Hooked - Joe S. McIlhaney, Jr. 2008-08-01

Society tells us that sex is an act of self-expression, a personal choice for physical pleasure that can be summed up in the ubiquitous phrase: "hooking up". Millions of American teenagers and young adults are finding that the psychological baggage of such behavior is having a real and lasting impact on their lives. They are discovering that "hooking up" is the easy part, but "unhooking" from the bonds of a sexual relationship can have serious consequences. A practical look into new scientific research showing how sexual activity causes the release of brain chemicals, which then result in emotional bonding and a powerful desire to repeat the activity. This book will help parents and singles understand that "safe sex" isn't safe at all; that even if they are protected against STDs and pregnancy, they are still hurting themselves and their partner.

Finding My Way Home - Reddy Suzwe 2010-03

I had asked the ultimate question; what is Life before and so now my prayers were being answered. I was about to find out for myself. Never imagined this is how God was going to capture my heart but he did and so the journey begun. This provided insight on how God healed my broken heart as he mended and repaired my being. At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it. As painful as some of the things done to me in the past felt, I came to understand that was the reason why my Lord was there so I

chose to allow Him into my life for healing to begin. It was in Him to give and so a new heart was provided for me to be able to live pain free. As I accepted the gift I was given I felt the heart beat like never before. A tear drop rolled down my cheek and I knew I was transformed. I came to find out it was new life in me. I was coming out a new person, a new being who was no longer conformed to the world but renewed, enlightened & enriched. I woke up and realized I was no longer sleeping beauty as I got the awakening. To me that was healing from the house of heaven. I was now free from heartache, no longer day dreaming but living the dream. The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive. It turned out to be a journey of a lifetime.

Finding the Right Mate - Gilbert Edwards
2011-02-04

The author will try to explain and encourage those that are seeking to marry that marriage is a holy estate instituted by God. Marriage was ordained for the life-long companionship, help and comfort which husbands and wives ought to have for each other. The authors deepest focus points are: Life-long Marriage and *Finding the Right Mate*. Many married couples do not keep the marriage vows they made. Because of that, I recommend marital counseling before marriage. The author does not focus too much on divorce because of his disbelief in divorce. It was Moses that executed the bill of divorce. He did it to protect the women because husbands would divorce their wives for anything just to marry another woman. Women have a moral personality and are not a thing that men may hand over to another, and then take her back again at his pleasure. The author believes there is not law instituting or commanding divorce. Most people use Matthew 19:9, where Jesus was only explaining what Moses meant. The marriage that God wants is a marriage of a life-long commitment; a forever happy home!

Love & Sex - Nancy Houston 2018-02-05

“So many couples struggle in their sexual lives because they divide sex and love ... Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division.”—Dr. John Townsend, New York Times bestselling author of *Boundaries* “Without question, one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston.”—Amy Ford, president of Embrace Grace and author of *A Bump in Life* Sex is powerful! Just saying the word “sex” can stir up all kinds of emotions. Maybe it’s a positive emotion for you—or possibly a hurtful, shameful, confusing one. It’s no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home where sex was taboo, addressing the topic can be even more difficult. In a world of sexual chaos and confusion, we all need a healthy dialogue on the topic—not a black-or-white, right-or-wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love & Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the good God intended when He created humans as sexual creatures, while recognizing that many people haven’t experienced sex in a positive way. You won’t find a critical examination of dos and don’ts, but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it’s a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health, happiness, and balance. And if you are one of the few unscathed by sexual shame or confusion, this book will help you develop a

more compassionate lens for those who do struggle.
