

Insights Sex And Family Living Via Shakespeares Romeo And Juliet

Juliet - Anne Fortier

2010-08-19

Stunning debut dual timeline novel about the real Juliet, who inspired the story of Romeo and Juliet. Perfect for fans of Barbara Erskine.

Brooke's 'Romeus and Juliet,' - Arthur Brooke

2022-10-27

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.

Scholars believe, and we

concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Two Gentlemen of Verona - William Shakespeare
2011-08-23

While the word "gentlemen" suggests that its heroes are adults, *The Two Gentlemen of Verona* is more intelligible if we think of them as boys, leaving home for the first time. One has a crush on a girl, Julia, though he hasn't yet told her. Sent to court to learn to be "perfect gentlemen," Valentine and Proteus are derailed by

their attraction to Sylvia, the ruler's daughter. Valentine's mental denseness does not deter Sylvia from returning his love, but he is caught, and banished, when he tries to elope with her. Proteus' desire for Sylvia wipes out his former love, leading him into despicable acts that win scorn from Sylvia and wound Julia, who has pursued him disguised as a boy. When Sylvia follows Valentine into banishment, Proteus follows Sylvia, and Julia follows Proteus, the stage is set for a disturbing ending. But the stage is also set for the "gentlemen" to take small steps toward maturity. The authoritative edition of *The Two Gentlemen of Verona* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -The exact text of the printed book for easy cross-reference -Hundreds of hypertext links for instant navigation -Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently

placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An annotated guide to further reading Essay by Jeffrey Masten The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

Romeo and Juliet
SparkNotes Literature
Guide - SparkNotes
2014-02-04

When an essay is due and dreaded exams loom, this book offers students what they need

to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs and symbols, a review quiz, and essay topics. It is suitable for late-night studying and paper writing.

Women of Will - Tina Packer
2016-03-08

Women of Will is a fierce and funny exploration of Shakespeare's understanding of the feminine. Tina Packer, one of our foremost Shakespeare experts, shows that Shakespeare began, in his early comedies, by writing women as shrews to be tamed or as sweet little things with no independence of thought. The women of the history plays are much more interesting, beginning with Joan of Arc. Then, with the extraordinary Juliet, there is a dramatic shift: suddenly Shakespeare's women have depth, motivation, and understanding of life more than equal to that of the men. As Shakespeare ceases to write women as predictable caricatures and starts writing them from the inside, his women become as dimensional,

spirited, spiritual, active, and sexual as any of his male characters. Wondering if Shakespeare had fallen in love (Packer considers with whom, and what she may have been like), the author observes that from Juliet on, Shakespeare's characters demonstrate that when women and men are equal in status and passion, they can—and do—change the world.

Shakespeare the Thinker - Anthony David Nuttall
2007-01-01

Offers a critical analysis of the themes, ideas, and preoccupation exemplified in the body of Shakespeare's work, including the nature of motive, cause, personal identity and relation, the status of imagination, ethics and subjectivity, and language and its capacity to occlude and communicate, in a study that emphasizes the link between great literature and its social and historical matrix.

The Red Shoes - Michael Powell 1978-11

Sonnets - William Shakespeare

2014-12-16

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become

part of everyday speech.

HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The Publishers' Trade List Annual - 1975

New York Magazine -

1994-12-12

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Transversal Enterprises in the Drama of Shakespeare and his Contemporaries - B. Reynolds
2006-03-01

This study expands on Reynolds' 'transversal poetics' - the theory, methodology, and aesthetics developed in response to the need for an approach that fosters agency, creativity and conscientious scholarship and pedagogy. It offers new readings of plays by, amongst others, Shakespeare, Marlowe, Middleton, Webster and Greene.

Feminist Review - The Feminist Review Collective,
2005-12-05

The 1990s are proving to be a time, quite literally, of shifting territories in Europe - East and West. Both the revolutions in Eastern Europe in 1989 and the breaking of economic boundaries in 1992 are creating a new Europe; a Europe in which old questions have to be re-asked and old assumptions reevaluated. This Feminist Review special issue, *Shifting Territories* explores

these political changes in all their complexity, and in particular looks at how these changes will affect women and feminism. *Feminist Review* employs its unique perspective to ask such pertinent questions as: how can we make sense of these major transformations? How should we respond to them? What part should feminists play in the new world order? Is it so 'new'? With articles covering the relationship between nationalism and feminism, the women's movement in Eastern Europe, feminism and the crisis of socialism, this *Feminist Review* special issue explores these shifting territories and tries to make sense of the reverberations affecting all our lives.
