Love's Random Shot Wilkie Collins 2016-04-01 This early work by Wilkie Collins was originally published in 1883. Born in Marylebone, London in 1824, Collins' family enrolled him at the Maida Hill Academy in 1835, but then took him to France and Italy with them between 1836 and 1838. Returning to England, Collins attended Cole's boarding school, and completed his education in 1841, after which he was apprenticed to the tea merchants Antrobus & Co. in the Strand. In 1846, Collins became a law student at Lincoln's Inn, and was called to the bar in 1851, although he never practiced. It was in 1848, a year after the death of his father, that he published his first book, *The Memoirs of the Life of William Collins, Esq., R.A.*, to good reviews. The 1860s saw Collins' creative high-point, and it was during this decade that he achieved fame and critical acclaim, with his four major novels, *The Woman in White* (1860), *No Name* (1862), *Armadale* (1866) and *The Moonstone* (1868). *The Moonstone*, meanwhile is seen by many as the first true detective novel - T. S. Eliot called it "the first, the longest, and the best of modern English detective novels...in a genre invented by Collins and not by Poe." Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.

Emily has no idea what to make of the sexy hockey player. She's never met anyone

like him before: charming, charismatic, and attentive. Is he merely flirting, or is he after something else? Should she take the chance and end up risking so much more than her heart? **Hot Mess** Emily Goodwin 2019 My life is a hot mess. Single, working, and raising two daughters, it's a miracle I get us up, dressed, and fed every morning. Forget about dating—nobody's got time for that. Even if love hadn't left me jaded, I'm not settling for anything less than perfect this time around. Lucky for me, the perfect man just happens to work in my office. But there's just one small problem: he's my boss, and is totally off limits. But hey, if it's meant to be, it'll find a way, right? Then a night out with friends turns into a night in with the walking-talking bad boy cliché of a bartender. It's just one night. No harm, no foul, right? Except when the hot bartender turns out to be my boss's trouble-making brother, who wants more than just one night with me. The more I resist the spark between us, the more I find myself wanting him too. Which puts me in the middle of what could be the biggest sibling rivalry of the century. Life is messy. And love? Well, love is even messier.

powerful romance featuring a transgender man and an ex-Orthodox woman who find each other through their devotion to art, and fall in love despite all odds, from bestselling author Victoria Lee. 'A sensual love story about art and passion . . . emotional and heart-aching' ASHLEY POSTON .....

Doesn't love mean being truly yourself? Elisheva Cohen has returned to New York after a decade away. Her past holds wounds, but four years of sobriety and a scholarship to study photography with art legend Wyatt Cole are signs of good things. Even better, her first night in the city leads to a mind-blowing hookup. But when Wyatt Cole walks into the classroom, Ely realizes the man she just spent the night with is her teacher. The art world is obsessed with the immensely talented, notoriously reclusive Wyatt Cole. But Wyatt's past is a painful memory. After coming out as transgender, Wyatt was dishonourably discharged from the military and disowned by his family. Since then, he has worked hard for his sobriety and flourishing career. He can help Ely with her photography, but he cannot fall in love with her. Through the lens of her camera, Ely must confront the reason she left New York: the Orthodox community that raised her, then shunned her because of her substance abuse. And as Wyatt's walls begin to break down, each artist fights for what's right in front of them - a person who sees them for all that they are and a love that could mean more than they ever imagined possible. ....

regret being the time she added a small amount of speed to my formula to see how long it would take me to fall asleep.' Set in the UK and Ireland in the late 1970s and early 1980s, *You Shot My Dog and I Love You*, is a harrowing story of horrific physical and mental abuse inflicted on the author at the hands of his parents. In addition, the author's parents demanded that he assist them in their life of crime, go on the run in Europe to evade the law, and hide out in a caravan from the local police force. This is just some of the trauma that the author writes about. The story is intertwined with darkly comic elements to provide relief from the disturbing events of a tumultuous childhood. Due to the nature of the content *You Shot My Dog and I Love You* is written anonymously.

**Bayside Romance (Bayside Summers #5) Love in Bloom**

**Contemporary Romance** Melissa Foster 2019-09-18 After a string of bad luck, Harper runs into one man she can't forget. He's hot, smart, and oh-so romantic, but is he the one? Or is he the next in line to break her heart? Bayside Summers is a series of standalone steamy romance novels that may also be enjoyed as part of the larger Love in Bloom big-family romance collection. In USA Today bestseller BAYSIDE ROMANCE... When screenwriter Harper Garner got a shot at the big-time in LA, she celebrated her brave cross-country move with her first and only one-night stand—connecting so deeply with the sexy, brilliant man, she broke the number-one rule of one-night stands and left her phone number. Not hearing from him was only the first in a long line of hope-shattering, confidence-busting blows. Ten months later, Harper is done with men and done with LA. She pulls up her big-girl panties and heads home to Cape Cod to start over. On the surface, interior designer Gavin Wheeler has it all: a successful business, a loving family, and a close-knit group of friends. But Gavin once endured a heartbreak so painful, he was sure he'd never feel anything for a woman again. A chance encounter at a music festival with a gorgeous, down-to-earth blonde proved him wrong, but when morning came, the woman who made him crave more was gone. A serendipitous evening reunites Harper with her devastatingly delicious one-night stand, and the connection is just as intense as she remembered. Harper's life is too unsettled for a relationship, but Gavin is determined to help her find her way, especially if it leads straight to his heart. Moonlight conversations
