompson, the charming young paramedic, that perfect life is shaken inside out. Natalie quickly realizes what she's feeling for Charlie can't be explained by anything other than love. Natalie wages a war not only with death in the emergency room, but also with herself, as she navigates the consequences of a life with Charlie. The more the two battle to save lives together, the more in love they fall. But will Natalie be brave enough to face losing the security of the life she's always known? Or will she face losing Charlie

instead?

The Girls' Guide to Guys - Julie Taylor 2000
Tired of wandering through the uncharted territory of guys and dating? Are you in need of the ultimate roadmap to this foreign landscape? Want to get pointed in the right direction by someone other than your mother or your trusty (but inexperienced) friend? When it comes to guys, relationship expert Julie Taylor has all the answers -- and she'll give 'em to you straight. Think of her as an older sister (a fun older sister) who will tell it like it is, one who knows that you aren't a little kid anymore, especially when it comes to the opposite sex. Julie will guide you through the highs and lows of a killer crush, help you conquer first-date jitters, advise you when it is time to promote him to official "boyfriend" status, reveal the realities of a summer fling, and more. Plus, each chapter ends with a quiz to help you determine the answers to a variety of questions essential for any girl with a one-way ticket to Guyville, such as: Who's your dream date? Is he second date material? Are you ready to commit? Is it time to give him the boot? And if the stud turns out to be a dud, Julie preps you on when and how to dump him or how to survive when you're the one getting dumped. After all, they're just guys, and dating should be fun! So, read up....Next stop, Guyville!

Here and Queer - Rowan Ellis 2022-05-31
Here and Queer contains everything that young queer girls need to embrace their identity.

Diary of a South Beach Party Girl - Gwen Cooper 2007-04-10
South Beach in the late 1990s is a town of blink-and-you'll-miss-'em nightclubs populated by celebrities, models, mobsters, heiresses, drug dealers, drag queens, and fun seekers of all stripes. It's a place where the famous come to party like locals, the locals party like rock stars behind velvet ropes, and the press is savvy enough to know what not to report. Rachel Baum is a sheltered, career-oriented everygirl when she moves to South Beach from her quiet Miami suburb, searching for a life less ordinary. Quickly making friends among SoBe's most exclusive scenesters, she spends her days building a career and her nights building a reputation. But in a town where friends become enemies faster than highs become hangovers, the life less ordinary turns into more than Rachel

bargained for. As she pursues the endless party in penthouses, dive bars, after-hours clubs, and cocaine speakeasies, Rachel struggles to balance her goals and ambitions with the decadence and excess -- especially her drug-fueled, on-again off-again relationship with Yale-graduate-turned-addict John Hood -- that threaten to destroy everything she's always worked for. With tremendous wit and razor-sharp insight, *Diary of a South Beach Party Girl* portrays the innermost sanctums of South Beach's privileged Beautiful People through the eyes of a no longer innocent heroine.

[I Kiss Girls](#) - Gina Harris 2017-03-21

Joanie's got all of the problems of an almost seventeen-year-old girl. She's trying to get her driver's license, her mom and dad are pressuring her about going to prom, and she never can seem to make it to the bus on time. Even worse, Joanie likes girls, not boys, and all of the girls in her hometown are pretty darned straight. Her best friend, Zane, can attest to that -- he never has trouble getting a girl, even if he's not interested in the freshmen who swarm around him. When new-girl Kate shows up at school needing tutoring in math and chemistry, Joanie figures Zane will get the date, like he always does, and that makes life even more difficult. Joanie's in for a surprise, though, because Kate doesn't fall for her good-looking best friend. In fact, Kate seems to like girls, too, and things get a little scary when Kate asks Joanie out on a date. Somehow, Joanie knows if she says yes to Kate, things will change forever. Can she manage to pass her driving test, get to prom, and come out to her parents the way Kate wants her to? Or will Joanie's seventeenth birthday be the worst day in history?

The Straight Girl's Guide to Sleeping with Chicks - Jen Sincero 2005-02

A humorous guide to gay experimentation for straight women offers a wealth of advice on how to spice up a relationship with a boyfriend, enter into a same-sex relationship, and more. By the author of *Don't Sleep with Your Drummer*. Original. 30,000 first printing.

Bad Idea - Erica Yang 2015-03-01

Riva Corley needs a girlfriend. Not because she wants one, but because her boyfriend, Benton, is pushing her to kiss a girl in front of him. Afraid of losing Benton, Riva agrees to try, but she

never expects to find a girl she actually likes and wants to kiss for her own reasons. Daisy Mejia has stayed closeted for all of high school so far -- it seems pointless to come out for a kiss that's destined to go nowhere. Daisy also has no desire to put on a show for Riva's boyfriend. But she's had a crush on Riva Corley forever, and Daisy can't pass up this chance. Before long, what starts out as a bad idea begins to look more like a relationship. Soon, Daisy must decide how much trouble she'll put up with, and Riva has to figure out what it means when she's falling for another girl.

Gay TV and Straight America - Ron Becker 2006-02-02

After decades of silence on the subject of homosexuality, television in the 1990s saw a striking increase in programming that incorporated and, in many cases, centered on gay material. In shows including *Friends*, *Seinfeld*, *Party of Five*, *Homicide*, *Suddenly Susan*, *The Commish*, *Ellen*, *Will & Grace*, and others, gay characters were introduced, references to homosexuality became commonplace, and issues of gay and lesbian relationships were explored, often in explicit detail. In *Gay TV and Straight America*, Ron Becker draws on a wide range of political and cultural indicators to explain this sudden upsurge of gay material on prime-time network television. Bringing together analysis of relevant Supreme Court rulings, media coverage of gay rights battles, debates about multiculturalism, concerns over political correctness, and much more, Becker's assessment helps us understand how and why televised gayness was constructed by a specific culture of tastemakers during the decade. On one hand the evidence points to network business strategies that embraced gay material as a valuable tool for targeting a quality audience of well-educated, upscale adults looking for something "edgy" to watch. But, Becker also argues that the increase of gay material in the public eye creates growing mainstream anxiety in reaction to the seemingly civil public conversation about equal rights. In today's cultural climate where controversies rage over issues of gay marriage yet millions of viewers tune in weekly to programs like *Queer Eye for the Straight Guy*, this book offers valuable insight to the complex condition of

America's sexual politics.

Hearts of Grey - Earl E. Gobel 2009-10-15

The year is 1865. The Civil War between the states is raging on. General Sherman, along with over sixty thousand Union troops, has just forced their way into Columbia, South Carolina. By the

time the sun rises the following day, Columbia would be in ruins. Three-quarters of the once-striving showcase of the South would be reduced to ashes. The pride of the South, the pride of the Confederacy, would never recover.
